The DON
1962

Don Bosco High School
Milwaukee 15, Wisconsin

THE MODERN MILWAUKEE

Throughout the past four years at Bosco, we seniors have seen many improvements to our city. The War Memorial, the new Municipal Building, the new museum, and the rapidly rising District State Office Building show great improvement to the face of Milwaukee.

The great civic stride to rid Milwaukee's face of many blemished areas has proven to be worthwhile. Milwaukee and its citizens can now be proud of its many improvements. But all this progress is due only to the citizens who want it for without them, Milwaukee wouldn't exist.

OUR
SCHOOL

Don Bosco High School

Home of the Dons

OUR
GYM

ARCHBISHOP WILLIAM E. COUSINS

We, the graduates of 1962, wish to thank you our shepherd for the help and guidance his Excellency has bestowed on us. We pray that Almighty God will watch over him, and inspire him with fatherly wisdom to guide us, his flock. We will devote our every prayer to him, in caring for us.

BISHOP ROMAN R. ATKIELSKI

Our deepest gratitude is extended to Bishop Atkielski for his fine work in helping our school. This work will always be a sign of his generosity and watchful love for us. We hope that the name of Don Bosco will always remain a credit to Bishop Atkielski's long years of devoted service.

MONSIGNOR EDMUND J. GOEBEL

Monsignor Edmund J. Goebel, one of the most progressive Catholic American educators, has constantly striven to better the Catholic educational system of Milwaukee. We wish to thank him in particular for his tireless efforts that have given us the wonderful Catholic education of which we are so proud.

Milwaukee has the reputation of being a conservative city, with all of the virtues and defects that accompany this characteristic. A solid family life, civic improvements that are paid for as they are made, hospitality, daily hard and skilled work in factory and in the family . . . these are a few of the more noteworthy attributes of metropolitan Milwaukee and of its citizenry.

As you graduates of the class of 1962 commence your adult life as citizens of greater Milwaukee your parents, teachers and friends hope to see you safeguard all of these virtues, at the same time that you move forward in the spirit of progress lately manifested in Milwaukee and attested to in other sections of this yearbook.

AD ASTRA PER ASPERAM!

BRO. DANIEL E. SHARPE, S.M.,
Principal

I can do no better than recommend for your consideration now (and each year) some serious thoughts from a book I read recently, Strangers in the House:

A proper understanding of the teachings of the Church can be a tremendous help to you, a young person seeking your identity. You must realize that you are a member of the Mystical Body, redeemed by Jesus and sent into the world by the sacraments of Baptism and Confirmation to continue in your own section of space and time the work which Jesus began. You must understand that you have at your disposal the graces of the Cross through the Mass and the sacraments and the truth of Christ through the teaching of the living magisterium. You must understand that you fight indeed against the principalities and powers, but also with the massed strength of the Communion of Saints behind you. You must know that your goal is not merely to pile up material satisfactions and physical comforts, but to gain eternal happiness in a far better world than this and in the meantime to serve Christ in the least of your brothers and work for the coming of His Kingdom. You must appreciate that your family, your occupation, your parish, your political community must be the arenas where you are to bear witness to Christ and that these arenas will furnish you with the opportunity for self-denial and self-discipline necessary to grow in charity. You must understand that your most important function is to worship God well and that by doing this you will find the necessary and indispensable source of the piety you need to live up to your vocation as a Christian. You are indeed a traveler in a vale of tears, but you are not an aimless wanderer, rather a man on a mission.

BRO. LEO WILLET, S.M., Assistant-Principal

Every great accomplishment starts with a dream. Modern Milwaukee started that way. First it was a dream, then it was worry and work, and now it is an imposing city.

The world you are living in today is not your merit - nor is it your fault. You didn't make it. It was given to you. But the world you live in twenty years from now will be to your credit - or to your shame. You will have made it what it is!

Your future world has already begun to take shape. You are to carry it in the ideals you take with you from Don Bosco. If men say that you are the hope of the future, it is because they believe in your ideals. Now they are waiting to see your energy and hard work bring these ideals into a reality - a new world.

God bless you with big dreams, the courage to accomplish them, and a better world for all men because of them.

FATHER QUENTIN HAKENEWERTH, S.M., Chaplain

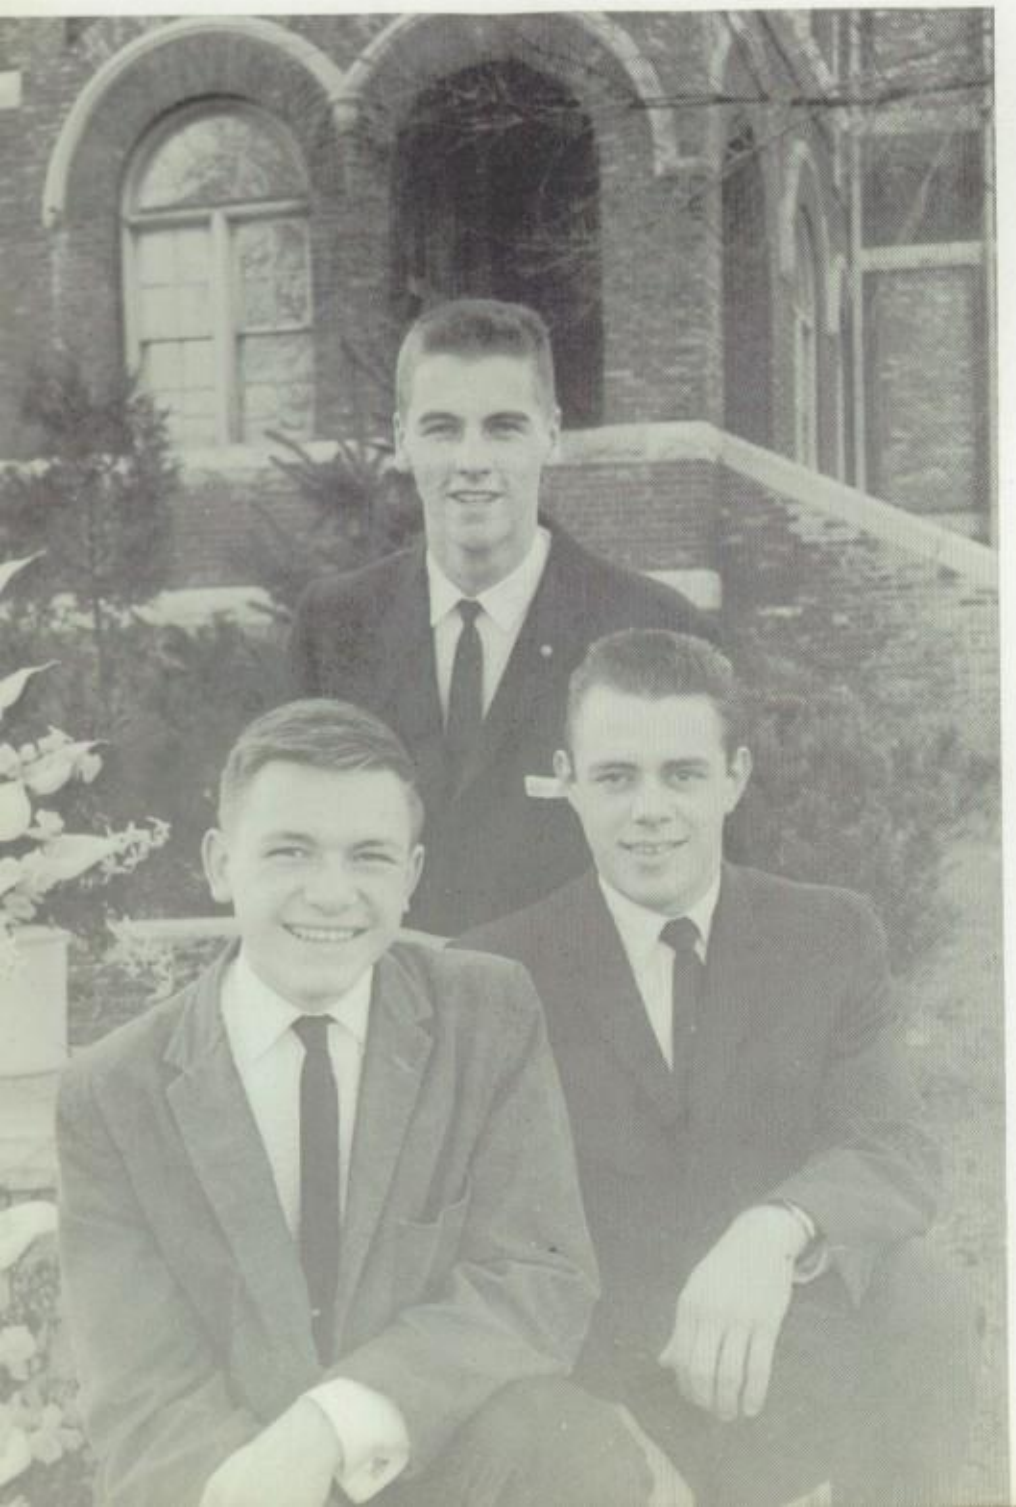
Assistant Editors, LEFT TO RIGHT: LARRY FLOREK, Copy; JIM HEMPEL, Business; DAVE GAUTHIER, Picture. ABSENT: DOUG STUROMSKI, Beacon Section.



In addition to the editors, the following people also contributed to the publication of this edition: Leon Decker, Tom Kochanski, Larry Krajewski, Marty Mueller, Steve Penn, Paul Schmidt, junior Dan Schweitzer, and especially Tom Knitter.

Special mention is given to the Milwaukee Sentinel, the L. L. Cook Company, Grellinger & Rose Architects, and Eschweiler & Eschweiler Architects for the pictures that they donated for publication in this edition.

Class of 1962 Honors

Cesarz Leads Senior Class

The valedictorian of the 1962 graduation class is Michael Cesarz. During his four years at Bosco, Mike has maintained an average of 94.5.

Mike, a member of St. Hyacinth parish, is active in the CYO and Holy Name.

But Mike's activities are not confined to his parish. Here at school he is an office worker; right after dismissal he is usually seen running from homeroom to homeroom, collecting absentee slips. Mike is also a zealous Sodalist and a member of the **Beacon** staff. He is also responsible for the many publications, such as the calendars, and prom booklets, since he is the chairman of the Student Council Printing Committee.

Future plans of our valedictorian include Marquette University, where he plans to study engineering.

Congratulations and best wishes to the valedictorian of 1962.

Perfect Attendance Awards

This year's attendance and punctuality awards will be presented to:

Michael R. Cesarz
William J. Graf
Joseph J. Kochanski
Lawrence R. La Porte
Charles D. Mavrin
W. Scott Weyda

Krajewski To Be 1962 Salutatorian

Lawrence Krajewski has gained through hard work the title of salutatorian of the 1962 graduating class with his four year average of 93.5.

Larry hails from St. Ignatius Loyola parish where he is actively engaged in Holy Name and the CYO. Besides all this parish activity, he also finds time to make numerous contributions at Don Bosco. Many of his posters have lined the corridors during the past school year. Larry also designed the covers for the various programs printed during the year. Most of his art work was done in association with the Student Council where he was chairman of the art committee. Larry has also given his valuable time to the **Beacon**, the **Don**, and has played intramural basketball.

Next year, our salutatorian plans to attend the University of Wisconsin where he will major in mathematics.

Senior Honors

Honored at the Graduation Ceremonies will be the following outstanding students of the 1962 graduating class who have attained an average of 90 per cent or above for their four years of high school:

Michael R. Cesarz, James N. Hempel, Thomas A. Kloza, Lawrence L. Krajewski, James R. Marino, Dennis A. Mei, Rodney C. Pribbanow, Jeffrey J. Schrank, Michael J. Slawnik.

The following graduates have an average of 85 per cent or above for their four years of high school:

Robert A. Barczak, Charles R. Bartels, John N. Batchelor, John E. Blessinger, Barry L. Bonneau, Thomas F. Boyle, Bruce T. Chandler, John M. Chaplock, David A. Gauthier, Philip E. Gerlach, William J. Graf, Patrick A. Kaluzynski, Timothy J. Kleibor, Joseph J. Kochanski, Thomas R. Kochanski, Robert A. Kolanko, Richard A. Koralewski, Michael L. Korpal, Roger A. Krystowiak, Kenneth J. Michalski, Gary E. Nadolski, Robert J. Padol, Stephen F. Penn, James M. Peters, Jerome A. Rabinek, Michael A. Radke, Paul L. Schmidt, Roger L. Sikorski, Michael Stanklewicz, Kevin J. Switala, Jerome J. Talaga, Michael J. Wachowiak, Michael A. Weissman, Ronald M. Winkler, Thomas A. Zaletel.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, September 10, 1958 Vol. XIII—No. 1

Carl Jund, John Laudenback, Gerold Pleva, Edward Loch, John Walczak, Eugene Kawosinski.

Alan Richard and Robert Stolz view library improvements.

Six D.B. Alumni Take First Vows

Six former Don Bosco men made their first profession of vows in the Society of Mary, September 8, 1958, at the Marynook Novitiate, Galesville, Wisconsin.

Bosco graduates of 1957, who made their first vows were: John Laudenbach, Edward Loch, Gerald Pleva, Carl Jund, and John Walczak. Eugene Kawasinski, who attended Bosco in his freshman year, graduated from the Brothers' Preparatory in Kirkwood, Missouri.

The new Marianists will leave shortly for Kirkwood, Missouri, where they will begin their college work in preparation for their life as a priest, teacher or worker in the Society of Mary.

31—Halloween Dance

John Huennekens Dies of Tumor

John Huennekens, 17, who graduated in last year's senior class, died at Columbia Hospital, August 26. A Tracheal Tumor was the cause of his death.

At Bosco, John was a high honor student for all four years and graduated third in his class. During his senior year he was a Student Council Representative, a member of the Milwaukee Archdiocesan Student Council, and a cheerleader. He was an office helper for three years and appeared in a play at Mercy High School.

John Huennekens

Library, Office, Stairs Remodeled

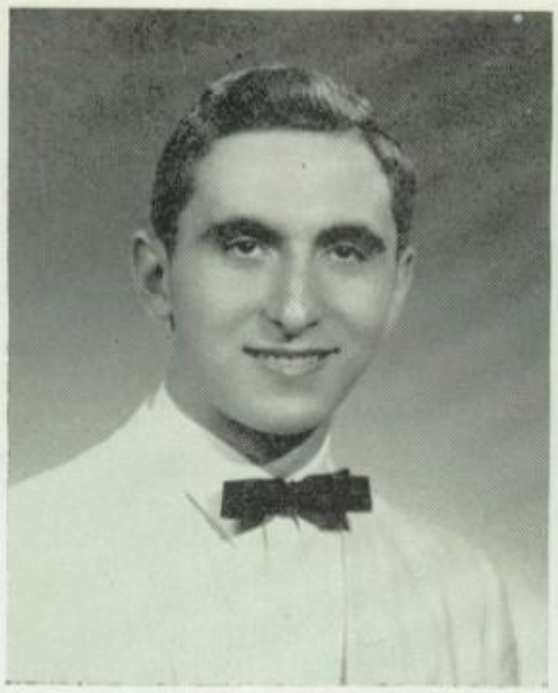
The interior of Don Bosco has taken on a bit of a new look over the summer vacation.

From the outside Bosco looks much the same, but inside two of the rooms could barely be recognized if detached from their familiar locations.

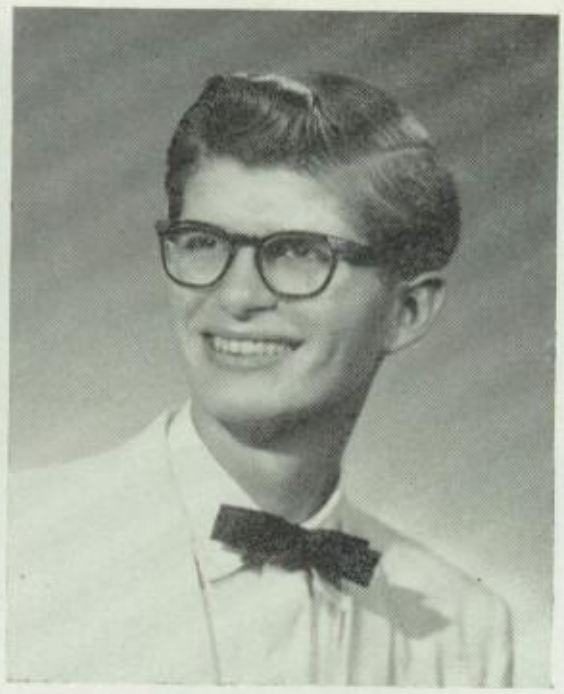
The first of these rooms and the one that has undergone the greatest face-lifting operation since school closed is the library. Besides new drapes on the windows and a rearrangement of its contents, a new sound-absorbing ceiling and a slick highly polished tile floor will add an appropriate note of privacy to this useful room.

The other remodeled room is the Registrar's office. A glass window has been inserted in the counter and behind it two glass paneled offices have replaced the former unenclosed desks.

Other parts of the school have also been redone. The old wooden stairways, which were becoming quite worn down, have been refinished with Terrazzo. And in all the rooms, the old hanging type lights have been replaced by the streamlined flourescent fixtures to distribute the light more evenly.



Jerome Matz



Walter Chowanec

Walter Chowanec, Jerome Matz Enter Marianist Novitiate

Two Don Bosco graduates of 1958 entered the Marynook Novitiate of the Society of Mary, August 22.

Walter Chowanec of 113 and Jerome Matz of 112 began a year of intensive study of the religious life. When they have successfully completed their Novitiate, the grads will take first vows next September.

A member of Holy Family Parish, Cudahy, Walter was Editor-in-Chief of the Beacon and of the 1958 Yearbook. Besides belonging to the Sodality and the Cheerleading Squad, he assumed duties as President of the Bosco Club. Throughout his two years at Bosco, Walter held high honors scholastically.

Also active on the Beacon Staff was Jerome Matz, News Editor. A baritone in the Glee Club, Jerome belonged to the Sodality and maintained honors for four years. He is a member of Immaculate Conception Parish.

Beacon Plans Include You

The **Beacon,** this year more than ever, will endeavor to be a **student** newspaper. This year we would like to base our paper on that Democratic principle: **"A paper of the student, by the student and for the students.**

Many different student skills come into play to bring you each issue of the **Beacon.** Do you know that the **Beacon** staff includes at least nine types of workers? There are opportunities for students with energy and ability to keep the **Beacon** presses rolling in the 1958-1959 school year. **Watch the daily bulletin!**

These positions are open:

WRITERS; **News, Feature, Sports**
TYPISTS
ARTISTS
CIRCULATION MANAGERS
ADVERTISING SOLICITORS
EDITING AND PROOF-READING STAFF
PHOTOGRAPHERS

Don Bosco Student Council Outlines Year

At a recent meeting, the new student council officers outlined the council's coming events. Among these are plans for a number of dances, some of which include the Kick-Off Dance, Halloween Dance, Homecoming, Holiday Hop, Midway Melodies, Spring Swing, Prom, and the Senior Farewell. All dances this year will be run by a special dance committee.

A half day program of freshmen orientation is set for the near future. And in order to obtain some constructive ideas, a suggestion box is being put up near the student council office.

Automobile registration will again be carried on by the student council this year. Cars can be registered in the student council office after school.

As in the past, the student council will handle ticket sales, help other organizations financially, and perform other services as the needs arise.

For Freshmen Only

"Hi, Freshie!" How often have you heard that greeting, accompanied by some upperclassman's snicker, just in the last few days?

Let's face it. It's tough to be a freshman. As eighth graders you were at the top of the ladder. Now you have to start on the bottom rung again. You're continuously approached by "bubbler pass' salesmen or those kind Sophs (really last year's freshmen) who warn you of tough teachers who don't exist.

However, we of the Beacon staff want to welcome you to Don Bosco. We realize that you are as an important a part of the Bosco family as the seniors. During the course of the year you will hear quite a bit about the "Bosco spirit and reputation." When you hear this remember, it's up to **you** to keep up Bosco's great reputation and become part of the Bosco spirit.

So again, welcome. And cheer up; next year it will be your turn to give the freshmen a hard time.

THANKS

The Faculty and the members of the **Beacon** would like to express thanks to Walter Chowanec and Jerome Matz for their help in getting this first issue of the **Beacon** started.

Sympathy

To Charles Baillod on the death of his brother; to John and Tom Blattner on the death of their father; to Mr. and Mrs. Huennekens on the death of their son, John.

Five New Faculty Members Take Over For Transferred Brothers

Five new faculty members have assumed teaching positions at Don Bosco for the 1958-1959 school year. This pronouncement came from Brother Daniel Sharpe, S.M., Principal.

From St. Mary's University, San Antonio, came Bro. Joseph Haefner and Bro. Michael Corso. Bro. Robert Hanss was previously stationed at Central Catholic High School, San Antonio.

A graduate of Don Bosco, Bro. Ralph Neumann formerly taught at Assumption High School, East St. Louis. Also returning to teach at his Alma Mater is Mr. Thomas Frona, a graduate of Marquette University.

Five Brothers Transferred

Transferred to new assignments in three different countries were five members of the 1957-1958 Don Bosco Faculty.

Bro. Frank Esselman and Bro. Joseph Weis assumed teaching duties in Peru.

Assigned to St. Boniface School, Manitoba, Canada, was Bro. Roland Mayer.

Bro. Robert Massa joined the faculty of St. Michael's High School in Chicago while Bro. James Donovan began work at the Marianist Institute of Studies, Glencoe, Missouri.

Former Bosco Man Goes to Peru

Brother John MacGillis, a former Bosco student, took his final vows in the Society of Mary this past summer and is now teaching in Lima, Peru. He is the first Don Bosco graduate to volunteer to go to Peru.

After graduating from Bosco in 1952, Brother John went to the Brothers' Novitiate in Galesville, Wisconsin for a year and to Kirkwood, Mo. for another year. He graduated from St. Mary's University, San Antonio, Texas, and has been teaching at Cathedral High in Belleville, Illinois.

Along with Brother MacGillis, three other Bosco graduates made their final vows this summer. They are: Brother Ralph Neumann, Brother James Facette, and Brother Thomas Egolf.

James Rand Suffers Injuries

James Rand, senior of room 111, is now recuperating from an injury received while playing in a football scrimmage game with Nathan Hale, the Saturday before school opened.

X-rays, taken at St. Luke's Hospital, where Jime is now a patient, revealed internal injuries, but not very serious. Jim is rooting for the team, and hopes to be back among his teammates soon.

Alumni Sodality Sends Reminders

The Don Bosco Alumni Sodality mailed hundreds of flyers to Don Bosco students and their families this past summer, reminding them of Bosco's Night to recite the rosary at the Fatima Shrine on July and August 15.

"In July we sent our only 100 flyers simply as an experiment to test their effectiveness," stated Walter Chowanec, chairman of the Sodality Mailing Committee.

"After seeing the increased July crowd, we decided to mail reminders in August, to the homes of all students, the Affiliates of Mary, and to some recent Alumni," added Jerome Matz, co-chairman.

The Mailing committee wishes to thank Brothers Sharpe, Willett, Haarmann, Naal, Sontag, Martens, and Maier for their kind advice and assistance.

Dick Tanger

Richard Tanger Enjoys Annapolis

Richard Tanger, a 1958 graduate of Don Bosco, is presently attending freshman classes at Annapolis Naval Academy. Since he arrived there in mid-June, he has been carrying a full schedule of courses.

He was told of his appointment in a congratulatory letter from Congressman Zablocki, shortly before graduation. Two weeks before receiving word of his appointment to Annapolis, Dick received news that he had successfully competed in the National Competive Exam for the Coast Guard Academy.

Dick spent much of his spare time at the South Shore Yacht Club, with his boat.

Knight Gridmen Get New Coaches

The Don Bosco varsity football team this year has added two new members to its coaching staff to help Mr. Ed Callahan get the team into shape. The first of these is Mr. Ronald Fieber, former Marquette Universiy gridder, and Mr. Andy Stefan.

Brother Eugene Sohm has taken over the reins of the Sophomore "B" Team, which was formely in the hands of Brother James Donovan.

On the Freshman scene, the new Bosco men will be under the supervision of Brother Robert Skloss and Brother Philip Hartlaub. Brother Hartlaub is replacing Brother George Naeger.

Archbishop Meyer

Spiritual Bouquet from Dons As Archbishop Meyer Departs

The men of Bosco are offering Archbishop Albert G. Meyer a spiritual bouquet of Masses, Communions and Rosaries. This is being done in recognition of the archbishop's several years of faithful service to Milwaukee and also upon his appointment as head of the Archdiocese of Chicago.

Albert Gregory Meyer was born in Milwaukee on March 9, 1903, and on July 11, 1926 was ordained a priest in Rome. When he returned to the archdiocese in 1930 he was appointed curate at St. Joseph's Parish in Waukesha. Several years later, in 1946, to be exact he was appointed Bishop of Superior, Wisconsin, but returned in 1953 to Milwaukee to take over the vacant position, left by the late Archbishop Kiley Now, after five years of devoted service, he is leaving us, November 15, to take up his new post as Archbishop of Chicago, the largest archdiocese in the United States, and the one recently headed by the late Cardinal Stritch.

Upon this both sad and joyous occasion, the men of Bosco are offering their congratulations and farewells, in the form of a spiritual bouquet.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Friday, November 7, 1958 Vol. XIII—No. 2

Military Ball To Be Held Nov. 7

Don Bosco's annual Military Ball will be held this year on Friday evening, November 7, in the Bosco gymnasium. Music for the evening will be provided by Duane Wanesk and his orchestra.

The Military Ball is a semi-formal dance for couples only, sponsored each year by the Bosco band. It is a dance exclusively for upperclassmen from Bosco and their dates. However, the band invites the members of the bands of all Catholic high schools in the vicinity and their dates to attend as special guests.

Tickets for the dance are now on sale and may be purchased from the band representatives. The price before October 24 was $2.50 per couple, but since that date has been $3.50 per couple.

Home and School Holds Card Party

The Don Bosco gym will be the scene again this year for the annual Senior and Freshman Mothers' Card Party on Sunday afternoon, November 9. This is a special opportunity for the mothers, of students new at Bosco, to become better acquainted with the mothers of those who have spent many semesters here.

A special feature of this occasion each year is the card party "Cherry Tree." Thanks to the generosity of many of the mothers, a mountain of prizes has been gathered for the "Cherry Tree" booth in the gym. Those who are the lucky winners will carry home everything from cookie jars and groceries to a large pink poodle (which doesn't bark, bite, or bury bones).

Bosco Club Opens Doors to Frosh

On Friday, October 31, the Bosco Club was opened to students from the freshman division.

The meeting that morning consisted manily of short talks by the heads of the various committees, to acquaint prospective members of the club with the various projects going on, all of which help to fulfill the purpose of the club, namely: to pray for and encourage religious vocations.

Among the various projects discussed were the completion of a file on all the religious orders to be made available to the school, the displaying of the work of different religious orders on the bulletin board outside the library, the making of posters reminding the students of the religious life, the vocation retreat, the Holy Hour and Living Rosary, and the bringing in of speakers from religious orders to personally tell of their work.

Living Rosary, Mass for Pope, Holy Hour Highlight Religious Events

On Tuesday, October 7, the students of Don Bosco observed the Feast of the Most Holy Rosary of the Blessed Virgin Mary with a Living Rosary.

Sixty Bosco men, representing the various activities in the school, formed the Living Rosary in the gym and led the prayers, while the faculty and student body prayed along.

Father Rohrbach concluded the assembly with Benediction of the Blessed Sacrament.

The very next day, Boscoites, along with the entire Catholic world, were saddened by the death of our Pope, Pius XII. On Friday, October 10, the entire student body and faculty attended a mass for the late Holy Father in the gymnasium, with a large number of them also receiving Holy Communion.

Also in the line of religious events at Bosco, the Bosco Club is planning another Living Rosary. It will be part of a Holy Hour, the purpose of which will be ot pray for vocations to the priesthood and religious life. According to Brother Urban Naal, the moderator of the Bosco Club, it is scheduled for sometime in December.

Members of Living Rosary: Dunajski, Tessler, Michalski, Kryzaniak.

Bosco's Reputation Threatened

Don Bosco in the past years has had a very good reputation for students crossing the streets with the lights. This has raised the general public's opinion of Don Bosco to great heights.

Now it has come to our attention that a large portion of this year's freshmen class has been neglecting their part in keeping up Bosco's outstanding reputation in this matter. Is it that the upperclassmen have not been giving good example or is it just that this is indicative of the senior class of 1962? It is understandable that the freshmen are a little puzzled over their new surroundings, but is it unreasonable to expect them to at least make an effort in this matter? After constant reminders through the school bulletin the freshmen still have failed to take heed of the present situation.

What type of example will they give the freshmen of 1962? Will these seniors of 1962 raise Bosco to even higher standings or will they cause its reputation to fall?

—A senior of '59

Pope Pius XII, Pope of Peace, Dies at Rome at Age of 82

Pope Pius XII, who died October 9. was considered about the most distinguished of all the popes of our day. He was almost without a doubt the most intelligent and most pius pope of all church history. His pius and saintlike life was one that was and still is a shinning example for all Christians, who truely love God, to attempt to imitate. He had an amiable personality, yet his manner was such that he won the respect and admiration of king and commoner alike. His goal was world peace and his motto was, "Peace is the work of justice."

Pope Pius, or the Pope of Peace, as he was commonly called, made himself available to the people as no other Pope ever did. He held thousands of people in private audience every year and made an effort to talk to each one of them personally.

His intelligence was that of a genius. He spoke seven languages fluently and understood many more. He was outstanding for his work against Communisium in the world.

He was not a massive man, but was actually rather very slender and quite frail looking. At times it looked as if the weight of his clothing was too heavy a burden for him to endure. Yet he did not complain.

Even though he is probably with God now, he is still human and needs your prayers for his canonization.

—John Labutski.

You Can Only Get to Heaven If You Bring Your Friends

The Mystical Body is the union of the Church militant with Christ as its head.

St. Paul was the foremost exponent of the doctrine of the Mystical Body. Although he never used the exact words, Mystical Body, he frequently spoke in his epistles of Christ's body being His Church.

The word mystical does not imply that his union is not real, or that this body of Christ is not real, but that it is spiritual, since the cause of the union, the Holy Spirit living in its members, cannot be seen. The word body is used to illustrate the fact of this unity. In a special way this union is a real body. Every morally good or evil act of a member influences the other members of this body in as much a way as every function of our human body influences the other organisms and functions of the rest of our body.

During World War II our civilization was in shambles. Pope Pius XII knew what alone could give lasting peace and unity to the disorganized members of the human race. So he gave to the warring world his encyclical, **Mystici Corporis,** which told the truth about Christ's Mystical Body and God's need of us. "Because Christ, the Head, holds such an eminent position," wrote the Pontiff, "one must not think that He does not require the Body's help." What Paul said of the human organisms is to be applied likewise to the Mystical Body: "The head cannot say to the feet; I have no need of you." It is manifestly clear that the Faithful need the help of the Divine Redeemer, for He has said: "Without Me, you can do nothing . . ." "Deep mystery this," says his Holiness, "subject of inexhaustible meditation; that the salvation of many depends on the prayers and penance, which the members of the Mystical Body offer for this intention."

In short, we are sent by God to help the son of God save our fellow men. The growth and increase of the Church both intensively and extensively depends on this vivifying, life-endowing union.

If we are to fulfill our destiny as apostles for the faith, we the laity, must do all the good we can, in order to give more good blood, more energy, more life to this body, our body. But we can fulfill this destiny only if we have proper life within ourselves, and that we can have only if we have been "raised from the dead."

—Tony Broskowski.

Fatima Shrine November 15

Congratulations

The **Beacon** staff would like to congratulate homerooms 112, 207, 212, and 102 on their having the winning floats in the homecoming parade.

Also to Gerald Kleczka for bringing in the most ads in the **Beacon's** ad contest.

Sympathy

To junior John McLees upon the death of his grandmother. To Senior Tom Miller on the death of his father. To sophomore James Krzeszewski upon the death of his grandmother.

Student Council officers: M. O'Donnell, J. Horlivy, J. O'Hara, D. Planey.

Students Council Reps, (l-r), front row: P. Donahue, J. Schiek, L. New, J. Mei, R. Hurst. Second row: Brother Osborne, D. Budzynski, K. Bellanti, M. Lucci, R. Tatalovich. Third row: J. Ulma, R. Majchryak, R. Jasolski, B. Barczak. Fourth row: Brother Neumann, K. Bukowski, W. Todryk, T. Myszewski.

Homerooms Elect Wednesday Morning Reps

The results of the class elections for this year are as follows:

The four main officers of the Student Council were elected at the close of the '58 school year. They are: James O'Hara, president; John Horlivy, vice-president; Mike O'Donnell, secretary; Dave Planey, treasurer. John Flagge is the DB representative to the MASC (Milwaukee Archdiocesan Student Council). The moderators of the Student Council are Bros. Robert Osborne, and Ralph Neumann.

Seniors

K. Bukowski has been chosen to represent room 109 at the Wednesday morning Student Council meetings. In the homeroom he is helped by treasurer, D. Planey. Room 111 has given its "control" to D. Budzynski, who is given plenty of homeroom assistance by H. Weilichowski, T. Marth and R. Leggio. Seniors in 112 have elected R. Majchrzak to their Student Council seat, while S. Wood, D. Fryhoff, and H. Hibner take care of things in the homeroom. Room 113 picked only one officer so far and that is SC rep, R. Jaskolsik.

Juniors

J. Bova of junior room 202 takes care of his homeroom's Student Council workings, while in 202 itself assistance is given by B. Nemoure, president; D. Baran, vice-president; and N. Domagalski, secretary. Juniors of 203 have selected B. Barczak, as SC. rep. and D. Multauf, T. Kaluznski, L. Jansen, and D. Voss, as officers. J. Mei has offered to make the 8:00 Wednesday morning meetings for 207 and gets homeroom support from G. Lee, R. Hoerl, and M. Moczynski. Room 301 has "handed the keys" over to B. Todryk, who is assisted by G. Semmler, G. Walloch and J. Matthews.

Sophs

209 sophs have picked M. Donahue as rep and J. Zolecki, R. Starck and T. Kramer as Mike's assistant. In 211 L. New and G. Simons act as alternate Student Council reps. R. Ttatolavich runs 212's show with three officers, R. Petry, C. Napierala and P. Hess. Room 213 gave the OK for M. Lucci, so he attends the SC meetings and gets homeroom aid from mission-treasurer, K. Sweet. J. Ulma has taken over operations in 215 with four helpers. They are J. Bova, president; T. Gragenauer, vice-president; R. Zuelke, secretary; and J. Dombrowski, treasurer.

Frosh

The frosh of 102 have placed their confidence in T. Myszewski, who has plenty of backing up from J. Meyer, J. Possell and D. Yarnot. Room 103's authority rests with K. Bellanti, assisted by mission collector M. Murphy. R. Hurst attends the SC weekly meet-

1958 Cheerleaders: J. Mei, M. O'Donnell, D. Hoeri, B. Todryk. Second row: K. Sweet, G. Lee, D. Multauf, J. Sparcio.

Uh Rah Rah Bosco High

As always, at the beginning of the school year, a small but noisy group starts its work. These are the cheerleaders, directed by Brother Ralph Neumann.

This happy organization includes: senior Mike O'Donnell, juniors Bill Todryk, George Lee, Dave Multauf, Jim Sparacio, Dick Hoerl, Joe Mei, and sophomore Kenneth Sweet.

These boys, who hardly ever receive credit for their work, hold practice twice a week, and appear at football and basketball games as well as the pep rallies throughout the year.

Because of their effort and hard work, Brother Neumann is trying to get letters for these active cheerleaders.

Co-captains, Terry Zylka and Richard Richard, talk at Pep Rally.

King and Queen ride in parade.

Pep Rally, Parade, Game, Dance Make Homecoming a Success

One of Bosco's annual events which everyone looks forward to is the homecoming program. It includes a pep rally, a parade, the football game, and a dance. It was celebrated this year on October 5th.

A pep rally, held Friday, October 3rd, actually started the homecoming festivals. Coach Ed Callahan said a few words concerning the team's work, while the co-captains, Terry Zylka and Richard Richard, promised a victorious game.

The annual parade, beginning early Sunday afternoon, officially opened the homecoming program. Each homeroom's float and many decorated cars made up the parade.

This year's prizes were awarded to the homeroom in each division with the best float. Taking the honors were homerooms 112, 207, 212, and 102.

Homeroom 102's float had as its motto "Bosco Breaks All Records," which was depicted with a large phonograph disc, which was cracked. Homeroom 212 was really "cutting up" with a gigantic pair of scissors on their float, letting it be known that we would really "clip" Notre Dame, our unfortunate foe. The juniors of 207 were living it up in a night club scene, complete with orchestra and "girls," who were actually 207'ers in skirts.

Cutting down the Redbird of Notre Dame was the idea of 112's float, with another huge pair of scissors.

The judges, who had the task of selecting these winners from the many floats in the parade, were Mr. Thomas Pucylowski, Mrs. Jerome Flagge, and Mrs. Philip Schrempf.

Spirits were high later in the afternoon as Bosco defeated Notre Dame by a score of 12-0. During the half time the Bosco band marched on the field. After the game, the players were escorted to the school gym by the crowd.

When 8:00 P.M. rolled around, the day's festivities were climaxed by a dance in the school gym. Everyone present was serenaded by the ten-piece band of Robert Kulpa. Highlight of the evening was the coronation of the homecoming king and queen, Joe Fons and Marilyn Goetz. Members of the court were Terry Zylka and his date Mary Beth Kopatek and Roger Majchrzak and his date Marge McClutchy. Bros. Joseph Towers, Ralph Neumann, and Robert Osborne, conducted the ceremonies. Because the next day was a school day, the dance ended at 10:30.

207's Winning Float.
King and Queen at dance.

'From Days of Yesteryear'

While looking through the **Beacon's** files, we came upon some of the first **Bosco Beacons** printed in the school. Thinking it might be enjoyable to see what was happening around the school when it first began, we decided to put extracts from them in the present **Beacon.**

October 24, 1946

An increase of 158 students raised the school enrollment to 333. This total is composed of 39 juniors, 136 sophomores, and 158 freshmen.

Four brothers were added to the faculty, making a total of eleven.

* * *

Less than five percent of the 333 Don Bosco students were able to meet honor roll requirements during the first term. Only one junior, eight sophomores, and seven freshmen were on the list.

To attain honors a student must have at least 85% in each course and a conduct grade of 90 or above.

* * *

The question all Don Bosco students have been asking has been answered. Bro. Edward, prinicpal, announced last week that the Dons will enter the Catholic Conference for varsity competition in the fall of '47.

* * *

December 17, 1946

On November 2, a group of Don Bosco sodalists inaugurated a series of pilgrimages to the Our Lady of Fatima Shrine.

* * *

Attention all crooners and groaners! After many requests from students, the school has started a Glee Club. Brother Edwin is now doing a thorough job of selecting from the ninety who volunteered for membership.

* * *

February 20, 1947

Over forty students from Don Bosco attended the Wisconsin Catholic Action Convention, which met at the Milwaukee Auditorium on January 3rd-4th.

* * *

May 28, 1947

A long search was finally ended, when Mr. Philip Schrempf agreed to become coach of football and basketball at Don Bosco.

* * *

In the last issue of the **Beacon** the staff promised to get everyone's name into the next issue. Because of the present high cost and paper shortage, we thought it best simply to print the alphabet and let you spell out your own name. You may use the same letter more than once if necessary.

***The obliging staff

Halloween Dance Has New Slant

A touch of unusualness sparked this year's Halloween dance, held October 31, in the school gym, for the upper classmen were allowed to wear "crazy" or "unusual clothes." For example, a group of students dressed to show an exaggerated impression of the "Beatniks," in other words, real cool cats.

Music for the evening was provided by the popular band of Tom Berres.

Despite the many other dances being held the same night, a surprisingly large crowd was present, which included a total of 395 girls and 285 boys.

News Briefs

Don Bosco's annual Freshmen Mixer was held September 26, in the gym. Approximately 100 boys and 250 girls danced to the music of the Wansek band.

Senior James Kaminski of 109 will be chairman of one of the sessions of the National Catholic Educational Press Congress, to be held at the Milwaukee Auditorium, November 14, 15 and 16. The Bosco Beacon will be represented at this convention by several of its staff members. Students are invited November 16, at 1 p.m., at which Rev. Charles McCarthy will speak on "The Laity and Red China."

We all know that the brothers don't get many opportunities to drive cars. But, on November 5, Bros. Hanss and Naal did go downtown in a car, with Tony Dunajski driving. And, you guessed it, they got hit by another car, fortunately it was not serious.

MEN OF ACTION

A One, A Two, A Three

Who's Anthony Dunajski? Well, he's a senior from 112. What does he do? Tony has been a member of the Sodality for four years and has been elected president of the Bosco Club. Working in the library before and after school, in the cafeteria during lunch, and on the **Beacon** staff after school also takes some of Tony's time.

Being Band Manager and Junior Student Band Director puts Tony in one of the entertaining activities of the school. He is also Drum Major of the band.

Popcorn Here

How many times has that been said by someone clamoring for a bag of popcorn during lunch period? Just ask junior Jerry Walloch of 301, a candy store worker during the first shift.

Jerry's work in the Sodality enabled him to earn his activity letter as a sophomore. St. Paul's CYO keeps him busy in his spare time, and sports are his favorite pastime.

After Jerry graduates, he plans to attend college and study engineering.

Swingin' Sophomore

Interested in a good song? Well then, you're looking for Sophomore Jim Hinckle of 212. In addition to singing in the Glee Club and being on the speech team, he works in the library after school.

Jim, who is working toward a scholarship, considers Geometry his favorite subject. His hobbies include baseball, stamps and dartball. The last gives him the most enjoyment.

'Activest of the Activest'

One of the most active of the many active juniors around school these days is Adrian Perz, of room 202.

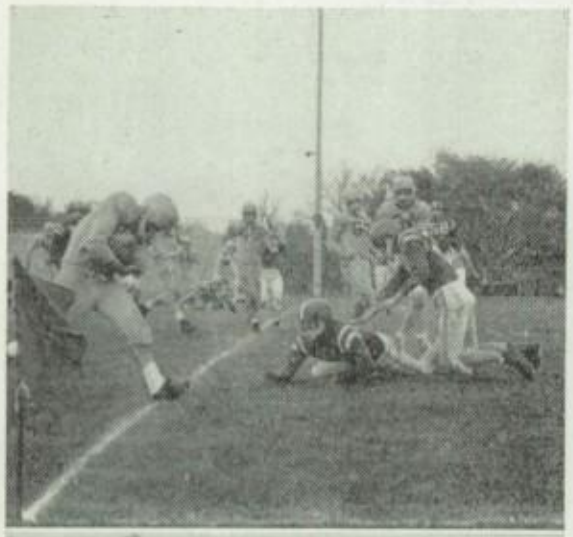
Realizing that Bosco's first purpose is a spiritual one, Sodality and the Bosco Club head Adrian's extra-curriculars.

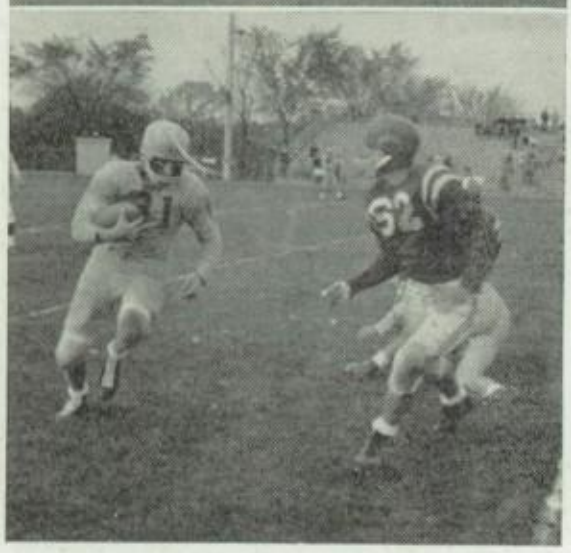
Besides being a mainstay on the Varsity speech team, Adrian also lends his "hand" to the Dramatics Club and his writing talents to the **Beacon,** whose news department he heads.

CHEESE

Senior, Duane Le Duc from 109, occupies most of his time as school and **Beacon** photographer. He is also a bass in the Glee Club for which he's appearing in St. Mary's Operetta.

In school his optional courses are sociology, business and American history, which is his favorite course. After high school Duane's plans are not certain. He may go to college or enlist in the armed forces.





Knights Note 4-3 Record As Grid Year Comes to an End

The 1958 chapter of the Don Bosco football serial started off with a lose, but the Knights recovered and kept up with the league leaders. At Menasha, the Green and Gold suffered a 9-0 defeat. Tom Sager, junior quarterback was lost for the next two games with a shoulder injury. In the second game of the year, Oconomowoc and Bosco tied at 7-7.

Seasoned Opened With Victory

Beginning the Catholic Conference play off right, the Dons edged out Messmer, 13-12. Roger Majchrzak's extra point provided the winning margin.

Whoops! A Setback

Traditional rival Marquette handed the Dons their second loss, by winning 21-7. Only one touchdown may have meant the difference as the first half ended with Hilltoppers on top 14-7.

Dons Clobber Dominican

Dominican took a shellacking from the Green and Gold Knights, 47-13. Just about everyone on the team had a hand in the scoring, as the team racked up 6 touchdowns.

Another Homecoming Win

The annual homecoming tilt ended satisfactorily, as the Dons rolled to a 12-0 victory over their South Side arch-rival Notre Dame. Joe Fons plowed for one score, and Terry Zylka winged a 26 yard pass to Jim Rand for another.

Sager Stands Out

Tom Sager spearheaded the Dons attack in the aCthedral game, which the Bosco men took, 26-7. Sager's quarterbacking inabled the Dons to rack up 208 yards rushing and 116 passing. Sager himself scored two touchdowns on runs of 10 and 39 yards, and passed for another TD, this one a 5 yarder to Ray Norville.

League Leaders Top Bosco

In the game against Pius the Dons were edged out by a score of 19-0. It has been the only game so far this season in which Pius has been limited to less than 38 points. Pius scored 13 points in the early part of the first quarter and was held to only one more touchdown through the whole game.

In their final game of this year's season, the Dons were beaten by St. Catherine's by a score of 39-6. Bosco's lone tally was scored by Gary Magolan.

Although Pius took the Championship, Bosco managed to end up with a 4-3 record.

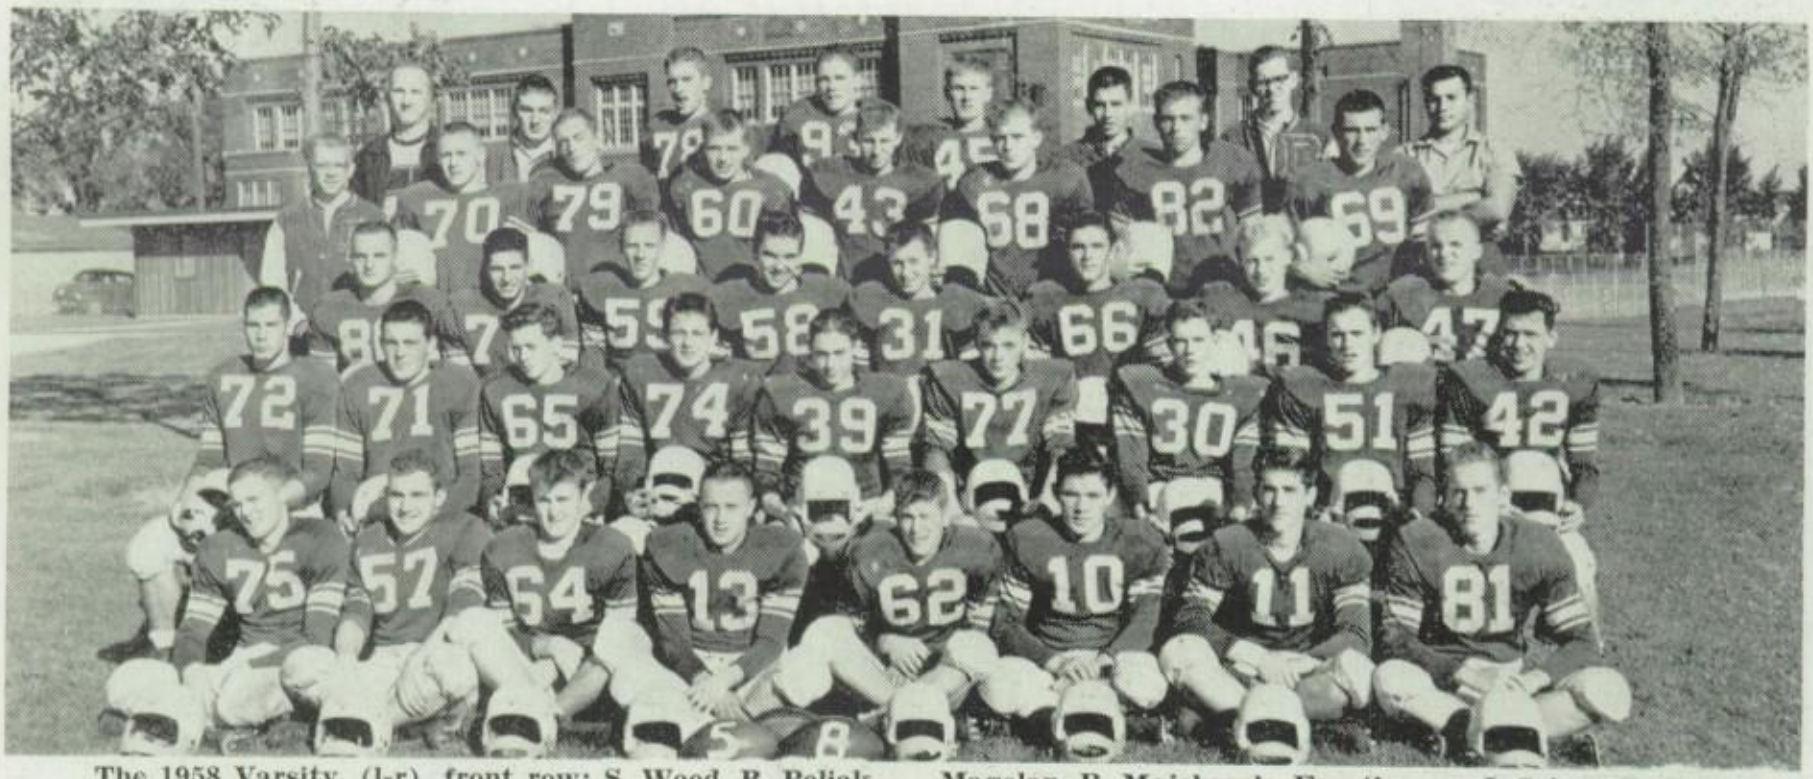
(Continued on Next Page)



The 1958 Varsity, (l-r), front row: S. Wood, B. Poliak, T. Szejna, J. Meier, D. Dziedzic, R. Mroz, J. Salza, D. Wasielewski. Second row: R. Norville, J. Roghan, T. Gaynor, R. Lisowski, R. Fuys, J. Dailey, T. Ciskowski, J. Andryczak, J. Pepinski. Third row: J. Rons, J. Muszynski, J. Rand, J. Matthews, R. Gostomski, R. Stys, G. Magolan, R. Majchrzak. Fourth row: J. Sokop, B. Barczak, P. Wasielewski, A. Sharafinski, J. Bartelak, T. Zylka, R. Butschle, T. Sager. Fifth row: Coach Ed Callahan, T. Altenbach, M. Mocynski, M. Zimmer, C. Bujanovich, J. Horlivy, N. Domagalski, Coach Andy Stefan. Missing: R. Richard, H. Wielichowski.

Knight Light

Knight light shines on varsity football player Roland Mroz, 113, who wears the gold number ten on his green jersey.

Roland or Rosy, as he is sometimes called, plays first string guard on the varsity, despite the fact that he is only five feet five and weighs one-hundred fifty-five. He showed his football skill by recovering a fumble in the Messmer game, which led to a touchdown for Bosco, and also by piling up a total of 13 tackles in the Marquette and Notre Dame games. Besides being good in defensive work, Rosy has proved to be very efficient as a downfield blocker on kick-offs and punt returns.

In the line of other sports, he was last year's Catholic State Wrestling Champion in his weight division and should be a clinch for this year's title.

In addition to being a fine athlete, Roland belongs to the band and was recently elected president of it.

Beezers Windup Football Season With 5 Wins, 1 Lose, 1 Tie

The B team, after losing their first game to Pius, 7-6, came back to win their next four games. In the Pius game, Jim Judziewicz went over for Bosco's lone tally. It was a real heartbreaker for the Junior Don's, who had one touchdown called back. Their second game brought the Beezer's to the East side of town to play East. They bunched their scoring to topple East by a score of 27-0, which so far is Bosco's biggest total of points scored in one game. Next the Junior Dons invaded suburban Nicolet, and because of their rough offense and defense, ran through Nicolet's with hardly any trouble, and defeated them 12-0. In the fourth game the Junior Green and Gold took on North's Blue Devils, and really showed the northsiders that the men from Bosco really know how to play football. The Beezer's ripped them 20-0.

The B team's offense includes, Naperala, Hess, DeVita, Calewski, Sokolowski, Judziewicz, Adelmeyer, Zolecki, Judziewicz, Gemborowski, and Grohall. The defense consists of Shulte, McCauley, Wesniewski, Patochik, Judziewicz, Sokolowski, DeVita, Adelmeyer, Tubeszewski, New, and Carrilo, A former Beezer, Jim Salza is playing with the varsity. The B team is being coached by Bro. Eugene Sohm.

Some of the high points of the team are the fact the Beezers have already collected 65 points while their opponents have only been able to cross Bosco's goal line only once. The one time the Beezers were scored upon was against Pius, and they lost to them 7-6.

It's hard to believe that this same team, at the end of last year's season only had a record of 1 win, 6 losses, and 1 tie, although you have to remember they didn't have any experience last year.

Get to all Bosco's Basketball Games this year to watch the team take the championship!

The 1958 B-team, (l-r), front row: G. Stanislawski, J. Potochick, J. Gemboroski, L. Kielich, J. DeVita, C. Napierala, C. Carillo. Second row: M. Swedowski, R. Tubeszewski, L. New, R. Galewski, D. Sokolowski, R. Judziewicz, T. McGrath. Third row: R. Wisniewski, R. Jasinski, T. McCauley, C. Gladys, M. Donahue. Fourth row: J. Zolecki, C. Lelinski, J. Judziewicz, P. Hess, T. Smiegelski, J. Grohall, J. Lelinski. Fifth row: K. Gunkel, R. Gizelbach, R. Yuzna, B. Semmler, N. Adelmeyer, R. Jaskolski. Sixth row: A. Richards, R. Tatalovich, Brother Eugene Sohm.

Homerooms 211, 103 Battle For Intramural Championship

In this year's intramural basketball eliminations among the freshmen and sophomore homerooms, 103 took the frosh honors, while 211 did the same in the soph division. Therefore, these two homerooms were pitted against each other in the championship game. The sophs made a runaway of the game, winning 41-18.

The first period ended with 211 on top by a narrow 8-5 margin. But the freshmen turned the tables in the second period, pulling out to a 14-10 halftime lead. In the second half, however, nothing could stop the rampaging sophs as they allowed only 4 points in the entire half, while scoring 31 themselves. The third quarter score was 23-16.

Congratulations to all the teams, who participated in this year's intramural play-offs, for their fine efforts and good sportsmanship. Thanks also to all who helped out in any way to make the intramurals successful.

The junior-senior games will be played later in the year.

Cerniglia, M. Murphy. Fifth row: Brother Philip Hartlaub, T. Adrian, T. Myszewski, D. Lethiewicg, K. Bellanti, R. Padol, Brother Robert Skloss.

C Team Nips East, Marquette, And Messmer To Close Season

The first C team football game got under way after two weeks of vigorous training. The first half of the game was filled with errors due to the teams lack of experience. But the picture changed in the second half, when Ken Bellanti threw a pass to Daniel Miller, who scored on a fine run. However, the extra point was missed. Again, in the fourth quarter, another score was racked up by Mike Murphy, and the game ended with the Dons beating East by a 12-0 margin.

In their second encounter the junior Dons fell victim to Pius, 7-0. The offensive drive was highlighted, when Tom Miller caught Ken Bellanti's pass, and raced for a touchdown, but was called back because of a penalty. Pius scored on an interception run back to Bosco's twenty, and kept to the ground as they drove over for a touchdown.

The Green and Golds, in the third game of the season, held St. Joseph's to a 13-13 tie. The first scoring came in the third quarter, when Ken Bellanti went over on a quarterback sneak, and also managed to make the extra point. But St. Jo's came back to score late in the period. When halfback Don Vodnik ran for a touchdown in the fourth quarter, it looked like Bosco had the game in the bag, but again late in the period, St. Joesph's quarterback threw a touchdown pass. They were able to score the extra point, which made it 13-13.

Don Bosco's freshmen team showed the advantage of experience, in beating Marquette, 7-0. The team, backed up by the running of Tom Adrian, Don Vodnik, and the quarterbacking of Tom Myszewski, kept Bosco's offense moving. Scoring came in the second half, when Don Vodnik caught a Tom Myszewski pass, and went for a touchdown.

In their next game, their second last of the season, the C team slaughtered Messmer by a one sided score of 47-0.

So far the team has a record of three wins, one lose, and one tie. These records do not include the game against Whitefish Bay, October 29, which was played after the paper went to press.

The team has been coached by Brothers Robert Skloss and Philip Hartlaub.

Father Kramer Puts Stress on 'Virtue'

Don Bosco's thirteenth annual student retreat officially commenced on Tuesday, December 2, at two o'clock, at which time in the opening address Father Rohrbach, setting the atmosphere for the retreat, emphasized the need for Penance by pointing out that where God's warnings went unheeded and his wishes unfulfilled, suffering and death descended upon those unrepented souls.

On Wednesday Father Bernard Kramer, the retreat master, explained to all present how the Theological virtues of Faith, Hope and Charity should influence our daily lives.

The subject of the instruction periods on Thursday and Friday was the Supernatural virtues of Prudence, Justice, Fortitude and Temperance, what they are, and why we should cultivate them into a habit.

Holy Mass offered by Father Kramer, a daily occurrence during the retreat brought a fitting close to the retreat on Friday morning.

The retreat master, Father Kramer, is a priest in the society of Mary. He is a former teaching brother and an excellent baseball player. Having been ordained from the Meinrad Abbey in Indiana, he is now the assistant pastor at Our Lady of the Pillar Parish in Clayton, Missouri where he organizes all social and athletic events.

—Pat Dunn.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Friday, December 19, 1958 Vol. XIII—No. 2

National Merit Scholarship semi-finalists R. Schmall, J. Radtke.

Schmall, Radtke Place in N.M.S.T.

Among the ten thousand semi-finalists in the National Merit Scholarship Test taken by over four hundred and eighty thousand high school students each year, appear two Bosco seniors, Joseph Radtke and Robert Schmall. On December 6, they will take a test at Marquette University to determine whether they qualify for the finals.

N.M.S.T. has provided twelve million dollars in scholarships in the last three years. Co-sponsors of the test, the purpose of which is to encourage more young men and women to continue their education after graduating from high school, are the Ford Foundation and the Carnegie Institute of New York.

Winning students may not accept other four year awards, but they may accept other cash awards under $500 without endangering their Merit stipend.

—Philip Gerlach.

Superior General Visits School

The Superior General of the Society of Mary, Father Paul Hoffer, and the Inspector General, Brother Bernard Schad, were the guests of Don Bosco High recently.

The priest and his assistant arrived on Thursday, November 20 and remained until November 24. The reasons for their visit were to make an inspection of the school, to see how things were being run, to offer encouragement to the student body and members of the faculty, and to visit the Marianists at Bosco.

Father Hoffer, born in Alsace, France, has visited schools both here and abroad. In America, he was deeply impressed with the family spirit of the schools and organizations which give students a voice in the government, such as the student council. His opinion of family spirit was expressed when he and Brother Schad spoke during an assembly, November 21, at which he granted the students a free-day.

—Ray Ciszewski.

S.O.S. for Science Club Members

Don Bosco's Science Club has sent up an S.O.S. for new members. Only five students attended the first meeting. Out of these five, Jim Andryczak was elected president and Bob Frontczak secretary. All members will take a Scientific Talent Search Test, given by General Electric. Other than that, they have no plans until after Christmas.

If you're interested in science, keep your eyes and ears open for the next meeting.

Brother Ralph Neumann

Brother Neumann To Teach in Peru

Brother Ralph Neumann, homeroom teacher of 102, will leave Don Bosco this coming January to take up teaching duties at Frujillo, Peru, the newest Marianist school in South America.

Bro. Ralph, who graduated from Bosco in 1953, will leave the ice and snow of Milwaukee for the heat of mid-summer in Peru.

The Beacon staff wishes to join with all Bosco students to wish our tall Milwaukee Brother "Adios."

Chaplain's Message To Boscoites

The Most-Dreaded Word

We admire our Bosco football players. They gave unstintingly of their time (even during vacation) and of their efforts to train themselves. They denied themselves anything that would keep them from becoming good football players.

For the same reason we admire the basketball and baseball players. Time, effort, practice, self-denial!

The Band and Choral Club sacrifice their time, give their greatest efforts and practice for hours—to become good musicians.

These men had an end in view—they had a motive that enabled them to do things they didn't like to do—use precious time, practice over and over, deny themselves anything that would keep them from reaching their goal. And so they practiced sacrifice.

Sacrifice brought the Son of God from the glory of Heaven to the poverty of the crib. Sacrifice is the condition of our salvation and the salvation of others.

But today Sacrifice is shunned like a leper; it is feared like a plague; it is dreaded like an exam. It's dreaded more than the H-bomb because the H-bomb is something only **possible** in our minds and something we think won't happen to us. But sacrifice is with us every moment, in a very concrete and real way. It's the most-dreaded word today.

If we realize that Christ gave us the supreme example of sacrifice, and that our motive for sacrifice is the greatest —heaven—we won't run away from it, but like Christ, we will embrace it and prove our love through it.

—Father Rohrbach.

Sodalists Keep Christ in Christmas

This year Bosco's Senior Sodality is putting Christ into Christmas by constructing Advent Wreaths, which are available now and can be purchased for one dollar. Another project they have taken on is the sending of letters to the businessmen, asking them to display religious scenes in their store windows. The main reason for these scenes is to remind the passer-by of the true meaning of Christmas.

Junior Sodalists are pushing the real ideas of Christmas by taking part in the "Keep Christ in Christmas Campaign." This is being done by distributing and selling Christmas cards. Each Junior Sodalist also trys to push the idea of putting Christ into everyday school life.

Tagging Christmas trees is the job undertaken by the Sophomore Sodality. These tags are attached to the trees and explain in brief the meaning of Christmas and the symbolism of the tree. Although this is mainly a project of the Sodalists, it is also a school-wide drive. Every student is invited to help out on this project.

The Freshman Sodality, now almost organized, will try to encourage liturgical observance of Advent and Christmas in the home. This is being done by the distribution of flyers to the homes of Bosco students. They will contain the true meaning of Christmas, and should be placed in a spot in the house where all can notice it.

These are but a few of the projects being worked on by the four branches of the Bosco Sodality.

—Arne Koch.

Angelo Roncalli Reigns as Pope

On the evening of October 28, the Vatican announced to the world, "We have a pope, His Eminence the Most Reverend Lord Cardinal Angelo Roncali." With these words Pope John XXIII started his reign. Thus the aim of a son of poor peasant parents was fulfilled.

He was born seventy-six years ago, November 25, 1881, in the little Italian village of Sottoil Monte. His parents were poor peasants, who struggled relentlessly to provide for their ten children. His priestly studies began at the age of 11, when he entered the Episcopal Seminary at Bergamo. He was ordained August 10, 1904. For nine year, 1905 to 1914, he served as private secretary to Bishop Radini-Tedeschi of Bergamo. World War I interrupted his religious duties momentarily. He served as a sergeant in the Medical Corps and later as a chaplain in military hospitals. After the war he was instrumental in organizing various charitable foundations. In 1921, he was named president of the Italian Society for the Propagation of the Faith. On March 19, 1925 he was consecrated Archbishop of Areopolis, and in 1944 he became Papal Nuncio to France where he restored relations between France and the Vatican. In 1953 he was named Cardinal of Venice, where he remained until his election.

Minutes after his election the new pope followed custom by naming a new cardinal. He showed his great aggressiveness by naming 23 new cardinals, two of whom were from America, Archbishop Richard J. Cushing of Boston and Archbishop John F. O'Hara of Philadelphia.

The new pope is already launching his "swords to plowshares campaign." Let us hope that he will be successful in holding our troubled world at peace.

—Chuck Bartels.

181 Couples Waltz to 'Harbor Lights', Theme of Military Ball

In the midst of a Chicago harbor scene, there was dancing, as 181 couples participated in Bosco's 4th annual Military Ball. Music for the evening was provided by Du Wayne Wanasek and his orchestra.

Ken Krzyzaniak reigned as king of the ball with Carol Ann Todryk, of Mercy, as his queen.

The dance, sponsored by the band, was open to its members as well as band members from other Catholic schools. The Glee Club and upperclassmen were also invited. The theme, "Harbor Lights," was enacted by the surrounding setting.

Mr. Joseph Budney, president of the Band Parents Association, acted as Master of Ceremonies for the unforgetable events, which took place on November 7. The profits will be used for the musical department of the band.

—Gerald Kieczka.

Basketball Courtesy Campaign Continues

To secure sportsmanship and Christian courtesy at basketball games, is the idea of the newly established courtesy campaign, which is being sponsored by the Catholic High School Student Councils in the Milwaukee area.

This campaign was begun last year by Don Bosco. St. Bonaventure was the first school to receive the Courtesy trophy.

The ballots for this year will have three parts by which the judging will be conducted. The team, the cheerleaders and the stands will be the subjects of the judges, who will decide what mark to give each school at that particular game.

The rules for cheering were explained by the student council representatives and the homeroom teachers.

All student councils participating were asked to contribute $5 in order to purchase the permanent trophy, which will be given to the winning school along with the traveling trophy, which they will have possession of until the following year. Other schools involved will receive certificates of merit.

Don Bosco students are asked to help keep up the school's good name at the games and to try their best to win the courtesy trophy.

—Joseph Graebner.

Speech Team Prepares for Year

The varsity speech team, aided by the coaching of Brother Joseph Towers, will compete in its first meet of league competition for the 1958-59 school year. It will be held December 20 at Pius XI High School.

It has not yet been decided which members of the team will represent Bosco in this meet. The most probable competitors will be Remi Wolski and John Mietus in non-original oratory, Adrian Perz and John Blockowitz in original oratory, Dick Hoerl and William Bodden or Joe Dailey in humorous, Jim Kaminski and Gary Howard in serious, and Bob Frontczak and Gerald Semmler in extemporaneous.

According to Brother Towers, the team will do all it can to maintain the reputation of Bosco. A fairly good competitive record is anticipated, due partly to the return of eleven varsity members of last year.

—Adrian Perz.

Bosco Club Outlines Projects for Year

Say there Bosco student, did you know that a group here at school gets a lot of satisfaction and enjoyment out of helping others? That's right! It's the Bosco Club.

Let me tell you a little bit about the club. Bro. Urban Naal is the moderator of the group and is assisted by president Tony Dunajski and secretary Alvin Dompke as well as the various committee chairmen.

A few of the activities this club has planned for the year include: putting up vocation posters and the Communion chart opposite the library, maintaining a file of information on different religious orders which has been made available to the school, and bringing in speakers from different orders to personally tell of their work.

It is not necessary to have a vocation to join, it is simply the idea of praying for those who have vocations so they will realize and follow them.

If you are interested in joining, come to the meetings which are held every Friday morning at 8:00 in room 103. Drop around. You will be more than welcome.

—Carl Sibilski.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Friday, February 6, 1959 Vol. XIII—No. 4

Page boys in front of the Capitol. Mike Wroblewski is 2nd row, left.

Former Boscoite Now In Congress

One of the Bosco family, who left our midst recently, is probably the envy of quite a few of his former classmates, for Mike Wroblewski has a job that many boys dream of, yet few obtain. He was recently appointed Congressman Zablocki's personal page boy in the House of Representatives.

In Washington, Mike stays in a dormitory with other page boys. His day starts in the wee hours of the morning—4:45 a.m. to be exact. From 6 until 9:30, he attends school. By 10, he is at his post and ready to go. During the course of the day, he does such things as preparing the representatives' desks with the sheets for the day, keeping pencils sharpened and pens and ink wells filled, as well as delivering messages and running errands in all parts of the building. After work, its back to school until about 6, and in bed at 9 sharp to be ready for the next day's activities.

Mike will serve as a page until the end of this session of Congress.

—Marvin Huber.

* * *

On Jan. 14 the M.A.S.C. met at Dominican. Co-operation with the Diocesan Bus Courtesy Campaign was emphasized.

City Greets New Shepherd

The successor to Archbishop Meyer was named Dec. 17, 1958 by Pope John XXIII. He is Bishop Wm. E. Cousins of Peoria, Illinois.

His Excellency was born in Chicago, August 20, 1902 and baptized at St. Charles Borremeo Church there. He graduated from St. James grade school prior to attending Quigley Preparatory Seminary in Chicago and St. Mary of the Lake Seminary in Mundelein, Illinois. On April 23, 1927, as a member of the first graduating class of St. Mary of the Lake, he was ordained by the late Cardinal Mundelein of Chicago. In 1934 he was named Superior of the Chicago Archdiocesan Mission Band. He continued at this post for twelve years, gaining renown for his speaking ability. In 1944 he became pastor of St. Columbanus Church in Chicago where he remained until his appointment as Titular Bishop of Forma and Auxiliary Bishop of Chicago on Dec. 17, 1948.

The late Cardinal Stritch and Bishop Cousins were closely associated. Cardinal Stritch officiated at his consecration and later enthroned him in the Peoria See. In June, 1958 Bishop Cousins preached at Cardinal Stritch's funeral Mass.

The enthronement of His Excellency was held Jan. 27, one day after his arrival here. Archbishop Meyer officiated at the services.

May we congratulate Bishop Cousins on his new appointment and may we also wish him every success during his reign as Archbishop of Milwaukee.

—Chuck Bartels.

W.C.A.C. to Meet Earlier This Year

The thirteenth annual Wisconsin Catholic Action Convention will be held Friday through Sunday, Feb. 27, 28 and March 1.

The convention will open with a Solemn Pontifical High Mass at 9:00 a.m. offered by the most Rev. William E. Cousins D.D. newly appointed Archbishop of Milwaukee. After Mass, a general session will be held, followed by a faculty meeting and another general session.

At 2:15 p.m. the convention will break up into sectional meetings with some of the topics being: "High Schools and Morals," "Successful Ways to a Career in Writing," "Twenty Years Ago I Was Your Christ" and "And So You Want To Be An Apostle?"

At 3:15 p.m. another general session will be held with Major General Bela Kiraly, spokesman for Free Hungary, speaking on, "The Catholic Church: Thorn in Russia's Heel." Following will be a solemn Benediction and at 8:00 p.m. a variety show.

On Saturday the schedule will run approximately the same with the exception of a dance from 8 to 11 p.m. for convention delegates only.

Sunday will begin with Holy Mass and Holy Communion followed by a general session and the final general session of the convention. The W.C.A.C. will close with a Family Hour from 2 to 3 p.m.

—Arne Koch.

Former Teacher Offers First Mass

Recently, January 2 and 3 to be exact, Bosco was honored with a visit from a former faculty member, known to the Boscoites of 1947-1951 as Bro. John A. Leies, S.M.

Our holiday visitor expressed amazement at the change in appearance of the library, cafeteria, and office since he left. Bosco in turn noted a change in our visitor—not in physical appearance but in title. He is no longer Bro., but Fr. John A .Leies.

After leaving Bosco, Fr. John studied for the holy priesthood in Switzerland. He celebrated his first solemn Mass December 28, 1958. He has since been appointed chaplain to Central Catholic H.S., San Antonio.

Fr. John is the nephew of Fr. John G. Leies, S.M., who was chaplain here at Bosco from 1953 to 1956.

—Bill Bodden

Annual Work Begins

Work has already begun on the 1959 Bosco Annual. According to Jim Kaminski, head of the yearbook staff, the Annual will bear the name 'DON.' However, the nature of the contents will be the same as last year. The Annual will go on sale in February at $3.50 an issue.

Bro. Anthony Eberhart

Newest Faculty Member Arrives

The newest member of the Don Bosco faculty arrived in Milwaukee on January 15. Bro. Anthony Eberhart S.M., comes to us on the exchange plan. He left Peru to replace Bro. Ralph Neumann S.M., who is departing for that South American country this week to assume a teaching position in Trujillo.

A native of St. Louis, Bro. Anthony attended McBride H.S. there. In 1935, as a high school sophomore, he entered the Marianist Postulate at Kirkwood. Four years later he professed his first vows. He first teaching position was at Chaminade H.S. in St. Louis.

In 1944, Bro. Anthony went to Peru to teach. He remained there until 1951, at which time he returned to the States and was assigned teaching positions in the St. Louis area. Then, in 1954, it was back to Peru until January of '59, when he was told to pack his bag and head for Don Bosco.

When asked about Peru, Bro. Anthony stated that the scholastic life of a Peruvian differs quite a bit from that of a Boscoite. For example, a student in Peru takes about 15 courses a year. However, he does not have a class in each subject every day. Also, the school year in Peru runs from April until Christmas and students are given a month to prepare for exams.

On his trip to Milwaukee, Bro. Anthony brought along two native Peruvians who entered the Postulate at Kirkwood.

Sympathy

Sympathy is extended to Bro. Eugene Sohm on the death of his brother; to Ronald Schouten of room 103 on the death of his father; to the parents of Gary Swick, class of '50, on the death of their son; and to John Gorecki, class of '53, on the death of his father.

How's Your Confidence in Heaven's First Lady?

Even as a teen-ager, William Chaminade had a great love for our Blessed Mother — and therefore strong confidence in her ability and eagerness to help him. When things got rough, he went to her for help.

When he was fifteen, he was playing one day in a stone quarry with a group of his buddies. One of them dislodged a large rock and it hit William on the foot. Six weeks of careful nursing brought no signs of noticeable improvement, even after every known remedy had been tried.

So William went to the Blessed Virgin. He promised that if she would cure him, he would walk to her shrine at Verdelais to thank her. The cure took place so promptly and so completely that the promised pilgrimage became a debt he was very happy to pay.

Sixty-Mile Hike

Off he trudged to Verdelais, sixty miles away. He prayed at her shrine and thanked her sincerely for the favor she had granted him, and then walked back home—another sixty miles.

When was the last time you walked out to Holy Hill to thank Mary for a favor received, for help given? Or even the last time you drove your bomb out there to thank her? Maybe you have had no occasion to thank her —because you didn't ask her for help.

How to Get Help

You don't have to bust your head open or crack your ankle to go to her for help. There are plenty of little ordinary every-day crises in which you can show your confidence in her power to help you. How about your studies? Especially tests and exams? Your social problems? Your family problems? If you are a normal teenager you certainly have them.

Our Blessed Mother is the powerful Mediatrix of all graces and she is waiting anxiously for you to ask for her help. If you develop a great love for her your cause for canonization will be introduced in Rome, as has Father Chaminade's.

"Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help or sought thy intercession was left unaided."

So promptly fly to her in all your needs and, sinful and sorrowful, present your petitions to her and in her mercy she will hear you and help you.

—Fr. Rohrbach.

Postulant Visits Old Alma Mater

One of the spectators at the Pius game, Jan. 4, was a former Boscoite, now attending the Society of Mary Postulate in Kirkwood, Mo. Michael Wolf returned to pay some of his former classmates a visit during the Christmas holidays.

Mike stated that he enjoys the Postulate very much, but, that they need more men — Bosco Men to carry on our Blessed Mother's work.

Mike's schedule is a busy one. He starts off the day, as all of us should, with Mass and Holy Communion. Besides his school subects, Mike is on the newspaper staff, on the student council, in the choir, and also plays a musical instrument.

Mike mentioned that two former Bosco men, Bro. Karpfinger and Bro. Wierzba, as well as former Bosco principal, Bro. Fred Weisbruch, are teaching at Kirkwood.

—Gerald Kleczka.

Mike Wolf

Grid Letters Awarded, Cage Teams Introduced at Special Pep Rally

A special pep rally was held in the Bosco gym, January 9, to honor the Varsity football players, and award them their major or minor letters.

The rally began with the Bosco cheer. Immediately afterward coach Ed Callahan and Bro. Dan Sharpe awarded major letters to the following: J. Andryczak, W. Barczak, D. Bujanovich, R. Butschle, J. Fons (2), R. Mroz (2), R. Majchrzak (2), R. Norville, R. Poliak, J. Rand (2), R. Richard, J. Rogahn, T. Sager (2), S. Wood (2), H. Wielichowski, D. Wasielewski, P. Wasielewski, T. Zylka (2), and M. Moczynski.

Those players awarded minor letters were: J. Bartelak, T. Ciskowski, J. Dailey, D. Dziedzic, R. Fuys, T. Gaynor, R. Gostomski, R. Lisowski, J. Muszynski, J. Matthews, J. Meier, G. Magolan, J. Repinski, T. Szejna, R. Stys, M. Zimmer, and J. Salza.

"B" football award winners were: D. Sokolowski, P. Hess, N. Adelmeyer, R. Galewski, J. DeVita, R. Judziewicz, C. Napierala, J. Zolecki, J. Judziewicz, B. Semmler, J. Grohall, P. Schulte, R. Wisniewski, J. Potochick, T. McGrath, T. McCauley, C. Lelinski, R. Tubeszewski, L. New, C. Carrillo, J. Gemborowski, M. Donahue, D. Spenner, M. Swedowski, R. Gizelbach, T. Smigelski, R. Yuzna, R. Jasinski, G. Drezdon, and R. Tatalovich (Mgr.).

After all awards were given out, the coaches of the basketball teams introduced the players. Bro. Skloss introduced the Sophomore "B" team to the students. Bro. Hartlaub introduced the Freshman "C" team, while the introduction of the Varsity was given by Coach Callahan. Each coach told how his team was doing and how he thought they would do in the future.

Bro. Eugene Sohm gave a short talk on how important it was for the student body to back the teams at the games. A short talk concerning the sportsmanship trophy, followed. The student body then sang the school song, and ended the rally with the three o'clock prayer.

—Eugene Kuel.

'The Truth Shall Make You Free'

'The Truth Shall Make You Free' was the basis of the 1959 January S.U.M.A. convocation held at MUHS on January 14th. A motion, by treasurer, Jim O'Hara, to send a letter of welcome to Archbishop Cousins upon his arrival was made, seconded, and carried.

Following this were a few minutes of mental prayer centered on Mary and led by a Marquette Sodalist. Then a debate by two other Marquette Sodalists was held on the subject: "A Catholic or non-Catholic university education?" Pros and cons were presented and discussed. Later the debate was thrown open to the floor. Most of the Sodalists favored a Catholic education.

Among other things, the need of Catholic Action, Catholic teachers, and a Catholic laity was brought out.

The next S.U.M.A. meeting will be on February 18th at Holy Angels Academy.

—Robert Morearty.

Sodalists Advanced and Join Fathers In January Day of Recollection

A Day of Recollection, sponsored by the Sodality and open to the Sodalists and all Bosco fathers, was held Sunday, January 25th, from 8 a.m. until 12:30 p.m.

The two groups, which were separated during this time, prayed for the light and grace to live more effectively, for their own santification and for the salvation of others as well.

Talks were given by the Brothers and the Day was climaxed with the mid-year Sodality reception for those Sodalists who were being advanced.

Seniors R. Kilian and D. Jagodzinski are received as Sodalists for life.

Those being advanced to the status of Aspirants were: C. Bartels, M. Bauer, J. Bull, L. Decker, R. Flayter, M. Huber, R. Kaczmarek, R. Komas, D. Mei, J. Meyer, K. Michalski, T. Michalski, M. Mueller, D. Pizur, J. Schiek, J. Schrank, R. Sielen, J. Simon, T. Singleton, R. Smukowski, K. Sowinski, D. Trinastic, and J. Ziemba.

Those becoming Probationers were: G. Bethke, D. Filut, and C. Hudlett.

Taking their Sodality vows for life were: D. Jagodzinski and R. Kilian.

The Day ended with Mass, Communion, and Benediction.

—Ray Ciszewski.

Library Notes

Attention! Get on the bandwagon! February 22-28 has officially been declared Catholic Book Week. The slogan of this year's Catholic Book Week is: "Share Truth—Spread Faith." In celebration of C.B.W., how about dropping down to our school library? It's just chock full of books on your favorite subjects and by your favorite Catholic authors. The library has been remodeled too, for your convenience. So, come in and look around. If you have any trouble locating a particular book, just ask Bro. Frank or one of the library assistants and they will be glad to help!

Speech Team Cops 3rd Place Trophy

On Saturday, December 20, the speech team competed against fourteen other schools from the Milwaukee-Chicago area in the first speech meet of the season in the Midwest Catholic Forensic League, held at Pius XI High School in Milwaukee.

Four of Bosco's ten contestants reached the third and final round of competition. They were: Richard Hoerl in the field of humorous declamation, Remi Wolski in non-original oratory, and Gary Howard and James Kaminski in serious declamation. After the final ballots of the judges were in and the results were tabulated, Mr. Wolski took second place among all contestants in non-original oratory.

The team did well in their first venture of the season, taking third place by just nosing out Marquette, and in so doing, beating out all other Milwaukee schools, as first and second places were taken by Alvernia and St. Ignatius respectively, both Chicago schools.

On February 7 the team will once again venture forth in search of victory and greater glory for Bosco, this time at St. Joseph's of Kenosha. With the experience gained from their first outing and some more practice to back them up, and aided by the expert coaching of Bro. Joseph Towers and Mr. Thomas Frohna, they are confident of surpassing all previous accomplishments.

—Adrian Perz.

WHAT'S YOUR OPINION?

On dating, in regard to place to go, type of clothes to wear, post-date snacks etc?

Carol Starck
Mercy

"Why are you wearing your good party dress when we're going bowling?" asked Bill in surprise. Barb, of course, knew nothing about going bowling. All this confusion could have been avoided if Bill had told her ahead of time the arrangements he had made."

A lot depends on where you are going—the kind of clothes you wear, the time you'll be home, and the "after date" snack you'll have. In choosing a place to eat, the girl is usually asked for her preference. She, therefore, should take into consideration the budget of the boy. She should not expect him to take her to exclusive dining place after a casual date like bowling.

Also, the girl should not and often does not expect a car. If her date provides her with a good time, she will not refuse him a next date because he has no car. What every girl does expect is a courteous, pleasant boy who will show her a good time and act as a Catholic boy, coming from a Catholic high school, should act.

Dorothy Banaszynski
Mercy

The average teen-age girls does not expect to be entertained and amused on every moment of the date which she has accepted from a boy. In fact, she welcomes the opportunity to share his ideas and even make concessions for an unpredicted lack of funds.

She does, however, appreciate several suggestions as to where her date might plan to take her for the evening. A choice of two or three possible alternatives will make the girl feel more at ease in her selection.

Especially in the winter months, a car can often be a convenience. But, most girls will agree that a pleasant personality and attentive, courteous manner are a much more satisfying compensation.

Neat and attractive attire plays an essential part in the success of any date. The clothes must suit the occasion even though a high school boy is not expected to wear a dress suit for every date.

At the end of the evening, a slight snack is adequate. Unless an elaborate dinner is the focal point of the night, it is really not expected on a limited budget.

Sandra Bertsch
Mercy

Dating brings up many questions just howling for answers. First there is the choice of where to go. If the boy suggests something and the girl OK's it, fine! However, if the boy wishes his date to suggest something, she should be sure to consider the price as well as the type of entertainment.

Transportation is usually easy enough to get. If the boy does not have a car and it is just an informal date, the bus will do the trick; or if he can double with a couple that has a car, good!

As regards clothes, the nature of the occasion is the criterion. For a C.Y.O. dance casual clothes fit in quite well. For a party, it depends upon the type of party, where it is to be given, and the season. Most parties, however, are dressy.

After a movie or dance, if the boy suggests going out to eat, grand! A light snack is best. It's easier on your sleep and easier on his pocketbook.

Plan to Attend 1959 Lourdes Ball

The annual Lourdes Ball, one of the social highlights of the school year, will be held this year on February 6th at Geroge Devine's Million Dollar Ballroom, located on 24th and Wisconsin.

This semi-formal dance, which is sponsored by the S.U.M.A., is open to juniors and seniors from all Milwaukee Catholic high schools.

Each year a king and queen, aided by an inner and outer court, reign at the Lourdes Ball. All royalty at the Ball are Sodalists.

The king of this year's Lourdes Ball will be Marquette's Richard Dunphy, prefect of the S.U.M.A., and his queen will be vice-prefect, Madeline Mueller of Divine Savior.

Members of the inner court include Mary Hetzel (Pius), secretary of the S.U.M.A., Jeanne Vogel (Messmer), S.U.M.A.'s corresponding secretary, and Bosco's own Jim O'Hara, who serves as treasurer for the organization.

The outer court is made up of two Sodalists from each Catholic School in the Sodality Union. Bosco's three representatives in the outer court will be Dave Planey and Ken Bukowski, prefect and vice-prefect of the Senior Sodality, respectively, and John Flagge, co-prefect of the S.U.M.A. Ways and Means committee.

—Phillip Gerlach.

DAILY MASS

On Jan. 13 and 14, Bro. Dan Sharpe, along with a group of principals and other educators in the North Central Association, went on an evaluation tour of Milwaukee Lutheran High School.

Fr. Warner Rohrbach attended the National Sodality Congress in St. Louis, January 16-18 as a delegate of the Milwaukee Archdiocesan Sodality Union.

If Bosco Is to Win Courtesy Trophy Fans Must Offer Full Co-operation

To secure sportsmanship and Christian courtesy at basketball games is the idea of the courtesy campaign, which started about a month ago. It is sponsored by the Catholic High School Student Councils of the Milwaukee area. Last year's winner was St. Bonaventure.

It would bring an extra trophy to the school, if the Bosco students should win the courtesy campaign along with the basketball championship. For this we need the cooperation of all Bosco Dons.

If you don't remember the rules for cheering, here are some of the most important:

1. Cheer in a positive way and refrain from using any noisemaking instruments which might confuse the players.
2. Accept like sportsmen the decisions of the officials.
3. Be considerate of opposing players, especially when they are on the free throw line.
4. Sooperate with the cheerleaders—yours and the opposition's.
5. **Maintain an attitude of Christian courtesy before, during and after the game —you represent your Catholic school.**

So as a resolution for the future let's try to do as well as the team and let's keep up the school's good name.

—Joe Graebner.

Glee Club Faces Full Schedule

On February 8, Don Bosco's Glee Club, along with choral groups from 9 other schools, will participate in the Archdiocesan Tenth Anniversary Music Festival at Holy Angels Academy. Bro. Richard Martens S.M., director of our Glee Club which is considered one of the best in the state, is chairman of the Festival.

Following that, on February 19, the Glee Club will venture over to Bay View, where they will entertain the Bay View Businessmen's Association.

Then, on March 29, members of the Glee Club will enter the Wisconsin State Solo Competition.

—Bill Bodden

Christmas Spirit Shared with Needy

Again this year, the men of Bosco showed their Christmas spirit during the annual food drive. This drive takes place to give aid to the poor families in the school area. All told, 25 families received the boys' aid.

Food, clothing and toys were brought from home. However, many boys gathered goods from stores and other places of business.

Each homeroom gave aid to at least one family, but many aided two or three. Some homerooms collected as many as 3,000 items. We give our sincere thanks to all those who contributed in making the drive a big success.

—Joe Kryzanowski.

Is God Calling You?

Students Enjoy Midway Melodies

The Midway Melodies dance, a semi-formal affair, was held Thursday evening, January 29th, in the Bosco gym.

The dance was typical of the many fine Bosco dances which the Student Council sponsors each year. It started at the usual time—8:00 p.m., but, Friday being a free day, it lasted until 11:00 p.m.

The dance provided enoyment and much needed relaxation for the students, who had just completed three strenuous days of semester exams. A big success, the dance was enjoyed by all who attended.

—Carl Sibilski.

Bosco's Grapplers Open Mat Season

Don Bosco's wrestling team got off to a shaky start, dropping its first meet, on January 9th, to the grapplers of Pulaski. The final score read: 36 to 8.

Bosco's only two victors were Mike Kosak in the 121 lb. class and Roland Mroz in an exhibition match.

Other members of the team, coached by Mr. Harpfinger of Marquette U., include: R. Flayter, M. Miller, A. Kaspar, L. Orlikowski, D. Petran, R. Gizilbach, K. Chybowski, J. Labutski, M. Mrotek, D. Jankowski, P. Karpfinger, J. Rogahn, R. Stys, and D. Domagalski.

—Gerald Kleczka.

New Ski Team Plans Paper Drive

The ski club is holding a monthly paper drive to obtain money for purchasing ski materials, or to help fix up the old skis.

Fixing the skis is a big job according to moderator, Brother Victor Naegele. Thomas Hollander, Michael Dyksinski, and Robert Kozlowski are the most active members in the club work. Additional help is given by Peter Zierden Roger Arntz, Edmund Badura, Thomas Quincey, Duane LeDuc, and Alan Richards. Other ski club members are Raymond Norville, James Schiek, John Sery, and Gerald Palma.

Ski club members rent skis and poles from the school on Sunday and their boots at Slinger, where they go skiing every Sunday. Members also plan on skiing at the Marquette University Hill as Sussex, and if possible, at Majestic Hill, Lake Geneva. **—Ralph Modjeska.**

Members of the Ski Club getting ready for the hill are (l-r), R. Norville, D. LeDuc, E. Badura, T. Quincey, J. Schiek, G. Palma, T. Hollander, A. Richards, J. Sery, and R. Kozlowski. Active members who were absent when picture was taken are M. Dyksinski, P. Zierden, and R. Arntz.

Varsity Shows Improvement, Now Sports Record of 10 Wins, 4 Losses

Bishops Bow to Dons

Bosco climbed into a fourth place deadlock with St. Joseph and Pius by defeating Messmer, 47-42. The Dons, who sunk 48 per cent of their shots in the first half, held off a futile Messmer rally late in the game. This victory gave the Dons a 4-2 record compared to 6-0 for St. Catherine.

Sager Sparks Victory

Tom Sager led Don Bosco's scoring barrage against Memorial with 22 points, as the battling Dons scored a 64 to 57 victory over the Crusaders from Waukesha. Mike O'Donnell contributed 14 points to enable the Green and Gold to increase a 35-33 half time lead to the final margin of victory.

South Side Champions

The Dons really gave the crowd a thrill in nipping Notre Dame, 47-42, just before Christmas vacation. Mike O'Donnell was the Green and Gold's top point getter with 15, all on long set shots. With Bosco leading 36-28, the Redwings tried to overcome the lead; but some sharp playing on the part of the Don's stopped their threat cold.

Four in a Row

The Bosco Dons fast-breaked Pius all through the first quarter to take a 25-9 lead. By the half, the Dons had upped the margin to 41-27 and didn't slow up the rest of the game, whipping the Popes, 70-54. Sager led the scoring with 17 points while Wangerin and Metternich chipped in 15 apiece.

Slow Start . . . Strong Finish

Able to sink only one field goal early in the game, the Dons found themselves trailing St. Bonaventure 12-2 at the end of the first quarter. Then the fighting Varsity began narrowing the margin until they finally took the lead 31-30 on Hank Wielichowski's free throw. The Dons went on to beat the Bonnies, 37-33 with Wielichowski tossing in 14 points and Sager and Wangerin 7 each.

Another Strong Finish

Leading only 29-25 at the half, it took a strong finish, which saw the Dons score 15 points in the third quarter and 23 in the last, to succumb Dominican by a final score of 67 to 47. Hank Wielichowski and Jack Metternich were the wheelhorses with 20 and 16 points respectively. This win put the Dons only one game behind league leading Racine St. Catherine.

We Came Close!

Although Tom Sager scored 22 points, he did it in a losing cause as the Varsity bowed to Marquette, 64 to 61. Trailing at the half, 34-24, the Dons were not discouraged. They came roaring back, outscoring the Jr. Warriors in the third and fourth quarters, only to have their efforts fall short by 3 slim points. Tom Sager led Bosco's scoring with 13 points.

A Close One

The Dons kept within a few games of first place Friday night by defeating St. Joseph, 70-67. Jack Metternich and Hank Wielichowski led the scoring race with 20 and 26 points respectively. The game proved to be a rough one. Altogether there were 49 fouls committed during the course of the game. St. Joseph committed 27, our Dons 22.

—Jim Sass.

Knight Light

Mike O'Donnell

Senior Mike O'Donnell from homeroom 111 is under the beam of the Knight-Light.

Although he stands only 5 feet 7 inches tall Mike starts at guard on the varsity basketball team. Mike, along with Tom Sager are the playmakers on the team. Mike has scored 118 points on 40 field goals and 38 charity tosses for an average of 9.83 points a game. His highest scoring spree was the Notre Dame game in which he netted 15 points.

Besides playing his position on the basketball team, Mike is also the secretary of the Student Council. Come stroll over to the next game to watch Mike and the team perform as they roar into first place and the conference championship.

—Ralph Modjeska.

Grafenaur, Grohall Lead Scoring As Beezers Keep on Rolling

Don Bosco vs. Notre Dame

The outcome of this game was evident from the beginning as the "Beezers" jumped off to a 12-4 lead. This was increased to 27-13 in favor of the Junior Dons at the half. At the final buzzer, the tally was Don Bosco 41-Notre Dame 27. The sophomores were led by Tom Grafenaur with 17 points and John Grohall who dropped 14 points through the hoop.

Don Bosco vs. Pius XI

Again the Dons drew first blood and led 16 to 14 by the end of the first half. Pius outscored the "Beezers" in the third quarter to take a 25-22 lead. Then in the last quarter the Junior Dons fought back to knot the score at 27 all. But in overtime Pius was too much for them and the Pius "B" team had won a 34-29 decision. John Grohall was high man with 11.

Don Bosco vs. St. Bonaventure

Playing on the Bonnies' home court, the "Beezers" were again victorious, this time coming out on the long end of a 33 to 23 decision. John Grohall was again high point man with a total of 11 markers.

Don Bosco vs. Marquette

Against their traditional rivals, Marquette, the "Beezers" battled all the way but could not overcome a 16 point splurge by Marquette in the final quarter and as a result lost a 46-38 battle. The Junior Dons were handicapped by fouls as John Zolecki, the starting guard, fouled out and three other first stringers had four fouls apiece. Tom Grafenaur was high point man with 16 followed by John Grohall with 9 points.

Don Bosco vs. Custer

In a non-league game against the Redmen of Custer, the "Beezers" had an off night and as a result suffered a 38 to 33 loss. Little "Mick" Donahue led all the Dons with 11 points followed by his fellow guard, John Zolecki, with 8 points to his credit.

—Norm Adelmeyer.

Missions

Basketball and Ski Team action shots.

C Team Boasts 11-2 Record After Profitable January Schedule

Ceezers Drub Brookfield

The Dons' C team won its fourth straight game by lashing Brookfield 45-26 at home. Controlling the boards was no trouble for Tom Myszewski, who made 7 buckets and 3 free throws. Jim Peters also helped, with 13 points to his credit.

St. Kate's Are Next

St. Catherine's was the fifth rival for the C team to beat and win they did by a score of 42-31. Getting off to a late start, the Dons, with the help of Myszewski, who accounted for 14 points, made short work of the fighting Angels.

Oops! A Setback

The team suffered its first defeat when it met up with St. John's. The Dons started too late to make the points add up but they came close to winning, scoring 13 points in the third quarter. Bosco also came out on the short end in the rebound department in the first half and center Tom Myszewski fouled out with only 2 points. High scorer was Pat Kaluszynski with 10 points. The game ended 34-24 with St. Johns on top.

Nice Recovery

Messmer was clipped by the Bosco C's as they started rolling again, 33-25, in a home game. The points were scattered, with Myszewski accounting for 11, Don Race for 7, and Dennis Kocs for 13.

They're Rolling Again

Playing at Memorial, the Don's tipped the Crusaders by a score of 41-29, with Myszewski adding 14 points to the total, getting 10 in the second half.

Redbirds Are Grounded

The Ceezers entertained Notre Dame and were again victorious as they whipped the Redwings 30-22. Myszewski was high scorer again with 12 points.

Four for Four

Whitefish Bay was tough, but not tough enough for the Ceezers, who slipped by them, winning 35-34. The Dons, trailing at the half, 17-14, came back on the strength of good shooting by Don Race and Tom Myszewski, who scored 10 points apiece. The game was clinched when Dennis Kocs bucketed a long set-shot with 3 seconds to play to give Bosco the victory.

Sweet Victory

The Dons' C team again entertained Dominican, this time thrashing them, 39-10. The score at the half was 16-5. Jim Peters led the way with 19 points. This was the 9th victory against only one loss for the fighting Ceezers.

Hilltoppers Stop Streak

The second defeat for the Dons' C team came at the hands of Marquette, with the final score reading 39-32. The Hilltoppers kept a press on the Dons, who were unable to cope with it because they were not accustomed to it. However, with the help of Tom Adrian, who was sensational under the boards and scored 9 points, the Dons were able to stay in the game.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Thursday, March 5, 1959 Vol. XIII—No. 5

Pontiff Plans General Council

Pope John XXIII, who has already shown the world his aggressiveness and special talent for reviving customs, announced this January, a forthcoming Ecuminical Council—an event not seen in the Church since 1870.

An Ecuminical council is a gathering of the world's residential bishops and other Church officials. It ranks highest among the various types of councils in the Church. Matters of faith, morals, or discipline are discussed at these councils. Usually the councils are called to represent a concentration of all the ruling powers within the Church.

It was on the feast of St. Paul, the last day of the Chair of Unity Octave, that the Pontiff revealed his decision, privately, to the bishops who were officiating at his Mass. The Vatican made his announcement public, saying that Pope John not only thought of the edification of Christian people but also intended it as an invitation to separated Christian areas hoping for unity.

Pope John set no date for the Council, but it is expected to take about a year for the completion of all preparations. We sincerely hope that the Council is a big success in every field, especially that of unifying the Separated Brethren of the Church.

—Chuck Bartels.

Robert Jaremba does a hair-raising stunt as he helps show the effects that static electricity has on the atoms of the body.

Twenty-seven First Semester Honor Certificate winners. (L-r): Seated—R. Koralewski, R. Pribbanow, J. Krzyzanowski, A. Koch. Standing—W. Pfannenstiel, J. Sarnowski, R. Mumper, A. Perz, C. Baillod, R. Starck, G. VanHandel, J. Marino, J. Andryczak, R. Ciszewski, P. Brezonik, G. Nadolski, G. Walloch, M. Cesarz, M. Lucci, P. Florek, D. Mei, G. Semmler, K. Switala, J. Hinckle. Absent when picture was taken—V. O'Connor, G. Lenkiewicz, M Slawnik.

Senior Undergoes Shocking Ordeal

"The Peace Time Uses of Atomic Energy" was the subject of a special assembly held on February 4. This assembly was conducted by a representative of the United States Atomic Energy Commission, Mr. Byrd of the Oakridge Institute, Oakridge, Tennessee.

Mr. Byrd explained the atom with the help of electric illustrations for clarification. He also explained the atomic chain reaction and how, if uncontrolled, it can result in a huge explosion; but, if controlled, it can be put to many peacetime uses. He went on to say that, through transmutation, scientists have found ways to create new elements not found in nature.

Robert Jeremba's hair stood on end all through Mr. Byrd's demonstration of what static electricity can do to the atoms in your body. He also showed how atomic energy, in the form of heat, is converted into steam for power, and he told of many experiments that are being conducted, including a city that is powered by atomic energy alone.

In conclusion, he emphasized the great need for scientists to create and develop new uses for our friend the atom.

—John Bull.

27 Awarded Special Honor Certificates

Special first semester honor certificates were presented to 27 Don Bosco men by Brother Dan Sharpe at the Parents Home and School Meeting, the evening of February 25. The following received the certificates: Seniors were: Sarnowski (109), Brezonik (109), Andryczak (112), Baillod (113), and Mumper (109). Juniors were: Perz (202), O'Connor (203), VanHandle (203), Walloch (301), and Semmler (301). Sophomores were: Ciszewski (209), Krzyzanowski (209), Lenkiewicz (209), Starck (209), Florek (213), Lucci (213), Pfannenstiel (213), Hinckle (212), and Koch (215). Freshmen were: Cesarz (200), Koralowski (201), Marino (200), Mei (200), Nadolski (200), Pribbanow (200), Slawnik (200), Switala (200).

These men represented 12 out of 17 homerooms in the school.

To qualify for these special awards, a student had to have an 85 average in all his subjects for the first 3 terms plus exam, and an overall semester average of 90 or better.

High among these 27 was Junior Gerry Walloch, with a first semester average of 95.8.

—Eugene Keul

What Does Easter Mean to You?

What Does Easter Mean?

To children—Easter eggs and bunny
(How he hopped in, I don't know.)

To the women-folk—New Easter bonnets (and dress and coat to go with it.)

To merchants—More customers, many sales, and big profits.

To men—Many bills and a big dent in the pocketbook.

To Catholics—**that we can go on being Catholics.**

If Christ had not risen from the tomb, our faith would be in vain. By His Resurrection, He proved conclusively that He was God—and therefore, what He said is all true. We must believe Him. "I have come that they may have life, and have it more abundantly."

Easter is the feast of LIFE. It's very appropriate that Easter comes in spring. In autumn the trees and flowers drop their seeds. The seeds die and are buried in the ground. In spring they send new life—up through the soil and we enjoy plant life—the beauty of the new flowers and trees.

Christ suffered the horrible Passion, died and was buried in the earth for three days. On Easter Sunday, He arose with a new life—supernatural life—which was to beautify our lives.

That's why we have Lent. We must die to ourselves through mortification (which means, to make dead)—Lent—which ends in death. Then on Easter Sunday we, too, rise to a new life—an increase of supernatural life in our souls.

All of this, of course, is merely a yearly dress rehearsal. All during our life we must constantly imitate the Passion of Our Lord so that we may completely die to ourselves. And when will come the final Resurrection when our souls will be reunited to our bodies, which will be resplendant with dazzling beauty—to enjoy perfect and never-ending happiness with God in Heaven.

If you want to get a new Easter outfit which "neither rust nor moth consumes and thieves do not break in and steal," the price you will have to pay—and it is a small price—is a fruitful, penitential Lent. Each mortification, each penance is a small deposit and it will take you only 40 days to pay.

—Father Rohrbach.

Speakers To Help Us Plan Ahead

Bosco's annual "Career Day" has been scheduled for tomorrow, March 6. Students will be afforded an opportunity to hear talks on any two of 41 topics, including: "How to Apply for a Job" which is for Juniors and Seniors only and is new this year. It is through the efforts of the Kiwanis Club of Milwaukee that these professional men will come to speak.

Members of the Student Council and Speech Team will serve as guides for these speakers and preside as chairmen of the sessions. Some of most popular topics, by choice, are: Architecture, Teaching, Conservation and Forestry, Auto Mechanics and Engineering. The first session will begin at 9:00, followed by Mass at 10:00 and the second session at 11:00. School will dismiss about noon.

—Marvin Huber.

Over 250 Attend Frosh-Soph Mixer

The annual Frosh-Sophomore mixer was held on Feb. 6, the night of the Lourdes' Ball. Approximately 150 girls and 100 boys attended.

Music for the dance was supplied by the "Squires," which, in the opinion of Bro. Osborne, was the best band that has played in the Bosco gym this year. Homeroom 200 won the Spirit Banner for selling the most tickets to the dance.

The dance was held because the Lourdes' Ball, being held on the same night, was for Juniors and Seniors only.

—Phillip Gerlach.

Speakers Have Two Trophies So Far; Eye Varsity Championship This Year

On Saturday, February 7, the speech team traveled to Kenosha to participate with 14 other schools from the Milwaukee-Chicago area in the second meet of the season of the Midwest Catholic Speech League, held at St. Joseph's High School.

Bosco was represented in the final round of competition by two speakers, Jim Kaminski in the field of serious declamation and John Mietus in non-original oratory. Although neither of these fellows placed among the top three speakers in their respective divisions, they, and the other members of the team, did sufficiently well to keep Bosco near the top.

The first place trophy was taken by Alvernia of Chicago, with second place going to Marquette of Milwaukee. Continuing Bosco's tradition ,our team took third place, as it did in the first of the season. This made Bosco one of the two schools to have taken a trophy in both meets this year.

The members of the team are now preparing for the final competition of the season, to be held on April 18 at Marquette. Almost every day, after classes have been concluded, speakers can be heard and observed practicing and polishing up their speeches, or trying out new speeches in various rooms throughout the school, especially in Room 203. Invaluable coaching and advice is given them by the coaches, Bro. Joseph Towers and Mr. Thomas Frohna. At the conclusion of the final meet, trophies will be awarded to the schools possessing the highest over all scores for competition in all three meets.

—Adrian Perz.

The Golden-Throated Orators of the Speech team. Varsity members are in CAPS. l-r): Seated—J. MTITUS, D. HOERL, R. FRONTCZAK, G. HOWARD, J. KAMINSKI, G. SEMMLER. Standing—Bro. Joseph Towers, S.M., R. Ciszewski, M. Dolister, G Scott, W. Bodden, A. PERZ, J. BLOCKOWITZ, R. Brzycki, J. DAILEY, G. Schmiedl, G. Lee, J. Hinckle. Absent when picture was taken—R. WOLSKI.

Students, Parents Pray for Vocations

After one cancellation, due to bad weather, the Holy Hour for vocations was finally held on Wednesday, Feb. 3, at 7:30 p.m. The event was sponsored by the Bosco Club and was under the direction of Bro. Urban Nall, S.M.

The evening began with exposition of the Blessed Sacrament, followed by the Ave Maria sung by the Glee Club. Then came the Living Rosary. Representatives from all the activities in school took part in this, the highlight of the evening. Following the Living Rosary was the Litany of the Blessed Virgin.

In his talk, Fr. Warner emphasized the great need for religious vocations in modern times. The Holy Hour closed with Benediction.

Because it was the feast of St. Blaise, all who had not had their throats blessed were afforded an opportunity to do so immediately afterward.

—Arne Koch.

Lewis Visits City; Speaks with Editor

A special press conference with Jerry Lewis was held for high school editors on Sunday, February 22, at the Milwaukee Auditorium. The occasion was Jerry's scheduled appearance to direct the Milwaukee Pops Concert that afternoon.

The variety of questions asked of him ranged from, "What do you think of rock and roll?" to "Do you have any particular philosophy on life?" In answer to the first, Mr. Lewis said that rock and roll has its place—but not in society. "Basically," he stated "It is canibalistic." He prefers to have his children listen to classical music but a little rock and roll isn't too bad. In regard to his own singing, he said that, nowadays, an entertainer has to be versatile to survive in show business.

When asked about his family, Jerry expressed a bit of sorrow at not being able to be with his four sons, one of whom was celebrating his 3rd birthday that very day. He mentioned, however, that he wasn't away from his family as much any more, and that he and his wife have a good understanding.

Someone wanted to know about his plans, which he listed: a new movie, the recording of an album, a current appearance at the Chez-Paree in Chicago, and a T.V. (color) show either March 7 or March 27.

—Bill Bodden

MEN OF ACTION

"And So in Conclusion..."

Do you know who Gerry Semmler of Junior homeroom 301 is? No? Well you ought to because he is one of the most active men in school, participating in speech, Suma, and Sodality.

Coming to Bosco in 1956 from St. Rita's parish in West Allis, he played Frosh basketball, took part in speech meets, and was Vice President of his class. In addition to these activities he participated in dramatics and was an honor student. In his second year he joined the Sodality and has been active in this organization ever since.

This year brought even greater success for Gerry. He was appointed to S.U.M.A. and to the M.A.S.C. Basketball Courtesy Campaign. Although he has not won any trophies for speech as of yet, he is improving, and will probably be one of the school's best extemporaneous speakers.

When you begin to tire of school, just remember that Gerry has yet to miss a day!

A Scholar and a Leader

One of the most talked-about men at Bosco is senior Jim O'Hara. He is our Student Council Treasurer for the second semester and at the same time treasurer of the S.U.M.A. Jim spends some of his time playing clarinet in the band. He was on the speech team in his freshman and sophomore years. He has been an active sodalist since his freshman year and has maintained his spot on the Honor Roll despite his extra-curriculars. Jim really enjoyed his freshman year as he did not miss a day. He is a member of the C.Y.O. at Blessed Sacrament. After high school, college is part of Jim's plans.

He Has the Real Bosco Spirit

The Beacon spotlight shines on one who well deserves it, Pat Dunn of H. R. 203. Pat is interested in a host of extra-curriculars, including Sodality, M.A.S.C. and the bowling team on which he has an ever-increasing average of 131. In addition to the aforementioned, Pat is the editor of his class paper, The Tower of Power, and co-editor of the **Beacon.**

In his freshman year, Pat played on the Knights basketball team. Last year as a sophomore, Pat was class president.

Besides being in many activities here at Bosco, Pat is the secretary of the Junior Holy Name Society at St. Fred's in Cudahy and an active member of the C.Y.O. Pat says his pride and joy is Junior Achievement and suggests that others join it.

Pat is awaiting the start of the intramural basketball season. He is also thinking of trying out for the golf team.

Sophomores

R. Brzycki, R. Ciszewski, H. Dluzak, R. Gizelbach, R. Graebner, B. Grohall, D. Grzendzielewski, M. Huber, R. Kormanik, T. Kramer, F. Michalski, L. New, J. Potochick, G. Rolbiecki, T. Smigelski, D. Sokolowski, K. Sweet, G. Szymanski, D. Talaga, T. Tomczyk, G. Trojanowski, J. Ulma, D. Utech, J. Vider.

Freshmen

J. Blessinger, B. Bonneau, D. Gauthier, D. Gozdowiak, J. Graebner, J. Herda, T. Kloza, T. Koch, M. Korpal, T. Lemanski, D. Letkiewicz, K. Michalski, R. Michalski, P. Molenda, T. Myszewski, R. Padol, S. Penn, T. Singleton, R. Smukowski, M. Weissman, W. S. Weyda, T. Zajac.

What Are You Doing for Lent? Christ Did an Awful Lot for You!

Today, in our overly matrialistic world, with its emphasis upon the possession of earthly and tangible objects and the enjoyment of worldly pleasures, we are quite prone to forget the value of the heavenly and intangible possession and virtues—of humility, of charity, of sacrifice. Thus it often happens that we look upon the Lenten season merely as a time when we are forced to give up some of those things we have come to like and to enjoy to a great extent.

While it is true that Lent is a time of sacrifice, this sacrifice should not be to us something negative, but rather quite positive, for Lent is that time set aside for us each year by the Church to examine our past lives, realizing and admitting our past mistakes and sins. We can then proceed to show Christ that we are truly sorry for our part in causing His being humiliated, degraded, and butchered upon the Cross, and to strengthen ourselves against going astray in the future by accepting and offering up the sacrifices we make during Lent with a spirit of charity and penance.

In this spirit of penance, we find the fulfillment of Lent. Since none of us can deny having sinned, and since we know these sins to be the reason for Our Lord's Passion and Death, we have the obligation to make amends for our pride and selfishness. And it is through penance, with its sorrow, self-denial, humility, and resolve to do right in the future, that we can best atone for the pain and sorrow that we and all mankind have caused Him who has given us so much.

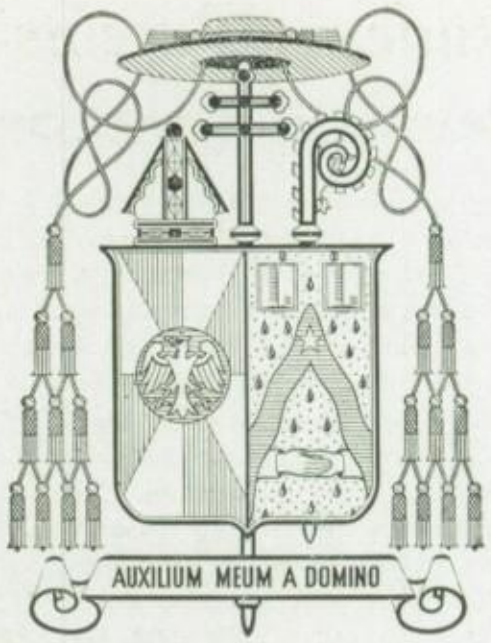
But Lent is not wholly a time of sorrow and looking back, but also one of preparation and looking ahead, for after the Passion is the Resurrection. During Lent, we prepare ourselves not only for the celebration of Christ's Resurrection, but also for that time, when, after fulfilling our duties on earth, we shall rise gloriously with Him to our eternal reward.

—Adrian Perz.

Sympathy

Sympathy is extended to freshman James Ahrens (103) on the death of his father, and to Bro. Robert Hanss on the death of his grandmother.

On Saturday, March 14th, from 10 a.m. to 5 p.m., the Marquette University College of Engineering, located at 1515 W. Wisconsin Avenue, will hold its annual open house.



Each Archbishop Has Coat-of-Arms

As each archbishop is enthroned, he designs a special seal, known as his "coat of arms." On the left side is the official seal of the diocese; on the right side, his personal "arms."

The left side of Archbishop Cousins' shield has a background of red and white. It was originated by Archbishop Messmer in the early part of this century. The red and white colors symbolize Switzerland, the father country of Milwaukee's first Archbishop, John Henni. The four red arms meet, showing the meeting of Lake Michigan with the Menominee and Milwaukee Rivers. The eagle in the center represents St. John the Evangelist.

As for Archbishop Cousins' personal arms: the drops of blood and the clasped hands, on the gold background, stand for "Cousins," the Norman word for blood relative. St. William, his patron, is represented by a blue star, while the wavy lines signify the seminary of Our Lady of the Lake where he once studied. Reminding him of his priestly duties are the books, and "Auxilium Meum a Domino" (My help is from the Lord) is his motto.

On the outside, his rank is symbolized by the hat, mitre, cross and crozier.

—Ray Ciszewski.

Junior Merits J. A. Scholarship

Among the eight students to win Dale Carnegie scholarships during Junior Achievement week was Pat Dunn, of Junior homeroom 203. Pat had to compete against seventy-four other Junior Achievement members who applied for scholarships. On Monday, Feb. 23, this promising Boscoite will attend a course in Public Relations at the Business Institute. The course will continue for 16 weeks.

Our congratulations, Pat!

Seniors Give Their Reasons for Importance of Second Semester

Happy Departure?

Are seniors sincerely happy to be parting from the humble halls and weary wall of Don Bosco High? Some are. Most aren't. Being a senior in my last semester, I have taken inventory of my "sales" and "purchases" in the previous three and one-half years. On the whole, I think our senior class has purchased more from Bosco than it has sold to it.

Our last semester is important to our future life because it is now that we decide where we are going to school and what we are going to take up. We receive valuable guidance from the Brothers and our parents. We can improve our study habits in preparation for the long hours ahead in college.

A word to the wise from the old philosopher to the underclassmen: Get into all the activities you have time for and study as hard as you can.

—Ken Bukowski (109)

Door to Adulthood

The second semester of the senior year could be considered a prelude to real independence in the world. Previous to this time, the student was concerned only with high school studies and activities. But now the reality of college or a full time job looms in the near future. The senior continues to keep up his schoolwork, but now with an eye on some college or employer. Arrangement can at last be made for interviews and college entrance tests. The entire period becomes one of intensified thought in the field of careers. Or the idea of the service might be foremost in the student's mind, and information concerning all branches can be gathered during these last months. Finally, our semester is completed by prayers to know our vocation and preparation accordingly.

—Gary Howard (113)

You Have to Think!

My senior year in high school was based on thinking. The previous three years of my education were mostly a matter of memorization. This year for the first time as much as I hate to admit it, I had to use my head instead of my memory.

In religion I have learned to defend my faith by reason, not just by taking what I read in the book as being true. History has given me a background of my country. English has acted as a sort of a polishing course. Sociology taught me all the aspects of man and his institutions and how they change. The biggest help and influence made on me this year was made by thinking. Try it some time; you'll surprise yourself!

—Paul Krajewski (113)

Future Planning

The last half year of my high school days is now well under way. It is a time to make one think of the many days spent in tireless study. It makes me think of laurels won; along with lost opportunities which I somehow let slip through my fingers.

This is not a time however to linger over the past. What has been done has been done, and is in the books. I can do nothing but forge ahead and try to benefit by the mistakes I made.

Most of all, however, this last half should be devoted to untiring work—work to increase the knowledge I have, work to up my averages in all subjects, and work to prepare me for college. This above all is what my last half year of high school means to me.

—Reme Wolski (111)

Ideas Needed; Yours Wanted

The **Beacon** claims to be a paper **"of the students, by the students and for the students."** Therefore we would like to print what the students want. To do this, we have to know just what you would like to see in your paper. Won't you help? Think up something that you feel would make the paper more interesting; then write it on a sheet of paper, sign your name and homeroom, and bring it to Room 213. For any suggestions used, due credit will be given in the **Beacon.**

Glee Club Active; Face Busy Future

The Don Bosco Glee Club, under the direction of Brother Richard Martens, has had a busy year so far and plans to keep busy during the next semester also.

Just recently they appeared, along with 9 other district schools, in a Sing Fest held at Holy Angels Academy. On their last outing they sang for the Bay View Business Association.

During the second semester, the Glee Club will entertain the Alumni Parents Association March 19, and will be featured in a concert at the end of the year. On March 21 and May 3 they will take part in district competition—the first date being for soloists, the latter for group participation.

This year's members are:

First tenors—P. Brezonik, G. Howard, R. Kruszka, J. Sokop, H. Dluzak, L. Kielich, G. Kleczka, A. Koch, R. Mc Conville, F. Michalek, K. Sweet,, T. Tomczak, and J. Zolecki.

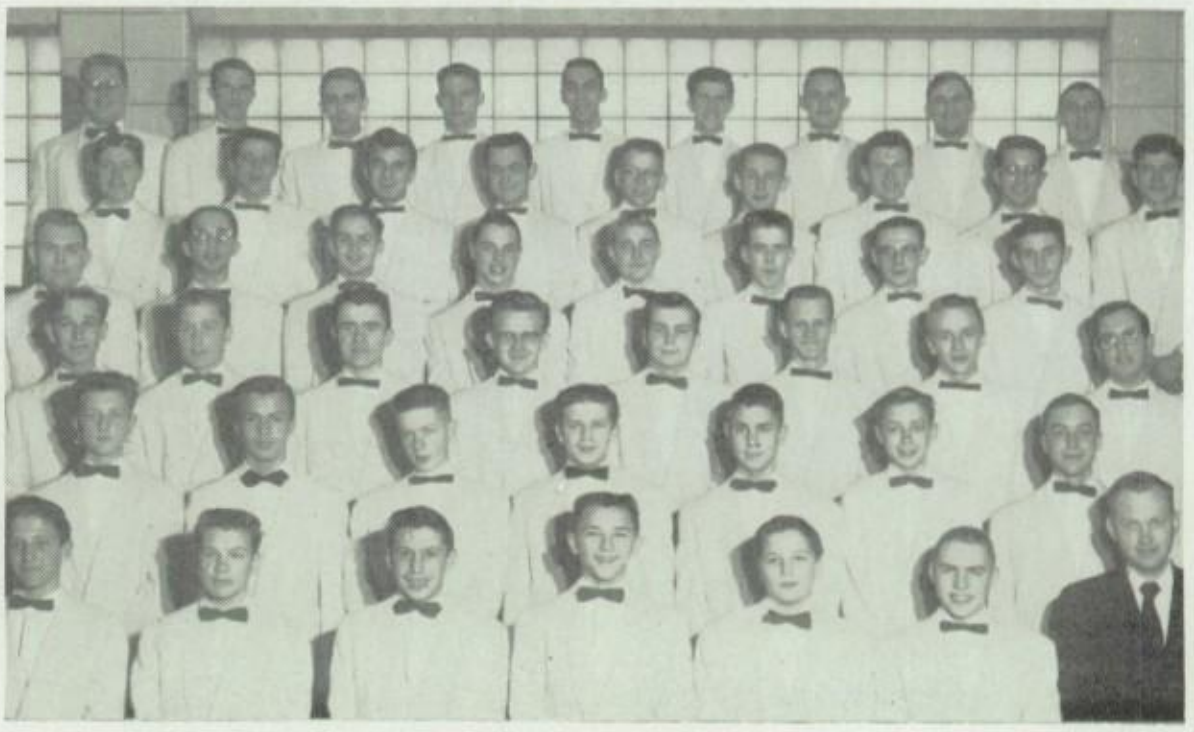
Second tenors — J. Myszewski, W. Tessler, D. Wasielewski, K. Chybowski, M. Derynda, R. Gizelbach, C. Gladys, T. Krukowski, W. Pfannenstiel, and T. Wesley.

Baritones—P. Karpfinger, J. Monroe, B. Schroeder, F. Schuster, M. Okonek, P. Rink, R. Burke, R. Galewski, J. Hinckle, J. Lyons, A. Pogorzelski, and G. Trojanowski.

Second Bases—R. Jaremba, F. Graebner, R. Grosz, C. Lelinski, L. New, G. Palma, D. Sokolowski, D. Spenner, P. Wolf. D. Sturomski, D. Leduc, M. Leising, and G. Lee, round out the group.

—Ray Ciszewski

The Don Bosco Glee Club, (l-r): front row—F. Michalek, T. Tomczak. R. McConville, T. Wesley, G. Kleczka, K. Sweet, Bro. Richard Martens, S.M. Second row—T. Kaukowski, A. Pogorzelski, C. Gladys, K. Chybowski, A. Koch, H. Dluzak, G. Palma. Third row—R. Jaremba, J. Zolecki, F. Schuster, R. Kruszka, G. Howard, L. New, G. Lee, P. Wolf. Fourth row—B. Schroeder, W. Tessler, R. Gizelbach, D. Sturomski, L. Kielich, W Pfannenstiel, M. Okonek, R. Grosz. First row—D. Sokolowski, P. Rink, F. Graebner, D. Spenner, J. Sokop, J. Hinckle, R. Galewski, R. Burke, M. Derynda. Sixth row—J. Lyons, P. Karpfinger, D. LeDuc, M. Leising, J. Myszewski, P. Brezonik, G. Trojanowski, J. Monroe, C. Lelinski.



Varsity (12-8) Taks Fourth; Late Lapse Kills Title Hopes

The Dons just couldn't get started against a sharp-shooting Waukesha Memorial team. Tom Wangerin, Tom Sager, and Dan Bujanovich were the Don's big scorers with sixteen, eleven, and ten points respectively. The Dons, who scored twelve points in the first half of the game, came back with 27 in the second half, but they still fell a little short. The Final score was Bosco 39, Memorial 54.

Too Bad

The Green and Gold put on a real show of good basketball against Notre Dame. Although we lost, 38-35, in a heart-breaker, the Dons put on an excellent show. Led by Tom Sager who notched up 13 points to his credit, they shot 44 per cent compared to Notre Dame's measly 28 per cent and missed only two free throws. Dick Hoerl also played a big part in the game as he contributed 10 tallies. The Dons, who were at a height disadvantage, also put on a good showing in the rebound department as they cleared the boards left and right.

Back on the Winning Trail

The Dons got back on the winning streak by defeating Pius, 66-59. The Dons tossed in twenty points in the first quarter of the game and repeated again in the third quarter. The score at the half was Bosco 33, Pius 27. After the half, the Dons did not slow up but placed 33 more points on the scoreboard. Five of the Don's scorers hit in double figures, with Tom Sager and Tom O'Donnell tossing in 15 each to lead the pack.

Nip Bonnies

The Dons won the last game of the '58-59 season by downing St. Bonaventure 51-49 in a thriller. Tom Sager, Dick Hoerl, and Tom Grafenauer led the Don scorers. Sager and Hoerl had 13 apiece and Grafenauer had 12. The Dons held a 23-16 lead at the half. staved off a late Bonnie rally, and won 51-49. This ended the regular conference season and produced a respectable 12-8 record for the team. Next come the Regionals where the Dons meet St. Bonaventure. —Jim Sass

Inlividual Scoring on Back Page.

14-Team Bowling League Formed

Don Bosco's bowling league moved into its fourth week of action at Mitchell Rec., with 71 boys participating in the 14-team league. The teams, organized on a homeroom basis, bowl every Monday at 3:30. Heading the standings, as of Feb. 16, are the "Royal Dons" with a record of 8-1. Seven other teams are tied for second with 5-4 records. The other six teams are closely bunched behind the leaders. The No. 12's hold the high team scratch set with 2,299 sticks, followed by the Pin-Ups with 2,144. J. Kaminski has the individual series lead with 548, followed closely by T. Neary, who also has the high average of 179. Kaminski is second with a 171. Other high averages are P. Kortes—167, and C. Pankonen—164. Pankonen also has the high single game, a fine one at that, of 244. D. Fennig follows with a 203. The teams were organized, and are kept in order, thanks to R. Jaskolski.

George Sielen.

B Team Finishes with 15-7 Record; Grafenauer Leads Scoring

Dons Win with Revised Line-Up

After the unexpected loss of Tom Grafenaur, Mick Donahue, and John Grohall, who had scored 166, 140, and 131 points respectively, the Junior Dons were caught rather short-handed. In their next game against Messmer, the "Beezers" started John Zolecki, Brian Semmler, and John Bova, (all former starters), along with John Gemborowski and Chuck Napieralo. Led by John Gemborowski, who scored 7 points, the Dons defeated Messmer 32-24.

"New Team" Wins Again

With John Zolecki, who is usually a playmaker, picking up the slack left Mick Donahue, the "Beezers" outscored Memorial 40-23. John Zolecki led the "Bezers" with 13 points, followed by John Bova, who rebounded well and scored 8 points.

Loss No. 4 for the "Beezers"

The Junior Dons suffered their worst defeat of the season at the hands of a red-hot Notre Dame team. John Bova and Brian Semmler tied for scoring honors with 8 points apiece. The Redwings defeated the Dons by a 38-27 margin.

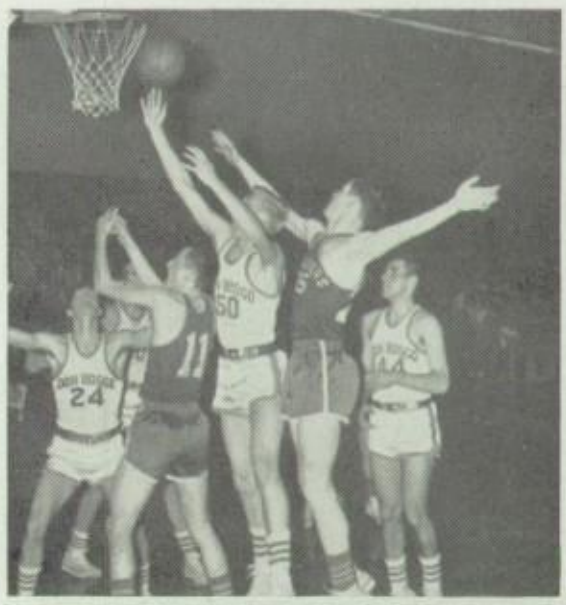
Two in a Row!

The "Beezers" suffered their second straight defeat at the hands of Pius by a 31-40 margin. Chuck Napierala, who scored 9 points led the Junior Dons losing cause.

15-7 for Season

In the season final against St. Bonaventure, the "Beezers" came through with a 27-26 victory to close the year with a 15-7 record. The "Beezers" held a 1 point advantage at half time. When they took the floor to start the second half, they increased this margin and then held on for dear life through a full court press thrown at them by the Bonnies. John Bova was high with 12 points. —Nick Adelmeyer.

Individual Scoring on Back Page.



The action is fast and furious as the Dons battle Memorial on the Don Bosco floor.

C Team Compiles Fine 20-3 Record; First in Catholic and N. Shore Leagues

4 Point Margin

The 13th victory for the Ceezers was the result of a game played on the Shorewood floor. The final score was 36-32. Tom Myszewski was high bucketter with 22 points, getting 16 in the second half. The C's had a little trouble on defense, but they counteracted it by some good fast-breaks.

2 For 2

The next stop for the victory-bound Ceezers was Racine, where they tripped up St. Kate's Angels, 28-17. Playing well on defense as well as offense, the C's held the Angels to only 6 points in the first half. Don Race, who stole the ball from the opposition on a number of occasions, led the scoring with 12 points.

Wholesale Massacre

Their next opponent, St. Joseph, was really battered as the score, 51-22, indicates. Outshooting the Lancers, 32 to 8 in the second half, enabled the Ceezers to pile up their wide margin of victory. Don Race again led the scoring with 15 points followed by Jim Peters who had 12 tallies.

Ceezers Drub Brookfield

The Don's C team whipped Brookfield, 56-27 for its 16th win. Tom Adrian was top man this time with 16 points aided by sharp-shooting on the part of Jim Peters and Don Race.

A Real Close One

It took the Ceezers two overtimes to finally turn back a tough Cathedral team. The final score read: Bosco 33, Cathedral 29. Tom Myszewski tied the score at the end of regulation time. After Jim Peters had sent the game into a second overtime with a beautiful, last-minute hook, the Don C team wrapped up the game with two gift tosses by Don Race and a shot by Ken Bellanti.

6 in a Row

In their second meeting, the C's ran over Nicolet, 49-19. Nicolet made only 2 field goals, scoring the remainder of their points on free throws. Tom Myszewski and Jim Peters shared the scoring honors with 10 points apiece followed by Dennis Kocs who tossed in 8.

A Defeat? What's That?

The Ceezers suffered only their 3rd setback of the season, at the hands of Messmer. Hampered by an injury to Pat Kaluszynski and trouble handling the ball, the Dons wound up on the short end of a 41-35 score. Don Race scored 16 points for the losers.

Back in Their Winning Way

With 18 points, Jim Peters led the C Dons to their 19th victory of the season as they turned back Whitefish Bay in a hard-fought game. Tom Myszewski was great under the boards and the whole team did well on the free throw line. The final score was 50-44.

The End of a Great Season

The fighting Ceezers closed their season with two victories: over Memorial 38-33 and Notre Dame 36 to 32. Tom Myszewski led the scoring in the Memorial game with 9 points while Ken Bellanti was top man in the N.D. game, tossing 10 counters through the hoop.

We, of the Beacon staff, wish to extend heartiest congratulations to the players and coaches of this year's C basketball team, which won championships in both leagues in which they competed. Their final record of 21-3 gives Bosco's basketball future a bright outlook. Keep up the good work, and let's see if next year's B team can do as well.

—Douglas Sturomski.

The Wrestling team poses for its picture. This year's grapplers are (l-r): Seated—L. Orlikowski, R. Flayter, A. Kaspar, M. Kosak. Kneeling—D. Jankowski, R. Gizelbach, P. Karpfinger, R. Mroz, J. Labutski Standing—K. Chybowski, J. Rogahn, W. Tessler.

Knight Light

Knight-Light beams upon junior Tom Wangerin from homeroom 207.

Tom, who has been a member of the varsity basketball team for the last two years, stands six feet four inches tall. Although he has been hampered by fouls this season (he has fouled out of fourteen games), Tom has managed to score 203 points this season for an average of 8.12 points a game. His biggest single surge was a 16 point outburst against Memorial.

While playing basketball, Tom still has maintained a high scholastic average. He had a ninety plus average for the first semester.

As a freshman, Tom stood six feet two inches tall, and has grown two inches in the last two years. Let's hope he can sretch out another two by the time next basketball season comes around.

Fatima Shrine March 15

Bosco Wrestlers Begin Competition

After being defeated in the first two matches of the season, our wrestling team made a tremendous comeback. In the first game, the mat-men of Pulaski ran away with the score, 36-6; but the second game with Pulaski was much closer, 20-19.

The matches to follow proved more valuable such as against Brookfield 37-13 where the following wrestlers won on pins: Gizelback, Tessler, Labutsky, Mroz, Stys, Karpfinger and Roghan.

When Oak-Creek met Don Bosco we taught them who is boss as they were defeated 26-20. Next on the death list was East who bowed to the DB grapplers 37-13. All good things must come to an end, so was the thought of Waukesha, who broke our three match winning streak, leaving the score 24-16 in a very hard fought contest.

Other members of the wrestling team are Petran, Jankowski, Spenner and Chybowski who, as of yet didn't get a chance to show their strength on the mat. Also we would like to express our sympathy to Mueller who has a broken arm, which will keep him out of action for quite a while.

—Gerald Kleczka.

ST. MARY'S UNIVERSITY

CHRISTIAN EDUCATION FOR THE MODERN WORLD

Deep In The Heart Of Texas

Graduates of Don Bosco currently attending St. Mary's University in picturesque San Antonio include: Paul K. Biever, Thomas J. Brieske, Bro. William Czarnecki, S.M., Richard Goetz, Tony Kujawa, Thomas Leszczynski, Michael Mueller, Bro. James Radtke, S.M., Bro. John Rechtien, S.M., and James Schmitz.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Friday, April 10, 1959 Vol. XIII—No. 6

Horlivy Chosen Prom King

Beacon Uses Hard Work, Foresight

The publication of the **Beacon** is a long range affair.

Like any other organization, it must improve with time. Thus, next year there are plans for the publishing of short stories in the **Beacon.** In each issue, the name of the author and his picture will appear with his contribution. Besides these "shorts," there is the possibility of stories from previous issues appearing as sort of "flashbacks." Other ideas that may materialize are: a humor column, articles by homeroom writers, and guest writers from other schools. All these go to make a better, more interesting paper.

To get one issue of the **Beacon** to the students, 17 men must work as a single unit. Some of the things that must be done are: stories must be written, typed out and proof read: the papers printed, and then folded. But posing more of a problem are the little, "taken for granted" sort of things. Writing headlines, making layouts, and meeting deadlines all cause headaches. One of these problems, getting ads, has its own department, the Business staff.

Of the 1600 copies printed, 650 are distributed immediately, and 650 more are kept for yearbooks. The remaining 300 are sent to other schools, the brothers in South America, Africa, Italy, Japan, and Switzerland, or to the families of brothers who are stationed here at Bosco. The mailing of all these editions is the problem of the exchange editor.

The whole process of publication is kept running by the co-editors. Thus, you can see that the publishing of a school paper such as the **Beacon** is more work than meets the eye.

All-Catholic Berth To Tom Sager

The Beacon would like to extend its heartiest congratulations to Tom Sager on his selection to the Journal's All-Catholic first team. Tom also made the Sentinel's All-Catholic second team. He led the Don's drive to fourth place in this year's race. With a few breaks, the Dons might have come home with the Championship trophy. As agressive player, Tom snared many rebounds away from much taller players which proved a big difference in many games against taller foes. Tom led the Dons in scoring and assists. He is one of the best team players in the Conference and really deserved the honor of being chosen All-Catholic.

His selection was announced too late to be given due credit in our last issue, "but better late then never." Again: Congratulations, Tom.

Upperclassmen Elect May-Day Monarch; Ken Bukowski To Be Prince

Wednesday, March 25, marked the annual Prom King election by all juniors and seniors who had made down-payments on their prom tickets. The eight senior candidates for the honor were: Ken Bukowski and Dave Planey from 109, Mike O'Donnell and Ron Leggio from 111, Roger Majchrzak and Bill Tessler from 112, and John Horlivy and Ron Jaskolski from 113.

Elected king of the 1959 Don Bosco Prom (to be held on May 1) is John Horlivy, who will escort Darlene Schaller from St. Mary's. Ken Bukowski, second in the voting, is Prince and will escort Carol Heinrich, also from St. Mary's.

Other court members are: Mike O'Donnell, Roger Majchrzak, Ron Jaskolski and juniors Phil Rink, Bill Barszak, George Lee, and Gary Magolan. The Master of Ceremonies will be Gary Howard.

The **Beacon** extends heartiest congratulations to the king, prince, and court members. The staff expresses its thanks to the student council moderators and the Prom Committee for giving the **Beacon** exclusive rights to announce the results of this important election.

The Beacon executive staff. (l-r) Seated: G. Lee, P. Dunn, W. Bodden, A. Perz. Standing: Bro. R. Hanss, D. Petran, J. Sass, T. Dunjaski, G. Schmiedl, and K. Sweet. Insert left: G. Meisenheimer, editor, first semester; right: D. LeDuc, photographer.

Beacon writers and typists. (l-r) Seated: G. Bethke, F. Terwelp, R. Sauer, J. Krzyzanowski, A. Koch, R. Ciszewski, J. Horlivy (artist), R. Modjeska. Standing: P. Gerlach, D. Sturomski, C. Sibilski, J. Bull, M. Huber, R. Morearty, J. Graebner, C. Bartels, G. Sielen, N. Adelmeyer, and G. Kleczka. Absent: E. Keul, T. O'Connell, R. Sturma.

Actions Still Louder Than Words? This Should Cause You to Wonder

By Bill Bodden

Say there, friend. How much are you impressed by what others do?

Your buddy in your homeroom is a big basketball star. Then one day you go to his home and find out that he has absolutely no respect for his parents. Sort of puts some tarnish on the little bronze god, doesn't it? Or the fellow who sits next to you in English class is quite a brain. But, comes a term test and you see him leaning a little towards your paper. Makes you stop and ask yourself just how smart this guy really is. How about you, friend? Ever stop to think you might be making some bad impressions?

What's that? You always respect your parents and you've never cheated in a test in your life? (I doubt it, but I'll take your word for it.) Maybe pal. But what about your MOUTH? How do you impress people with THAT?

You know, of all your organisms you use your gift of gab the most. With all the use it gets, your mouth is bound to make quite a few impressions; and **you** determine what kind of impressions they are. If every few sentences you utter have to contain cursing, profanity, and/or vulgarity then buddy, buddy, those impressions are going to be bad all the way down the line!

What's that you say? You don't have enough self-respect to care what other people think? Or you talk that way to try to make other people think you're a big shot? Well that's your business, my foolish friend. BUT!—what about the impression you make on Almighty God? That's the one that really counts! And that's the one you'd **BETTER** care about and start **WORRYING** about, because fella, if that one is bad, YOU'VE GOT A PROBLEM!

So, although Lent is over and New Year's is a long way off, make a lifelong resolution right now to clean up your conversation before you talk your way into a hot spot!

The Profitable Way to Hell?

By Pat Dunn

Well, it's finally happened! The "Christian world" has made a complete turnabout in favor of convenience and ease. The practice of stores being open on Sunday, which in your grandfather's time was considered immoral, is now considered good business.

It all started with the corner bakery, spread to the delicatessen, and now has even hit the large super markets. How far can it go? Well, at this rate, in 25 years or less, Sunday will be just another business day, a day to earn money, and not ever think of God. And most of us will like it too! Fantastic? Ask your parents what they would have said if, 25 years ago, someone would have told them that in 1959 stores would broadcast on the radio and T.V. that they are open on Sundays. It's time for you to stop patronizing these stores! Remember the third Commandment and, by your actions, help them to remember it too!

Fatima Shrine April 15

Student Council Varies Plans

As the school year draws to a close, the Student Council is busily engaged with the many projects that seem to accompany the closing stages of the scholastic schedule.

The most important project which demands their immediate attention is the prom. Special committees have been formed to handle the various problems which an event of this type presents. Getting a place to hold the event, waiters, and chaperons, sending letters to the parents of those attending, and arranging for the necessary printing and decorating are just a few of these problems.

It was recently brought up in a Council meeting of the possibility of adding volleyball or soccer to the list of intramural sports events. The idea was presented to the homerooms and popular opinion seemed to favor soccer. However, nothing definite along this line has been arranged.

The problem of bus courtesy has been a topic of discussion on many a Wednesday morning agenda. When the situation grew worse, the Council deemed it necessary to appoint a committee to handle the crisis. The committee, under the chairmanship of Ron Jaskolski, plans to have a school-wide campaign to improve the conduct of Bosco men on the buses.

It is a well known fact that Don Bosco has the best Student Council in the state. Drop in on one of their meetings any Wednesday morning and the reason will be clear to you. They are there to get things done. And what's more—they DO get things done!

Sodalists Describe Year's Activities

The Senior Sodality has, during this semester, been concerned with positive action. They are running the Medicine for the Missions Campaign, the Wishing Well, which is found in the cafeteria and is used to supply money for the missions, and the promotion of personal advancement among all senior sodalists.

The Senior Sodality has discussed at its meetings Tips for Teens on proper dress and manners and has placed signs around the school in an attempt to push attendance at the Fatima Shrine.

Besides these activities, the senior sodality, along with the other sodality groups, has promoted going to Mass, especially on Friday, which is senior day. It has also encouraged the early completion of the Easter duty, i.e., receiving Holy Communion at least once between Ash Wednesday and Trinity Sunday.

At this time the most important project being worked upon by the Junior Sodalists is the placing of movie ratings in homerooms and other strategic points in the school. About once a week a list is cut out from the paper, which shows the movies playing in Milwaukee and the surrounding vicinity. Next, the ratings in the Catholic Herald Citizen are taken and, according to the class that is shown in the ratings, stars are put on the moives to denote their different classifications.

Besides this, membership cards in the "Fighting 69th" have been procured and given to each Junior Sodalist. This organization was formed for the upholding of the 6th and 9th Commandments among students.

Along with the previously mentioned activities, the Sodalists are planning a retreat for their members, and have offered their time and services to St. Vincent de Paul Society and to the Sisters of the Poor.

They are also co-operating with the Student Council in running the Bus Courtesy Campaign.

To the many things that the Sophomore Sodality has been doing all year, a few new ones have been added this semester. Of course, as usual, contributing to the missions, attendance at Mass and Communion, and saying the family rosary have been pushed very hard all year. However, among the new activities are the collecting of stamps and broken rosary pieces to be sent to the foreign missions and the reading of the Mass out loud, or Dialogue Mass. Above all is the stressing of personal sanctification among all the sophomore members.

(l-r) — J. O'Hara, Archbishop Cousins and D. Planey.

Planey and O'Hara Meet Archbishop

Two Bosco seniors had the rare privilege of a private interview with His Excellency William E. Cousins. Jim O'Hara and Dave Planey visited the Archbishop on Monday, March 16.

The occasion for the visit was the presentation of Bosco's annual contribution to the Archbishop's Catholic Charities and Seminary Fund. It has been a standing tradition in the Archdiocese for all schools in SUMA to make a yearly donation to this worthy cause.

O'Hara, who is SUMA's treasurer, and Planey, Prefect of Bosco's senior Sodality, discussed SUMA and the recent WCAC convention with the Archbishop and presented pictures of the convention to him for his approval.

Bosco Club Chalks Up Many Successes

A Holy Hour, a pamphlet rack, a vocation movie—these are but a few of the things done this year by the Bosco Club. The Bosco Club itself is a group of about twenty-five boys whose purpose is to pray for and encourage religious vocations.

So far, the Bosco Club has sponsored a Holy Hour for vocations; a file of informative literature on religious orders placed in the library with some of the pamphlets in a rack outside chapel a Communion Crusade chart and a movie on the life of Jesuit lay brothers.

Before the year is out, they expect to have two speakers from different religious orders come in and tell a little about what type of work they do. However, this is not definite yet.

Remember: the pamphlet rack is for everyone's use — use it! These pamphlets may be taken if you wish to do so. Additional pamphlets may be obtained from Ray Ciszewski, (209), who takes care of the file in the library.

WHAT'S YOUR OPINION?

What does the Legion of Decency Pledge mean to teen-agers and how can they use it to support good movies and oppose films of low moral tone?

Mari Beth Sartori—St. Mary's Academy

To many Catholic youth of today, the Legion of Decency pledge means no more than raising the right hand and repeating the words after the priest. There the obligation ends, so they think, and continue to see objectionable movies whenever they please.

Upholding th Legion of Decency pledge and encouraging others to uphold it is up to us—the teenagers—the adult Catholics of tomorrow. If teenagers would only realize the full significance of this pledge and do something about it, less of our population would be attending objectionable movies, and therefore not as many of this kind of movie would be shown.

Contacting local theater owners and asking them to show only those movies which the Legion rates as suitable entertainment is one way in which Catholic youth can help in the campaign. Another good method is to discuss the matter with our parish priest and work together with him in promoting the showing of decent movies at local theaters.

The best way in which teenagers can help in the battle against immoral motion pictures is by good example, to both Catholics and non-Catholics. Remember, you—the leaders of tomorrow—are shaping the moral standards of tomorrow.

Tom Dunjaski—Senior (112)

The majority of the movie-goers of the United States are teenagers. They could use the Legion of Decency Pledge to support good movies just by attending the good movies and supporting the theaters that show these movies. When the film industries in Hollywood find this out, they would put more good movies to the public and find out these were the money-makers.

Movies of low moral tone could be opposed by the opposite means. When a movie of this nature showing suggestive scenes, excessive brutality or plots that justify wrong-doing, the teen-agers would only have to boycott the theaters showing these movies.

The problem of low moral tone pictures being produced by Hollywood could easily be solved if all the teen-agers of America would go by the policy stated above. The producers would come to the conclusion that only good movies would bring money and more of them would be produced.

Sandy Iracki—St. Mary's Academy

Saturday night, date night U.S.A. and you're off to the movies. Milwaukee's many fine theaters offer you a wide range of entertainment from Jerry Lewis to James Mason.

The question is, what picture to see. And what should you use as an aid in making your decision? As a Catholic you have a powerful tool to assist you—the Legion of Decency.

You may say, "Why use the Legion of Decency? I know what movies are bad." This is really an inexcusable attitude to take. It it literally impossible to know the moral content of every current cinema production and the Legion of Decency offers an organized printed media from which to choose an entertaining, wholesome film.

If you are escorting a girl you have a double obligation to consult the Legion's ratings. Since you are her date, it is up to you to safe-guard her welfare. And what is more important than her spiritual welfare?

Thus, as a discerning Catholic teenager, you have an invaluable right and a corresponding duty to take out a few minutes to find out how that picture rates.

Students Wholeheartedly Approve of Science Class With New Twist

About 11:35 every day, approximately 35 freshmen walk into the fourth period science class of Bro. Phillip Hartlaub. The same scene occurs at the beginning of the sixth period. The fourth period class, known as Science Fundamentals, uses a book written by Bro. Fred Weisbruch, past principal of Bosco.

When the explanation of a point calls for an experiment, everyone joins in wholeheartedly. Take, for instance, the time the class was studying astronomy. It was during this past winter (which as everyone knows was quite a cold winter) that everyone decided on a field trip to an observatory. So, with the temperature around zero, the class set out for the observatory of the Milwaukee Astronomical Society.

The class also built their own scales and worked with the famous J-tube of Robert Boyle. Two of the students, along with Bro. Hartlaub, are working with radios. Thus far they have fixed two radios and a T.V. set.

The sixth period class is a general science class. They recently finished working on their projects. They had a choice of building a crystal set or an electric motor.

Two of the largest machines used by the class in their experiment were the Bell Jar and the Wimshurst Static Electric Machine.

In the future, both classes are planning work in the fields of radio and electronics along with projects that will be built by each student to explain a famous experiment.

Scientists: Left to right: M. Slawnik, D. Gauthier, Bro. Hartlaub, L. Decker.

Bosco Students Go Dramatic

Steve Draca from Transylvania! Is he really one of the more famous of the horror men on television these days? Did he change his name to get into the home of this typical American family and so be able to seize his victim without attracting too much attention? Was he really a vampire as some of the family firmly believed? Why did he bring along a long oak chest? These and other problems are presented and solved in the mystery-comedy-satire entitled "I was a Teen-Age Dracula" presented by Don Bosco Seniors in the Bosco Gymnasium on April 10, 11, and 12.

Robert Frontczak plays the part of the young foreigner believed to be something other than human. Other Bosco seniors in the cast are Dave Brittain, Thomas Ciskowski, Alvin Domke, Paul Herrmann, Carl Kutschera, Roland Mroz, and Robert Schmall.

The play would not be complete without the feminine element, and this is supplied by several young ladies from St. Mary's Academy. They are: Judy Andrejech, Judith De Lopst, Elinor Grabski, Sandra Iracki, Marianne Kleczka, Pat Morrissey, Pat Reul, and Kathy Walczak.

* * *

Also in the field of dramatics, on April 18, 19, 21, 22, and 23, Mercy High School will present Cornelia Otis Skinner's "Spring Fever" in the Mercy High Auditorium.

Portraying the leading role of Cornelia in the play, which will be performed by a double cast, are Barbara Shotola and Jerrilyn Stocki. Other Mercedians in the cast are Yvonne Arloszynski, Judy Nowak, Connie Rebernisek, Judy Shaw, Lynn Sonefield, Mary Jane Tarkowski, Pat Weber, Carol Wysocki, Sue Zagrodnik, Kathy Fleming, Joan Kwiatkowski, Barbara Lakumski, Lynn Muth, Juanita Renteria, Judy Weber, Joan Wilkowski, and Mary Jeanne Wittig.

Bosco contributes the majority of the male performers, namely: James Andryczak, Bill Bodden, Bob Burke, Pat Dunn, George Lee, Jim Matthews, John Mietus, Adrian Perz, and Phil Rink. Marquette contributes John Kulczycki and Phil Sipusic.

Student Brother Tells of New Life

Brother Eugene Kwasinski, S.M.
(Student of Bosco—'55 and '56)

When we six Boscoites left for the Marianist Novitiate in August of 1957, one big question was ever present to our minds: "What would we do there?" We knew that our life would be one of prayer, study and work, but what kind of work?

This problem was soon solved. Brother Gerald Pleva spent much of his work time helping with the remodeling of the gym.

Brother Carl Jund took charge of the "Marynook Laundry Service." He was ably assisted by Brother Edward Loch, who was, literally, our best "white collar" worker.

Brother John Walczak helped lay block for the tool shed being constructed in the orchard. He was assisted by Brother John Laudenback, who was also in charge of the boiler room from January to September.

Yours truly worked on the farm, and later was made a lumberjack cutting posts for a new fence.

These are some of the jobs with which a novice is occupied. A few others are: beekeeping (very sweet, but oh, how dangerous!), carpentry, auto mechanics and farm work of all kinds.

The life of a Brother of Mary is a full one, a life in which he gives his all in everything that he does, whether it be prayer, play, or work.

Stage Workers Are Unsung Heroes

The stage crew, under the direction of Bro. Charles Rahe, does more work than most of you probably realize. It handles all assemblies and is responsible for cleaning the stage every day. It sets up the altar for Mass and Benediction. Taking care of all extra activities such as the meetings of the affiliates and alumni association when they use the gym's facilities is also on their list.

Your dances are made possible with the help of the stage crew. They make the scenery and other effects on the stage and over the floor. They also keep the lights in the gym burning; for, as soon as one goes out, the boys are up there to put in another one.

Heading the group is the General Manager, Bob Kozlowski. The sound and scenery men are Bernard Krueger and John Marks respectively. The sacristan is Arne Koch, while Ralph Kienzle handles the art work, and Tom Prokop and Ray Kazmarek take care of the lighting.

Beacon Book Report

By Ray Ciszewski

Among the recently acquired books in our library are the following two: **"America's One-Man Air Corps"** by Mary Hoehling and **"Modern Crusaders"** by John Travers Moore and Rosemarian Staudacher.

The first concerns the life of Thaddeus Lowe and his development of air balloons during the Civil War.

His interest in flight began during his childhood as a cobbler's son. In fact, he became fascinated with flying to the extent that he became a carnival balloonist, taking people into the air for a small fee during the war. This fascination almost cost him his life when he landed in South Carolina and was almost hung as a spy.

Later, his balloons became very helpful in transporting munitions and troops for the North. He died at the age of 81.

"Modern Crusaders" is dedicated to those missionaries who, through their oustanding heroism, hard work and perseverance, can truly be termed crusaders of modern times. Several orders of the Church and several countries spread all over the world are represented in this collection of true missionary stories. Among the exciting adventures are Father Lesage's fight with a python snake in Africa and Father McGrath's tortures in a Chinese Communist prison.

Canada Teaching Differs From U.S.

Bro. Roland Mayer, S.M.
(1957-58)

Bro. Roland Mayer, S.M. taught at Don Bosco last year and was transfered to Canada during the summer. In this letter, written to one of our staff members, he tells of his new life in Canada.

I arrived up here last August, early enough to get in some fishing at the Brother's Camp at Falcon Lake, about 90 miles east of St. Boniface. I didn't have too much luck, but I had gotten accustomed to such experience on my fishing trips with Bro. Urban Naal.

September brought with it a "bag of new experiences." I was slated as teacher of English literature and composition for grades eleven and twelve, math instructor in grade ten, librarian, school paper moderator, and Sodality moderator in grade ten. You must remember that Provencher Collegiate has only about 150 students in the senior high school (950 counting grade and high school); consequently, the above activities of mine are not as overwhelming as they may sound. Correction of essays in grade eleven and twelve English courses consumes much of my time.

Four things an American teacher has to get used to up here are the different grading system, the extra month of school, the bilingualism, and the cold. 50 per cent is passing in the Canadian system of education. This fact accounts for such a low "high average" on the school honor roll—88 per cent. The final examinations (issued by the government) are held at the end of June on this side of the border. Here in St. Boniface French as well as English is spoken. Though the advantages of knowing two languages are evident, sometimes difficulties arise in meetings attended by persons who know only one of the two languages.

As for the cold—well, here are the

NMSC Gives Many Chance for College

The National Merit Scholarship Program is a nationwide search for those students most deserving of and most likely to benefit from a college education. The winners are chosen according to aptitude for college work.

Since the NMSC was founded in 1955, about twelve million dollars worth of scholarships have been awarded. Over five million dollars worth are expected to be given away this year.

The tests used in this program are designed to determine intellectual skills and ability to use what is learned, rather than a mere knowledge of facts.

These tests are valuable, not only for the scholarships being awarded, but also as an aid in planning senior high school and college courses on the basis of special aptitude. This aptitude is determined by the test score.

It has not been decided whether all or just the top juniors will take the tests this year.

21 St. Catherine—Baren Park

Golf Team Hopes For Good Season

The Don Bosco golf team for '59 is shaping up for a rich season of competition. Mr. Peters who has coached the team for a number of years has great expectations of his boys this year. Dan Bujanovich, who was elected captain, along with Dave Planey and Brian Nedwek, are old pros who will hold up the fort until the talented newcomers are developed.

The practicing has been done on the third floor but will shift outdoors soon. The schedule is not yet definite, but Mr. Schrempf announces that it will be completed shortly. The golf team will play host to the State Tournament. Their first game will be against St. Kate's on April 21 at Meadow Brook in Racine.

Former Faculty Member

Do You Remember?

Bro. Paul Metzger, former teacher and speech coach at Bosco, transferred to St. Louis in 1957.

(Continued from page 6)

"cold facts." This year some sort of record was set when we had 95 consecutive days of sub-zero weather. In fact: as I write this letter to you on the first day of spring the thermometer reads 3 below zero. Of course, we did have some warm days at the end of February and the beginning of March: the mercury climbed up to 35 in the afternoons.

The last three American Brothers to come up here all spent their last year teaching at Don Bosco. Bro. John Rohe, S.M. taught at D.B. from 1953 to 1957; Bro. Edward Jach, S.M., a former Boscoite, spent the first semester of 1957-58 at D.B.; and I labored in the "Bosco field" during the 1957-58 year.

Inter-school sports aren't the trend yet here in St. Boniface. The sports diet for our students includes intramural football (touch) in the fall; bowling, hockey, and curling in the winter; and softeball in the late spring. This year, for the first time, we have something to occupy the students during the early spring: basketball. Our new Notre Dame Gym is a wonderful asset to St. Boniface. With practice, practice, practice, and more practice, our boys will gradually develop into basketball players. (95 per cent of the students have never played basketball before.)

The Family That Prays Together— Stays Together

Where Will You Spend Summer?

This year, new rules regarding summer school have been adopted.

They are as follows:

1. If a student fails the first semester, but manages to get a grade high enough to raise his yearly average above 70, summer school is not necessary.

2. If a student fails the first semester, and passes the second, but still has a failing average, he must make up ½ credit during the summer.

3. If a student passes the first, but fails the second, no matter how high his average is, he must make up one-half credit in summer school.

4. A student failing straight through, must make up one full credit. This year, however, only two half credits may be made up, as compared to two full credits in the past.

5. A student who is short 2½ credits must repeat the year, and cannot be assured a spot at Bosco the following year.

These rules make it possible for all deserving loafers to spend their summer in summer school, while they could be doing many other things.

St. Kate, St. John Merit Our Praise

By Jim Sass

The Beacon would like to congratulate State Catholic Champion, St. Catherine of Racine, and St. John's Cathedral of Milwaukee, who took third place in the championship tournament held at Green Bay's Arena. St. Catherine, the 1958-59 Catholic Conference Champion, was a well-balanced team and was highly regarded by all the teams it played. The Angels got into the tournament by tripping Notre Dame, and then turning back St. Bonaventure in the Don Bosco Regionals. After winning the state championship, St. Kate's accepted a bid to play in a tournament, at Georgetown College, against teams from different states.

Cathedral who surprised everyone by defeating Marquette at the Pius Regionals, also did very well at the tournament, winning the consolation game. We would also like to congratulate Chuck Wood and Jim Poulsen of St. Catherine and Ron Benz of Cathedral who were picked to the Journal and Sentinel All-Conference teams.

Senior Graduation Edition

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Thursday, May 14, 1959 Vol. XIII—No. 7

Brezonik and Baillod Lead '59 Graduates

Heading the June 3rd graduating class scholastically are Patrick Brezonik, valedictorian, and Charles Balliod, salutatorian. Through his four years, Pat has maintained an average of 94.7% while "Bob's" average is 93.9%.

Besides maintaining their fine scholastic averages, both Pat and Bob have been in various activities and have held part-time jobs outside of school.

After graduation, both plan to work this summer and enter college in fall. Bob is planning on entering the College of Engineering at Marquette to study civil engineering, while Pat is entering the College of Liberal Arts at either St. Mary's or Marquette. Pat is undecided on his college major, but he has indicated an interest in a science major.

The reward for the four years of continual effort and achievement is the chance for either of two scholarships. One scholarship is offered by St. Mary's University in San Antonio, Texas. The school, run by the Brothers of Mary, annually gives a four year tuition scholarship valued at slightly under $2000 to one of the top graduates from Don Bosco. First choice is given to the valedictorian; if he rejects it, it is offered to the others in the top 10, in order of rank. The second scholarship is a $300 tuition scholarship to Marquette University. This, too, is offered to any of the top ten in order of rank.

The **Beacon** editors and staff members would like to extend a warm congratulations to both of these fine examples of teen-age achievement through hard work.

Honor Seniors: L-R, Kneeling— K. Bukowski, G. Saranowski. Seated: H. Mueller, J. Andryczak, P. Brezonik, R. Schuster, C. Baillod. Standing; T. Broskowski, R. Walter, G. Howard, D. Richter, D. Brittain, J. O'Hara, J. Kaminski, R. Frontczak.

Ability Plus Effort Equal Success

Every year due respect is paid to the top man in Athletics, Band, Choral, and Speech, therefore we feel that it is fitting to give mention to the graduates leading their class scholastically.

Graduating in the top 10 per cent of the class of '59 are: Pat Brezonik, Bob Baillod, Joe Radtke, Jim O'Hara, Tony Broskowski, Jim Andryczak, Dave Brittain, Jerome Saranowski, Ken Bukowski, Bob Walter, Bob Frontczak, Jim Kaminski, Herb Mueller, Gary Howard, Dennis Richter, and Ralph Schuster. These men are the top 16 out of a class of 149. Besides being outstanding scholastically, they have also contributed to the betterment of their school through participation in various school activities. Many of these men have also relinquished their study period in order to further their knowledge with a sixth course. They are, without exception, planning to enter college, and with the record they have compiled during their high school career they can, with a little effort, achieve success in college and their future life.

King and Queen

Out Of . . .

Grand March

My Dreams

Biggest Day Only a Memory

On Friday, May 1, the Student Council sponsored the twelfth annual Junior-Senior Spring Prom at Brooks Memorial Union. Approximately 150 couples danced to the music of the Obert Anthony orchestra.

Dancing began at 8:00 p.m. At 9.00, the Master of Ceremonies, Gary Howard, introduced the members of the court. Comprising the junior court were George Lee and Mary Willett; Philip Rink and Judy Mayzik; Bill Barczak and Charlotte Janicek; and Gary Magolan and Diane Meidel. Members of the senior court were Mike O'Donnell and Edwardine Poblocki; Roger Majchrzak and Mary Winkowski; Ron Jaskolski and Jean Larek; and Ken Bukowski and Carol Heinrich. The ceremonies got under way when Ken Bukowski crowned the 1959 prom king, John Horlivy. John, in turn crowned his Queen, Darlene Schaller. After leading the grand march, the royal couple began the dance, "Out of My Dreams," the prom theme.

Senior Court

Junior Court

S. C. Election

W. Barczak
President

J. Bova
Vice President

J. Mei
Secretary

G. Walloch
Treasurer

The 1959-60 Don Bosco Student Council will be run by the following four men as a result of the student elections held yesterday: President William Barczak, who compiled the low total of 2,027 points; Vice-President Joseph Bova who netted 2,113 points; Secretary Joseph Mei, with a total of 2,219 points; and Treasurer Gerald Walloch,, who acquired 2,511 points.

Runners-up in the balloting were George Lee, Adrian Perz, Gerald Semmler, and Phillip Rink.

The extreme closeness of the voting is shown by the fact that only 484 points separate the four officers.

President Bill Barczak carried 7 out of 17 voting homerooms.

If the spirit with which these men carried on their campaigning is any indication, Bosco should have next year one of the best, if not *the* best, Student Councils in its history.

Achievements of Boscoites Posted In Court of Honor

With inspiration as its aim, the Brothers have erected a Court of Honor consisting of three plaques in front of the Library. The plaques honor: 1) Winners of the Madonna award; 2) Those who have left Don Bosco to enter the service of Our Lady; 3) Those who have passed on to their eternal reward while students at Bosco.

The Madonna award, for which a person has to possess integrity, maturity, family spirit, leadership and generosity, was won last year by Richard Labinski.

Walter Chowanec and Jerome Matz were the only ones who left for Marynook last year. There were no postulants.

Unfortunately we lost Jack Barczak and Doug Huber through death.

Through these plaques we hope to have these men of Bosco remembered by future students of Bosco.

SENIOR MOCK ELECTION

MOST POPULAR BOY	JOHN HORLIVY
MOST VERSATILE BOY	MIKE O'DONNELL
MAN ABOUT TOWN	JIM O'HARA
SHYEST BOY	JOE RADTKE
HANDSOMEST BOY	DICK RICHARD
CUTEST BOY	DENNIS BUDZINSKI

CAMERA SHY	DUANE LEDUC
FIGHTING IRISH	JOHN SERGIO
BOY "KNIGHT"	BOB KOZLOWSKI
"MR. EXPRESSO"	MIKE TATALOVICH
"ORDINARY GUY"	DICK KILLIAN

Home & School Has Annual Elections

The Home and School Association at Don Bosco began functioning in 1948, three years after the school had been founded. From a small organization it developed into a mighty force of several hundred interested and devoted members.

Meetings are held monthly. Preceding the meetings, parents are welcome to visit the teachers of their sons in their classrooms. Following this classroom visitation, the members proceed to the gym for the business of the monthly meeting. A social hour in the cafeteria brings the meeting to a close.

At Don Bosco, the President of the Association is always a male, as is also the Treasurer. The highest office that a woman can attain is that of Vice-President. The Recording and Corresponding Secretaries are also women. The chairmanship of the various committees is about equally divided among the sexes.

The following gentlemen served as President: Mr. N. Perrin, two terms; Mr. J. Meller; Mr. J. Muth, two terms; Mr. W. Czarnecki, two terms; Mr. P. Filipiak; Mr. E. Bartels; Mr. E. Grobschmidt, and the present incumbent, Mr. R. Mietus.

These women distinguished themselves as Vice-Presidents: Mrs. A. Kulas; Mrs. F. Makowski; Mrs. F. Esser, two terms; Mrs. H. Walesa, two terms; Mrs. A. Leszczynski; Mrs. J. O'Donnell, two terms; Mrs. J. Beres, two terms. Brother Fred Schilling has served as the moderator of the organization for the past eight years.

The reason for the outstanding success of our Home and School Association is the high caliber of the men and women directing the organization. These men and women gave and continue to give very generously of their time and worked so devotedly and efficiently that the Archdiocesan Home and School Association awarded them its highest commendation in the past several years. May the Home and School Association continue its superb relations with the Faculty and the school!

Home and School Officers, 1958-1959—Seated, L-R: Mr. R. Mietus, President; Mrs. J. Beres, Vice-President; Mr. J. Ciskowski, Treasurer; Mrs. P. Meisenheimer, Recording Secretary; Mrs. C Wesley, Corresponding Secretary. Standing (Committee Members): L-R: Mr. A. Gaura, Mr. M. Waier, Mrs. G. Wood, Mr. C. Pankonen, Mrs. R. Flayter, Bro. Dan Sharpe, S.M., Mrs. F. Schuster, Mr. J, Budny, Bro. Fred Schilling S.M. Not present: Mrs. L. Fons, Mrs. C. Majcharzak, Mrs. W, Dyksinski, Mrs. J. Barry, Mrs. T. Doyle.

Thanks to Seniors:

Jim Kaminski
Dave Killian
Fred Terwelp
Pat Brezonik
Mike Tatalovich

For the Senior Section

Band Has Big Year

As the school year draws to a close, the Don Bosco band can truly look back with pride on its achievements for the year. Here is just a part of the hectic schedule they have had to follow: playing at football and basketball games, participating in the Marquette U. Homecoming Parade, as well as taking part in the Winter Wonderland parade and the annual Christmas parade. In addition to this, Band members participated in 42 events of the W.S.M.A. District 13 competition capturing 5 firsts, 14 seconds, 19 thirds and 4 fourth.

On May 16, the band will take part in another District competition, and on the 16 and 17 will accompany the Glee Club in the annual Spring concert.

Mr. Kanaskie's fine group should certainly be congratulated on the great job it does representing Bosco.

Don Bosco Band—L-R: Inner circle: D. Budzynski, J. Rick, W. Graf, K. Krzyzaniak, J. O'Hara. Second circle: P. Florek, G. Jach, T. Kramer, R. Opichka, C. Hudlett, A. Bulowicz, G. Muehlenberg, P. Speakers Complete Forensic Year; Capture Third Place Honors

In competition against 15 other Catholic high schools from the Milwaukee-Chicago area, Bosco's speech team, under the guidance and coaching of Bro. Joseph Towers, captured third place in the final standings of the Midwest Catholic Speech League.

Going into the third and final meet of the season, which was held Saturday, April 18, at Marquette University, Bosco's speakers were in third place, behind Marquette and Alvernia, a position they retained despite finishing fifth that day.

Two Bosco men reached the final round of the Marquette competition: senior James Kaminski in the field of serious declamation, and junior Richard Hoerl in humorous interpretation.

Only two schools finished ahead of Bosco for the season. They were Alvernia, which took first place, and Marquette, which took second.

This year, for the first time at Bosco, members of the speech team will receive awards in recognition of their achievement in competitive speaking. The awards will consist of gold keys, and will be comparable to the letters awarded in the various sports.

Will Your Summer Help or Hinder?

By Fr. Rohrbach

Vacation time is almost here! Oh, what a grand and glorious time! No more pencils, no more books; no more teachers' dirty looks! It's a wonderful time! Hours and hours of leisure time for fishing, swimming, golf, tennis, camping, travelling. We can stay in bed in the morning in blissful sleep.

Vacation is a necessary thing. Our minds and bodies can take only so much work and then they must relax and renew their energies before taking up the work again.

A Power for Good . . . Or Evil!

But vacation is also dangerous. There is a lot of leisure—time on our hands. Time is a precious treasure. It can be used to achieve great good—including Heaven. It can be used to bring about great evil—even bring us to Hell.

The devil sure does realize the value of time—especially in achieving his end—to get as many souls as possible to Hell. "An idle mind is the devil's workshop." Haven't you noticed in the past that when your mind isn't busy with something useful and good, the devil steps right in and furnishes you with plently of material—attractive but sinful.

Get Going . . . Right Now!

For a successful and happy summer, we have to plan—prepare a program of spiritual work. The more frequently we receive Holy Communion and go to Confession, the better our chances. Of course, Morning and Night Prayers are a must. The Rosary must have its place in our daily life.

Start now, during the month of Mary, preparing for the summer. Get the habit of loving and honoring Our Blessed Mother and putting yourself under her protection and you can rely on her help every moment of the summer. Under her mantle you will be safe from the assaults of the devil and will spend a happy and profitable summer.

Spring Concert To Be Held May 16, 17

This year's spring concert will take place on May 16, and 17, at 8 p.m. in the gym. Included in the festivities will be both Glee Clubs, under the direction of Bro. Richard Martens, and the entire band led by Mr. Kanaskie.

The Glee Club is planning a Western setting which will include several numbers made famous by Gene Autry while the band will feature several types of music: overtures, marches, novelties, and Latin American music.

According to Mr. Kanaskie, the Concert will provide an hour and a half of enjoyment since it has something to please everyone's musical tastes.

Baseball Team Starts Slowly Drops First Three; Wins Next Two

Shaky Start

The Dons started out the 1959 season on the wrong foot. They lost their opener to Marquette 12-2. The men from Marquette started off the game with six runs in the first inning, on a grand-slam home run. DB senior Joe Fons did the hurling for the Knights. The Dons are harvesting a group of youthful players this year, with a great number of freshmen, sophomore, and junior players of the team, and only a small number of seniors. Although the team is young, it has spirit and potential and should do better as the season progresses.

Messmer Stops Dons

The Green and Gold took it on the chin again this time at the hands of Messmer by a score of 5 to 2. Don pitchers, Mike O'Donnell and Jim Peters, did a fine job, but a lack of consistent hitting held the Dons down. Herb Mueller, Jim Rogahn, Tom Kaluzinski, and Jim Grafenaeur led the Dons in hitting with three apiece. The Green and Gold rallied for 2 runs in the seventh inning, but it wasn't enough.

Cathedral Pulls Ahead

The Dons lost their third straight game, this time to St. John's Cathedral, 7-5. They started out on the wrong foot, trailing 3-0 at the end of the first inning, but came back with four runs in the second to go ahead 4-3. St. John's collected four more runs in the sixth inning to surge ahead 7-4. The Dons added one more in the seventh but fell short, losing 7-5. Mike O'Donnell and Dave Barry were the Dons' pitchers, while Jim Rogahn did the catching. Jim Mudlaff was the big man with the bat with three hits, and Tom Sager collected two.

Dons De-Feather Redwings, 10-6

Brilliant relief pitching by Mike O'Donnell led the Dons to a 13 hit victory over the Notre Dame Redwings. Final score: DB-10, ND-6.

7th Inning Rally Fells Pius, 4-2

After a 2-2 stalemate at the end of six innings, the Knights rallied to break the tie. With two men on and two out, Jim Rogahn singled to drive in the two winning runs. Dave Barry pitched the whole game.

Father and Son Night Deemed a Big Success

The Father and Son Night was held Wednesday, April 22 under the auspices of the Home and School Association. Chairman Mr. C. Pankonen, assisted by Mr. A. Gaura and Mr. M. Waier, plus a group of efficient fathers, did the job of planning the event and securing the entertainment. Co-ordinator of the event was Bro. Fred Schilling, moderator of the Home and School Association.

A program, held in the gym, consisted of "1958 Pro Football Highlights" and also excellent singing on the part of the Varsity and Frosh Glee Clubs directed by Bro. R. Martens. Wrestling techniques and a wrestling match were presented under the supervision of Mr. P. Shrempf. Table tennis, darts, and volleyball followed the gym program.

Novice Reports On New-Found Life

I arrived early at Marynook on a warm Sunday afternoon. As we drove in from the highway we could see three buildings nestled under a stand of white pine. The nearest building was St. Ann's Hall. It now houses a newly refinished gym, a carpentershop and bedrooms.

About twenty-five feet away stands the main building built of yellow limestone block that has mellowed for a century in the sun. It contains the chapel, offices and study rooms.

The building on the third side of the square contains the dining room and bedrooms.

As I got out of the car, Fr. Neumann walked up in his easy gait. With him he brought the peace, graciousness and joy which I found to be the essence of Marynook.

After introducing himself, he went on to show us the neat lawns, the gardens of Fr. Dockter, the newly begun building which we would finish, the greenhouse and the farm.

He pointed out to us the statue of our Lady under a spreading beech tree and a statue of St. Joseph the Worker backed by a wall of Blue Spruce. Before his statue stands the game fields where we played our best.

—Bro. Edward J. Loch, S.M.
Don Bosco '57

1959 Varsity Baseball Team—L-R: Front Row: J. Judziewicz, M. O'Donnell, J. Mudlaff, T. Kaluzynski, D. Barry, J. Zolecki, L. New. Kneeling: J. Rogahn, T. Sager, W. Barczak, K. Bellant, H. Mueller, J. Rabinek, J. Peters, J. Matthews. Back Row: Coach E. Callahan, Manager J. Sokop, P. Krajewski, T. Grafenauer, J. Fons, J. Hosler, Manager N. Domagalski, Bro. Robert Skloss, S.M., coach.

1959 Bosco Golf Team—L-R: D. O'Brien, G. Stanislawski, G. Bethke, P. Dunn, J. Gehlar, D. Planey, B. Nedwek. With club, Dan Bujanovich, Capt. Missing: R. Walter, J. Sparacio, H. Hibner, J. Sranske.

Playboys Capture Bowling Title

The Playboys of homeroom 111 took the first place trophy in Don Bosco's bowling league held at Mitchell Recreation.

The Royal Dons captured second, while 203's Pin-Ups took third. The championship team was composed of P. Kowalski, D. Brittain, D. Gralewicz, D. Fennig, and captain T. Neary. All will receive individuals trophies as well as a team trophy.

Charles Pankonen had the high game of 244, T. Neary 243, and J. Kaminski 223 followed. Neary turned the tables and led Pankonen in the high series dept. 663-593.

The Alley Kings led in both the high single game and team series with 947 and 2651 respectively. The Playboys were second in each category with 839 and 2436 in each.

Trophies and arrangements for the league were gotten through the Student Council, under the care of Ron Jaskolski.

Golf Team Swings Into Competition

The Golf Team, coached by Mr. Peters and captained by Dan Bujanovich, got off to a rocky start this year, dropping its first two matches, one to St. Catherine and the other to Pius.

The old pros on the team, Junior Captain D. Bujanovich, Seniors: D. Planey, B. Nedwick and H. Hibner, comprise the first team, or A-team. The second team, or B-team, consists of Senior R. Walter, Juniors: G. Bethke and P. Dunn, and Sophomore G. Stanislawski. Bringing up the rear are the all-important reserves: Senior J. Gelhar, Juniors, J. Sranske and J. Sparacio, and Sophomore D. O'Brien.

This order may vary from week to week, depending on individual averages.

Though this year may be a difficult one, ours is a young team and the future looks promising.

City Provides Free Protection

Any child between the ages of 6 months and 7 years may be immunized against smallpox, diptheria, lockjaw, and whooping cough; any person over 6 months of age may receive polio vaccinations. How? The Milwaukee Health Department's Immunization Trailer is being sent to your neighborhood, to enable you and your family to obtain these benefits.

What Will It Cost?

A fee of $1.00 is being charged for each Polio injection for those who can pay, but there is no cost for the general immunization shots. Shots will be given Monday through Friday, May 4 to July 24, from 10:00-12:00 noon, and 1:30-4:00 p.m.

When you get these injections, make sure you have each series completed; a single injection does not insure protection against polio, whooping cough, lockjaw, or diptheria. For further information visit the trailer in your neighborhood; **see page 8 for trailer locations.**

All-Activities Banquet To Replace Sports Dinner

On May 24, the Don Bosco All Activities Banquet will be held in the gym. Its purpose is to honor the students for their achievements in the various activities at Bosco.

The evening, which will commence at 6 p.m., will consist of a dinner, several booths displaying the work of the honored activities, and a nationally-known speaker and writer, Reverend Virgil Blum, S.J.

Admission will be $2.00.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, October 7, 1959 Volume XIV—Number 1

Teachers: L-R: Bro. Theodore Noll, Mr. Clem Massey, Bro. Paul Donoghue, Bro. Ralph Krull, Fr. John Leies, Bro. James Donovan.

Six New Teachers Join Bosco Staff

A new chaplain, four new Brothers, and a lay teacher have come to take over new teaching posts at Don Bosco. The new members of the 1959-1960 faculty are Fr. John Leies, Bros. Theodore Noll, Paul Donoghue, Ralph Krull, and James Donovan and Mr. Clement Massey.

Fr. John Leies was stationed at Central Catholic High in San Antonio, Texas, last year. Besides the chaplain's duties, he teaches English and Latin. Fr. John is no new face to Bosco for he taught here as a Brother from 1947 to 1952. He succeeds Fr. Warner Rohrbach who was transferred to Assumption High, East St. Louis, Ill.

Bro. Theodore Noll, formerly of Catholic High School, Belleville, Ill., is now injecting his knowledge of general science and algebra into the Dons. From St. Mary's University, San Antonio, Texas comes an English and Latin teacher, Bro. Paul Donoghue. Bro. Ralph Krull, who spreads his knowledge of typing and English, also peps up the C- football squad. He comes from Chaminade College, Clayton, Mo. Returning after a year's absence is Bro. James Donovan, a physics and science fundamentals scholar. His past year was spent in the Marianist Institute of Studies in Glencoe, Mo. This year, a lay teacher, Mr. Clement Massey was added to the faculty. Besides being the assistant varsity coach, Mr. Massey keeps his English, History and Consumer Economics students hustling.

Four other members of the 1958-1959 faculty have assumed new teaching positions at different schools. Among the transferred, and their new post are Bro. Urban Naal, Chaminade College, Clayton, Mo.; Bro. Philip Hartlaub, Assumption High, East St. Louis, Ill.; Bro. Anthony Eberhardt, St. Mary's High in St. Louis and Bro. Joseph Haefner, St. Michael's High, Chicago.

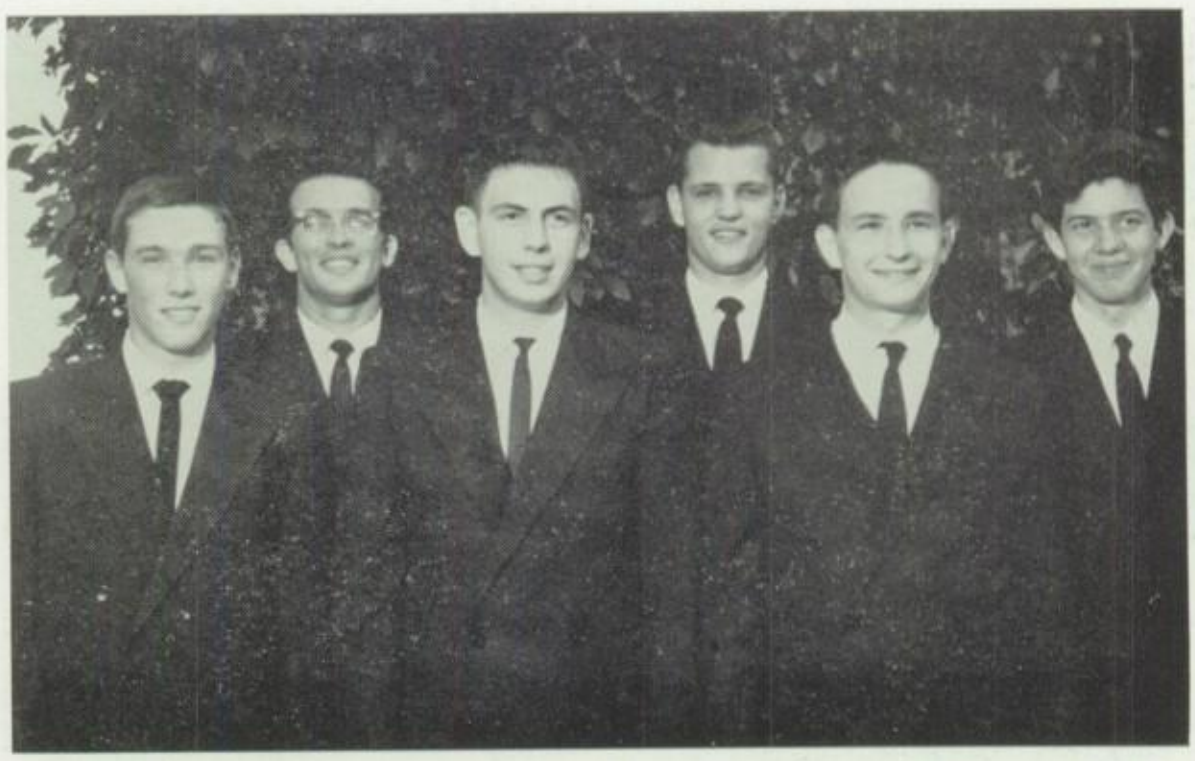
—Ray Ciszewski

Six Alumni Leave For Novitiate; Three To Seminary

Six graduates from the '59 class entered religious life this year. Jim O'Hara, past president of the student council and sodality prefect; Mike O'Donnell, basketball letterman and studenct council oficer; John Horlivy, Madonna Award winner, Prom King and president of the student council; and Dick Richard, varsity football end, are now at Marynook Novitiate in Galesville, Wisconsin.

Ralph Schuster, who was president of the Glee Club last year, entered St. Lawrence Seminary at Mount Calvary, Wisconsin, and Dennis Budzynski, varsity basketball player, enrolled at St. Francis Seminary in Milwaukee. A third seminarian is Dave Kilian, from the class of '58, who entered the Paulist Seminary.

Two other Don Bosco alumni are at the Brothers' novitiate in Galesville. Ron Fieber, who last year acted as an assistant football coach at Don Bosco, was the first Madonna Award winner at Don Bosco. He graduated from Marquette University last May. Mike Wolf, who attended Don Bosco in 1955, completed his high school studies at Maryhurst Preparatory in Kirkwood, Mo.



L-R: Bros. James O'Hara, Ronald Fieber, John Horlivy, Richard Richard, Michael O'Donnell, Michael Wolf.

Chaplain's Column

"Why go to school?" Students will give many different answers to this question. Some will say that they go to school because they have to. Others will say that they go because they want to prepare themselves for college or for a job. One boy I knew said that he went to school because all his friends were there; he found it lonesome during the school year to be elsewhere.

All these answers, however, miss the mark as far as a Catholic is concerned. Upon reflection, every Bosco student, I'm certain, would agree that the first and most basic reason for going to school is in order to become a better Christian. For this, studies are important, studies done for love of God. For studies done with no thought of God are wasted efforts as far as eternity is concerned.

Yet a full Christian development demands more than just book knowledge, even when this is offered to Almighty God. Most students sense this, at least in a vague way, and would like to know what to do about it. The Sodality exists here at Don Bosco to answer that need.

Perhaps some students hestitate to join the Sodality because they fear obligations: frequent Mass and Communion, daily rosary, extra prayers, active work in religious projects, etc. Yet these same students think nothing of the extra work involved in participation in other activities. Progress in the spiritual life demands effort just as does progress in any worthwhile activity. (And what is more worthwhile than getting closer to God?)

The faculty members of Don Bosco believe that the Sodality is important. Thirteen of them are devoting extra time to serve as guides for Sodality members. These men are on hand to show a Don the shortest and surest way to closeness to God—through consecration to His Mother.

This would be a good time for those who are not yet members of the Sodality to reflect a bit on the invitation given to be generous with Almighty God by enrolling in the rank of Mary's special militia. Remember that God is never outdone in generosity.

—Fr. Leies

Paul Barbian Wins Photo Award; Larry Orlikowski Merits JA Honor

This summer, Don Bosco was honored by Lawrence Orlikowski of the Junior Achievers. Larry was named Production Manager of the Year at the Universi- of Indiana in Bloomington, Indiana. He and seven others were chosen from the United States and Canada.

Larry Orlikowski

Larry was selected as one of eight delegates out of the thirteen hundred Junior Achievers in the Milwaukee area. His itinerary expenses were paid by the JA group. During the week's stay, he was occupied with written tests and personal interviews. At the end of the week, he was named by the judges as Production Manager of the Year.

—Marvin Huber

Who ever would think a dead tree interesting? Junior, Paul Barbian did, and evidently so did the judges in the 1959 Kodak High School Photo Contest. Paul, a "shutter-bug" for a long time, photographed a certain tree on a snowy March evening, using only one flash bulb, aside from the street lights for lighting. He entitled his subject "Snowy Silhouette" and entered the contest. About three months later Paul was notified that he was a winner and would receive $25 for his prize. Congratulations to Paul on the profitable results of his hobby!

Paul Barbian

—George Sielen

Bruce Chandler Visits Mexico In Spanish Exchange Program

Bruce Chandler, a Bosco student, went to Mexico City as a foreign exchange student last summer.

The purpose of his trip was to learn the Spanish language better, and to see what life in Mexico is like. It was part of the foreign student exchange program, by which a student from the United States goes down to Mexico, or any foreign country, and lives with a family during his summer vacation. In exchange, a student from the family that he stays with, comes up here during his vacation. Bruce stayed with the Topete family, and Mario Topete will be coming to Bosco during December and January.

The school system down there is quite different. The average school day starts at 8:30 a.m. and ends at 5:30 p.m. There are seven periods in each school day with a three hour recess. Each student has thirteen courses; however, not all courses have classes every day. For instance, the English classes are held three times a week.

Bruce Chandler

The people were quite friendly to him, but there seems to be a resentment toward some of the tourists. The Topete family didn't consider Bruce a tourist, however.

One day, he went on a six hour trip to Acapulco. After forty minutes of traveling, the car stopped. Mario, Bruce and the chauffeur worked on it for almost six hours, but couldn't get it fixed, so that canceled the trip to Acapulco.

On another day, his chemistry class was experimenting with sulphur, and needless to say, everybody was coughing. One of the other students asked him, "How do you cough in English?" What would you say to him?

Now that he is back, Bruce thinks that the exchange program is very helpful in learning different customs. Bro. George Naeger, our Spanish instructor, agrees, and says, "that it has a small start, and a promising future.

—Tom Nadolski

Sympathy

The faculty and students of Don Bosco wish to express their sympathy to SS. Cyril and Methodius parish on the death of the Rt. Rev. Msgr. Leo. S. Kierstein; to St. Catherine's on the death of the Rev. Herman A. Spaeth; and to St. Joseph's Orphan Asylum on the death of the Rev. Anthony Wisniewski (chaplain).

Alumnus Of Bosco Dies In Jet Crash

On August 5, an F-89D Scorpion crashed into the hull of a moored ship in the Milwaukee Harbor claiming two lives including that of the plane's radar observer, a former Bosco graduate.

The grad was Lt. Robert E. Goham, class of '52. The cause of the crash was attributed to an instrument malfunction.

Authorities believe that the crash may have been a heroic gesture to prevent the plane from striking petroleum tankers in the vicinity or the densely populated Bay View area of Milwaukee.

While at Bosco, Bob was a member of the wrestling team and the stage crew.

The students and faculty of Don Bosco would like to extend deepest sympathies to Bob's parents and family.

—Carl Sibilski

Lt. Robert Goham

Seniors: Important Notice

(1) Do you plan to enter Marquette University in September?

All students who apply for admission to Marquette U. **must** take the **College Board** (CEEB) Scholastic Aptitude Test together with the Achievement Tests. You are urged to take the Scholastic Aptitude Test ($6 fee) on December 5 or January 9, the Achievement Tests ($9 fee) on March 12. The College Board test dates this year are: December 5, January 9, February 6, March 12, May 21, and August 10.

(2) Are there entrance tests for those that apply for admission to St. Norbert's, U. of Wisconsin-Milwaukee, Milwaukee School of Engineering, and/or Milwaukee Institute of Technology?

This year the above named schools **highly recommend** that all who **may apply** for admission, register for and take the **American College Tests** on Saturday, November 7, especially if your scholastic average is below 85. You must register **before** October 15, 1959. The registration fee is $3.

(3) When is the deadline date for the Navy college aptitude test?

If you are interested in the Navy Officers College Training Program (NROTC), your application must be mailed **before** November 14, 1959; the test date is December 12. **(Senior Note:** Information booklets and applications for the three above-mentioned tests are available in the School Office from the Assistant-Principal, Brother Leo Willett.)

Student Council Officers and Reps. Seated (l-r): P. Flaige (102); G. Walloch, Treas. J. Bova, V. Pres.; W. Barczak, Pres.; J. Mei, Sec.; J. Starck (10). Standing: R. Raremacher (102); C. Bartels (207); G. Lee (109) D. Mei (200); T. Kloza (201); R. Barczak (212); M. Lucci (213); J. Hellmich (113); L. New (211); D. Hoerl (111); J. Zanotto (203) J. Matthews (112); J. Zolecki (209). Absent: B. Semmler (215).

Student Council Starts Work; Plans A Host Of Activities

The Student Council has already begun its full schedule of activities for the current year.

Activities began on Sept. 9th with Freshman Orientation, followed by the Sock Hop after the Beloit game and the Kick Off Dance Sept. 23rd. Yes, all this and in only two weeks of school! That's enough to make anyone proud of his Student Council.

In the coming year there will never be a dull moment as the Council has things planned for every month from September through May, to interest everyone from Freshman to Senior. Here are some of the things they have planned along with their tentative dates:

October: 9—Freshman Mixer; 18—the Homecoming with a dance, parade, and the homeroom floats; 30—the Halloween dance.

November: 13—the Military Ball.

December: 27—the Holiday Hop.

January: 24—the Midway Melodies.

February: 11—Career Day.

April: 22—the Spring Swing.

May: 6—the Prom; 29—Senior Farewell.

Let's show the Student Council our appreciation by good attendance at the activities and by giving them our full cooperation.

—Carl Sibilski

For Freshmen Only

I'd like to tell you the story of Herbie Ordler. Herbie is a freshman here at Bosco. He was first brought to our attention on Freshman Orientation Day when it was discovered that he had slept during all the Seniors' speeches. This was shrugged off as a mere human weakness. But later, when the report reached us that he was the only one who failed to purchase a ticket for the Marquette game, we decided to investigate.

The Freshman Psychiatrist told us the lad was suffering from an all too common disease, "activphobia," the medical term for "fear of extra-curriculars." When asked about this, Herbie said, "I put in my six hours and do my homework; that's all I intend to do. Those extra activities are for the birds!"

Unfortunately, too many others share Herbie's disease. A student's education isn't completed within the four walls of the classroom. The true Don does his best to participate in or support school activities. The doctor's prescription for Herbie is three-fold: lots of fresh air (get out to those football games), more exercise (join a school activity) and a large dose of school spirit daily.

L-R: Bros. Jerome Matz and Walter Chowanec.

Two Profess First Vows; Teachers Make Final Vows

"For the glory of the most holy Trinity and the honor of Mary" were the words by which two former Dons consecrated their lives to Mary last September 5. Brothers Walter Chowanec and Jerome Matz, grads of '58, professed their first vows in the Society of Mary on that day.

Having completed their year of novitiate at Galesville, Wisconsin, the two new Brothers traveled to St. Louis, where they will take up their college studies. The Beacon staff wishes them success in their work.

During the summer, two Don Bosco teachers professed their final religious vows. Bro. Robert Osborne has been teaching at Don Bosco for four years. Bro. Robert Hanss came to Don Bosco in September, 1958, from San Antonio, Texas. Congratulations!

—Tom O'Connell

L-R: Bros. Robert Osborne and Robert Hanss.

Mass and Communion Daily

Dons Fulfill Mary's Requests

In the middle of every month in the school year we are reminded of attending the Fatima Shrine rosary. Some of us perhaps, do not understand the reason this is held.

It all started on October 13, 1917, in Fatima, a small French town, when the Blessed Virgin appeared to three peasant children. She told them that if her requests were fulfilled, Russia would be converted and universal peace would reign.

The students of Don Bosco fulfill one of her requests by attending the Rosary at the Fatima Shrine on the 15th of every month. The Shrine, founded 17 years ago to promote the Fatima Rosary, is located at 68th and Stevenson.

There were 170 students at the Shrine for the month of September. Sophomore room 200 won the "Spirit Banner" by having the most students present. Last year Don Bosco High School was awarded a trophy for having the largest attendance throughout the year. So, in the future, let's have everybody at the Shrine, first to show our love for our Blessed Mother, and second to keep Bosco on top.

—Joe Graebner

A Decade Ago . . .

While browsing through the Beacons of 1949, we found the following news stories:

September 24, 1949—Archbishop Kiley blessed the cornerstone of our gym and faculty residence.

* * *

Catholic high schools were granted the use of city stadiums for football games.

* * *

February 10, 1950—Don Bosco was honored with a visit from Baroness Catherine De Hueck Doherty, one of the most arduous and zealous Catholics in the Apostolate in the United States.

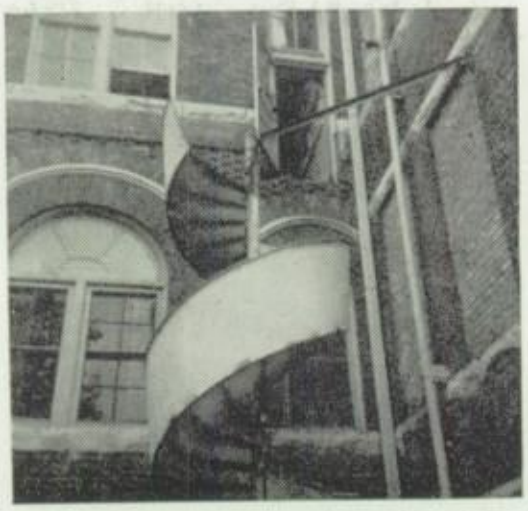
Neighborhood Playground Disappears

(A Beacon Picture Story)

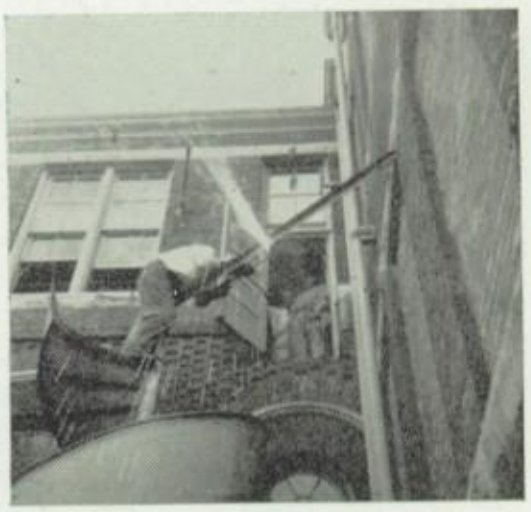
This past summer, in the month of July, the spiral fire escape on the northeast side of our school building was torn down. It was cut loose and removed, thanks to the help of Mr. Max Waier and Mr. Stanley Judziewicz, who both have sons attending Don Bosco, and Bro. John Maier and Bro. George Haarmann.

The old fire escape was no longer used or needed during a fire. Also, the Brothers were tired of telling the children in the neighborhood to stop using it as a playground slide. When sold for scrap iron, the old fire escape netted $9.42 for Don Bosco High School.

—Ted Krukowski

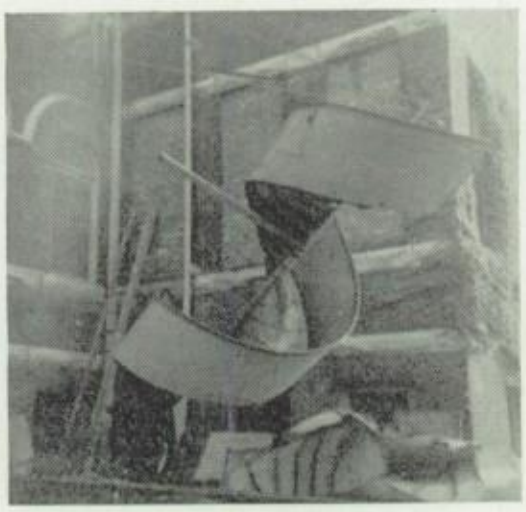


The old fire escape stands for its last day at the northeast corner of Don Bosco.



The last brace is cut, as Mr. Judziewicz wields the torch, and Mr. Waier and Bro. Maier look on.

To ease the giant metal spiral in its fall to earth, a heavy rope is tied to the top.



"Timber!" All stand clear as the tower topples to the green lawn beneath it.

Bro. Maier removes the rope, and happily surveys the result of many hours of labor.

Dangerous Rescue

A Short Story

By Ronald Adler

Swinging in over the Japanese airdrome, which was now a mass of flames, Lt. Bob could see that the American bombers had succeeded in their mission. Hangars and other bulidings were ablaze, and only a few aircraft were left intact on the ground Bob could feel the impact of anti-aircraft fire against the metal skin of the Stratohawk. One heavy-caliber missile came crashing through the windscreen, narrowly missing him. Bob, however, kept his sights on a bomber, heavier and larger than the Jap's Mitsubishi 96, which, so far, had escaped any damage. The plane was being started by a couple of Nips when the shells of Bob's Hawk sheared away the glass nose and made a direct hit at the fuselage, causing giant mushrooming clouds of smoke.

Then Bob spotted the downed fliers of one of the B-17's which accompanied the Stratohawks. He also took notice of the north end of the airdrome, where the ground was comparatively flat for at least two miles.

He decided to make a rescue attempt. The wheels bumped crazily and the tail jounced up and down, like a thing possessed, when the plane touched the uneven ground. Swinging wide to miss the running air crew, Bob gingerly applied the brakes. Squealing protestingly, the Stratohawk came to a halt.

The grounded fliers dashed toward the Hawk. The hatch was opened and two of Bob's crew were on hand to help them enter the plane. One of the crew stumbled and the other two dragged him along. Enemy fire was churning up the ground all around them and the now-motionless plane.

Then the belly door was shut. There was no time to take stock. Advancing the throttle, Bob swung the Hawk around into enemy fire. He must head back toward the airdrome again to gain sufficient yardage for a take-off into the wind. Bullets were coming closer and closer to their intended targets.

Taxing as fast as he dared, he weaved from side to side Machine gun bullets zinged against the sides of the Hawk. Now increasing the speed, Bob inched around in a wide arc. With the skill of a racing driver who knows exactly how much power his car can take on turns, he crowded his throttles for the take-off. Ahead, the mountains rose abruptly for several thousand feet.

Still the wheels jounced on the uneven ground. At almost take-off speed, there was a sickening crunch and a metallic rending as the undercarriage ripped away. The Stratohawk seemed to settle to the ground. For an agonizing moment, Bob thought they would never make it. Then, with a defiant roar, the boosted engines lifted the plane clear. They were in the air! They were safe! Six men breathed a quiet prayer of thanks.

BEACON SPORTS

Dons Are 1-1 In Conference Play

When Varsity football practice started in mid-August, about 70 sophomores, juniors, and seniors turned out. The head coach is Ed Callahan, and assistants are line coach Andy Stefan and Coach Clem Massey.

KNIGHTS WIN FIRST GAME

Bosco's kick-off game against Beloit at South Stadium netted the Knights a 19-0 victory. Sager's 17 yard touchdown run was followed by Bujanovich's spectacular 62 yard tally. Rogahn scored the third TD.

DONS UPSET

The Dons lost their first conference game to Marquette, 48-6, at Marquette University Stadium. Bosco's lone touchdown came on Zolecki's 71 yard pass play to Meier.

BUJANOVICH LEADS SCORING

In Bosco's second conference game, the Dons mauled Memorial, 38-6, in Waukesha. First, Bujanovich scored on a 65 yard punt return and then on a 66 yard run. Then Zolecki passed to Meier for a 31 yard TD. After the half, Sager scored on a 70 yard punt return, a 29 yard Sager-Barczak pass added six and Bujanovich's 50 yard punt return ended our scoring.

—Dale Petran

Knight Light

Halfback Tom Sager is under the ray of Knight-Light. He is from Fr. Leies' Senior homeroom 109, stands five feet ten inches tall and weighs one-hundred seventy-five ponds.

Tom Sager

Tom played first string quarterback his sophomore and junior years, but, because of a shoulder injury which hinders his passing, plays halfback this year. Against Beloit, he scored from 7 yards out and kicked Bosco's first extra point of the year.

Tom has also played first string basketball and baseball for two and three years respectively. Last year, Tom made the Journal All-Conference Basketball Team as a guard, and the Sentinel second team at the same position.

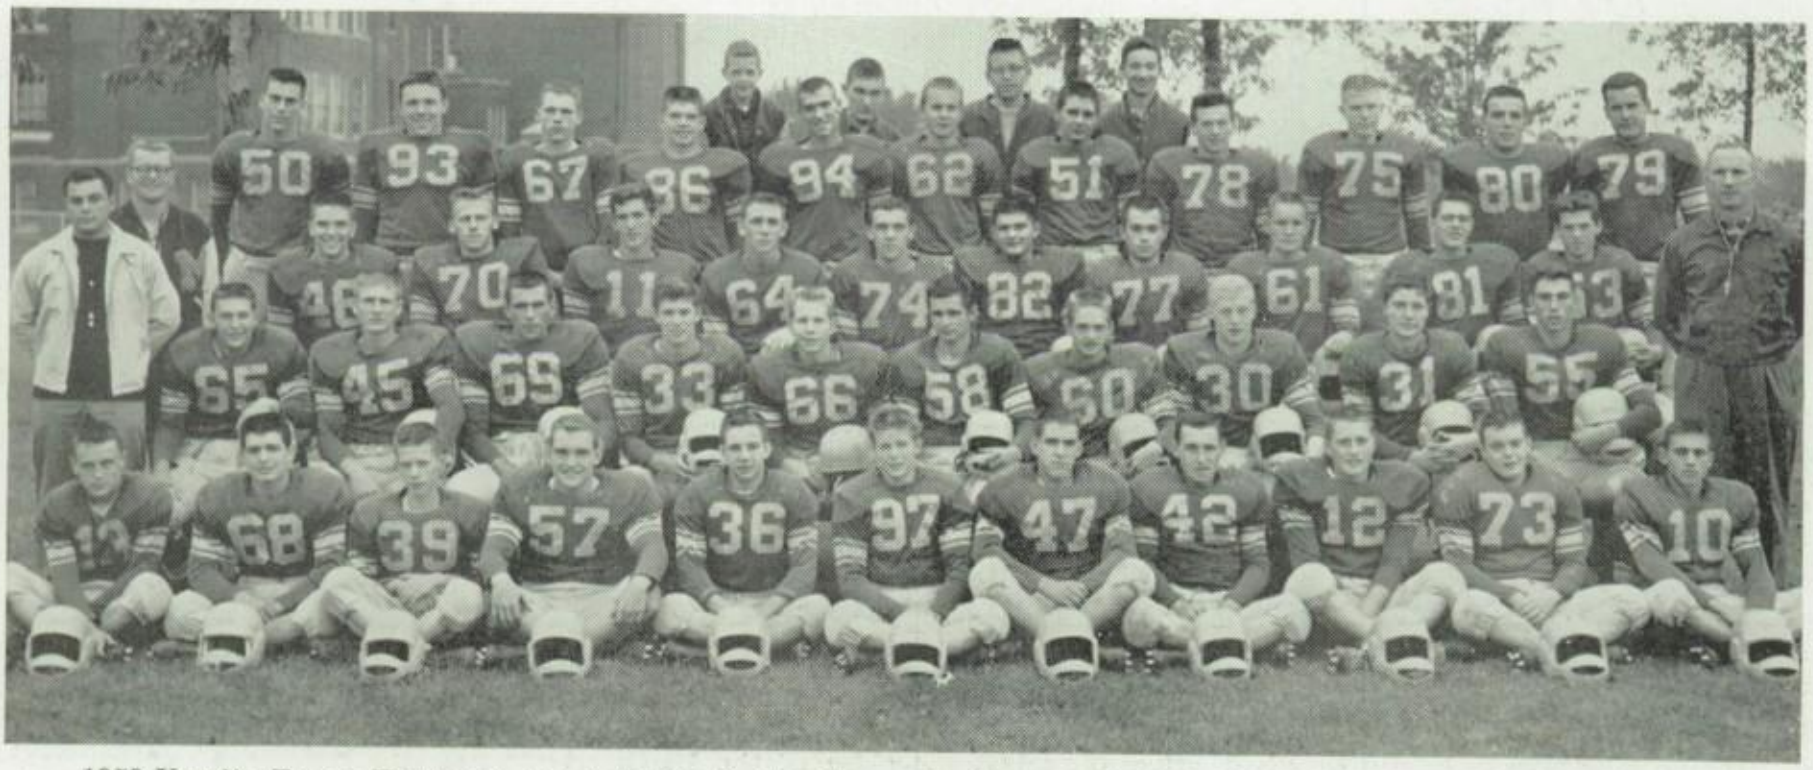
Hats off to Tom for the splendid job he has done his first three years, and we hope he does even better this year.

—Ralph Modjeska

HOMECOMING OCTOBER 18

Joe Meier snags pass in Marquette game to begin 40 yard TD sprint.

Bill Barczak (70) brings down Beloit runner. J. Salza (11) and R. Poliak (57) approach to help.



1959 Varsity Team: First row, l-r: J. Meier, C. Carrillo, C. Gladys, R. Poliak, J. Petchel, K. Chybowski, D. Filut, G. Walloch, J. Zolecki, T. McGrath, J. Judziewicz. Second row: Coach Andy Stefan, N. Adelmeyer, D. Bujanovich, T. Sager, D. Dziedzic, G. Drezdon, R. Tubeszewski, R. Gizelbach, G. Magolan, D. Sokolowski, J. DeVita, Coach Ed Callahan. Third row: Coach Clem Massey, J Matthews, W. Barczak, J. Salza, J. Potochick, J. Lelinski, P. Hess, D. Spenner, R. Jaskolski, R. Judziewicz, T. Mellonig. Fourth row: T. Myszewski, W. Todryk, M. Zimmer, R. Wisniewski, J. Hellmich, J. Sranski, R. Lisowski, R. Galewski, G. Van Handel, J. Rogahn, R. Yuzna. First row: Managers: C. Brewster, T. Altenbach, R. Tatlovich, W. Kriskovic. Absent when picture was taken: T. Grafenauer, J. Dailey, Manager D. Petran.

1959 B-Team: First Row L-R; D. Yarnot, D. Letkiewicz, J. Kucharski, D. Kusch, C. Nornberg, R. Kolanko, J. Alberti, R. Padol. Second Row; R. Badura, J. Herda, J. Bull T. Kochanski, L. LaPorte, D. Race, T. Szymanski, D. Domagalski. Third Row; G. Scott, D. Pizur, D. Vodnik, T. Singleton, T. Raden, R. Kopecki, T. Miller, D. Sasse, J. Kochanski. Fourth Row; C. Bartels, P. Kaluzynski, K. Bellanti, M. Bauer, D. Miller, D. Sturomski, R. Krystowiak, R. Barczak, J. Possell. Back Row; Manager: M. Mueller, Coach: Bro. Robert Skloss, T. Adrian, J. Meyer, D. Gauthier.

Beezers Take First

Supreme coaching efforts by Bro. Skloss paid off in full as Bosco's Junior Dons beat Marquette 9-0 in the seasons opening tilt at Marquette. All of Bosco's scoring was done in the first half. The touchdown was scored by Tom Adrian on a run around end. Ken Bellanti then kicked the extra point to give Bosco a 7-0 edge. The other 2 points were scored when the whole team converged on the Marquette runner in the end zone. The high ground gainer in the game was Tom Adrian who gained 74 yards.

—Tom O'Connell

Call for C Team Results in Fine Turnout

When the first call for the "C" team was issued on September 9, there was an overwhelming response of 58 eager candidates. They ranged in height from six feet and over, to five feet and under. Weights went from 175 pound blockbusters to pin-weights at 100 pounds, dripping wet. After several practices, the team now holds 51 boys, although only 35 are fully suited and ready for action at each game. The Ceezers' coaches are Bro. Ralph Krull, who specializes with the line, and Bro. James Donovan, who concentrates on the backfield.

In their first game, Saturday, September 26, the Ceezers dropped a 7-0 score to Marquette. The team played hard, but couldn't quite overcome the Hilltoppers first quarter lead.

—Dennis Grzendzielewski

NEXT GAMES

C-Team vs. Cathedral
(Saturday, Oct. 10 at Baran Park)
Varsity vs. Notre Dame
(Sunday, Oct. 11 at South Stadium)
B-Team vs. Shorewood
(Monday, Oct. 12 at Shorewood)

1959 C-Team: First row, l-r: A. Pedriana, T. Radomski, J. Zanotti, G. Rogahn, G. Redman, R. Kais, M. Murry, G. Tomczak, T. Killian, W. Peters. Second row: D. Andraszczyk, M. Krzewinski, J. Smith, R. Ruthenberg, M. Sargent, J. Reese, T. Wisniewski, R. Wisniewski, D. Weber, J. Foti. Third row: G. Sokolowski, T. Hahn, S. Wroblewski, R. Gramins, P. Datka, D. DeBattista, J. Bilot, M. Wingert, J. Zulka. Back row: R. Gerke, J. Shaw, T. VanHandel, L. Podlewski, G. Blattner, J. Derynda, G. Schultz, G. Smolen, D. Goratowski, F. Tessler. Managers: D. Pollack, J. VanHeesch. Coach: Bro. Ralph Krull, S.M. Absent: A. Polachowski, S. Kaiser, J. Wojtaski, K. Buelow, M. Symanczk, J. Katzfey, D. Johnson, T. Harrington, J. Sommer, H. Przyblylski, A. Giordano, R. Cianciolo.

NROTC Exam Open To Seniors

Applications are now available for the Navy's annual competitive examination for its nation-wide Regular NROTC college training program. The mental examination is scheduled for Dec. 12, and is open to any male citizen who is 17 or over and will not have reached his 21st birthday by July 1, 1960.

The Regular NROTC is maintained for one purpose—to train and educate young men for ultimate commissioning as carer officers in the Navy and Marine Corps. In addition to the normal college curriculum, midshipmen in the Regular NROTC will study a planned course in naval science. All tuition, fees, and books will be furnished by the Navy, plus an annual retainer pay of $600 for a maximum of four years.

More specific information and an application blank can be obtained from Bro. Leo Willett, S.M. in the school office.

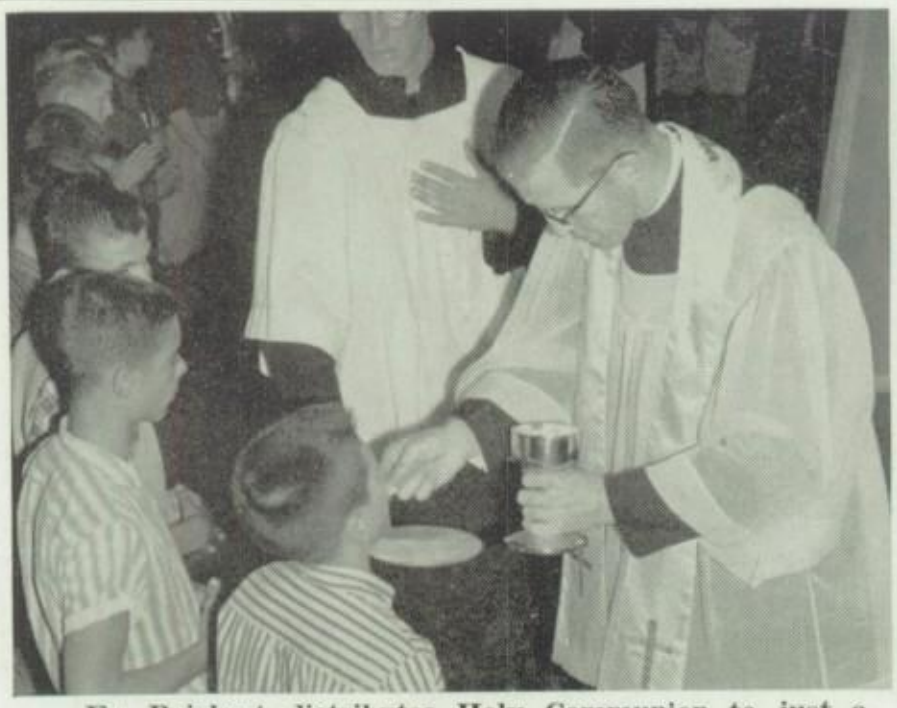
THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, November 11, 1959 Volume XIV—Number 2



Fr. Reichert distributes Holy Communion to just a small part of the huge throng that received the Body and Blood of Christ each day.

Retreat master, Fr. Eldon Reichert, talks with seniors Jim Seiy, John Sokop and Richard Streeter.

Archbishop Pays Visit to School

Don Bosco was honored to be host to a very distinguished personality. Our school was graced by the presence of his Excellency William E. Cousins, Archbishop of Milwaukee.

This was his Excellency's first visit to Don Bosco. He had dinner with the faculty and spoke to them on such things as the general organization of the archdiocese, the assigning of priests to the various parishes, and the relations between the archdiocese and the parish . He spoke on the need for more vocations to the priesthood and brotherhood.

We certainly hope the Archbishop enjoyed his visit and we will be pleased to have him as our guest again in the future.

—Carl Sibilski

Bro. Sharpe welcomes Archbishop Cousins to Don Bosco.

Father Reichert Stresses Maturity As Students Hold Annual Retreat

Retreat Master Praises Dons for Retreat Spirit

Dear "Dons,"

After our retreat on maturity, I deliberately address you with the Spanish derivation of gentleman or Mr.

Observing you during this retreat, I have been deeply edified by your serious attitude which accompanied so faithfully our discussions on MATURITY.

Make Mary your true Mother and exert a mature social influence, a real family spirit in the school.

Attempt constantly to study your vocation in life and pray for the courage to make a mature decision.

Treat your parents respectfully as Christ treated His parents.

Use Confession and the confessor to help you mature.

Renew your resolutions to be a mature Christian man at least once a week with Holy Communion.

Intensify your spiritual maturity by an honest, generous assistance at Sunday Mass.

Tell the truth manfully to friends parents, teachers and God.

Yield to authority in a mature fashion, inspiring yourself with Christ's example of subjection.

Would that your adult critics could witness such Christian MANLINESS! Boast about this retreat far and wide let the whole city know how good you can be!

Finally, take confidence in this tremendous experience as brief as it was. "We can be mature when we want to; look how we acted during our retreat." Proof positive like this will help you make the persistent efforts (the "aspera") which will eventually give you the MATURITY (the "astra") you are determined to reach.

—Father Eldon G. Reichert S.M.

Silence Prevails As Dons Check Their Lives

On Tuesday, October 27, 2 p.m. marked the beginning of Don Bosco's fourteenth annual retreat. At this time Fr. John Leies gave the opening address. In this address, he pointed out the importance of the retreat and the proper attitude which we should have regarding it. The Wednesday and Thursday sessions consisted of three conferences by Fr. Reichert, the retreat master, Mass, Benediction and a special conference on Wednesday for the seniors and on Thursday for the juniors. Mass and the Apostolic Blessing on Friday ended the retreat.

The theme of the DB retreat this year was, "Christian Maturity," which included the signs of manliness and the means to obtain such maturity.

Fr. Reichert, a Marianist, is presently stationed at St. Joseph's High in Cleveland, Ohio, where he is a teacher, Chaplain, and Guidance Director.

—Ray Ciszewski

Five Dons Gain NMSC Finals

The following five Bosco seniors have made the finals of the National Merit Scholarship Tests: (l-r) Thomas Batchelor, Michael Zimmer, Adrian Perz, and Vince O'Connor. Absent: Pat Dunn.

Juniors: Register Now for NMSC Scholarship Tests

All juniors who wish to take the 1960-61 National Merit Scholarship Tests should register before January 8, 1960. Brother Willett prefers the juniors to register now in the school office. The NMS qualifying test will be on March 8 of next year.

The tests are given annually by The National Merit Scholarship Corporation as part of the nation's largest independent scholarship program. Awards are granted on the basis of intellectual merit; student financial needs determine stipends, which are renewable each year without further testing.

The NMS Tests also are valuable to students as an aid for electing their careers or planning their courses in college . After the test, each student will receive an interpretive folder that reports individual test results for comparison with high scores. Thus the student learns his own weak or strong points.

The NMSC was founded in 1955 and is sponsored by the Ford Foundation, Carnegie Corporation, ninety industrial corporations, other foundations, and individuals.

—Philip Gerlach

177 Dons Gain First Term Honors

HIGHEST HONORS

Senior: T. Batchelor, G. Walloch. **Juniors:** B. Semmler. **Sophomores:** L. Krajewski.

HONORS

Seniors: J. Baemmert, G. Bethke, W. Bodden, N. Domagalski, T. Guszkowski, T. Kaluszynski, D. Kozelek, R. Lein, J. Marks, V. O'Connor, A. Perz, J. Rembowski, R. Sauer, G. Semmler, J. Sokop, G. VanHandel, T. Wangerin.

Juniors: J. Bova, R. Brzycki, P. Florek, R. Haas, J. Hinckle, D. Jankowski, E. Keul, L. Kielich, G. Killian, R. Kormanik, W. Kowalski, J. Krzyzanowski, J. Pikulik, G. Stanislawski, G. Szymanski, R. Tatalovich.

Sophomores: C. Bartels, M. Cesarz, B. Chandler, J. Hempel, T. Kloza, J. Marino, D. Mei, G. Nadolski, T. Nadolski, J. Peters, R. Pribbanow, W. Roberts, M. Slawnik, K. Switala.

Freshmen: D. Bialozynski, L. Doersching, J. Frelka, J. Gallagher, R. Kais, K. Kujawa, T. Niemann, M. Sargent.

SECOND HONORS

Seniors

R. Adler, D. Baran, W. Barczak, R. Beckman, D. Blaszczynski, D. Brechlin, T. Buechner, P. Dunn, R. Edwards, J. Hosler, T. Lukasik, J. Mietus, J. Miklovich, M. Moczynski, G. Mueller, W. Pilger, J. Placzek, R. Poliak, T. Prokop, J. Sass, G. Schmiedl, R. Streeter, D. Trenier, J. Witczak, P. Wolf, M. Wroblewski, T. Zalewski, M. Zimmer.

Juniors

MARQUETTE UNIVERSITY
1129 WEST WISCONSIN AVENUE • MILWAUKEE 3, WISCONSIN

Senior Thomas Kelnhofer makes use of the new career guidance rack located outside Room 111.

A lot of work went into the floats which were displayed in the pre-game parade.

Freshman Homeroom 202 won the prize for having the best float.

Many students, in highly decorated cars, rode in the parade.

Parade, Victory, Dance, All Help Make Homecoming a Big Success

The 1959 homecoming began early this year. Ideas for floats were being discussed two weeks before the event. After the ideas came the actual building which is some cases ended the morning of the parade.

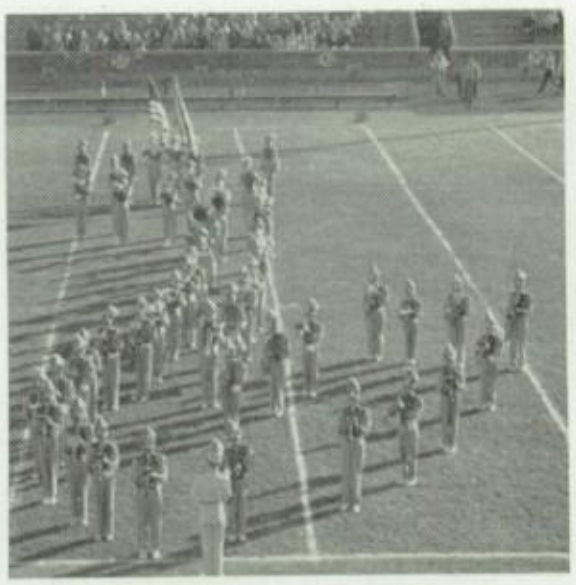
After the judging of the floats the parade began. In the lead cars were the queen and her court. Following these cars were the floats and the decorated cars.

At the conclusion of the parade the people filed into the stadium to watch the football contest which was about to begin. Because of Messmer's and Bosco's defensive ability, the score at the half was 0-0. During the half our illustrious band paraded on the field playing many famous melodies. The second half was completely dominated by Bosco as can be seen by the final score, 20-0. After the game the band led the team and the boosters back to the gym for the singing of the school song.

Now for a couple of hours the people around Bosco could relax in quiet instead of listening to continual shouting. But at 8:00 melodious notes poured from the gym, for the dance was in progress. About 9:30, the alumni and the students, accompanied by their attractive dates, watched the crowning of the queen Barbara Seebeck by king Jim Rogahn and the crowning of the king by Joe Fons. Within an hour the dance floor was cleared and thus another successful homecoming had come to a close.

—Norb Domagalski

The game was close and the action rugged, but the Dons emerged victors, 20-0.



The Band presented a colorful and lively halftime program.

Seniors Present "To Blush Unseen"

Smedley Bradon, a student at Sweetberry College, apparently invents a chemical solution that makes people invisible. This is very disturbing to him, because he is a serious young man who would like to stay out of trouble, but every time he lifts his finger he piles one complication upon another. Of course as soon as people begin to disappear, hilarious confusion takes over, and dear old Sweetberry College comes awfully close to being a madhouse.

This is a brief summary of the mystery-comedy-satire which will be presented by the Don Bosco Dramatics Dept. in the Bosco Gymnasium on December 5, 6 and 7.

Richard Hoerl plays the part of Smedley, around whom everything occurs. Other Bosco seniors in the cast are: Jim Matthews as Hanover and William Bodden as Gutsy, roommates of Smedley; Phil Rink as the F.B.I. man; John Mietus as Dr. Eckman, president of the college, and Mike Wroblewski as Dr. Boltsy, a psychologist.

The play would not be complete without the feminine element, and this is supplied by several young ladies from Mercy High School. They are: Marilynn Goetz, Kathie Kromrey, Penny Domagalski, Cathie Fleming, Susie Rose, Lynn Muth, Barbara Lukomski and Pat Okonek.

—J. Graebner

King and Queen of this gala event were Jim Rogahn and Barbara Seebeck.

The climax of the festivities was the Homecoming Dance.

Sodality prefects meet with Bro. Dan to plan weekly meetings. Seated, (l-r): J. Zolecki, M. Zimmer, Bro. Dan Sharpe, A. Perz, A. Koch. Standing, (l-r): G. Schulte, T. Harrington, T. Wisniewski, W. Weber, M. Kriskovic.

Committee Keeps Sodalities United

Our Sodality, one of the most important groups in the school, has two or three distinct features.

The organization, which meets in separate groups every Tuesday morning, has a committee of all the prefects and vice-prefects of the different divisions. This committee meets every Monday morning. The purpose of this meeting is to keep all the different sodality groups informed as to the activities of each group, and to keep the sodality united. A feature of the meeting would be: if a suggestion is brought up, say at a junior meeting, it would be spread throughout the whole sodality. Looking at it from another angle, this committee may plan the week's course of activities for the entire sodality. In this way the sodality achieves greater results than if there were several smaller projects going on at one time. The committee, by uniting the groups, makes the sodality, on a whole, a much stronger organization.

Another feature would be the sodality's plan for a student who desires to enter after his freshman year. If the student is a sophomore, a junior, or a senior, before meeting with a group in his division, whose members are further advanced than he, he joins a so called "beginner's group." In this way, after a certain amount of training, he will be able to catch up with his group.

The two main topics which the sodality stresses are personal sanctification and the apostolate. The sodality believes that personal sanctification comes first, but if the sodalist does not concern himself with the second aspect, the apostolate, and help others, the sodality is almost a waste of time. The sodality does not want a group of so called "holy Joes," who are concerned only in themselves, but it wants **men** who will go out and try to help others in any way possible.

—Arne Koch

The King and Queen of this year's Military Ball are Jim Searing and Rosemary Czarnecki.

Searing To Reign At Military Ball

The Military Ball will be held on November 13th with music by a quintet combo from the Obie Germanson Orchestra. The Ball is sponsored by the Don Bosco band but it may also be attended by Don Bosco upperclassmen. The music department of each Catholic high school will be represented by at least one couple.

King of the 1959 Ball will be James Searing and his queen will be Rosemary Czarnecki. Bosco men on the court will be Bill Graf, Richard Haas, and Ken Waier.

Only pre-dance tickets will be sold, and can be purchased from any band or glee club member for $3.00 per couple. Band members and glee club members will wear their uniforms. Formal attire is required for all others.

—Carl Sibilski

Band Receives State Flag For Use in Parades

On October 19, at a meeting of the Band parents, Wisconsin State Representative David Mogilica presented a Wisconsin state flag to Mr. E. T. Kanaskie, director of the Don Bosco band.

The flag itself consists of the coat of arms of the state of Wisconsin held by a sailor holding a coil of rope and a yeoman leaning on a pick. The coat of arms is quartered and rests on a horn of plenty and a pyramid of pig iron. Above the shield is the Wisconsin badger; and above the badger is a banner bearing the motto of our state: "Forward."

The flag will be carried in band parades.

Rep. Mogilica, Bro. Sharpe and Mr. Kanaskie admire the band's new Wisconsin state flag.

Look For. . .

MEN OF ACTION

A REAL BUSY SENIOR

Norb Domagalski

Right now, your're probably asking yourself, "Who in the world owns that handsome face?" Norb Domagalski owns it, and he is the assistant editor of the Bosco Beacon. This job includes giving lessons in journalism to the Beacon writers every Monday after school.

During his sophomore and junior years Norb was varsity football manager. He has been in the Sodality ever since he was a freshman.

Working in the cafeteria takes up most of his lunch period. This year Norb will be working on the "Don" yearbook staff. His homeroom (111) is privileged to have him as class treasurer. Being on the publicity staff of the Student Council is another of his many activities.

He has no definite plans for the future, but Norb thinks that he will probably take up civil engineering at Marquette University.

—Tom Nadolski

A BIG GUY AROUND SCHOOL

Bill Todryk

Who is Bill Todryk? Everybody knows Big Bill. How could you miss him? Bill plays football on the varsity squad; but besides this, he is in other activities. He has the privilege of being a senior member of the Sodality. He also has the privilege of being secretary-treasurer of his homeroom (109).

Bill's main interest is football and he is pretty good at it. Naturally he would have to be good to make the varsity first string.

What are his plans for the future? Bill wants a career in accounting and plans to go to Marquette after graduating from Bosco. Some day we hope to see his name on the door of a dignified-looking office: "Bill Todryk, Certified Public Accountant."

—Edmund Fennig

NOTHING KEEPS HIM DOWN

Brian Semmler

Brian Semmler, a junior from homeroom 215, had to sit out this football season because of a broken leg. This, however, won't keep Brian inactive. In addition to being on the honor roll, he participates in just about all extra-curricular activities. He is a member of the Sodality and the Student Council. His favorite sports are baseball, basketball, and football. Not only has Brian received letters in these sports for his well-directed efforts, but he broke his leg while practicing football early in the season.

As for his future plans, Brian intends to go to college, but has not yet decided on his vocation.

—Mike Krzewinski

HE DOES HIS SHARE

Chuck Bartels

Chuck Bartels, one of Bosco's busiest sophomores, shares the spotlight today: in the Glee Club it's the beauty of his stentorian voice, on the "B" team it's the strenghth of his blocking, and in the cafeteria it's the breadth of his smile.

Besides being class president, Chuck is also Student Council representative for his homeroom (207). Last month Chuck attended the W.A.S.C. state student council meeting at Ripon.

During the summer he likes to go swimming, and when he has extra time likes to read a good book.

As for the future, Chuck would like to go into the restaurant business.

—Tom Nadolski

Part of the living rosary which officially opened the month of the Holy Rosary.

Dons Open October With Living Rosary

On September 30, an hour was set aside in order to hold a living rosary. The living rosary, which is held annually, is a tradition at Don Bosco. Representatives from each activity were chosen to participate in this event which marked the opening of October, the month of the rosary. This year there was an added feature: the Don Bosco Varsity Glee Club sang the litany to the Blessed Virgin in Latin.

Father Leies ended the hour with the litany to our Lady in English, and Benediction.

—Marvin Huber

113 Takes First Place In Rosary Shrine Contest

For the month of October, which is the month of the rosary, the Student Council sponsored a shrine contest. The shrines were judged on theme and artistry.

Prizes went to the following room:

Senior—room 113 ($5—first prize in the school)

Junior—room 213 ($2)

Sophomore—room 201 ($3—second prize in the school)

Freshman—room 212 ($2)

Judges were Mrs. Schrempf, Mrs. Kasprzak, and Bro. George Haarmann.

—Marvin Huber

Room 113's shrine which was voted the best in the school.

BEACON SPORTS

Knight Light

Homecoming king Jim "Rick" Rogahn is under the ray of Knight Light. Jim hails from senior homeroom 109, in which he holds the presidency. Jim is also president of Our Lady Queen of Peace CYO.

Jim Rogahn

Rick has been very active in sports during his stay at Bosco, playing football four years, including last year as varsity first-string center, and this year as fullback. Rick has also played on the Dons baseball team since his freshmen year; the last two years as starting catcher. Jim had a resounding .452 batting average his sophomore year, and should be a top-notch receiver this year. Last year Rick took second place in the Catholic State Wrestling Tournament in the heavyweight division.

Good luck to him in this year's wrestling and in other sports. Congratulations, Jim, from all for the fine effort and results you have had in your years at Bosco.

Dons End Schedule With Victory; Secure Fourth Place in Conference

Dons Lose To Pius XI

Even though the Dons played good defensive ball they lost to Pius XI, 27-7, at South Stadium in the Dons third conference game. A 25 yard pass play from Sager to Bujanovich set up our single TD in the fourth stanza. Five plays later Sager went over to score. Then he kicked the extra point.

Swamps Notre Dame

In the South Side Championship game the Knights overpowered Notre Dame, 38-12, at South Stadium. Sager went 2 yards to score our first tally. Bujanovich ran 21 yards to add six points. Sager on a sneak play ran the extra point. Myszewski scored on a 22 yard run. Jim Judziewicz tallied the fourth TD on a 4 yard run around the end. Sager's pass to Grafenauer netted a 14 yard tally. A Barczak-Sager 42 yard pass play added another six. Barczak passed to Grafenauer for the PAT.

Knights Stomp Messmer

For homecoming Don Bosco rolled over Messmer, 20-0, at South Stadium in the Knights fifth conference game. The first half was scoreless. After five minutes had elapsed in the third quarter, Sager went 7 yards for a TD. He also made the PAT. Two minutes later Sager scored from the 22, and Bujanovich ran the extra point. Bujanovich scored the last tally with only 40 seconds left in the game.

Dons Are Set Back

Don Bosco's sixth conference game was lost to St. Catherine, 13-0, at Pulaski Stadium. The Dons were inside St. Kate's 30 yard line four times while they were inside our 30 yard line only twice.

Knights Win Last Game

The Knights won their last game of the season by defeating St. Joseph, 27-6, at South Stadium. Bujanovich tallied first on a 20 yard run only 3½ minutes after the start. Zolecki ran for the PAT. Three minutes later Sager scored on a 25 yard run and a Sager-Bujanovich pass was good for the extra point. Myszewski scored on a 2 yard surge in the second quarter. The PAT was converted by a pass from Sager to Bujanovich. Bujanovich scored our last TD of the season on a 1 yard plunge.

—Dale Petran

Beezers Defeat Pius in Finale; Only Tie Mars Perfect Record

Scoreless Tie

Bosco's defense showed its strength against Nicolet, in the season's second game, holding them to a scoreless tie. The Dons controlled the ball most of the time. The Beezers were inside the six yard line twice but were unable to score. Nicolets offense just couldn't get through Bosco's line and as a result didn't get inside the twenty.

B-Team Rips Shorewood

The Beezers started to roll again as they romped over Shorewood 22-6. Bob Barczak was high point man with two TD's. Bob made the first tally on a ten yard surge. Sturomski made the next TD from the three after a fine run by Bellanti. Sturomski made the PAT. Bosco scored their second touchback of the season when the whole team smeared the Shorewood runner in the end zone. Bob Barczak then made the last TD with Bellanti going over for the PAT.

Beezers Dive Over Whitefish Bay

Whitefish Bay was the next Beezer's victim. Having a bad first half the Dons started to move after a stimulating talk from Bro. Skloss. Within two minutes the Beezers were in the scoring column on Bellanti's TD and Vodnik's PAT. Bob Barczak dove over for the final tally which made the score 13-0 with the Dons on top.

Defeats Pius in Last Game of Season

The last game of the season turned out to be another glorious victory for the Junior Dons as they defeated Pius 18-6. Again the Beezers had trouble in the first half but they started moving and compiled 18 points in the second half. Two TD's were set up by Vodnik with runs of 35 and 20 yards. Bellanti made one tally and Adrian plunged over for the other. Vodnik also surged over for a TD himself.

—Douglas Sturomski
—Tom O'Connell

Ceezers Are 3-4 As Season Closes

Ceezers Route St. Joe's 19-6

Two interceptions, one by Pedriana on the first play from scrimmage, and one by Zanotti gave the Ceezers an early lead in their game against St. Joseph. The third tally came on a sustained drive, and 12 yard run by Zanotti.

Bay's Drown Out Dons

Plagued with fumbles, a torential downpour and a strong Whitefish Bay squad, the Ceezers lost their second game out of three starts. Getting started seemed to be the problem of the Ceezers as they bowed 25-0.

Cathedral Nips Ceezers

The Ceezers, again having trouble with moving the ball and containing Cathedral, dropped a heartbreaker by an 18-14 score.

Ceezers Bury Shorewood

Good blocking and vicious tackling at times, seemed to be the prime factors in sparking the Ceezers to a 12-6 decision over a strong Shorewood team. Both tallies were scored on runs by Zanotti.

Ceezers Tip Pius

The Ceezers, sparked by a brilliant defensive line, four Pius fumbles, and good running by Zanotti, took a 20 to 18 victory over Pius in their best season thriller.

Ceezers Lose Final Game

The C-team lost its final game 7-6 to Francis Jordan. The Ceezers scored first on a sustained drive, failing however to convert the PAT.

The action is fast and furious as the Freshman All-Stars battle 200's Sophomore champs.

200, 203 Win Underclass Intramural Titles

A regular occurence around school got into full swing October 1, as the Frosh-Soph intramurals began. In the opening games Frosh 103 swamped 102, 13-9, and 203 beat 202, 23-10. Two thrillers opened the Sophomore segment at 201 edged out 200, 39-38 and 212 squeezed past 207, 34-27. The Freshmen showed improvement over their openers as 203 beat 103, 22-16, 202 beat 102, 31-15. Fine playing by the four Soph teams resulted in a three way tie, involving 200, 201, and 212. Soph homeroom 200 won the playoffs to take the trophy into their room, as did 203 in their division. In a classic contest, the Frosh All-Stars just couldn't stop the rampaging Sophs as 200 belted the Stars, 43-13.

Fischer Representative Addresses Student Body

On Wednesday, October 21, Mr. Donald Campbell of the Fischer Body Company, addressed the student body about the "Cars of Tomorrow."

The new cars will be built mainly for safety, and engineers are working now to make this aim a reality.

Mr. Campbell issued cards, entitling the students to receive a descriptive book about modern cars and the Fischer Body Company design contest.

—Roger Vopal

360 Dance to 'Squires' At Recent Frosh Mixer

On Friday, October 9, 360 boys and girls danced to the music of the "Squires" at the Don Bosco gym, site of the Freshmen Mixer. The highlight of the dance was the Grand March, which took place shortly after 10 p.m. Eight abreast, all advanced to pay tribute to the Blessed Virgin Mary, before her statue which was mounted on the stage. Also during the evening, Bro. Robert Osborne presented the Freshmen Intramural Basketball trophy to Roger Vopal, captain of the 203 team. The Spirit Banner was then presented to Bro. Osborne's homeroom (103) for selling the most tickets to the dance.

—David Kisch

A Blessed Christmas from the Beacon Staff

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Tuesday, December 22, 1959 Volume XIV—Nunmber 3

Don Bosco's delegates to the Sodality convention in Pittsburgh prepare to board train. L-r: Bro. Joseph Towers, S.M., Mike Zimmer, Gerald Semmler, Fr. John Leies, S.M., James Ulma and Mike Lucci.

Three Dons Merit All-Conference

Three Don Bosco varsity football players were named to All-Catholic Conference teams by local papers.

Halfback Dan Bujanovich made both the Journal and Sentinel first teams and was considered by both papers as the hardest runner in the Catholic Conference. Dan played on the varsity last year played on the B and C teams as a sophomore and freshman.

Guard Jim Salza was selected to the Sentinel first team. Salza, who is only a junior, played varsity football as a sophomore and played on the C team as a freshman.

End Bill Barzack was named to the Journal second team. Last year he played varsity football as a junior, and B and C team football in his sophomore and freshman years.

Congratulations to these three players for their fine work and for achieving the title of "All-Conference."

—Philip Gerlach

All-Catholic Conference Dons. L-r: Bill Barczak, Jim Salza and Dan Bujanovich.

School Welcomes Exchange Student

At 7:30 p.m., Tuesday, December 8, in return for sophomore Bruce Chandler's recent visit to Mexico as an exchange student, Mario Topete arrived at General Mitchell Field.

As he stepped off the DC-3, Mario was greeted by Brother George Naeger, Bruce Chandler, Mr. Chandler, and Tom and Gary Nadolski. In spite of the cold, Mario received a warm reception.

During December and January, his school vacation, Mario is attending Don Bosco to learn more English and improve his pronunciation. Mario will be a member of sophomore homeroom 212.

During Christmas vacation, Mario plans to learn how to dance to "rock and roll' and to enjoy winter activities.

Mario's experience as an exchange student is helping him to better understand our customs and learn our language. It is hoped that he is hearing English correctly spoken by everyone.

The student body extends a warm welcome to Mario Topete.

—Tom Nadolski

Sodalists Travel To Pittsburgh

North Catholic High School, a cluster of buildings overlooking the industrial heart of Pittsburgh, served as host for the Annual National Marianist Sodality Convention. Over three hundred persons attended the convention, which took place November 27 to 29. Representing Don Bosco were Father John Leies and Brother Joseph Towers, S.M., Mike Zimmer, Gerald Semmler, Mike Lucci, and Jim Ulma.

The convention's theme was "The Student Vocation." Speaking on this topic was The Most Reverend John J. Wright, Bishop of Pittsburgh; William Zeuger, a Pittsburgh industrialist; and several students. The talks emphasized that a vocation to the student life gives the young man a goal — preparation for leadership in our nation and the Church. Bishop Wright struck the final note by saying that one must view student life and future professional life as a calling from God. The person who does not view it this way will lead a selfish and meaningless life.

Delegates Discuss Ideas

In the time between the conferences, city tours, and the banquet and dance, the delegates got down to discussing sodality business. While moderators talked over ideas and methods, the student delegates interviewed each other to discover the type of organization and the degree of success the other sodalities had had.

Our Don Bosco Sodality is well organized, effectively-trained, and held in respect by the students. Yet, con-

Mario Topete steps off the plane at General Mitchell Field.

Gerald Van Handel makes his Sodality act of consecration.

104 Dons Attend Sodality Day

Over one hundred students attended the Sodality Day of Recollection, held December 6 in the Bosco gym. As part of the program, twenty-seven Dons were advanced in the ranks of the Sodality.

The Day began at 8 a.m. with three talks: the first by Bro. Towers on "Men Maturity and Mary," the second by Bro. Osborne on "Leadership" and the third by Bro. Skloss entitled "Maturity in Your Social Life."

Following the talks, Mike Zimmer led the group in saying the rosary. This was followed by the Little Office, led by Gerald Semmler.

Directly preceding the Dialogue Mass, the annual Sodality reception took place, as 27 Dons advanced in the Sodality. Sixteen became Aspirants, ten were made Probationers and one, senior Gerald Van Handel, took his act of consecration.

The Day closed with the Dialogue Mass and Communion at which the students were joined by their fathers, who were having a separate Day of Recollection at the same time.

—Bill Bodden

Pittsburgh

CONTINUED FROM PAGE ONE

sidering what other sodalities have done, there is a lot more our Sodality should be doing. For instance: How many times has the chapel been filled for Mass in the morning, or for the rosary at noon, or after school? How many more poor families could be helped if we were really generous? How many of our homes say the family Rosary? These are points we ought to think about.

—Gerald Semmler

'Teens vs Parents' Dons SUMA Topic

The Sodality Union of the Milwaukee Archdiocese SUMA met at Bosco November 24, at 4 p.m. for its monthly meeting. Students and faculty members from 13 schools were present.

After the welcome by Michael Zimmer, and opening prayer by Msgr. Riedel, the business part of the meeting was conducted. A motion was made that all sodalists offer their prayers for Tom Dooley, a doctor working among the people of Indo-China.

The topic for the panel discussion which followed was, "Teen-agers vs. Parents." Mr. E. Grobschmidt presented the father's viewpoint of authority in the home. He pointed out that the concept of father as head of the family is fading out, and that family bonds in America are a strong force opposing the advance of Communism.

Mrs. H. Zolecki gave the mother's idea of love in the family explaining that a family is built on love, and love demands sacrifice. Adrian Perz and Gerry Walloch gave the teen-ager's side of love and authority in the home. They stressed the need for mutual understanding between parents and teen-agers.

An open discussion on parental love and authority followed.

—Jeff Schrank

Participants in the SUMA panel discussion. L-r: Gerry Walloch, Adrian Perz, Fr. John Leies, moderator; Mr. E. Grobschmidt and Mrs. H. Zolecki.

Postulants Tell of Marianist Spirit

EDITOR'S NOTE: Robert Morearty and Gerald Palma attended Don Bosco as sophomores last year. They are presently studying for the Brotherhood at the Postulate of the Society of Mary in Kirkwood, Mo.

Dear Boscoites,

When asked by one of the Brothers to write a letter to you, the students of Don Bosco, we decided to give you some idea of the spirit which pervades the Postulate.

Upon our arrival in St. Louis, one of the Brothers stationed at Maryhurst met us at the station and drove us to the Maryhurst Property. Immediately, we were welcomed by one of the seniors, who made us feel as much at home as we would have felt at Bosco. There is the same feeling of equality here that Fr. Chaminade wished to have exist in the Society when he founded it some

Gerald Palma and Robert Morearty.

20 years after the French Revolution. The example of this spirit of friendliness is set by the old boys and is immediately picked up by us new boys.

On the athletic fields, the freshmen, sophomores, juniors and seniors are well-divided among the teams according to their ability. The more athletic type of person is accepted as the better whether he is a freshman or a senior, a new boy or an old boy. The only time there is any clear-cut division among us is in our courses. But everything else, whether it is studying, eating or working, is done without distinction.

Generally, everything needed for health and happiness is here. The food is good and there is plenty of it. And all the recreation a person could possibly want is worked into the schedule.

—Robert Morearty
—Gerald Palma

Alumnus Dies in Auto Accident

A graduate of the class of '58, Charles Oswald, was killed November 5 as the automobile in which he was riding slid off the road and struck an embankment.

Charles was a member of Sacred Heart Parish. While attending Bosco, Charles was an honor student, class president in his freshman year, and class secretary as a senior. He also carried a perfect attendance record during his first three years here.

The students and faculty of Don Bosco would like to extend their deepest sympathies to Charles' parents and relatives.

'Whatever You Do To My Brethren . . .'

The students of Don Bosco held their annual Christmas food drive from December 14 to December 23. Each homeroom "adopted" at least one needy family. The homerooms collected food, toys, and other useful items for their family.

Each homeroom teacher supervised his own homeroom's food drive. After gathering their items together, the homeroom selected representatives to visit their needy family and to deliver the collected items to them.

In past years the food drive has always been a success, and this year was no exception, as many families were helped by the drive.

Dave Hilse and Norbert Kucharski of 113 pack the food for their poor family.

—Ronald Ruthenberg

* * *

"Be a Christmas Angel" is the slogan being used this year by the Christmas Bureau of the Community Chest. A Christmas Angel's purpose is to make someone else happy without knowing who the person is.

The Christmas Bureau obtains information from health and welfare agencies concerning needy families in our community. Persons or groups desiring to provide a present for some needy children, for example, can find out what is needed by a certain orphans' home or hospital. Those interested should call BR. 1-0738, telling what they wish to give or whom they would like to help.

Bro. Edward Jach, S.M. and Bro. Robert Lewandowski, S.M.

Two Bosco Grads In S.M. Seminary

Two graduates of Don Bosco, Bro. Edward Jach, S.M., class of 1949, and Bro. Robert Lewandowski, S.M., class of 1950, are studying to become priests at "Queen of the World" Marianist International Seminary in Fribourg, Switerland. These Brothers will be ordained in 1963.

Bro. Jach, when he resided in Milwaukee, belonged to St. Hedwig's Parish. The Dons may remember him teaching at Bosco in 1957. Bro. Robert Lewandowski was a member of St. Mary Czestochowa Parish. He taught in St. Louis for the past five years.

God bless them both in their vocation and their studies.

—Carl Sibilski

Chaplain's Column

The world today is searching for peace. Men have seen the horrors of two world wars and know that the power to destroy the entire human race now rests in the hands of those nations which possess A-bombs, H-bombs, long-range missiles, and instruments of germ warfare. More than ever before, the peoples of the world are seeking brotherhood and understanding, in order to obtain a lasting peace and a sense of security.

You, students of Don Bosco, are young. Perhaps these aspirations for peace on the part of the various peoples have not made themselves felt in your lives. You still live largely in the circle of your family, parish, and school. But when you graduate, as you grow older, you will become more and more aware of these deep-seated longings of people. And if you have been faithful to your obligations as a student, you will be prepared to help the world in its search.

You will be able to help the world because you will be able to give Christ to it. The time of Christmas reminds us that true peace and unity among men will only be found in Christ. The angels announced to the world that the coming of the Messias meant peace on earth because that coming was the sign of God's good will towards men. That same message needs to be proclaimed in our day. When Christ's image will be born in the hearts of men, God's peace will descend upon the world as it did the first Christmas night.

Dons, you will be called on to proclaim that message. Prepare yourselves for the task.

A Blessed Christmas to all of you!

—Fr. John Leies, S.M.

Varsity Voices Vivify Visits

Every day during the sixth period, the voices of our Glee Club, singing familiar songs, drift from the cafeteria annex. During these important sessions Bro. Richard Martens guides these voices in the art vocal music.

The group is divided into four sections. There are first and second tenors whose voices reach those high, ringing notes. These singers usually create the main melody of the song. The baritones and basses sing the melody once in a while, but usually they supply the rhythms. All told, there are 49 active members in the Varsity Glee Club.

The Glee Club already has participated in many activities this year, the biggest being the Christmas Concert, December 19. They also sang at St. Aloysius' and at St. Veronica's parishes for the Holy Name Society and Christian Mothers, respectively.

Future appearances include St. Rita's parish, on January 10, where they will perform for the Holy Name Society. At this appearance the audience will be entertained by familiar folk songs, Negro spirituals, populor songs and possibly a comedy skit.

Besides the varsity there is a freshman Glee Club in which Bro. Martens has high hopes. However, he faces a serious problem, as there are 45 frosh members waiting to replace the five seniors leaving at the end of the year.

Music Dept. Gives Christmas Concert

The annual Christmas concert was held last Saturday, December 19, at 7:30 p.m. in the school gymnasium. The parents, brothers, sisters, and friends of the students here at Bosco were invited. The admission was free.

Mr. Kanaskie lead both the senior and cadet bands in such numbers as "It's Beginning to Look Like Christmas," "I Saw Mommy Kissing Santa Claus," and "White Christmas." The Glee Club and freshman Glee Club then took over and sang until 8 o'clock. Following this the Cadet band, made up of future Bosco students, played six carols.

Concluding the program were the Glee clubs and the band with their presentation of "Three Songs for Christmas," "The Rosary," and "Winter Wonderland."

—Frederick Stamm

Student Volunteers March On Muscular Dystrophy

About forty Bosco men volunteered to collect donations for the march against Muscular Dystrophy, November 22.

These collections help support a network of M.D.A. clinics throughout the country, including a new $5,000,000 research center in New York. At these clinics, our nation's leading scientists are working constantly to conquer this presently incurable disease. In addition, diagnostic facilities, medical supervision, and personal counsel are provided.

The M.D.A. chapters help unfortunate families pay for wheelchairs, braces, and other orthopedic devices. They have set up recreational and educational programs for children stricken with M.D.

Such an important organization, working to destroy one of our nation's top killers, deserves our support.

—Gary Nadolski

'To Blush Unseen' Has Successful Run As Three-Night Attendance Tops 700

As the critics on Broadway would say, "It was a hit." Everyone who saw the play, "To Blush Unseen," held Dec. 5, 6, and 7, would certainly agree.

All the actors and actresses in the play were Don Bosco and Mercy students. Dick Hoerl played Smedley Brandon, around whom the story centered. Smedley is the type of boy who finds it easy to get into trouble and is quickly blamed for any strange campus happenings; for instance, the time boiled overshoes were served in the dining hall, or the time a rumor was started that the Dean of Women, Dean Haggenback (Barbara Lukomski), was shrinking and one of Smedley's associates, a midget, showed up dressed like a woman. Hanover Banks (Jim Matthews) and Gutzy Butterworth (Bill Bodden) are two of Smedley's friends who try to get him out of the trouble at hand—namely, the disappearance of President Eckman's (John Mietus) dog.

"But you've got to believe me, I'm perfectly all right!"

The disappearance took place in the chemistry lab so naturally an "A" chemistry student, Lee Wilson (Marilynn Goetz), who is also Smedley's ex-girlfriend is called in to help. About this time Wanda Fisher (Penny Domagalski), Smedley's persent girl, steps in and she and Lee Wilson both disappear. The college president thinks everyone is going slightly crazy and calls in Dr. Herman Boltsy (Mike Wroblewski) to analyze them.

The whole play was told in "flashback" form with Phil Rink playing the part of an F.B.I. agent reporting on the strange happenings of the college to his chief. Other girls from Mercy: Susie Rose, Kathy Kromrey, Cathie Fleming, Lynn Muth, and Patricia Okonek took part in the play.

Producing and directing was done by Bro. Charles Rahe S.M. and Mrs. Henry Zolecki, respectively.

The scenery, a room in the administration building known as "The Wreck Creation Room," was very well done thanks to Bernard Krueger, Tom Prokop, John Marks, Ray Kaczmarek, Mike Wachowiak and Scott Weyda.

—Chuck Bartels

Rules Revised for Courtesy Campaign

Have you ever noticed the atmosphere of sportsmanship and courtesy which generally presides at Catholic Conference basketball games? The Basketball Courtesy Campaign is responsible for this.

Several years ago, a leading Milwaukee newspaper headlined the article of a Catholic Conference game by saying that it had ended in a free-for-all. This naturally jeopardized the future of the Catholic Conference's athletic program.

The Milwaukee Archdiocesan Student Council (MASC) stepped in and proposed a courtesy campaign. Don Bosco took charge, was successful and has continued to improve the program in the past two years.

Several improvements have been made in this year's campaign: 1) a briefing session for student judges preceded the season; 2) a rule change now permits organized cheering when the opposing team has the ball, provided that their team's fans are not carrying on an organized cheer; and 3) a school must have approximately 75 students present to be judged.

—Michael Krzewenski

"We don't want you to go into orbit."

A new piece of scientific equipment, a demonstration motor, has been donated to the Don Bosco science department by Mr. Joseph Lukowitz, a retired Milwaukee science teacher.

BEACON SPORTS

Knight Light

This is your life, Dan Bujanovich—a man who has earned a place in the Knight-Light "hall of fame." Through hard work plus extra effort Dan has attained this honor.

Dan Bujanovich

The following is Dan's sports history:

Freshman year: Dan was first string in C-football, C-basketball and was number two man in varsity golf with an average of 41.

Sophomore year: He was first string fullback in B-football and starting forward in B-basketball, leading the team in scoring with 247 points. That year Dan was number one man in golf with an average of 40.

Junior year: Dan played first string halfback on the varsity football team, played varsity basketball and again was number one man in golf with an average of 40.

Senior year: Dan again played first string halfback in football, this year being chosen by both the Sentinel and Journal as starting halfback on their All-Catholic conference team and receiving honorable mention by UPI in their Catholic All-state ratings. Again this year he is a member of the varsity basketball team and will probably be a member of the golf team.

Congratulations, Dan Bujanovich, for the work you have done.

Knights Boast 4-1 Record; Tied for Second Place

The Don Bosco Varsity started the basketball season with three non-conference games: St. Mary's Menasha 84, Bosco 41; Beloit 35, Bosco 52; and South 32, Bosco 64.

KNIGHTS BEAT ST. BONAVENTURE

In their first conference game, the Knights defeated St. Bonaventure, 45 to 33. Tom Wangerin was top scorer with 16 points.

DONS WHIP DOMINICAN

The Dons, in their second conference game, trounced Dominican, 52 to 38. Tom Myszewski and Tom Sager led the scoring with 16 and 15 points, respectively.

OVERDUE REVENGE

Led by Tom Wangerin and Tom Sager with 13 and 12 points, respectively, the Knights conquered Marquette, 48 to 41. It was the first time since December, 1954, that Don Bosco had triumphed over Marquette. Coach Ed Callahan, speaking for the Varsity coaching staff, said, "We're proud of the team and the fans for their efforts."

Dan Bujanovich, Tom Sager and Tom Wangerin receive a victory ride after the Varsity beat Marquette.

ST. JOSEPH EASY FOE

Playing their fourth conference game, the Dons kept up their perfect record by triumphing over St. Joseph's, 56 to 40. Tom Wangerin and Tom Sager had 13 and 12 points, respectively, for high honors.

KNIGHTS DROPPED BY ST. KATE'S

The Varsity was handed its first conference loss by St. Catherine's, 63 to 34. Dan Bujanovich was high man for the Dons with 13 points.

—Dale Petran

1959160 Varsity. Front row (l-r): Bro. Eugene Sohm, S.M., J. Zolecki, M. Donoghue, J. Peters, Coach Ed Callahan. Second row: D. Sokolowski, D. Bujanovich, T. Sager, D. Hoerl. Third row: D. Petran, mgr.; John Bova, B. Semmler, Joe Bova, T. Altenbach, mgr. Fourth row: R. Tatalovich, mgr.; T. Wangerin, T. Myszewski, T. Grafenauer.

1959-60 B Team. Front row (l-r): Coach Clem Massey, T. Kloza, G. Schulte, W. Graf. Second row: R. Barczak, E. Ladwig, D. Race, K. Bellanti. Third row: D. Hartman, J. Bull, T. Adrian, S. Weyda, D. Letkiewicz. Fourth row: R. Padol and G. Scott, managers. Absent: D. Kocs.

Beezers Sport 3-2 Overall Record

The Beezers, coached by Mr. Clem Massey, began the 59-60 basketball season with a 30 to 22 victory over Beloit Catholic. Bill Graf and Dave Letkiewicz were high pointers with seven apiece.

Couldn't Hold the Cardinals

The Junior Don's fought hard but were unable to stop South Division, dropping a tough game, 30 to 19. High bucketeer for the Beezers was Dennis Kocs with 9 points.

Strong Finish

After a slow start in the first half, the Junior Dons came back with 22 points in the second to beat visiting St. Bonaventure, 34 to 28. Kocs paced the Beezers with 9 points.

Close, But We Won

Coach Massey's boys showed how well they could stand up under pressure by beating Dominican 36 to 34 in a game which was undecided until the final gun. High scorer for the Dons was Bob Barczak with 11 points.

Ouch!

Marquette handed the Beezers their second defeat by a lopsided score of 43 to 16. Due to bad defensive playing and inability to penetrate the hoop, the Junior Dons scored only 6 points in the second half. High point man was Dave Letkiewicz with six.

—Doug Sturomski
Tom O'Connell

C-Team Records 3 Wins, 4 Losses

The Ceezers opened the 59-60 basketball season by pulling a close one out of the fire—a 34 to 32 victory over Whitefish Bay in overtime. John Zonatti had 14 points.

C-Team Tipped by Shorewood

With an inaccuracy of 25 per cent from the floor and 33 per cent from the free throw line, the Ceezers fell short of a victory over Shorewood, 22-19.

Frosh Romp Brookfield

Kais and Vopal each scored 10 points and Datka added 8 more as the Ceezers rolled to an easy victory over Brookfield, 39 to 9. The entire squad saw action for the first time.

Defense Sparks Win

Good defensive play and a spirited offense led the Ceezers to a 38 to 19 victory over Granville. Leading the scoring honors were Roger Vopal and Ray Kais.

Ceezer Efforts Not Enough

The freshmen came out on the short end of the score against Marquette, dropping a 42 to 38 decision. Although the offense and defense worked well, the team could not come up with the victory.

Frosh Lose to St. Joe's

Because of a fast first quarter start and a fast break, which the Ceezers were unable to contain, St. Joseph's of Kenosha emerged triumphant over our C-Team by a 38 to 35 score.

High-Flying Angels

Having been completely outplayed by St. Catherine's in the first half, the Ceezers, despite a second half comeback, dropped a 43 to 33 decision to the Angels from Racine.

Who gave the party for Mary?

Her parents, of course. But with the help of many people they've never met.

These people helped bake the cake and cook the party food. They helped wash and iron Mary's dress. They helped clean, light and heat the house.

These unseen helpers are the men and women of the Electric Company who help provide a constant supply of work-saving electric power. For just a minute, think how much these "invisible assistants" help *you.*

S.C. Elections Held

Students Elect Barczak, Hoerl, Mei, Walloch

The Student Council held its semi-annual elections January 14. Elected were Bill Barczak, Richard Hoerl, Joe Mei, and Gerry Walloch in that order. President Bill Barczak is now presiding for his second term in office as are

President William Barczak

Vice-President Richard Hoerl

Joe Mei and Gerry Walloch, who were elected for the first time last May.

The other four seniors who were nominated were: Jim Rogahn, George Lee, Joe Dailey, and James Matthews.

Secretary Joseph Mei

Treasurer Gerald Walloch

Congratulations must be extended to the eight candidates and their campaign managers for the time and effort which provided another high-spirited Student Council election campaign.

Good luck to our officers.

—Carl Sibilski

Allan Sharafinski, a senior from 111, has recently been selected second alternate to the U. S. Air Force Academy in Colorado Springs. By being second alternate, Allan can become an applicant to the Academy should two others withdraw their application.

Last spring he began a series of tests (physical, civil service, etc.) which ended in an interview with Congressman Zablocki.

—Marv Huber

S.C. Reps Elected for Second Semester Term

A number of homerooms have chosen a new delegate for the Wednesday morning Student Council meetings. The new reps and their respective homerooms are: Rick Rogahn (109), Bob Burke (111), Dennis Jacob (113), Mike Slawnik (207), and Tom Harrington (102).

Looking over a labyrinth of campaign sings are S. C. candidates: kneeling, (L-R)—J. Mei, G. Lee, J. Dailey. Standing: G. Walloch, J. Matthews.

14th WCAC To Be Held March 4 to 6

The Sodality Union of the Milwaukee Archdiocese (SUMA) has announced the preliminary program for the 14th annual Wisconsin Catholic Action Convention (WCAC), which will be held March 4, 5, and 6, at the Milwaukee Auditorium-Arena.

More than 13,000 high school and college students from the Middle West are expected to attend the three day event which will have as its theme this year "Youth in Step With Mary." A total of 31 sessions will be held, featuring talks by some 24 noted priests and laymen, discussing various phases of Catholic Action. Among the many interested speakers will be Bill Lundigan, of the television series "Man Into Space."

The convention will open on Friday, with a Solemn Pontifical High Mass celebrated by the Most Reverend William E. Cousins.

—Tom Wisniewski

38 Receive First Semester Honors

At a future Home and School meeting, 38 Bosco men will be presented special first semester honor certificates by Brother Dan Sharpe. These honor students, nine seniors, five juniors, fifteen sophomores and nine freshmen, represent 6 percent of the student body at Bosco.

Seniors	H.R.	Av.
Batchelor, Thomas	113	92.8
Bethke, Gregory	113	90.4
Domagalski, Norbert	111	92.5

Sargent, Michael	102	91.4

For these special first semester honor certificates a student had to average 89.5 or above for the first semester, have all his course averages at least 85, and have a satisfactory conduct rating. High among these 38 is senior Gerry Walloch, with a semester average of 96.3. Congratulations from the Beacon Staff to all our honor students!

—Joe Graebner

Lourdes Ball To Be Held Feb. 12

King and Queen of the 18th annual Lourdes Ball, sponsored by the Sodality Union of the Milwaukee Archdiocese (SUMA), will be Mark Korb of Marquette High School and Kathie O'Brien of Divine Savior. The semi-formal Ball will be held Feb. 12 at George Devine's Million-Dollar Ballroom. Music will be furnished by Larry Ladd's orchestra. Tickets are now available at $3.00 per couple.

Since the Lourdes Ball is open only to upperclassmen, a Frosh-Soph Mixer will be held in the gym that same night. The dance will last from 8:00 to 11:00 p.m. and will feature the music of the "Squires."

—Roger Vopal

For Sale: Impure Books

February is Catholic Press Month. This fact ought to make us stop and think a moment about the reading problem.

It's Dangerous

On the negative side, there is harmful reading to avoid, ranging from the pornographic to the mere frivolous. Just from natural considerations, pornographic reading matter is a great danger. It degrades a man, pulling him down to the level of the beast by stirring up within him the lowest passions. When we add supernatural considerations—that such reading is an insult to Almighty God, a flaunting of His law— we can see what a serious thing we are dealing with.

As for mere frivolous literature — comic books, cheap adventure stories, etc.—while there is not the same degraduation in their reading, there is no elevation of the human spirit.

Develop Your Potential

Now for the positive side. If it is true that a man becomes what he reads, then one of the most important things a high school student can learn is to read well and to read only the best of books. We mean books which give the right "slant" on life by showing the full reality. Many books show only a part of the picture, for example, only the animal side of man. That is the reason why the reading of Catholic authors is important. Only in such books will the full truth be expressed: that God, grace, and man's free will all play a part. If a youth feeds on such books, he will have the spiritual nourishment to grow to the stature of Christ.

God bless you!

Catholic Book Week Held From February 21 to 27

"Read to Know—Know to Love" is the theme of Catholic Book Week for 1960. From February 21 to 27 Catholics are urged to read good Catholic books. During this week, homerooms are encouraged to have displays showing the theme of Book Week. Bookmarks and lists of books will be available in the library. These lists contain information concerning the books and their prices should you wish to purchase one.

—Ronald Ruthenberg

* * *

For the purpose of familiarizing the sophomores with the Student Council election nominees, a special assembly was held in the gym January 13.

Beacon Book Report

The Battle and Brother Louis, one of the library's new editions, presents the basic ideas of the life of Bro. Louis Reile. By reading about his life, you will see in him a burning desire to join the Society of Mary and how he overcame worldly distractions to achieve his much desired goal. You will grow in admiration for him as you read the story of Bro. Louis's own progress in conversions and teaching; of the Brother's life, which involves such exacting demands of obedience and self sacrifice, and at the same time provides such a high measure of co-operation and community effort.

Library Workers Earn Recognition

Perhaps many of the students fail to realize that library service at Bosco is entirely on a voluntary basis. Once a pupil is selected, however, he may become a member of the Bosco Library Guild. A librarian must be in good standing in his studies, should have a study period and be willing to spare some of his free time. Those who have no study period offer assistance before and after classes.

What keeps these fellows busy? Besides working at the desk and shelving books and magazines, they help repair books.

The Bosco Library Guild tries to meet twice a month. At these meetings, details of library routines are discussed. The two officers are Wayne Komorowski and Dennis Blaszczynski. Membership presently stands at 22.

The Guild is a member of the Wisconsin Students' Library Guild. Bosco's assistants will be expected to participate in the spring meeting which will be held at Divine Savior High School.

—Mike Krzewinski

Library workers: Kneeling (L-R)—E. Olsen, C. Nowak, J. Gozdowiak, T. Schneider, R. Narloch, M. Krzewinski. Standing: J. Dries, J. Podkomorski, G. Simons, R. Mlot, D. Ajack, R. Jasinski, J. Schrank, D. Blaszczynski, D. Stanton, J. Marks, R. Eglsaer, T. Meka, J. Katzfey, Bro. Frank Lange, S.M., moderator. Absent: J. Blattner, W. Komorowski, R. Singer.

Speech Team Shines As Extra-Curricular

Another of Don Bosco's extra-curricular activities is the speech team under the supervision of Mr. Frohna and Bro. Towers. As in the past, the team is made up of juniors and seniors. This year's varsity team has ten members: John Blockowitz, original oratory; Bill Bodden, serious interpretation; Ray Ciszewski, non-original oratory; Joe Dailey, humorous; Pat Dunn, extemporaneous; Joe Krzyzanowski, non-original; Dick Hoerl, humorous; John Mietus, serious; Adrian Perz, original; and Gerald Semmler, extemporaneous.

Team Effort

At Marquette University, December 19, the team participated in its first Midwest Catholic Forensics League tournament. Though 11 schools were represented, four Boscoites merited high honors. Daily and Perz both took first places; Bodden and Hoerl took third. Forthcoming meets will be held in February and April.

Besides the varsity, Mr. Frohna and Bro. Towers are busy training hopeful freshmen and sophomores to follow in the footsteps of the present team.

Should anyone be interested in joining the team, he can see either one of the members or moderators for information.

—Ken Kujawa

Varsity Speech Team: (Standing)—Mr. T. Frohna, Moderator; R. Ciszewski, W. Bodden, J. Blockowitz, J. Dailey, A. Perz. Seated: J. Mietus, G. Semmler, R. Hoerl, J. Dailey and A. Perz.

News Briefs

The first place winners in the Christmas crib contest were: freshman homeroom 202, which also placed first in the entire school, 112, 215, and 207. Runners up were 111, 211, 200 which tied with 212, and 102 which tied with 103.

Judges of the contest were Mrs. Schrempf, Bro. George Haarman and Mrs. Kielpinski.

Oh! That Italian

M. Lucci

A familiar face to almost every Bosco student is that of junior Mike Lucci of 213. In his freshman and sophomore years, Mike played on the "C," "B," and intramural basketball teams, and was a Student Council representative.

Again, this year, Mike is Student Council representative for his homeroom. Representing Don Bosco, Mike attend the state Student Council convention at Ripon and the Sodality convention at Pittsburg. What does the future hold for Mike Lucci? Mike would like to become a mathematics and Latin teacher.

—Tom Nadolski

* * *

Tall and Handsome

Towering above the expectations of a normal Bosco student is sophomore. Tom Myszewski. The reason is not only because Tom is six feet two inches tall, but also because he is very active.

As a freshman, Tom played basketball and football on the "C" teams and was president and Student Council representative for his homeroom. This year, Tom was on the varsity football team and now plays center on the varsity basketball

In regardexs

team. Being president of 201 also keeps him quite busy.

In regard to his future, Tom says that he is a little uncertain, but that he hopes to become a junior, a senior, then graduate.

—Tom Nadolski

M. Myszewski

* * *

The Thinking Man

Do you want to meet a man who thinks for himself? Senior Jim Matthews is the one. He appeared this year in Mercy's and Bosco's plays and soon will be in St. Mary's play. Since he thinks for himself, he is also engaged in other activities such as the Student Council, where he heads the poster committee.

Jim Matthews

In past years he has been a Sodalist, football and basketball player and public relations man. After being a class officer for three years and president of 112 this year, he was nominated to the Student Council. Though he wasn't elected he feels that the experience gained was worth almost as much as a victory.

For his career, Jim is planning to become a math teacher.

—Gary Nadolski

Young and Active

Freshman Mike Krzewinski of 202 is not following in the footsteps of a "Herbie." Mike played first string guard on the "C" football team, and now is on the wrestling team. Besides singing enchantingly in the Glee Club, Mike is a library worker and a member of the Sodality. Writing for "Beacon" helps keep his brain working. In his homeroom, Mike displays his leadership ability by fulfilling his duties as vice-president.

Mike Krzewinski

Scouting, for which he recently attained the "Eagle Award," heads the list of his outside activities.

—Tom Nadolski

Two Mid-Semester Dances Held

The Holiday Hop, a dance for couples only, was held on December 27, from 8:00 to 1:00 p.m. Ober Anthony's Band set the 115 couples and 50 alumni swaying and dancing till 11 o'clock.

* * *

The Midway Melodies Dance, which helped to calm the students nerves after exams, was attended by 400 people—125 boys and 275 girls. They danced to the tunes of Tom Martin and the "Squires."

—Douglas Sturomski

Beacon Rivals Appear on Scene

This year, several homerooms have been issuing newspapers for instance, homeroom 102's "Best of Bosco" headed by Richard Winkowski. These editions feature such regular columns as "Inspector Reports" and the happenings of the month.

Homeroom 103 publishes "The 103 Observer." Editing chores are handled by Tom Van Handle who has so far edited three editions. Among the class's favorite features is the "Dots, Dashes, and Short Flashes" column.

"Whiffs from the Gashouse Gang" is the title of 200's bi-monthly publication. This was the first class paper this year. After Arthur Kaspar, the original editor, left, Doug Sturomski became the man in charge.

Jim Marino and Mike Radtke are in charge of getting out the "Quotes and Notes" of 201. They are now working on their second edition.

Tom Nadolski is responsible for getting out "The 212 Reporter" and seeing to it that the paper contains such interesting features as "Beulah Brokenheart" and the "Real Dons" column.

"The Advisor" of 213 specializes in editorials. At the helm is Mike Lucci.

—Jeff Schrank

The Don Bosco Home and School Association presented some new risers and a new Kimball piano to the Brothers for Christmas. The piano, which will be used mainly for Bro. Marten's work with the Glee Club, was displayed for the first time at the Christmas Concert.

—Marv Huber

Sympathy

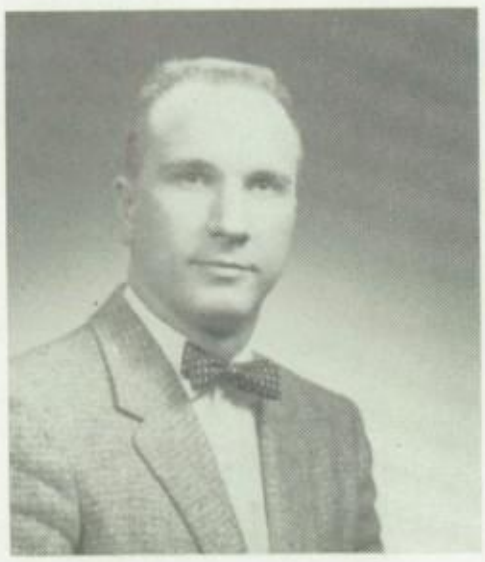
The faculty and students of Don Bosco wish to express their sympathy to senior Pat Rooney on the death of his mother, and to alumni William William Waterman and Thomas and Lawrence Stencel on the death of their mothers.

Mr. Callahan Teacher, Coach

Mr. Edgar Callahan, who has been Don Bosco's physical education director for the past five years was born in Youngstown, Ohio. Ohio is where he spent his adolescent years before coming to Milwaukee in 1949 to attend Marquette University and major in the field of mathematics. He has shown his math wisdom by teaching Algebra II and previously Algebra I.

As a student at Marquette, he played tackle and guard on the varsity football team. In reference to those golden days Mr. Callahan stated, "We did win a few games."

His athletic know-how in the field of coaching football, basketball, and baseball has been shown in the way he has eld Bosco teams to victory.



Mr. Callahan

Mr. Callahan, along with his wife Sallly and five children: Kathleen 6, Patrick 5, Colleen 3, Daniel 1½, and of course, the new addition Kevin, who is almost a month and a half old, is now a resident of New Berlin. They are parishoners at Holy Apostles' Church where the children will attend elementary school. **—Doug Sturomski**

Allen-Bradley Crowd Tops 800

The Home and School Association of Don Bosco was proud to feature the Allen-Bradley Show, January 26 at 8 p.m. in the gym.

Show tunes from the Broadway hit "My Fair Lady," classical and popular songs as "Mack the Knife," and "Way Down Yonder in New Orleans" were features of the night's entertainment. Added to the music was a tap dance routine along with a few comedy skits.

The troupe consisted of 21 band members plus 24 vocalists, all under the direction of Mr. Anthony Werth, whose son is a graduate of Bosco.

All of the performers are Allen- Bradley employees who do all their practicing in their spare time. They are now headed east for a three-week road tour.

About 800 were present to view the show.

—Marv Huber

Work on Annual Begun by Seniors

Work on the 1960 senior yearbook is well under way. The theme of this year's Annual, called the DON, is "The Spirit of '60."

Essentially, the '60 DON will be similar to last year's Annual, combining a special senior section with copies of the school newspaper from the last four years. However, thanks to a successful patron-ad drive, the senior section will contain more pages and, consequently, more features. The DON, available to seniors only, sells for $4.00. A special price of $3.50, however, was given to those who paid for theirs before January 29.

Assisting Editor John Sokop in the production of the DON are: Richard Streeter, Norbert Domagalski, Mike Okonek, Bill Bodden, Bill Todryk, Roger Kopac, Jim Matthews, George Lee, Joe Dailey, Ron Adler, Jim Rembowski, plus the DON representative in each senior homeroom. **—Bill Bodden**

BEACON SPORTS

T. Wangerin, T. Sager, and T. Myszewski are shocked as St. Joseph player fouls D. Bujanovich.

Dons Attain 8-4 Conference Record

The Don Bosco varsity basketball team visited St. Benedict and came home with Bosco on top, 54 to 48. Bujanovich had six field goals and four free throws to lead the scoring.

Three Dons Put in 37 Points

The Dons outlasted Cathedral 46 to 41. Sager, Bujanovich, and Wangerin set up the victory by netting 14, 12, and 11 points respectively.

Messmer Defeats Knights

The Green Knights met the Bishops in a close tilt which finished with the Knights on the short end of a 50 to 48 decision. Sager was top man with seven buckets from the floor and two from the free throw line.

Memorial Downs Dons

In their ninth conference game the Dons were handed their third conference defeat by Memorial, 65 to 58, at Waukesha. Sager scored 16 points for top honors.

Wangerin and Sager Spark Victory

Don Bosco overpowered its South Side rival, Notre Dame, 52 to 45. Wangerin and Sager lead the scoring with six and five field goals and six and four free throws respectively.

Shooting Inaccurate

The Knights lost to Pius XI, 50 to 41, an dshot 18 per cent from the floor. Sager topped the scoring with 19 points.

Slaughter St. Bonaventure

The Dons visited St. Bonaventure and returned with a 54 to 36 victory. Top scorers for the Dons were Wangerin and Hoerl with 18 and 14 points respectively.

—Dale Petran

Knight Light

Newly elected vice-president of Bosco's Student Council, Dick "common man" Hoerl is under the glow of Knight Light.

Richard Hoerl

During his four year stay at Bosco, Dick has been very popular and active. His many and varied activities include: Sodality for four years, chairman of the literary committee this year, a class officer for four years before being elected vice-president, he represented Bosco at the WCAC convention, member of the speech team from his freshman year on; in his junior year Dick was a finalist in the humorous division, and played the leading role in the senior play this year.

Besides these activities Dick has been a member of the Don's basketball team since his sophomore year; this year Dick has the role of starting guard.

In his spare time Dick takes care of the school's pep rallies, writing the comedy skits and often participating in them. Congratulations Dick, for work well done, and for future work as vice-president of the Student Council.

—Ralph Modjeska

Beezers Win With Fine Ball Control

The Don Bosco B-team basketball squad continued its season with a victory over St. Joseph of Kenosha, 29 to

Grapplers Tussle To 3-4 Mat Record

The wrestling team is now more than half way through its season. This under publicized athletic team is now receiving the overdue credit it deserves.

The boys run laps in the gym for about ten minutes before retiring to the school basement to do calisthenics and practice some of the trickery they've learned from the coaches. The team officially has one coach, Bro. R. Krull, but receives expert advice from an ex-wrestler and wrestling coach in the person of Mr. J. Lafleur.

The vital statistics are:

Entrant	W	L
Lafleur	3	2
Flayter	4	3
Kosak	7	0
Orlikowski	2	5

19 playing fine ball and leading throughout the entire game. The Beezers were paced by Race who meshed 12 points through the hoop.

Beezers Too Tough

Another victory was chalked up by the Beezers as they slipped past St. Benedict, 43 to 33. Bellanti lead the scoring with 11 points.

Race's 11 Not Enough

Cathedral defeated the Beezers by a score of 23 to 31. High point man was Race with 11 points.

Good Ball Control

The "B" rebounded and defended well enabling them to topple Messmer, 30 to 22. Letkeweicz was high with 12 points.

Tied in Third But . . .

The Beezers fought hard and were able to catch up to Memorial in the third quarter but were unable to take the lead. The final score was 25 to 31 with the Junior Dons on the short end. Race again was high scorer with 16 points.

Notre Dame Wins in Overtime

Jim Peter's 17 points were not enough to lead his team to victory against Notre Dame. The overtime period ended with Notre leading 50 to 32.

Pius Just Lucky

The Popes slid by our Junior Dons with a score of 43 to 39. Jim Peters and Bellanti lead the scoring with 10 points apiece.

Kocs Helps Beezers

The Beezers got a whif of the sweet smell of victory by defeating St. Bonaventure, 45 to 34. In their highest point output of the season, Kocs was high man with one-third of the points.

—Chuck Bartels

C-Team Soprts 8-7 Over All Record

Ceezers Blast Mequon, 38-27

The freshmen defeated Mequon by a score of 38 to 27. An intensive team effort, especially on defense, proved to be the winning factor. Scoring honors were held by John Zanotti with 17 points.

"C" Team Romps Nicolet, 49-29

Sparked by a determined defense, the Ceezers established an early halftime lead at 22 to 7. Excellent offensive play was led by John Zanotti and Ray Kais with shooting and driving. The rebounding was attended to by Jeff Redman.

Cathedral Triumphs

As a result of poor shooting from both the free throw line and the floor, the Ceezers dropped their first conference game of the season 27 to 21.

Ceezers Nipped by Messmer, 33-32

The freshmen lost a "heartbreaker" when they were defeated at the hands of Messmer. Atlhough both defense and offense were working well, a low shooting percentage of 35 per cent was the deciding factor.

Frosh Come Back to Win

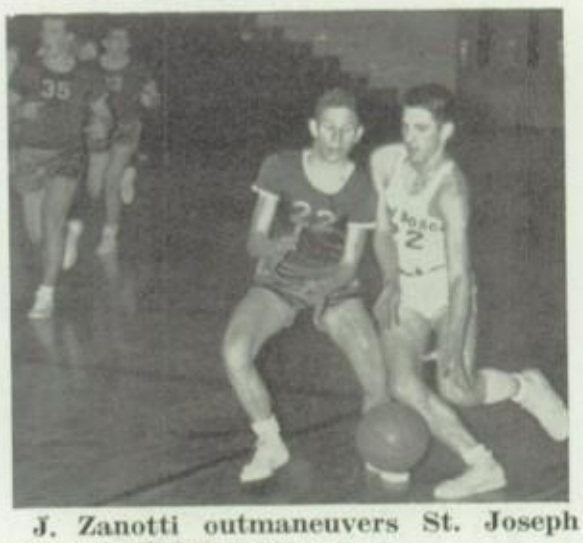
After trailing 16 to 11 at halftime, the Ceezers, sparked by John Zanotti, who scored 20 points, came back to win an impressive game over a stubborn Shorewood team by the score of 36 to 28.

Ceezers Lose High Sscoring Battle

Although the battle was one of defeat for the frosh team, they played one of their best games this season. The Notre Dame defense seemed to be the winning punch.

Jordon Wins on Free Throws

Because of poor free throw shooting, the Ceezers dropped a close game to Jordon, 34 to 29, while having 25 per cent shooting.—**Dennis Grzendzielewski**



J. Zanotti outmaneuvers St. Joseph player in C-team game.

Team Is Winning; Fans Are Losing

Don Bosco sports fans have long been noted for their spirit and sportsmanship. But this reputation is rapidly being ruined. The sportsmanship shown at recent basketball games has been disgusting, to say the least.

If the good name of our school is to be preserved, our fans must adhere to the Courtesy Campaign rules and refrain from such violations as booing, hollering at the referees, and making unnecessary noises when our opponents are on the free throw line.

This problem of poor sportsmanship demands immediate action. Everyone—alumni and friends as well as students—must do his part solve it.

—Bill Bodden

Tom Sager

Sager, All-Catholic Selection

When the basketball season rolled to an end and the Dons had captured a third place, sportswriters were hailing Tom Sager for his consistent scoring and excellent feeding and ball handling. When the All-Catholic teams were announced Tom was on the first five on both Sentinel and Journal teams. Both newspapers heralded Tom as the league leader in the passing and feeding department.

To add to these honors Tom was awarded a trophy from 102 which named him as "Don Bosco's Athlete of the Year." Also a few weeks ago Tom represented the Catholic Conference on a city-wide television program.

Truly the name Tom Sager is well known here at Bosco. In the past four years, especially in his senior year, Tom has brought a great deal of honor to Bosco. This year he was quarterback of the football team. Then when the basketball season rolled around, Tom picked up where he had left off last year.

At this time the members of the **Beacon** staff would like to join the students and faculty in saying, "Congratulations!"

—George Sielan

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Thursday, March 31, 1960 Volume XIV—Number 5

Class Reunion, 15th Anniversary

If you were to walk into Bosco in the fall of 1945, the first year of the school's existence, you would have found three of our present senior rooms occupied by freshmen and the other by sophomores. The other parts of the school building were being repaired or used as living quarters for the faculty.

Many parishes in Milwaukee were represented in Bosco's first freshman class of 120 students.

Extra-curriculars included the Sodality and glee club and in sports that year Bosco took a first with Bro. John Kurz's frosh basketball team. Bro. John was also coach of the first football team here.

From a few classrooms in 1948 Bosco has grown to the size of 16 homerooms.

Since then, there have been many new improvements such as a complete painting of the interior, the building of our up-to-date Beacon Room, a mimeograph room, modern chapel, and a well equipped band room. In 1948 the present gym and faculty residence was erected. Within the past two years, new lighting has been installed, the library modernized, fire-proof stairs constructed and new linoleum placed on the first floor classrooms and hall.

In connection with this 15th anniversary, Don Bosco's first graduating class, that of 1950, will hold a reunion Saturday, April 23.

—Tom Nadolski

Annual Activities Banquet Held March 23

In order to honor the students who are engaged in extra-curricular activities, an Activities Banquet was held March 27 in the gym. Guest speaker for the night was Judge Robert Cannon. Other guests were major letter winners and outstanding members of various school organizations.

Represented were the following activities: the band, speech team, the Don, Beacon, glee club, library assistants, dramatics club, science club, Student Council, ski club and the other sports.

Several displays showing the work of each organization were part of the program.

To help finance the costs of the Banquet the students solicited ads which were placed in booklets distributed to those present that evening. Copies were also sent to the students' homes. The total amount collected during the drive was $1,609.

—Roger Vopal

Science display.

Students Learn of Possible Careers

Career Day was held on Friday, March 11. The first session for the juniors and seniors began at 9 a.m. and included such fields as accounting, engineering, and music. Then at 10 a.m. the entire student body assembled in the gym for Holy Mass.

The upperclassmen returned for their second session, which began at 11 a.m.. The talks were on advertising, chemistry, journalism, and law. While the juniors and seniors were attending their sessions, the freshmen and sophomores were being briefed on the four basic factors of career planning, namely: aptitudes, interests, personality, and opportunities.

Career Day speakers came to Bosco through the courtesy of the Kiwanis Club.

—Michael Krzewinski

Science Club To Hold Science Fair

Don Bosco's Science club, directed by Bro. James Donovan, is planning to hold its first science fair April 1 and 2. Thus far 23 projects have been submitted. The two who have submitted the best projects will represent Bosco at the Marquette University Science Fair.

Recently Bosco's Science club has been given some equipment by the Federal Government under the Civil Defense Program. Included were two Gieger counters and two ion counters. C.D. has

Sturomski, First In Talent Show

A talent show was held February 6, in the Don Bosco Gymnasium. The 11 acts, ranging from soloists to instrumentalists, lasted from 8:00 to 10:00 p.m. Tom Lambert, a graduate of Don Bosco and presently a disc jockey at WISN, was Master of Ceremonies and had the task of introducing the performers.

Starting off the show were two freshmen, Dick Winkowski and James Oleniczak, who played a medley of songs.

The following act was a monologue given by Bill Kriskovic on a most talked about subject—airplanes. Next in line was Joe Mei playing "Lullabye of Bird Land" and "Because of You" on the piano. The next feature in the program was Frank Graebner who sang two base solos, "Asleep in the Deep," and "Shenandoah." Dennis Mei, giving competition to his brother, also played the piano.

The loudspeakers were vibrating as

First place—D. Sturomski.

Don Domagalski and Bill Roberts played their songs on guitar and accordian. Adding a bit of comedy to the program were the Two Irishmen, Jim Matthews and Joe Dailey, who portrayed two magicians. The spirit of the Old West descended upon the audience as the Casual-Tease quartet, composed of Chuck Bartels, John Bull, Bob Barczak, Joe Graebner accompanied by Dennis Mei, sang "Tom Dooley" and "Tiajuana Jail." Following were the winning numbers of Doug Sturomski who played "Malaguenea" and "Nocturne" on the piano. Then Dick Hoerl appeared on stage with his monologue entitled "My Uncle Is a Genius." Winding up the show were the Kingsmen (George Lee, Tom Kaluzynski, Joe Mei, and Bernie Krueger on guitar).

In a few minutes the following judges' decisions were announced by Tom Lambert: 1st place—Doug Sturomski; 2nd place—Dick Hoerl; 3rd place—Joe Mei. Honorable mentions — Bill Kriskovic, Two Irishmen).

—Joe Graebner

What Constitutes a Good T.V. Program?

Kathy Hurley

TV programs should follow the Moral Code of the Church or a gentlemanly code of ethics. Any man with half a conscience wouldn't show some of the absolute junk that is thrown at us now.

The "Gary Moore" and "Dinah Shore" shows are about the best examples of decent programs on the air. These shows have the clean wholesome type of entertainment that can be enjoyed by the entire family. As Father Hafford said at WCAC, "They won't corrupt your parakeet."

With all the news about television scandals and congressional investigations, I feel that anyone who has definitely been linked to this kind of activity should be banned from the air waves for good. We cannot afford to have men and women of this caliber on the TV screens, filling our minds with filth, as long as TV maintains the great and overall influence it now possesses.

Pat Niggemann

Taking on the leading role of communication in our country, television not only serves as a medium of exchange but also plays the part of an electronic baby sitter. Therefore, we should be certain that only programs of high moral value are viewed in our homes, as television occupies such influential position.

Through this medium our minds are nourished by false standards and debasing thoughts such as those depicted in programs fostering crime, delinquency, and broken homes.

As the Catholic public we should demand a higher ethical code and watch only those programs which portray the proper conduct of life, character, and happy family living such as "Loretta Young," "The Perry Como Show," and "Father Knows Best."

Having been trained in a Catholic School, we should have acquired a high sense of moral standards and values. Therefore, our conscience should be our best guide in selecting only those programs which conform to these standards.

What Are Good Advertising Principles?

Ursula Plewa

We are a gullible people. In this modern world with the latest scientific discoveries, modern schools, the highest methods of experimentation and education we, the people, are being mislead, fooled, and cheated. This happens not only to a few at certain times, but to most of us every day of the year. This cheating the public is a wide-open business carried on through sources well-known and enjoyed by all. Television, radios, newspapers, magazines, and other forms of communication are saturating the people with a tremendous desire to buy and emptying the pockets of the buyer to increase the gargantuan money-making business of advertising.

It is the duty of the advertiser to be informative about his product and not to appeal to the low morality of the purchaser. On the other hand, we, as buyers also have a duty. We must consider the nature of the product, its cost, and the reasons why one brand of product is better than another. Buying Soap A because a famous Hollywood star uses it; riding Car B because it was made in California; or eating Brand C noodles because they are shaped like little o's are no reasons for buying the product. We have an obligation to insist that, since we pay for the advertising each time we buy, we be given honest information to enable us to make an intelligent choice.

Barbara Jennings

Today's world is filled with advertising which urges people to buy everything from breakfast cereal to outboard motors. Little of this advertising can be labeled "good."

Advertising must be truthful, educational, and informative. It must not claim its brand to be better than Brand X, Y, or Z unless it can actually give the facts to prove it is. The advertiser has a duty to tell the public basic, important facts about the product: its price, its nature, and how it surpasses its competitor. Good advertising does not state, "We give green stamps," and neglect to mention the features of the product it is trying to sell. The product cannot be shown in a way which will appeal to man's lower nature and immoral desires or build up a wrong sense of values. However, examples of this can easily be found in many advertisements.

The prospective purchaser also has a duty. He cannot accept everything the advertiser suggests to him. He must make decisions for himself and not be influenced by the masses said to be buying the product. He must weigh the pros and cons sensibly and base his decision on the facts.

Nine States Send Reps To 15th Annual WCAC

This year the 15th annual WCAC was held March 4, 5, and 6 at the Milwaukee Auditorium-Arena with representatives from nine states.

The convention began Friday with a Pontifical High Mass celebrated by Archbishop Cousins. The day consisted of three general sessions and one sectional talk. The day ended with a talent show of which the following schools were winners: Pius XI, Divine Savior, St. John's Cathedral, Notre Dame, and Marquette.

Saturday, the second day of the Convention, got underway with a Low Mass and afterward two general sessions and sectional talks were held. A social in the evening ended the day's activities.

On Sunday, the final day, a Solemn High Mass was said, and breakfast was served. A Holy Hour brought to a close the three day affair.

Some of the speakers were Bill Lundigan ("Men Into Space"), Father Schmit, Andy Robustelli, who is captain of the New York Giant's football team, and Richard Dwyer of the Ice Follies.

—Marv Huber

SMAers, Boscoites Put on 3-Act Play

The Marian players presented a dramatization of "Ramona" at St. Mary's Academy Saturday and Sunday, February 13 and 14.

The play, in three acts, told of the years after Mexico signed a treaty ceding California to the United States. The story was centered about an Indian girl who, though brought up on a great Spanish estate, chose the life of her own people at a time when Indian land grants were questioned in court.

Several Bosco actors supported the St. Mary's cast: James Matthews, James Rembowski, George Lee, Adrian Perz, Robert Burke, Patrick Dunn, and Russel Galewski. The rest of the cast included the following: Suzanne Koetting, Muriel Squires, Mary Celinchowski, Elinor Grabski, Dianne Dynek, Kathleen Walczak, Marlene Kleczka, Judith Ondrejech, Mary Jane Sweida, Mary Van Beck, Elizabeth Ansay, Alexandra Balcerak, Kathleen Tehan.

—Michael Krzewinski

In honor of Father Chaminade and St. John Bosco, a Patrons' Day assembly was held January 22.

The assembly began with speeches on the life of Father Chaminade and Don Bosco. For added entertainment, the band and glee club performed, and afterward Richard Hoerl presented a comedy skit.

—Philip Gerlach

Kingsmen Get Start at Assembly

With the plunking of a guitar and harmonizing of three voices, the Kingsmen started on their way. The group, consisting of Tom Kaluzynski, Joe Mei, George Lee, and Bernie Krueger made their first appearance during a Bosco assembly a few months back.

They started out by singing at lunch periods in the cafeteria giving students a unique form of dinner music. Then the boys entered the Talent show here. This appearance earned them a spot in the WCAC Talent Show and an invitation to Saint Mary's Annual Show.

Of course their really big night was the WCAC where approximately 9,000 people viewed these Kingsmen singing "Good News," "Chariot's Coming'," and "When the Saints Go Marchin' In." This act left the audience screaming and clapping. That night they were assisted by Ray Ciszewski who played bass guitar.

Although the Kingsmen didn't win they certainly left a lasting impression on the crowd.

Carrying onward as representatives of Bosco, the group also appeared in St. Mary's Show, March 20.

To these boys the best of luck in their coming performances.

—Tom Kaluzynski

The new singing group, the Kingsmen, are composed of L-R: B. Krueger, J. Mei, T. Kaluzynski, G. Lee.

Don Bosco's speech team will take part in the third and final Midwest Catholic Forensics League tournament of the year Saturday, April 2. This meet is to take place at Marquette University.

In their last, February 6 at Loyola Academy in Willmette, Ill., Richard Hoerl was Bosco's only finalist. He merited a first place in humorous speaking.

Winners of the last tournament were Marquette, St. Catherine's, and St. Patrick.

"Close Curtains Dim Lights . . ."

Stage Crew, Kneeling L-R: R. Kaczmarek, S. Weyda, standing L-R: M. Hunn, M. Wachowiak, T. Prokop, J. Marks, C. Ney, B. Krueger.

Every time you enter the gym for an assembly, play or what have you, usually some sort of scenery has been set up by the stage crew, an unseen force at Bosco. The altar doesn't set itself up for Mass, the lights don't change colors by themselves, the scenery doesn't assemble for the senior play or for the glee club concert without any outside assistance. All of these above mentioned depend up on the "unseen force."

The crew's head is Bro. Charles Rahe, who directs the efforts of Bernie Krueger, John Marks, Tom Prokop, Ray Kaczmarek, Scott Weyda, Mike Wachowiak, Mike Hunn, and Chuck Ney. These fellows should certainly be respected for their "behind the scene" efforts.

—Chuck Bartels

Students See for First Time Eastern Rite Mass

Fr. John Oleksiuk, the celebrant, is of the Eastern Rite in the Don Bosco Gym on February 22. Fr. Finn from Marquette University gave a commentary of this Mass. Some of the main differences were the language which was Slavic, the procedure of the celebration with Holy Communion distributed under the form of bread dipped in wine, and the vestments of the priest and the altar boys. The Mass in its entirety lasted an hour and ten minutes.

Fr. John Oleksiuk, the celebrant, is now pastor of St. Michael's Parish. One thing to note is that the priests of the Byzantine Rite are permitted to marry. Fr. Oleksiuk is no exception for he is married and has two children.

—Roger Vopal

Sympathy

The faculty and students of Don Bosco wish to express their sympathy to junior Frank Janiga on the death of his father.

Band Grows From 10 to 60 in 13 Years

Since its organization in October, 1947, the Don Bosco Band has grown from a small nucleus of ten to its present size of sixty members. Largly through the efforts of Mr. A. Gehrke, the band's original director, and Mr. E. Kanaskie, the present director, the unit has developed into the entertaining group it now is. The daily lessons given to beginners and others, plus the frequent group rehearsals have been a big help in keeping the band at peak performance.

The band has played at assemblies and at football and basketball games, producing added life to these school affairs. Besides providing music at sports events, assemblies, pep rallies, and parades, our band will be a part of the annual Wisconsin School Music Association competition April 2. All these events, plus sponsoring the Military Ball keep the band busy the year round.

The present student interest in the band assures its continued and increasing success.

—Jeff Schrank

BEACON Staff Brought to Light

For almost fifteen years **The Bosco Beacon** has been the student's newspaper, informing them of events in and around the school. Of course each issue brings a carload of jobs which have to be done before each issue.

In fact, about two months before each issue, the **Beacon** machine is already running. First, the amount of advertising is determined by Joe Krzyzanowski, business manager. News, features, and scholastic topics are then listed by editors Dale Petran, Eugene Keul, Arne Koch, and Ray Ciszewski. During the first semester these editing chores were handled by Bill Bodden.

Next, the articles are assigned to the **Beacon's** roving reporters who have two to three weeks to cover the story. At this time photographer Paul Barbian is busy with his camera.

When the articles have been turned in, revised, and typed, the paper begins to take a definite form for it is then that final layouts are made. These layouts, along with headlines and pictures, are sent to the printer.

In a short time the editors receive "page proofs" or rough copies of what the final printed copies will appear like. The proofs are scanned with eagle eyes for journalism and typographical errors. The proofs are returned to the printer and the presses start rolling.

The following day, the papers are brought back, folded, distributed and mailed. Mailing chores are handled by Ken Sweet and Phil Gerlach, while Mike Krzewinski is in charge of distributing them to the homerooms.

While you are still reading your copy, the staff is again starting to plan the forthcoming issue, and what is hoped to be, an even better edition of **The Bosco Beacon.**

also provided some sample cases for testing food to make sure it is free from radiation.

The club is currently engaged in a series of lectures held every Saturday evening in the physics lab. The present topic under discussion concerns "radiological monitoring" or, in laymen's terms, the detecting of radiation. These talks are sponsored by Civil Defense in conjunction with their new equipment.

Some other activities that are being undertaken by members of the science club are construction of a radio transmitter, a color television set and a demonstration radio.

The club at present has 15 members.

—Carl Sibilski

So Sorry!

After the last issue of **The Beacon,** we discovered one homeroom paper had not been given recognition in the article about the **Beacon** competitors. We would like to make known now the "207 Cavalier" edited by Carl Sibilski.

Sixteen Advance To Aspirant

During a special assembly in the Don Bosco Gym on February 11, 34 freshmen were admitted as Aspirants in the Sodality. Also 16 renewed their consecration as Aspirants.

Those advanced during the ceremony were the following: G. Badura, P. Datka, D. DeBattista, E. Grobschmidt, J. Gutowski, M. Strzelec, J. Van Heesch, R. Winkowski, D. Andraszczyk, L. Doersching, M. Filipiak, J. Gallagher, R. Kais, T. Niemann, D. Lamping, C. Niggemann, D. Schweitzer, J. Simon, D. Soldon, J. Starck, F. Tessler, T. Van Handel, J. Datka, D. Edwardsen, J. Foti, M. Krzewinski, R. Grady, R. Gramins, F. Kleczka, A. Pedriana, R. Vopal, D. Weber, and J. Zanotti.

Those who renewed their pledge were: D. Bialozynski, P. Flaig, D. Florek, J. Frelka, K. Griesemer, T. Harrington, T. Kilian, T. Olszyk, J. Plewa, R. Rademacher, M. Sargent, G. Smolen, G. Stamm, R. Starck, and M. Szymaszek.

Also, R. Belli, J. Filopowicz, P. Byrne, J. Kucharski, R. Ruthenberg, J. Shaw, R. Gerke, and T. Zagorski were admitted February 25 in the school chapel.

Fr. Leies was the celebrant at both receptions.

—Ken Kujawa

NMSC Classes Taken by Top 10% of Jr. Class

The National Merit Scholarship Qualifying Tests were taken March 19 by the juniors along with a few selected sophomores.

In preparation for these tests which lasted three hours, the top ten percent of the juniors and the special sophomores attended special classes taught by Bro. Osborne and Bro. Skloss, held Thursday nights.

The tests were administered not only to select scholarship winners but also to give students a profile of themselves and where they stand among other students in the country.

Next October, 10,000 semifinalists (highest scorers in each state) will take a second exam. From these, the finalists are chosen. They will take a third exam in November or December.

Five of our present seniors are finalists.

The Lourdes Ball was held February 12, 1960, at George Devine's Million Dollar Ballroom. Music was supplied by Larry Ladd from 8:30 until 11:30.

Approximately 800 were present at the formal dance sponsored by SUMA.

Knights Tied for Third, Finish Season With 12-5 Conference Record

The Don Bosco varsity basketball team edged by Dominican with a score of 50 to 49. Hoerl, Myszewski, Wangerin were the Boscoites who had their individual scores in double figures with 15, 13, and 10 points respectively.

Dump Hilltoppers, 61-50

For the second time this season the Dons defeated their age old rival Marquette by a score of 61 to 50. Sager, Wangerin, Bujanovich, and Myszewski grabbed top honors for Bosco by netting 14, 13, 13, and 10 points respectively.

A Brush Over

Hoerl, Bujanovich, Grafenauer, and Sager lead the Knights to a masterful victory over St. Joseph, 74 to 55. The score reached by the Knights was the highest so far this season.

St. Kates Too Good

The Dons played host to the Angels and were leading throughout the first quarter, but the Angels pulled ahead in the second quarter and the game ended with the Dons on the short end of the score, 58 to 31.

A Great Come Back

The Knights swamped St. Benedict, 80 to 59 .High scorers for Bosco are Wangerin, Sager, and Myszewski with 19, 15, and 14 points respectively.

Congratulations to the team and to the coaches for the fine record that was achieved in the 1959-60 basketball season.

—Dale Petran

T. Myszewski scraps for ball as T. Sager looks on in background.

Dons Take Second In Regional Tournament

Don Bosco entered the W.C.I.A.A. Regional Tournament with a game against Madison Edgewood and the Dons defeated them by a score of 58 to 53. High men for Bosco were Wangerin (19), Myszewski (14), and Sager (12).

In the championship game Don Bosco lost a close one to Notre Dame, 55 to 50. Myszewski and Wangerin gained top honors for Bosco by tallying 18 and 14 points respectively.

Three to one odds doesn't phase T. Myszewski as he goes up for rebound.

Bosco Play, Sunshine Twins

For the past three weeks Bro. Charles Rahe has been directing and preparing the play "The Sunshine Twins" to be presented here at Bosco April 22, 23, and 24.

Besides five actors from Bosco, five "feminine thespians" from St. Mary's have roles in the play. Bill Bodden, Joe Dailey, Dick Hoerl, George Lee, Adrian Perz, Muriel Squires, Diane Dynek, Karen McDonald, Kathleen Stahler and Jane Wabiszewski make up the cast.

—Joe Dailey

Grapplers Take Second Place in State Tourney

On Saturday, March 19, the State Catholic Wrestling Tournament was held at Don Bosco. Seven teams from all parts of the state competed.

As the spectators entered the gym they immediately noticed a white mat and a green one where the contestants were called and given a chance at the state championships.

Don Bosco, due to the fine work of the team, ended up in second place with four wrestlers taking state champ titles.

The following table gives the result of the tournament:

Team Scores	**Points**
Waukesha Memorial	120
Don Bosco	77
Kenosha St. Joseph	74
Pius XI	27
Marquette	19
Racine St. Catherine	15
Stevens Point Pacelli	13

Individual Scores

Skiers Make Use Of Abundant Snow

They may not be listed on the official roster of teams which participated in this year's Olympics, but you can be sure that Bro. Victor Naegle's boys do their best every time their skis touch the snow.

The following is a typical skier's weekend.

8:45 a.m. Friday: Bulletin calls for a ski club meeting in 113 at dismissal.

3:00 p.m. Friday: The weather looks good and a show of hands say P. Zierden, J. Sery, A. Richards, T. Quincey, T. Rozewski, and R. Beckman are going skiing Sunday.

6:30 p.m. Saturday: Exact number going—Final confirmation of presence is given to Bro. Victor, who will get out the required number of skis.

8:30 a.m. Sunday: All members present and accounted for and the skis are loaded in cars.

8:45 a.m. Sunday: Everything set? Time to leave.

10:00 a.m. Sunday: Arrival at little Switzerland Ski resort, pay tow fee and put on ski boots.

10:15 a.m. Sunday: Everything set and the long awaited moment arrives as the boys zoom down the 1,100 foot hill.

6:00 p.m. Sunday: After a long day of skimming the slopes and climbing the tow, a tired band of skiers returns weary but happy, to Don Bosco and home.

—A. Richards
—T. O'Connell

R. Beckman and J. Sery pause before a down hill trip.

Rosary Daily After School

Wrestling Team—front row, L-R: T. Burke, J. LaFleur, L. Orlikowski, M. Wingert, J. Otzelberger, R. Riddle, R. Flayter. Second row: M. Mrotek, R. Gizelbach, K. Chybowski, D. Jankowski, J. DeVita. Standing: Mr. LaFleur, coach; M. Krzewinski, J. Rogahn, D. Spenner, N. Adelmeyer, J. Katzfey, T. Raden, J. Sery, Bro. Ralph Krull, coach.

Season Ends With Win, 12-10 Record

After being down 25 to 16 at the half, the determined Ceezers sparked by John Zanotti with 23 points, overwhelmed the surprised Hilltoppers with a spirited 29-point second half.

Ceezers Win Overtime Bout

Determination again seemed to be the main factor in the basketball game between the "C" Team and St. Joseph. Again, down 22 to 16 at halftime, the "C" Team tightened up on defense and let loose on offense to beat St. Joseph, 38 to 34.

Freshmen Blast Nicolet, 56-35

An excellent defense and a spirited offense proved to be the two main factors in the one-sided victory over Nicolet. Ray Kais led scoring honors with 17 points.

St. Kates Too Strong

St. Kate's strength and ability were too much to overcome as the Dons took a 41 to 31 beating from the Junior Angels on February 19.

Ceezers Win Final

The "C" Team finished a very successful season by defeating Brookfield, 44 to 29 and boosted their season record to twelve victories and ten losses.

Congratulations to Bro. Donovan and to the entire Freshmen squad for their brilliant performance in the 1959-60 basketball season. If this determination and spirit keep up, the future varsity will be terrific!

—Dennis Grzendzielewski

	6. P. DATKA	51	.301	39

Sophs Post 12-8 Record as Season Ends

The sixth and final loss of the season was handed the Don B team, in a surprising battle against their arch-rivals Marquette. The Beezers, ending up only one behind by a score of 33-32, improved since their last encounter when they lost by 25 points. The Junior Don's fought hard and played well but could not contain the Hilltoppers. High man was Jim Peters who had 11 points to his credit.

Beezers Bounce Back

The Beezers showed its strength again as they defeated St. Joes of Kenosha 47-23. The Dons had the game all the way and played fine ball. Dennis Kocs paced the Dons with 16 points.

A Final Victory

The 10th and final victory of the season against St. Benedict, was another close victory, the score ending 45-44. Again Kocs took high scoring honors with 16 points.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Thursday, May 12, 1960 Volume XIV—Number 6

Bro. Haarmann— Silver Jubilarian

Bro. George Haarmann was honored at an assembly and several Masses in recognition of his "Silver Jubilee"—25 years in the service of Mary.

The weekend festivities started with an assembly in the gym April 20. At this congregation Bro. Towers and Mr.

Bro. Haarmann renews vows.

Roland Mietus, president of the Home and School Association, were the main speakers. For entertainment the band and Glee Club performed. Two gifts were presented to Bro. George—a check for $100 and a Spiritual Bouquet.

The following day a Mass was offered for him at St. Hyacinth's at 4:30 p.m. Attending were the faculty, friends, relatives, students and parents. At a party in the cafeteria later in the evening, Affiliates, Brothers, priests, and relatives came to honor the Jubilarian.

Monday morning, May 2, a student Mass was offered at St. Hyacinth's. Fr. Kusman, well known in the Society of Mary, preached at both Saturday's

G. Walloch 96.81---A. Perz 93.77

Walloch Leads All Others by Large Margin

Leading the Class of 1960 is Gerald Walloch of 113. During his four years at Don Bosco, Gerry has maintained an average of 96.81.

Besides being an outstanding student scholastically, he has been in several activities in school. Most of his work has been done as a member of the Student Council of which he was homeroom representative for three years and treasurer in his senior year. He also participated in several intramural sports and football in his first three years. Religion has not been left out for, throughout his high school days, Gerry has been very active in the Marianist Sodality, even earning the office of pre-

fect as a sophomore. Rounding out his activities is work in the candy store.

To Gerry Walloch, Valedictorian of 1960, congratulations.

—Richard Streeter

Semmler Trailed Perz By .04 of a Point

The Salutatorian of this year's graduating class is Adrian Perz whose 93.77 average placed him just above Gerald Semmler who finished with an average of 93.73.

Oddly enough, Adrian came close to not attending Don Bosco. He had planned to go to school near his home town of Cecil, Wisconsin, but one of his cousins, a Bosco alumnus, talked Adrian into signing up at his Alma Mater.

Our Salutatorian has not spent his four years entirely with his nose in his books. He has participated in his share of extra-curriculars including speech, Sodality, dramatics, and the Student Council.

As for the future, Adrian has already been accepted at Notre Dame where he intends to study law.

Congratulations and best wishes to the Salutatorian of 1960.

—Bill Bodden

O'Connor Wins NMSC Scholarship

Don Bosco senior Vincent O'Connor has been announced as a winner of a coveted National Merit Scholarship. Vince, of homeroom 111, was one of five Bosco NMS finalists this year. His scholarship will be used at the College of St. Thomas in St. Paul, Minnesota, where he will major in mathematics.

Vince has been active as a homeroom officer and in intramural bowling.

Streeter Merits NROTC Award

Richard Streeter, senior of homeroom 112, recently received a NROTC scholarship for college studies and living allowances. The award was made on the basis of a test taken last December 12. After completion of the program, Richard will receive a commission as an ensign for four years of active service with the navy.

Richard will use the scholarship at Marquette University where he will major in physics.

Zolecki Carries Eight Homerooms, Lucci, DeVita, Semmler Fill Slate

The Student Council officers for the coming school year were elected from the junior class April 28. Elected were John Zolecki (President), Mike Lucci (Vice-president), Joe DeVita (Secretary), and Brian Semmler (Treasurer). The other four nominees in the campaign were Arne Koch, Nick Adelmeyer, George Sielen, and Jim Ulma.

This election's campaigning was somewhat limited in regard to the number of signs a nominee could post. In the mid-year elections, the walls and halls of Don Bosco were plastered with signs so the Student Council decided to reduce the number that could be put up.

Another interesting feature of this election was the way in which the students voted. Regular city voting polls were placed in the gym. The students, who could vote between 8 and 8:30 and again between 3 and 3:30, lined up in front of the polls, presented their activity pass, had their name checked off, received their ballot, then went behind the curtain. This voting was on an entirely voluntary basis; however, a surprising 86.6% of the student body cast votes.

The Beacon staff would like to add its congratulations to the new officers and hopes that they will extend the fine reputation of Bosco's Student Council.

New student council officers:

John Zolecki—President
Homeroom 209
3 years homeroom representative
Sodality—Vice-Prefect of junior division
Football—C, B, Varsity
Basketball—C, B, Varsity
Baseball—Varsity, 2 years
Second Honors—Junior year

Michael Lucci—Vice-President
Homeroom 213
3 years homeroom representative
Sodality—Group Prefect; delegate to Sodality Convention
Basketball—C, B
First Honors—3 years
1960 delegate to Badger Boys' State

Joseph DeVita—Secretary
Homeroom 209
3 years class officer
Sodality—2 years
Football—C, B, Varsity
Wrestling—3rd in State Tourney
1960 delegate to Badger Boys' State

J. Zolecki

B. Semmler

Brian Semmler—Treasurer
Homeroom 215
2 years homeroom representative
Sodality—3 years
Football—B
Basketball—C, B, Varsity
Baseball—1 year
High Honors—3 years

Junior-Senior Prom Held May 6

Ask anyone who is, was, or will soon become a senior, what one of the biggest events of the school year is and most assuredly he would say, "The prom, of course!"

This year's junior-senior prom was held at the Pfister Hotel Friday, May 6. Reigning over the approximate 125 couples that attended were prom king Richard Hoerl and his queen Sandra Alexandrowicz. Elected to the prom's Senior Court of honor were Rick Rogahn (109), Mike Moczynski (111), Bill Barczak (112), and Gerald Walloch (113). The dates of the senior court members were Jo Ann Norris (St. Mary's), Kathy Hunsik (St. Mary's), Carol Starck (Mercy), and Patricia Stib (Holy Angels) respectively.

The Junior Court had as its members John Zolecki (209) and Barbara Zanotti, Peter Hess (211) and Sharon Bruhz, Dennis Grzendzielewski (215) and Shirley Szymanski, and Richard Gizelbach (213) and Mary Just.

For this special occasion, Ober Anthony and his orchestra again provided the music.

All the members of the **Beacon** staff would certainly like to extend its congratulations to all of the students elected to the Prom Court.

—**Chuck Bartels**

Junior Prom Court: J. Zolecki, D. Grzendzielewski, P. Hess, R. Gizelbach.

Prom Queen and King: Sandra Alexandrowicz and Dick Hoerl.

Senior Prom Court: W. Barczak, G. Walloch, J. Rogahn, M. Moczynski,

BOSCO FEATURES

DALE PETRAN

Deserving the spotlight today is a Boscoite who has helped quite a bit in making the **Beacon** a success. Senior Dale Petran of 111 has been the sports editor for the **Beacon** this year and has put life into the descriptions of each exciting game. Besides being the varsity baseball manager, he was also varsity basketball and football manager this year. On the Bosco annual, "The Don," Dale was in charge of his homeroom page.

Outside activities include being a member of Blessed Sacrament's CYO and president of the Explorer Scouts, Post 160. He also portrayed Mr. Grizwald in Mercy's senior play, "Good-by My Fancy." Since Dale's favorite course is math, he is considering becoming a math teacher. **—Tom Nadolski**

PHIL RINK

"Rinky Dink" who is none other than Phil Rink of 112 is one of Bosco's more active students. In past years he has been a Sodalist, library assistant, Bosco Club member, basketball and football player, homeroom treasurer and prom court member. Also he apeared in plays at Mercy and Bosco and an operetta at St. Mary's.

Also a busy bee in his last year at Bosco, Phil heads the temporal committee of his homeroom and the Student Council Intramural Committee. He has been a key factor in organizing various intramural tournaments such as basketball, bowling, chess, and table tennis. Aonther of his responsibilities is the field day at Marquette coming up in the near future.

After high school, Phil would like to become a math teacher.—**Gary Nadolski**

DALE BRECHLIN

A familiar face around Bosco and Milwaukee is that of Dale Brechlin of 109. Here at school Dale is a member of the science club and chairman of its planning committee. He is also vice-president of his homeroom.

"Moonwatching" keeps Dale busy most of the time since he is a member of the Milwaukee Astronomical Society. His activities in that organization include visual observance of artificial satellites for the government. Still another activity is being a member of the American Association of Variable Star Observers. Briefly, this means that he must observe and record information on stars that vary in brightness. Extending his activities still farther, Dale is interested in and has taken a course in Radiological Monitoring for the Federal Civil Defense Administration.

Physics and math are Dale's favorite courses so he would like to specialize in astrophysics in college.

—Tom Nadolski

Girls Take Time Out To Give Aid to Glee Club

The Don Bosco Glee Club and Band has grown in fame throughout the city of Milwaukee in recent years. One reason for this is because of six fine girls who, by giving up valuable time and numerous other activities, have practiced with and accompanied the Band and Glee Club at their performances. To Barbara Janis, Linda Wojciechowski, Annete Kircher, Cynthia Korta, Carol Bergenthal, and Barbara Beaudry, the students of Don Bosco High School would like to express our deepest gratitude for the time given and sacrifice made.

Barbara Janis

BARBARA JANIS

Helping out the Glee Club where it needs it most is senior Barbara Janis from Pius XI High School.

At school, Barbara's favorite subject is French and her favorite hobby is singing, for which she takes lessons. The school orchestra, the Sodality, the Melodettes, and a string quartet are her other activities.

A veteran at the piano (she's been playing 12 years), Barbara prefers classical and semi-classical music to other types.

In the state competition, April 2, she took a first in voice and piano in class A. Because of this, she was invited to the state competition to be held in Madison during the month of May.

LINDA WOJCIECHOWSKI

St. Mary's answer to Van Cliburn is sophomore Linda Wojciechowski.

Surprisingly enough, Linda's favorite subject is English. At school she may be found at almost any of these meetings: Glee Club, Marian music, or a class officer's meeting. Outside of school Linda belongs to the CYO at St. Adalbert and is a member of the Melodettes along with Barbara Janis.

She has been playing piano for five years, and has been playing with the Don Bosco Glee Club for two years. Her comment on the Glee Club is this: "There is good potentiality and a general interest among the boys." Linda's favorite song sung by the Glee Clubbers is "September Song."

—Arne Koch

School Kept Out of Mess by Able Janitors

These are the men who are responsible for keeping the school in tip-top shape—Mr. Kasprzak, Mr. Klein and Mr. Muelbauer.

News Notes

Mr. Edgar Callahan, football and basketball coach at Bosco, has announced his resignation.

Mr. Callahan will take over as athletic director and coach of all sports at Central Catholic High School in Rockford, Ill., which will open its doors in September.

During his 5 years at Don Bosco, the DB cage teams won 64 games and lost 49, while the gridders chalked up 30 victories as against only 13 defeats. His first cage team of 1955-56 won the league championship.

The **Beacon** staff would like to wish continued success to Mr. Callahan on his new position in Rockford.

* * *

The annual band summer camp, sponsored by the National Catholic Bandmasters Association, will be held this year at the Notre Dame University in Notre Dame, Indiana. Each year Bosco sends four band members to the camp. These boys earn this opporunity by their exceptional work in the band during the year. One of the boy's expenses is paid for by the band members' parents and the other three are selected from each division. Mr. Kanaskie has been selected to be one of the faculty members this year at the camp.

* * *

The annual "Spring Swing" dance was held here April 20 from 8 to 11 p.m. Music was furnished by the "Squires."

During the intermissions the 260 girls and 210 boys were entertained by the ever-popular "Kingsmen," and comedians Bob Rademacher, Bill Kriskovic, Richard Hoerl and Tom Curly of Pius XI High.

* * *

The annual Father and Son Night was held Wednesday, May 11, in the school gym. The evening's festivities started at 7:00 with a basketball game between the intramural champs and a team composed of faculty members. At 8:00 a movie of the Milwaukee Braves was shown, followed by a get-together session.

* * *

A "fiesta" to present an opportunity for Mercy and Bosco Spanish students to use the language was held May 24 in the annex.

Bro. Naeger, Bosco's Spanish teacher said, "It was a very pleasant experience to observe such interest and initiative on the part of the second year Spanish students."

* * *

The final dance of the year will be held here May 27. This "Senior Farewell" dance is open for couples only.

* * *

This year's mission collections have been handled by Tom Kramer, Greg Trojanowski and Henry Dluzak. These Boscoites are responsible for counting mission money turned in by all of the homerooms. This of course is done during their free time.

At this time homeroom 200 takes the honor of having turned in the most money during this year.

—Mike Krzewinski

Bosco's "Sunshine Twins" Big Success

A few weeks ago the Drama Department under Bro. Rahe and Mrs. Zolecki presented its second play of the season, "The Sunshine Twins."

Date—April 22, 23, 24. Place—Gym. Time — 8 p.m. After many hours of study, planning and rehearsal, these young actors are ready to present the result of their work. The lights dim: the curtain rises.

Sunshine Twins shake hands in triumph over accomplishments.

In the first act we see the Robinson twins (George Lee, Jane Wabiszewski), who, having been born on Christmas Day, feel that it is their duty to spread happiness. However, they seem to involve several people: Mrs. Robinson (Muriel Squires), Mr. Robinson (Adrian Perz), Glen (Joe Dailey), Norma (Kathy Stahler), Bebe (Diane Dynek), Mrs. Ellis (Karen McDonald), Vail Porter (Bill Bodden), Leo Prather (Richard Hoerl), and Pauline Doyle (Marlene Kleczka).

—Ray Kaczmanek

The sixth annual Southeastern Wisconsin Science Fair was recently held on April 8, 9 and 10. It was sponsored by **The Milwaukee Journal** and Marquette University. Three students in the senior division represented Bosco. Jim Hempel with a **Solar Furnace,** Mike Radtke with a **Color TV** and Bruce Chandler with a **D.C. Transmitter** were in the senior division. Dan Schweitzer with the **Cosmic Mystery,** Jerry Smolen with the **United States in Orbit, 1958 to 1960** and Fred Stamm with **Fluorescent Minerals** were in the junior division. Sincere congratulations to Mike Radtke for receiving Honorable Mention.

—Fred Stamm

Mrs. Schrempf, Silent But Efficient Woman Behind the Scenes

"I would like to pay my tuition."
"Here is my prize for the card party."
Here at the business end of such conversations we find the secretary of Don Bosco High, Mrs. Schrempf. And now here is a look at her biography in a nutshell.

Mrs. Schrempf was born in Galena, Ill., then soon moved to Dubuque, Iowa. It was here that she graduated from St. Raphael's grade school. After graduating from Dubuque High School she attended Bayliss Business College. Her next home was in La Crosse, Wis. after she married Mr. Schrempf, the Athletic Department Director. In September, 1948, she took over as secretary of Bosco.

When asked what she thought of the school Mrs. Schrempf said, "It is a wonderful school and I consider it a pleasure to work for the Brothers."

—Chuck Bartels

Beacon Staff—B. Chandler, M. Huber, C. Bartels, C. Sibilski, M. Krzewinski, T. Nadolski, J. Graebner, R. Vopal. Absent—G. Nadolski, M. Cesarz, J. Schrank, D. Sturomski, T. O'Connell, K. Kujawa, R. Modjeska, D. Rymaszewski, P. Gerlach.

Fr. Stanley Kusman, S.M., (pictured above), who delivered the sermons at the Masses offered for Bro. Haarman, has just returned from Rome where he confered with Pope John XXIII and made plans for the "Better World Movement."

CONTINUED FROM PAGE ONE

and Monday's Mass.

Bro. George hails from Florissant, Missouri which is near St. Louis. June 30, 1939, was the day he took his final vows of the brotherhood.

Since becoming a member of Don Bosco's faculty in 1955 he has taught economics, bookkeeping, business law and mechanical drawing. But teaching does not handicap his ability as an all-around man. First of all, he can be seen in the cafeteria daily collecting lunch tickets and maintaining an air of peacefulness among students. Supervising the maintenance is another of his duties. Bro. George can be found after dismissal in the office balancing the books or, as Bro. Towers stated, "cracking the safe." When some major article is to be purchased Bro. Haarmann is right there trying to get the best buy for the money.

Here he must pause in his work to devote a few minutes to one of his many pastimes such as woodworking, gardening, and puttering around with his so called "bucket of bolts"—the Jeep.

We would like to give our congratulations now and hope that Bro. George will spend another 25 years in the Society of Mary.

—Doug Sturomski

H. & S. Association Elects New Officers

The following officers for 1960-61 were elected at the last meeting of the Home and School Association, April 26: President—Mr. R. Osborn, Vice President—Mrs. R. Kaczmarek, Treasurer—Mr. J. Katzfey, Recording Secretary—Mrs. L. Herda, and Corresponding Secretary—Mrs. A. Trojanowski.

The Home and School is an organization which enables the students' parents to confer with the teachers. Its meetings are held on the last Tuesday of every month. Formerly the group was under the leadership of Mr. Roland Mietus who spoke at the assembly of April 29.

—Carl Sibilski

Sympathy

The faculty and students of Don Bosco wish to express their sympathy to sophomore Thomas Knitter of 201 on the death of his father and freshman Pat Flannick of 202 on the death of his father.

Also included in our sympathies is the Rt. Rev. Msgr. Bozeslaus E. Goral of St. Hyacinth's parish who died March 31.

Msgr. Goral was born in Poland in 1876 and came to the United States in 1892. That same year he entered a seminary in Detroit, Michigan. Through his never tiring apostolic work he played an instrumental role in purchasing the present Don Bosco High School building and property. He aided our school by giving us the use of parish facilities—the church for Masses, the hall for dances and plays—in the early years of our school.

Summer School In Store for Some

Students who fail courses must make them up by summer school attendance. Any **second-semester** failure in a course requires summer school attendance, even if the yearly average is 70% or better. If a student fails three subjects or is 2½ units short, he must repeat the year, and he cannot be assured of a place at Don Bosco.

The 1960 summer school term will begin at Pulaski and King on Monday, June 20, and will continue through Friday, August 12. The West Allis summer school term will run from June 15 to July 29, at Central High school. The Pius summer school term will begin June 20 and continue through July 29. Students who fail Religion will be assigned special work and they will report to Don Bosco for a test on six Monday evenings, starting June 20.

Students will be registered for summer school on June 2 by Bro. Willett.

Band, Glee Club, Spring Concert

The annual Spring Concert presented by the Don Bosco band and Glee Club will be held in the Bosco gym May 14 and 15. The concert whose theme this year is "A (K)night in the Park" will feature a variety of works from the band which will include the "Warsaw Concerto" and "Way Down Upon the Swanee River." From the Glee Club a great variety of selections can be expected. Many new ideas, and a great deal of hard work and planning have gone into making the concert more lavish and enjoyable this year. As an extra attraction, Mr. Robert O'Brien, president of the National Catholic Bandmasters Association, will be the guest conductor Sunday night.

The solo and band district competition was held Saturday, April 9 at Brookfield High. Those Boscoites placing first in the solo competition were James Searing, Richard Haas, Charles Maverin, Richard Winkowski, James Oliniczak, James Kucharski and Gerhard Reiner.

JSC Lifts Spirit Among Juniors

The Junior Spirit Committee (JSC) organized at the beginning of the second semester has made for its purpose the increase of the spirit of the junior division in regard to school activities.

Its originators (Nick Adelmeyer, Joe De Vita, Richard Gizelbach, Arne Koch, Mike Lucci, and George Sielen) have worked on such projects as the "Spirit Chart" and "Spirit Banner" for the junior division. In the process is a yearbook for the seniors-to-be.

This organization's weekly meetings are held Wednesday nights in 213.

—Marv Huber

Sodalists of All Divisions Advance

The final Sodality advancement of the year took place Sunday, May 8 in the gym. Included in the ceremony were all members of the Sodality, even those who did not advance. These renewed their present consecration to the Blessed Mother.

Another undertaking of the Sodality was the recent Young Christian Workers (YCW) meeting held here in the library April 8.

This YCW is an organization whose members are single men and women between the ages of 18 and 30. The purpose of such an organization is to put Christ into the work of the world.

Baseball Nine Win 3 Straight

The 1960 baseball team started out in a rush with snow still on the ground. Under the able coaching of Mr. Massey and Brother Skloss the team captured three straight victories.

In the opening game of the season, Jim Peters pitched and batted the team to a 7 to 2 victory over Notre Dame. In the second game the Dons posted an 11 to 6 victory over Messmer. Pitcher Louie New gained ten strike-outs while Tom Grafenauer, Jim Mudlaff and Rick Rogahn supplied the batting with two hits apiece.

The Dons then posted their third win by bumping off St. Joseph of Kenosha by a score of 7 to 4. Louie New gained his second victory in relief while Tom Sager provided the batting punch with three hits, one a double and another a triple.

A note of interest: all three wins came in big innings. The Dons scored five runs against Notre Dame in the sixth inning, seven runs against Messmer in the fourth inning, and five runs against St. Joe's in the fifth inning.

112 Wins Junior-Senior Playoff

The major circuit of Don Bosco's intramural games began on March 21. In the opening Junior games, 211 beat 213, and 215 beat 209. In second round matches 213 ran away in the final quarter to beat 209, 24-19 and 215 edged out 211 in an overtime, 34-32. The final games saw 211 and 209 both forfeit causing a loss for both teams, and in a game in which 213 had all the breaks, they squeezed past 215, 31-29. 213's victory caused a playoff in the junior division between 215 and 213, in which 213 swamped 215, 28-27. In Senior action, 112 won all three games which they played to win the Senior championship. The final basketball game of the season at Bosco was the Junior-Senior playoff, in which 112 beat 213, 39-17. Congratulations to all those who participated.

Alumnus Honored; Reunion Held

A 1949 Don Bosco alumnus, Lambert E. Napierala, was recently honored by the Marquette University School of Speech as an outstanding alumnus in the field of radio. Known as Tom Lambert, he is program director at Station WISN and host for several programs. Dons may remember Tom as the M.C. at the recent DB Talent Show.

Napierala entered radio while a student at Don Bosco. In 1948 he conducted a Saturday teen-age program for the former Milwaukee station WEXT.

While a student at Marquette, he was active in debating, radio workshop and student government. He was selected master of ceremonies for the Varsity Varieties Show for three years. He joined the announcing staff of WISN in 1954 while attending Marquette.

* * *

The Don Bosco Class of 1950 alumni held their ten-year reunion at St. Rita's Hall on April 23. Also attending were members of the 1950 faculty: Bro. Dan Sharpe, Bro. Fred Schilling, and Fr. John Leies.

* * *

First place winner in the May altar contest was frosh homeroom 213 while in second place was senior room 111. Taking first in the junior and sophomore divisions were 215 and 212 respectively. Earning honorable mention were the following: senior 109, senior 112, sophomore 201, and freshman 202.

BASEBALL TEAM: Row 1—J. Mudlaff, R. Modjeska, L. New, J. Hosler, T. Parzych, J. Rabinek, R. Kay. Row 2—T. Kaluzynski, J. Zolecki, D. Andraczak, D. Weber, T. Grafenauer, R. Kopecki, J. Simon. Row 3—D. Petran, T. Altenbach, managers; J. Zanotti, Bro. Robert Skloss, coach; R. Barczak, Mr. Clem Massey, coach; J. Judziewicz, R. Tatalovich, manager; J. Peters, T. Sager, W. Barczak, J. Rogahn, C. Brewster, manager.

111 Bowling Team—N. Domagalski, R. Zakrzewski, T. Lukosik, D. Blaszcynski, M. Wabiszewski.

212 Bowling Team—Joe Alberti, Joe Schiek, Dennis Gozdowiak, R. Padol, and L. Krajewski.

Stanislawski Sets Pace With 34

Don Bosco's golf team swung into action with a roaring victory over its neighborhood rival, Notre Dame. When the final tally of strokes was made, Don Bosco had won, 351 strokes to Notre Dame's 413, a definite victory by 62 strokes. The scores of the golf team's match at Grant Park are as follows: G. Bethke, 48; D. Bujanovich, 44; W. Kriskovic, 43; J. Mei, 45; J. Peters, 44; J. Sranske, 47; G. Stanislawski, 34; S. Weyda, 46. The average amounted to 44.

With one victory under the belt, Mr. Peters, the golf coach, along with Mr. Frohna assisting him, feels a very successful season coming on.

At the end of the golf season a first place trophy will be awarded for the regular conference season as well as for the All-Conference and State meets. Medalist (low-score) honors will also be awarded.

A schedule of golf matches coming up is as follows:

May—

11—Dominican	Brown Deer
17—Jordan	Grant
20—Conference Tournament	Whitnall
23—St. Joseph	Kenosha
24—St. Catherine	Grant
26—State Tournament	Kenosha

GOLF TEAM: Kneeling—D. Bujanovich, J. Sranske, G. Bethke, W. Kriskovic, J. Mei, R. Flayter. Back row—E. Fennig, W. Peters, C. Nowak, G. Schultz, S. Weyda, J. Blockowitz. Front—G. Stanislawski.

MITCHELL and SOUTH FIRST STREETS — MILWAUKEE

111 Rolls Way to Victory at Olympic

The Oympic bowling season has ended and these are the results: The winning team is the Bowlero's of Room 111 who won 34 games and lost 10 games for an average of 773. In second place were the Oympic Ladies of 112 who won 30 and lost 14 for an average of 682. The high 3 game series for a team was 2553 racked up by the Bowlero's. The Bowlero's again capped the team high single single game with a tremendous 904.

In the individual scoring, Jerry Prausa of 112 took all three categories. His winning series was 622, individual game was 246 and his average for the season was a brilliant 190. Congratulations and good luck in your future years.

—Dennis Mei

Pin Blasters Cop Title at Mitchell

In the Mitchell division of the inramural bowling league 212's "Pin Blasters" took first place followed by the "Comets" of 207. The "Pin Blasters" had a total record of 22½ games won and 7½ lost. The Rockets had won 21 and lost 12. The rest of the league in order of finish was: Pluto Crates (200), Holly Rollers (103), Lucky Strikes (203), Pin Busters (203), Tornados (201), Pinspotters (102), Bombers (202), Gutter Dusters (213), and the Untouchables of 209. Dennis Doyle of the rockets had the highest average with a 172 and also the highest three game series of 612. Dolor Sasse also of the Rockets had the best single game of 246.

—Jeff Schrank

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, September 14, 1960 Volume XV—Number 1

Three New Teaching Brothers Arrive At Bosco; Three New Lay Teachers

This year six new teachers have come to Bosco; three Brothers and three new coaches who will also teach some courses. Bro. Hake, a working brother will also be staying here but will be studying at the MIT. He is featured in another article on page 4.

The present faculty numbers 27 excluding Bro. Hake. Six of these are lay teachers.

Bro. Leo Mize

Bro. Leo Mize comes from San Antonio where he attended high school and college. He will have charge of homeroom 103 and will be a freshman Sodality moderator.

Teaching Religion I, English I and general mathematics will be his other courses. Besides all of this, Bro. Mize will take care of mimeograph work and the chair crew.

Bro. Theodore Szydlowski

Another new face around Bosco is that of Bro. Theodore Szydlowski who will have junior homeroom 200. He went to high school in St. Louis and taught mathematics at St. Mary's University in San Antonio, Texas.

Besides being head of the Chaminade Centennial for Don Bosco High, Bro. Szydlowski is head of the mathematics department. He will teach trigonometry, solid geometry and algebra II.

Bro. Joseph Maly

The third new Brother to teach at Bosco is the one who will have charge of the bookstore, Bro. Joe Maly.

Bro. Maly attended high school in St. Louis and has come from teaching at Central Catholic High School in San Antonio, Texas. He will be teaching chemistry and general science.

Coach James Haluska

This year Don Bosco will have a new varsity football and baseball coach in the person of Mr. James Haluska.

Besides football and baseball coaching he will teach modern history and physical education.

He attended Michigan State College and later, the University of Wisconsin where he was assistant freshman coach. Also he played football with the Chicago Bears and with the Cleveland Browns.

Coach Haluska, with his wife and three children, makes his home in Racine where he was assistant coach at St. Catherine's.

Mr. Ronald Fieber

A 1954 graduate of Don Bosco High and Marquette University, Mr. Ronald Fieber will be here on the teaching side of Bosco instead of on the learning side.

Mr. Fieber will coach varsity wres-

Christians Move For Better World

The Better World Movement is not an organization but is the Church moving for a better, more Christian, more divine, and more charitable world.

A small group of priests, secular and religious, Brothers, nuns and laity are promoting the movement to all Chris-

Fr. Stanley Kusman

tians. Even two popes had a part in its history; Pope Pius XII launched the program on Feb. 10, 1952, the feast of Our Lady of Lourdes, and Pope John XXIII repeated the call in pleading for unity.

Unity plays an important part in the Better World Movement, for all are to work together, united and strong, to make the world a better place to live in.

A new method of retreat preaching has also been introduced conformable to the spirit of the Mystical Body.

One of the priests "moving" with the Movement will preach at the Don Bosco High School annual retreat which will be held from Oct. 5 to the 7th. He is Fr. Stanley Kusman, a priest of the Society of Mary. Students may remember him as the priest who delivered the sermons at the masses for Bro. George Haarmann, who last year celebrated his 25th year as a Marianist. Fr. Kusman was also retreat master here four years ago.

—Ken Kujawa

Bosco Sends 21 To God's Service

Four Underclassmen Head For Religious Life

Eighteen members of last year's graduating class of 150 boys at Don Bosco High School will begin studies this fall to become priests or lay brothers of the Church. Also four underclassmen will begin their preparation for the religious life.

Brother Dan Sharpe, the principal, said it was a record for Don Bosco High School or any other school conducted by brothers of the Society of Mary in this area.

Brother Dan also stated that the apparent interest in religious careers could be credited to "the grace of God."

More Family Spirit

"We have always emphasized the family spirit at Don Bosco High School," he added. "We try to treat the boys and parents as part of the Bosco family. This generates an interest in the order."

No girls are enrolled at Don Bosco. (Did you know?)

Thirteen graduates will enter the order's novitiate at Galesville, Wis. some to become teachers. Others will teach at first and then enter a seminary to continue their studies for the priesthood.

The candidates are William Barczak, James Barry, Joseph Bova, Terrence Buechner, Richard Hoerl, Clifford Hudlett, Dennis Jacob George Lee, Joseph Mei, Philip Rink, James Rogahn, Gerald Van Handel, and Michael Zimmer.

Enrollees in St. Francis Minor Seminory of the Milwaukee Archdiocese will be David Czarnecki and Thomas Kaluzynski.

Gerald Meisenheimer will enroll in the Salvatorian Fathers junior college. Gerald Semmler will enroll at Loras College, Dubuque, Iowa, to become a Dominican priest.

The four underclassmen who left to learn the life of the religious are Lawrence Propp, now at the St. Francis Minor Seminary, Allen Schuchardt, Tom Nadolski, and Paul Flaig. The latter three will be continuing their high school training at the Maryhurst Preparatory School in Kirkwood, Mo.

Thirty-three Milwaukeeans have entered the Society of Mary since 1948. Most have been Don Bosco pupils.

(Editor's note: Portions of the preceding article were reprinted from "The Milwaukee Journal.")

According to assistant-principal Bro. Willet, a total of 642 desks are being filled by Bosco students this year. The largest division will be the freshmen with 168 enrollees, compared to 160 sophomores, 155 juniors, and 159 seniors.

Arthur Kasper in Washington, D.C.

Last January, Arthur Kasper of sophomore homeroom 200 left Don Bosco for Washington D.C. He had been selected by Congressman Zablocki to serve as a page in the House of Representatives.

For Arthur, school started at 6:30 a.m. and ended at 9:45 a.m. At 10:00 a.m. his work as a page began with reporting to the House floor in the Chamber.

After this the duties of a page boy consist mainly of running errands from the page bench in back of the House Chamber to the nearby Senate and House office buildings.

On weekends Art spent the greater part of his spare time sightseeing in the nation's capital.

Art says that one advantage to the job is the opportunity to see history in the making, and watch politicians in action.

—Jeff Schrank

Zolecki Attends NSCLW in Denver

Note: The following article was written by John Zolecki, president of the Student Council, and concerns his trip to Denver, Colorado where he attended a national student council delegation.

The National Student Council Leadership Workshop was held from August 16 to the 21. In attendance were 200 delegates who represented 40 states.

This workshop was sponsored by the National Association of Student Councils and the Denver Public School System.

The actual convention was held at Camp Cheley in Estes Park, Colorado which is in the Rocky Mountains.

I deem it an extreme privilege to say that I represented Don Bosco at this convention and I feel that it will be a real benefit to my future work in the Student Council.

New Changes From Head Office

From the office come the following changes in the daily schedule which we were using in the past.

No. 1—Regular schedule

8:00 —Mass
8:30 —Homerooms open
8.40 —Tardies begin; bulletin
8:48 —Movement to 1st period
8:50- 9:45—Period No. 1
9:47-10:42—Period No. 2
10:44-11:39—Period No. 3
11:41- 1:04—Period No. 4 and Cafeteria
Cafe No. 1—begins at 11:41
ends at 12:06
Cafe No. 2—begins at 12:09
ands at 12:34
Cafe No. 3—begins at 12:37
ends at 1:02
1:06- 2:01—Period No. 5
2:03- 2:58—Period No. 6
3:01 —Dismissal of Homerooms

No. 2—Homeroom Day Schedule

8:00 —Mass
8:30 —Homerooms open
8:40- 9:28—Homeroom period
9:28 —Movement to 1st period
9:30-10:17—Period No. 1
10:19-11:06—Period No. 2
11:08-11:55—Period No. 3
11:57- 1:20—Period No. 4 and Cafeteria
Cafe No. 1—begins at 11:57
ends at 12:22
Cafe No. 2—begins at 12:25
ends at 12:50
Cafe No. 3—begins at 12:53
ends at 1:18
1:22- 2:09 Period No. 5
2:11- 2:58—Period No. 6
3:01 —Dismissal of Homerooms

Schedule No. 2 will become effective on Wednesdays to allow the Student Council representatives sufficient time to present their reports.

Classes in the regular schedule will last 55 minutes each while on homeroom days they will be cut to 47 minutes each. Twenty-five minutes is allowed for lunch.

Science Club Busy This Summer

The summer was no excuse for inactiveness on the part of the science club members.

Should you see Bruce Chandler on his "bike" you could most likely hear his transistor radio which is powered by a bicycle generator through a rectifier system.

Both Bruce and Frederick Stamm were accepted as novice radio "hams" this summer. They have not yet been assigned call letters.

Along with the members of the Milwaukee Geological Society, Fred Stamm went on a mineralogical field trip to a stone quarry.

Activities outside of town included a tour of the Museum of Science and Industry in Chicago by Mike Filipiak and Jim Hempel.

Perpetual vows were taken by Bro. Paul Donoghue on August 21, 1960 at Our Lady of the Pillar Church in Clayton, Missouri.

Bro. Paul is beginning his second year as a teacher here.

Lucci Gives Account Of NASC Meeting

(Note: This is an account of the Student Council convention at Janesville as written by Bosco's representative Michael Lucci.)

From June 19 till June 23 of this summer, the National Association of Student Councils held their annual conference at Janesville Senior High School in Janesville, Wis. More than 700 delegates from 49 states came both to represent their respective schools and to combine student council thoughts and ideas for the sake of a successful convention.

During the first two days of the conference the delegates witnessed a brilliant and colorful state flags ceremony and attended discussion groups aimed at working out student council problems. Throughout the four day festivities the delegates also enjoyed two dances sponsored by the Janesville Student Council, a tour through the massive Chevrolet Assembly Plant in Janesville, and a banquet in the dining room of the newly built Parker Pen Plant.

The two things which impressed me greatest as Bosco's representative there were the unending and gracious hospitality of the people of Janesville and the desire of all the delegates to make this 1960 conference a tremendous success.

Sympathy

To the friends and relatives of John Schuster, Class of 1949, who died August 1, 1960. After graduation he remained a resident of Milwaukee where he was a teacher.

Student Council Plans Activities

The following is a list of activities and events which will be sponsored by the Student Council during the coming year.

September—
21 Kick-off Dance

October—
3-27 Frosh-Soph Intramurals (basketball)
28 Frosh Frolic (dance)

November—
1 Table tennis
4 Military Ball
18 Sock Hop (St. Bonaveture's)

January—
6 Sock Hop (Cathedral)
13 Student Council Elections
26 Midway Melodies
30 Bowling

February—
1 Chess tournament
10 Lourdes Ball
Frosh-Soph Mixer

March—
10 Career Day

April—
3 Volleyball
14 Spring Swing

May—
5 Prom
18 SC Elections
29 Senior Farewell
31 Class Day

Beacon Accounts For Lost Faculty

In case anyose was wondering just what became of some of last year's faculty members, here's a chance to find out.

Bro. John Maier was transferred to Cathedral High School, Belleville, Ill.

Bro. Theodore Noll has been appointed business manager of St. Mary's University, San Antonio, Texas.

Bro. Robert Skloss is now studying for his masters' degree in math at Notre Dame in Indiana. This schooling was made possible by a National Science Foundation Grant.

Bro. Mike Corso is also in San Antonio, Texas, where he is now teaching at Central Catholic High School.

Mr. Ed Callahan has accepted a position as head coach and athletic director at Central Catholic High School in Rockford, Ill.

Now coach and physical education director at Menasha High School is Mr. Clem Massey.

Dons Welcome Bro. Hake Marianist Working Brother

The students and faculty of Don Bosco welcome Bro. Edward Hake to the Bosco family. Bro. Edward is not a teacher, but a working Brother stationed at Don Bosco this year.

During the coming year, Bro. Edward will attend Milwaukee Vocational School, where he will study printing. Bro. Hake comes to Don Bosco from Kirkwood, Missouri, where he had been doing printing work at the Maryhurst Press.

—Phil Gerlach

DeVita, Semmler at Badger Boys State

(Note: This article is an account of the experiences of Brian Semmler and Joe De Vita, officers of the Student Council, at Badger Boys' State.)

Badgers Boys' State is a tremendous opportunity and great experience for anyone who is able to attend. The five-hundred or more delegates who came for a week's stay on the Ripon College campus represent every part of Wisconsin. These young citizens are chosen from their high schools on the basis of their interest in government and their scholastic and leadership abilities.

The main functions of the camp are to acquaint the citizens with city, county, and state government, to develop their leadership abilities and to encourage them to select careers in the field of politics. This is done by having these students form and run an imaginary state.

After completing the business of the day, the boys devoted the rest of the afternoon to sports. Each city represented at the Boys' State formed teams for basketball, football, and softball games. On the final day of the week's stay, a track meet for the entire camp was held.

New Faculty . . .

CONTINUED FROM PAGE ONE

tling, B-team football, and teach modern history, citizenship, and consumer economics. He will have charge of sophomore homeroom 207.

Mr. Richard Knar

A third new Bosco lay teacher is Mr. Richard Knar. He will teach geometry, and algebra I. Coaching freshman football and B-team basketball will also keep him busy during the school year.

Mr. Knar makes his home in Stanley, Wis.

Boscoites Receive Seven Scholarships

Don Bosco was well represented last year in the line of scholarships. To Marquette University Don Bosco sent three: Gerald Walloch, who last year was our valedictorian with an average of 96.81; Patrick Dunn, a National Merit Finalist, honor student and winner of an Honor Scholarship to Marquette; and Richard Streeter, NROTC scholarship winner.

St. Mary's University of Texas also received two of our students. Salutatorian Adrian Perz, with a 93.77 average; and Tom Sager, one of the most outstanding athletes to attend Bosco, are beginning their studies there.

Two other scholarship recipients were Gerald Semmler and Vincent O'Connor. They received scholarships to Loras College and St. Thomas College respectively.

—Arne Koch

Orientation Aids Frosh In Joining Bosco's Ranks

At 10:40 on Wednesday, September 7, four seniors welcomed freshmen and briefed them in various school activities. At 11:40 the freshmen moved to the gym where they were addressed by Bro. Dan Sharpe, S.M., principal, and John Zolecki, Student Council president. The day's orientation program ended at 12:05.

Friday the freshmen had a social night with basketball in the gym, and cards in the cafeteria. Refreshments were served afterwards.

To further acquaint the new students with Don Bosco, an information booth was set up at the frosh end of the first floor hallway.

—Joe Krzyzanowski

Beacon Plans for Six Issues; Vocational Issue

The editors of the **Beacon** plan to publish six issues during the school year of 1960-61. Tentative plans are also being made for a special vocation issue.

For the present, the publication dates for the remaining five issues are as follows:

October 26
December 13
February 8
March 22
May 12

The present moderator and heads of the staff want to bring to you a more lively newspaper with more features and creative writing. They are also planning to print more news about teenagers throughout the city, and various events which would be of interest to the students of Don Bosco, namely pops concerts, special movies, and plays. Special recognition will also be given to students' activities outside of school.

Griesemer Goes As Student to Mexico

Continuing our foreign exchange program, Ken Griesemer traveled to Mexico this summer.

While staying with the Torres family Ken attended the Central University of Mexico with the Torres' son, Alberto. The school day at the University is about as long as ours except on Tuesdays and Wednesdays when there are

only half days of school.

Ken traveled to and from Mexico City by train and spent a total of ten weeks south of the border.

The beaches at Acapulco, Mexico are very tempting, and Ken feels fortunate that he was able to spend a day swimming in the warm salt water of the Pacific Ocean.

The trip to Mexico was very interesting to Ken and he feels he has come to a better understanding of the Spanish language and Mexican people. He expresses himself by saying that "the exchange program is an excellent opportunity for anyone who is willing to take it, and the knowledge that is gained is worth more than the cost of the trip."

* * *

Another visitor to Mexico was Bro. George Naeger who just returned after studying Latin American literature and Spanish at the Instituto Mexico.

This was the second summer vacation spent there by Bosco's Spanish teacher.

—Bruce Chandler

Catholic Teachers Institute To Be Held in Milwaukee

On September 22 and 23, the annual Catholic Teachers Institute will be held in Milwaukee with more than 3,000 elementary and high school teachers from Wisconsin and five adjoining states attending. The Institute sessions, with both joint and separate sessions for elementary and high school teachers

Spirit Will Tell

Something new and something old, is what Don Bosco is pinning its hopes on for a championship football team. The new—Head coach Jim Haluska and line coach Ron Fieber. The old—the great fighting spirit of our great football team.

Summer varsity practice began on August 17 at Baran Park. Under the hot summer sun the men sweated off the extra weight they had acquired during the summer vacation. Getting back into shape was not easy for some but Coach Haluska had the patience and time finally did its task.

The first scrimmage of the year was at Baran Park on September 2 against Oak Creek High. The team, which carries 13 lettermen, looked very much like the great Dons of old.

This year's football schedule will be slightly different than before. The Dons will play only the big schools in the conference and there will be only six conference games and two exhibitions.

—Tom O'Connell

1960 VARSITY SCHEDULE

Sept. 17—Country Day (there)
Sept. 23—Beloit Catholic (there)
Oct. 2—St. Catherine (there)*
Oct. 9—Pius (Home)*
Oct. 16—Marquette (there)*
Oct. 23—St. Joseph (home)*
Oct. 30—Messmer (there)*
* Conference games

Dons '59' Champs

The Don Bosco baseball team finished the past season with a well-earned 8-0 record for top berth in the Catholic conference.

In spotlighting our outstanding players, let's begin with the sluggers. Last year's top batters were Bill Barczak and Jimmy Mudlaff who both hit around .500 for the season.

Tops in the pitching department was sophomore Jim Peters whose brilliant 6-0 record certainly helped the team win the championship trophy. Many times Jim helped his own cause with a fine hitting performance.

The remaining two games played were won by Louie New.

CONTINUED FROM PAGE FOUR

will be held at the Milwaukee Auditorium. A Solemn Mass at St. John's Cathedral on Thursday, September 22 will formally open the convention.

The general theme for the Institute this year will be "Meeting the Educational Revolution."

The members of Don Bosco's faculty will be attending this convention meaning that the students will be free those two days.

—Mike Cesarz

Success in Sight

Experience and teamwork will be the two keystones for success in the 1960 "B" team season. Head Coach, Mr. Ronald Fieber assisted by Bro. Richard Martens are expecting a successful season.

Some members of the "B" team squad have worked out with the varsity in pre-season practice.

"C" Team Indefinite

With "C" team practice already under way, Head Coach Mr. Richard Knar and assistant Bro. Paul Donoghue are hoping for a good season, although it is too early to make predictions. The "C" team is looking forward to seven games this season.

—Dennis Grzendzielewski

Three Graduates Take First Vows

James O'Hara, John Horlivy and Michael Wolf, former students of Don Bosco, took their first vows as Brothers September 5 at the Maryknook Novitiate in Galesville, Wis.

Both Jim and John are past Student Council presidents. Jim had been selected to represented Don Bosco at the 17th annual Badger Boys' State at Ripon College, and John was the proud and happy prom king of 1959. They will begin their first year of college studies in Kirkwood, Missouri this fall.

Mike Wolf attended Bosco as a freshman but completed his high school years at the Maryhurst Preparatory School in Kirkwood, Mo. He is preparing to become a working Brother and will also begin his training this year in Kirkwood.

—Brian Adamec

Put Your Creative Writing Into Print

In an effort to produce some pieces of creative writing for publication in the **Beacon,** we are asking for volunteers who are interested in this field of English which includes the writing of editorials, features and short stories.

Other positions on the staff are also available. This notice concerns primarily the freshmen and sophomores. It is important that they learn as much as they can for they will be taking over the publication within two or three short years.

Should you be interested in becoming a member of our team, please drop by the Beacon Room adjacent to 215, either before 8:30 a.m. or after 3:00 p.m.

CLOSED ON SUNDAYS.

1959 Graduate, A Knight of the Road

Graduate of 1959 Mike Wroblewski is a true "knight of the road." Each summer he makes it a habit to travel at least 2,000 miles around the USA—without money. So far he has been in almost all of the states and has friends in every one he has visited. (This is the reason why he needs no money.)

Most of these friends he met while serving under Congressman Zablocki as a page boy in Washington, D.C.

A few weeks ago Mike, while returning to Milwaukee, piloted the plane in which he was flying for a while.

"Fun!" said Mike.

CONTINUED FROM PAGE FIVE

The final Catholic conference standings were as follows:

	Team	W	L
1.	Don Bosco	8	0
2.	Marquette	6	3
3.	Notre Dame	5	3
4.	Catholic Memorial	5	3
5.	Pius	4	4
6.	St. Joseph	4	5
6.	St. Joseph	4	5
7.	St. Bonaveture's	3	5
8.	Messmer	2	5
9.	St. Catherine's	2	5
10.	St. John's Cathedral	1	7

The Beacon is now being sent to the 70 grade school convents of the parishes from which Don Bosco students come. The pastors of these parishes also receive the Beacon, as well as many alumni, friends and benefactors of the school.

Mr. Kanaskie, who has charge of the band, has just returned from St. Francis Hospital where he was recovering from a foot injury.

OCTOBER 23

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Tuesday, October 25, 1960 Volume XV—Number 2

SUMA Founded by Cardinal Stritch

Senior Jim Ulma Elected Treasurer

The Sodality Union of the Milwaukee Archdiocese (SUMA) was founded in 1930 by the late Samuel Cardinal Stritch, then the Archbishop of Milwaukee. The Sodality itself was established in Rome over 400 years ago by a Jesuit priest for the purpose of reaching Christ through Mary. Every Catholic high school and college in the Milwaukee Archdiocese has a Sodality unit; these united to form the Sodality Union—SUMA.

SUMA is controlled by a Board of Directors made up of the Sodality prefect and vice-prefect of each school. This board elects five officers: prefect, vice-prefect, treasurer, and two secretaries. This year Jim Ulma a Bosco senior from homeroom 111, was elected treasurer. These officers with the Board conduct all meetings and handle all affairs of SUMA.

The Sodality Union has a director and assistant appointed by the Archbishop. The Very Reverend Louis Riedel, Rector of St. Francis Seminary, has served as director since 1940 but is retiring this year. Succeeding him will be the Rev. Ralph Schmit, teacher and Counselor at Messmer. Since 1955 he has served as assistant director.

Each month a general meeting of SUMA, is held by member schools. The

Social High-Light– Don's Military Ball

One of the social high-lights of the year, along with the Junior and Senior Prom, is the Don Bosco Military Ball. A dance similar to that held in most military and private schools throughout the country, its purpose is to promote friendly co-operation between the music departments of all the Catholic high schools in the Archdiocese. The first Military Ball was held in 1954, two years after Mr. Kanaskie arrived from the East to become band director at Don Bosco.

King Richard Haas and Queen Mary Pat Haas.

Upperclassmen Invited

The dance is open to all Don Bosco

Tatalovich Gains NMSC Semi-Finals

Senior Robert Tatalovich has been named a semifinalist in the National Merit Scholarship Tests. In addition, three seniors at Don Bosco have been honored for outstanding performance on these tests taken last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the arship Corporation.

president of the National Merit Schol-

Bro. Dan Sharpe, principal, has announced that the commended students are Nick Adelmeyer, James Hendrickson and Alan Richards.

Stalnaker Praises Commended Students

John M. Stalnaker, president of the National Merit Scholarship Corporation stated:

"Letters of Commendation are being awarded to some 28,000 students throughout the United States in recognition of their excellent performance on the National Merit Scholarship Qualifying Test.

"The semifinalists and commended students together constitute less than three percent of all high school seniors, and this certainly signifies noteworthy achievement."

The semifinalist group is composed of the highest scoring students in each state and US territories. Some 10,000 semifinalists will take a second examination in December to establish further their eligibility to receive Merit Scholarships.

Mr. Stalnaker continued, "The Merit program has several objectives. One

Don Retreat Led by Father Kusman

The silence in Bosco's gym made it hard to believe that there were six hundred forty boys sitting shoulder to shoulder. An air of alert expectation could be felt as the Marianist priest, Father Stanley Kusman, turned to give his final instruction. The three retreat days slipped by quickly and now a summation was in order.

Father Kusman in his final sermon reviewed the main topics of the retreat; first, a group gathered together in Christ's name is able to obtain grace more readily than an individual because Christ is in their midst, second; Father Kusman reminded the student body that every living person is the body of Christ, and thirdly; all the students participating in the retreat should make a strong effort to remain in the state of sanctifying grace until June 1st.

Father Kusman said, "This is the best retreat of any high school that I have ever attended." All the boys participating in the retreat had the opportunity of receiving three plenary indulgences: one indulgence for attending the retreat, another one for receiving the papal blessing. The receiving of the papal blessing and the renewing of the baptismal promises were both done at this final sermon.

The major point of Father's final sermon was that all of Bosco's men had made a good retreat. "Now!" Father said: "The devil will not let this pass-by so easily. He is going to make things tough for you." Father Kusman then predicted that within one week after the retreat someone would sin and that sin would affect 20 per cent of the men gathered in the gym on Friday. Father then concluded the Retreat. And many young men left the gym with the shining light of sanctifying grace glowing brightly in a soul black with mortal sin.

—Gerald Smolen

Alverno To Hold Concert Series

Alverno College, one of the leading music schools in the country, has organized a series of concerts to be held November 13, January 8, 1961, and April 13, 1961 at 3401 South 39th St. Cost for all three tickets, the only ones available, is $7.50 for main floor seats and $7.00 for the balcony.

Featured at next month's concert will be Stan Kenton and his orchestra known throughout the states for progressive jazz. Basil Rathbone will be concert. At the final performance of the special guest for the January 8 the season, Sister Mary Theophane. Mrs. Frank McKnight, and Mrs. George Henderson will be starring.

The Alverno College Elementary Home and School comprised of 160 members, has put forth one of the largest music projects in the entire country.

Alumni—Please Note

We enjoy sending copies of **The Bosco Beacon** to you alumni, however, to help pay for the mailing and other costs, we are asking you to send $1.00 to cover your subscription.

Please address all financial matters to the **Beacon.** Other correspondence including alumni news should be sent in care of the editor.

Editor-in-Chief

Homerooms Select Officers for Year

The class officers for the present semester are as follows:

Seniors:

109
Mike Lucci, Pres.
Brian Adamec, Sp. Com.
Arne Koch, Educational Com.
Louie New, Temporal Com.

111
John Bova, Pres.
Nick Adelmeyer, Spiritual Com.
James Hendrickson, Educational Com.
Richard Tubaszewski, Temporal Com.

113
Dennis Grzendzielewski, Pres.
Jim Potochick, Spiritual Com.
Jim Judziewicz, Temporal Com.

112
Geore Sielen, Spiritual Com.
Ken Sweet, Educational Com.
Cruiz Carillo, Temporal Com.

Juniors:

200
Charles Brewster, Pres.
John Bull, Vice President
Joe Schiek, Secretary
Mike Slawnik, Treasurer

212
J. Herda, Pres.
Dennis Kocs, Spiritual Com.
Kenneth Bellanti, Temporal Com.

213
Pat Kaluszynski, Pres.
Tom Myszewski, Vice President
Robert Ruesch, Secretary-Treasurer

215
Phillip Schulte, Pres.
Dennis Yarnot, Educational Com.
Glen Scott, Temporal Com.

Sophomores:

207
Steve Wroblewski, Spiritual Com.
Daniel Lamping, Educational Com.
Tom Nieman, Temporal Com.

201
John Zanotti, Pres.
Anthony Pedriana, Vice President
David Weber, Secretary

209
Ray Kais, Pres.
Mike Krzewinski, Spiritual Com.
Dennis DeBattista, Educational Com.
J. Redman, Temporal Com.

211
Tom Harrington, Pres.
David Andraszczyk, Spiritual Com.
Gerald Rogahn, Educational Com.
Bob Rademacher, Temporal Com.

Freshmen:

102
Mike Quirk, Spiritual Com.
James Smukowski, Educational Com.
Dan Goodman, Temporal Com.
Paul Maliszewski
Anthony Paruzynski

103
Bob Match, Spiritual Com.
Tim Okonek, Educational Com.

203
Russell Pikulik, Spiritual Com.
Carl Heinz, Educational Com.
William Martin, Temporal Com.

—Mike Krzewinski

Homecoming Big Success This Year

Close to the end of the football season the minds of many students look forward to the big annual event of the season: Homecoming. This year it was held Sunday, October 23.

As every year, homecoming started with a parade. Decorated cars and floats of all types prepared by the homerooms and students were participants in the parade. Awards for the best decorated cars and floats were presented by the judges, Mrs. Phil Schrempf, Mrs. Thomas Frohna, and Mr. Thomas Pucylowski. The student body would like to thank these judges for their time. Grand prize was awarded to freshman homeroom 102 for having the best float. Taking the other honors were homerooms 112, Seniors; 200, Juniors; 209, Sophomores; and 202, Freshmen. Honorable mentions were won by rooms 113, 213, 207, and 211.

Spirits were high later in the afternoon as Don Bosco defeated Kenosha's St. Joe's by a score of 30 to 7. During the halftime the Bosco band marched on the field. After the game the band led the team and boosters back to the gym for the singing of the school song. A few hours of silence followed the cheering, shouting and band marching, but as 8 p.m. rolled around melodious notes poured from the gym. Everyone present was serenaded by Ober Anthony. About 9 p.m. the alumni and students, accompanied by their attractive dates watched the crowning of Queen Karen Doria and King Thomas Grafenauer. The dance came to a close at 11 p.m. and thus ended another successful homecoming.

—Joe Graebner

Knight Light

This month the Knight Light shines on Jim Judziewicz. A senior in homeroom 113, Jim is engaged in a number of activities in school. He shows his ability at football by playing halfback for our Dons. In every game, Jim has helped the Dons by his driving power and spirit to never give up. He is an active member of our student council and sodality. Although Jim has contracted a case of dishpan hands by his work in the cafeteria, he manages to give us clean plates to eat on. Playing baseball for the last two years, Jim did a real good job behind the plate.

Jim Judziewicz

Jim enjoys football most of all, and his big ambition is to coach his own team. The Bosco Family congratulates Jim Judziewicz on his very fine job in the many activities of our school!

—James Krzeszewski

Bosco Grad Earns Way in Europe

Want to see Europe? You can't afford it? Dennis Wasielewski, a 1959 graduate of Don Bosco, spent two months overseas this summer and earned money in the process.

Dennis was given a job in Frankfurt, Germany by the American Student Information Service. This government service obtains summer jobs in the country of the college students' choice, and finds room and board for them. Wages are paid in the currency and wage scale of the foreign country.

Dennis paid for his own round trip transportation to Frankfurt, but more than made up for it with the pay he received for seven weeks work.

After the job, Dennis had one week in which to tour Europe. During this time he managed to see Paris, Rome, Vienna, and, of course, Germany.

—Jeff Schrank

Bosco Grad Takes Vows As Oblate

Brother James Gossette, O.M.I., took vows as an Oblate of Mary Immaculate at the Shrine of Our Lady of Good Hope in Essex, New York. The son of Mr. and Mrs. James Gossette, 1558 W. Mineral St., he was graduated from Don Bosco's class of 1949 and served in the United States marine corps for three years before he entered Our Lady of Hope mission seminary, Newburgh, New York. He will complete his studies for the priesthood at Oblate college in Washington, D. C.

His brother also attended Bosco, graduating in 1954.

Catholic Church Treated Unjustly Early American History Shows

A study of early American history will show that the Church has been treated unjustly. For instance, a law in colonial Virginia forbad a priest to offer Mass. Catholics could not hold public office and were taxed doubly in some colonies. Then the Toleration Act was passed in Maryland by the Catholics when they were in majority. This law guaranteed religious freedom to all. When a Protestant was elected governor by the then Protestant majority, the Toleration Act was repealed. The U. S. Constitution finally gave the Church freedom.

About the middle of the 19th century a group known as the Nativists was started. Through their instigation many churches and schools were reduced to ashes.

Another group, the Order of the Star Spangled Banner, better known as the Know-Nothings, started a bit later. They were bitterly resentful to the Church. Only native-born, Protestant-Americans were admitted as members. They controlled some congressional and Senatorial seats. The APA (American Protective Association) was founded around the 1870's. They offered lectures by "ex-priests" and distributed anti-Catholic literature.

Perhaps the most vile of all these groups was the Ku Klux Klan, who with their bodies draped in white bedsheets spread a reign of terror; burning crosses; tarring and feathering those whom they did not like. To their list of undesirables along with Negroes and Jews, the Catholics were also added. They elected two governors, one in Maine and the other in Oregon. They staged huge parades along Pennsylvania avenue in Washington, D. C. Largely through their efforts, Alfred E. Smith was defeated. They accomplished this by exposing "evils" in convents, using the book written by mentally-deranged Maria Monk as an example and by exposing "Popish plots."

History Repeats

Some bigots have started again as a result of the nomination of Senator Kennedy. Fortunately, however, other ministers and rabbis have renounced this bigotry in publications such as the "Living Church." These ministers are to be commended for their fine work, for if the churches do not unite as fellow brothers in Christ, we may as well give up because the cause will be lost to atheistic Communism. And if this Red menace gains excessive power there will be no need for doctrinal disputes, for we will all return to the catacombs and witness persecutions and martyrdoms such as even early Christians never experienced.

—Tom Olszyk

Public Enemy Number 1 Against Peace—Communism

(Editor's note: We all know of the horrors of Communism and how it could demolish our liberty should it become powerful enough. As citizens, we should know something about Communism in order that we are prepared to help stamp out the Red menace. Ken Kujawa, in connection with Communism, is writing a series of articles. The first, published this issue, outlines the development of Communism.

The outline of Communism, public enemy number one to world peace and prosperity, was introduced to mankind by the philosopher Plato in his book "The Republic." During this time, monasteries, Greeks, and Hebrews were living a Communistic-like society in a seemingly peaceful manner.

The idea was developed further by Karl Marx, a German socialist, and to a lesser extent developed by Friedrick Engels. These two men collaborated to write the "Communist Manifesto" in 1848. Later Marx wrote his own book "Capital."

Both books contained the theory and plan of action accepted by today's Communists.

In 1936, the USSR adopted a new constitution which specified the Communist party as the only official one of the country.

In 1919, Communism was injected into the US and the "Left Wing Socialists" became the nucleus of the party formed here. By 1936 the Communist party in the US had grown to 50,000 members.

(To be continued)

School Buses Not Headed for School?

On the first Sunday in October 1960 the bright sun looked down on a strange sight, a long row of bright school buses, but as evidenced by the signs on their sides they were not headed for a school but to a football game at Racine. At about 12:45 the buses began to move and a long trip was started. Inside the buses singing and cheering prevailed. Outside eyes popped as Bosco's private parade passed. At the corner of 13th and Oklahoma some little children counted them, "1, 2, 3, 4, 5, 6, 7, 8, 9, . . . gosh more than 100!"

After arriving at the stadium the fans cleared the buses and swarmed toward the gate. Soon Bosco backers overflowing the stands were waiting impatiently for the game to begin. The first two quarters moved swiftly and soon everyone was heading for a snack. The third quarter was nearly over before some fought their way through the mob at the stand, returned, and found new seats.

In the last quarter with only about five minutes left to play Bosco made a

Declaration of Independance, One Of World's Most Prized Documents

"We hold these truths to be self-evident that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty and Pursuit of Happiness."

Familiar? If not, it should be, for this quotation is one of the most famous parts of our Declaration of Independence, one of the world's most prized documents.

Is the statement true? Is it good? Well, if it isn't, then the entire Declaration of Independence is the biggest pack of nonsense ever written. Therefore it stands to reason that it is true, is good and that anything which fills these qualifications should be practiced. **BUT,** here is where the trouble starts. We, as Americans, stand on this statement, the picture of virtue, while all through our nation some men, women, and children are not being treated as equals.

Of course, all of us know well the examples in the South where boys and girls our own age are kept out of schools, are beaten, scorned, and on the whole, treated as rabid animals to be kept out of circulation. Now everyone of us leans back and says, "That's terrible the way those southerners treat those poor niggers." Southerners? Niggers? Far from it! Look at our own great Middle West where a girl is kept out of school because she is dark complexioned. Better yet, look at our city of Milwaukee where a little Negro girl is told she can't attend a school because "if she were allowed to enroll, the class would have more girls than boys. American equality!!!

We could go on and on talking about the Indians who were told not to try to attend a public school and the middle-age Negro who, with a gun in his ribs, was kept from voting.

Herbie Q. Ordler Joins Speech Team

Poor Herbie Ordler was blasted again. He can't really be blamed though, because he is new and green and doesn't know what is going on. Now, mind you, I am not defending him for I think that all students should poin some organization.

Herbie and I were walking home the other day when suddenly he blurted out, "I'm tired of everyone picking on me. I want to join some activity, but I don't know what to join."

I suggested the Speech Team. He was rather reluctant about giving his answer. "Well, if I knew somebody in there maybe I . . ." At this point I interrupted him saying, "There is a meeting tomorrow after school in room 201 for all those interested in joining the Speech Team, and I will go with you."

The following day I reminded him several times about it, but as is traditional with Herbie, he "chickened out." I caught him hiding under one of the pews in Chapel, intending to stay there until the meeting was over, but I coaxed him up to 201.

Mr. Frohna explained briefly the organization and its rules. I kept guard at the door, to keep Herbie from sneaking out. Astonishingly enough he didn't attempt to leave once and was very interested. He is now a member of the Speech Team. If Herbie can do it, so can you. **—Tom Olszyk**

upperclassmen and to the members of the music departments of all Catholic high schools of the Archdiocese. The members of the music departments must wear their respective uniforms, and all others must wear semi-formal dress.

The king this year will be Richard Haas, and the queen will be Mary Pat Haas (no relation) of Marquette University. Senior representative will be Jerome Rick; junior representative will be Ray Kaczmarek; the representative at large will be Scott Weyda.

The Ball will be held November 11, 1960, from 7:30-11:30 p.m. No tickets may be purchased at the door. All tickets are sold in advance through the homerooms at $3.00 per couple.

* * *

Seven members of the DB Band attended the Summer Band Camp at Notre Dame University last August. They were: seniors Jerome Rick and Dick Haas; juniors Mike Wachowiak, Ray Kaczmarek, and Scott Weyda; and sophomores Jim Oleniczak and Tom Olszyk. Dick Haas was chosen as Catholic Band Camper of the year, an award based on qualities of music ability, friendliness, and cooperation. Mr. Kanaskie served on the faculty of the 1960 Band Camp. **—Tom Olszyk**

A Negro Will Decide Your Future

(Editor's note: In order to keep Bosco citizens up to date on current events, a series of five articles will be written relating to problems of today's world. These will be written by Tom Niemann of the Editorial Department of the Beacon Staff.)

The world has been shrinking steadily over the years like an overfilled balloon slowly hissing air. In 1492 it took four and a half months to cross the Atlantic. God forbid it ever to happen, but today a missile can make the same trip in a half hour. We can no longer say that we are students of Don Bosco or teenagers of Milwaukee, or citizens of the United States—we are fellow citizens of the world. Africa is as much our neighbor as Cudahy. World events directly affect us. The presidential candidate's views on world affairs will either put him in the White House or send him back to the well-worn drawing board for another four years. It is impossible to be isolated in our little corner of the world. Because of the now pint-size globe, and the proximity of all nations, it is vital that all nations learn to live peacefully. And therefore, in the coming issues we will review world affairs in reference to one of the sorest spots in this international fellowship—prejudice.

Prejudice Witnessed Throughout History

Racial prejudice is not new. The Romans used conquered peoples for slaves and more recently the Nazis tried to kill the whole Jewish race. The United States has certainly not kept its hands lily-white. In 1848 the Dred Scott decision of the Supreme Court ruled in effect that that the slave was of no more value than a good horse. Such a view was obviously in direct contradiction not only to Sacred Scripture but also to the famous Preamble to our Constitution. The decision by no means settled the question. In fact, twelve years later a tragic war was fought over the same issue. Even today, as you know, our country is divided on the issue of school integration.

There is little sense in writing articles about the world situation from the viewpoint of the race issue unless we first see why this issue is important. The title of this article was meant as a grabber and at this time demands some explanation. In the United Nations today there are five groups of votes or blocs. The Western bloc has twenty-five votes and consists of the United States and most of the countries of western Europe. The Latin American bloc has nineteen votes and consists of our "friends" in the America south of us. The Arab-Asian bloc, composed of the countries of the Near and Middle East, has been allotted nineteen votes. The Communist bloc has only eleven votes but promptly vetos any proposal made by the free countries. The African bloc has recently been enlarged to include the seventeen new countries just formed on that continent. With these new countries, the African bloc has been expanded to twenty-six votes. Because of this new-found power the Africans can tilt a decision either way by a two-thirds majority of the General Assembly. Under these circumstances do you want the Negro for a friend or enemy? They are either for us or against us. There is no real in-between. The road of neutrality has been honed to a razor's edge. The non-Caucasian (non-white), even more specifically the Negro, holds our future and the future of the world in his hands. **—Tom Niemann**

Look For . . .

November—

1 All Saints' Day (free)
Table Tennis Tourney
2 Student Mass
4 Student Mass—first Friday
5 ACT Test (for seniors)
15 Fatima Shrine
18 St. Bonaventure's (Sock Hop)
20 Beloit
21 Student Mass

13 Beacon III distributed

Home and School Begins

The activities for the Home and School have already gotten underway.

The first Home and School event was the frosh mothers' "Welcome to Bosco" social on September 21. October 5 was the date of the annual Mens' Smoker.

The rest of the activities for the remainder of the first semester are:

Nov. 6—Card Party (senior and frosh mothers)
Nov. 29—Monthly meeting
Dec. 11—Mens' Day of Recollection
Dec. 17—Monthly meeting and Christmas program

This year the Home and School Association is under the leadership of the following officers: Bro. Dan Sharpe, moderator; Mr. R. Osborne, president; Mrs. R. Kaczmarek, vice-president; Mr. J. Katzfey, treasurer; and Mrs. J. Herda, secretary.

—Ken Griesemer

STUDENT COUNCIL—Seated, L-R—Bro. Ralph Krull, moderator; B. Semmler, treasurer; M. Lucci, secretary; J. Zolecki, president; J. DeVita, vice-president; Bro. Robert Osborne, moderator. Standing, L-R—Reps: J. Judziewicz (113), J. Ulma (111), J. Sneig (202), R. Kais (209), P. Datka (201), D. Kaczmarek (103), R. Barczak (215), T. Harrington (211), D. Mei (213), P. Hess (109), R. Baranowski (102), F. Tessler (207), C. Bartels, (212), R. Gizelbach (112), J. Peters (200). Absent: R. Iczkowski (203).

Spirit Banner Winners

1.	**Fatima Shrine**	**Frosh 102**
2.	**Frosh night**	**Frosh 102**
3.	**St. Catherine**	**Frosh 103**
4.	**Marquette football**	**Senior 112**

The mountain was a tower of strength, looming up out of the sedate valley below. It looked as though it were reaching out of the depths of the earth, striving for the glory of its Creator. This was nature's Tower of Babylon, with its peak dissolving into the mist of fleecy while clouds. The blue hue which clung hesitently to the great rock's sides seemed to be trying to cool the torrid desire within. It was a picture of desire.

—Tom Niemann

More Action From Americans

How can we Americans expect to keep our present positions as leaders of the true world if we ourselves do not stand up for one of the most basic ideas of democracy — all men are created equal. I think it is about time we did something. Not "we" but all those who are interested in justice, democracy, and well-being of our United States.

—Chuck Bartels

We would like to welcome all new members of the BEACON staff.

We would especially like to thank those who are not members of the staff but wrote articles for publication. Such works are always appreciated.

—The Editors

5 Dons Attend WASC; Lucci Discussion Leader

The Wisconsin Association of Student Councils held its annual convention in Waukesha last week Friday and Saturday, October 21 and 22. The theme for this year's convention was "Leadership through Participation." The following boys were delegated to represent Bosco at the convention: Mike Lucci, Jim Peters, Dennis Mei, Ray Kais, and Tom Harrington. Mike Lucci was appointed discussion leader since he attended the National Association of Student Councils' Convention this past year.

—Dennis Mei

Gym Kept Looking Neat by Stage Crew

Juniors Ray Kaczmarek, Scott Weyda and Mike Wachowiak and sophomores Mike Hunn and Charles Ney comprise Bosco's stage crew. These boys are responsible for keeping the gym and the stage in particular in good condition. They have charge of decorating the gym for dances and setting up the scenery and other props for plays. They have to be on hand behind the stage during assemblies to see that the electronic equipment is in perfect working order. It is their responsibility to set up the stage altar whenever we have a Community Mass and also to set up the tables and chairs for the Home and School meetings. Installing a new amplifier for the microphones is their latest project.

Ray says that keeping the stage clean also takes up quite a lot of their time.

Brother Charles Rahe is the moderator of the stage hands.

To these boys we owe a debt of gratitude for their fine work in keeping the school stage in top condition.

—Arthur Kaspar

Stage crew on the job, L-R—S. Weyda, C. Ney, M. Wachowiak, M. Hunn, R. Kaczmarek.

The Saga of the U-22 Mission

This is the saga of U-22 and the mission that might have changed the entire pictlure of World War II. The time, April 1940, the place, the Atlantic Ocean, some 100 miles off the coast of Newfoundland.

From beneath the mysterious waters of the North Atlantic an ominous metal object appeared unnoticed in the crisp winds of early April. For nearly 17 hours U-22, the Nazi submarine "Die Mitternacht," had been gliding silently, under water, towards the North American continent. Now the battery needed charging, so Capt. Franz von Braun was bringing her up. U-22's ballasts blew and another one of Hitler's raiders began the slow ascent to the surface. A few minutes more and once again U-22 will slip like an eel beneath the North Atlantic's frigid waters.

Germany was at war. Der Fuehrer's hounds had easily conquered the Lowlands and were now furiously blasting and mauling General de Gaulle's inferior French troops. But here on the placid, windswept ocean there are no thoughts of killing or conquering, only those of family, home an dthe starlit heavens above.

On the bridge stands "Der Kapitan," a greying graduate of Weimasstadt, the Annapolis of Germany. A veteran of the Kaiser's 1914-1918 clambake, his interest in this war was one of "duty to Germany" more than "for my Fuehrer." Capt. van Braun was a Nazi in name only. He was picked for this mission because of his brilliant war record and his calmness under fire.

His mission was not the kind for which volunteers are asked. His orders were so impossible, that he just might succeed. After all who would think that one submarine could possibly flow up New York harbor? What weapons would be used? Torpedoes? Deck guns? Neither. It was Capt. von Braun's honor to test the most revolutionary concept in modern warfare since the airplane, V-5.

The V-5 is a little device called a rocket. It is unique from all its predecessors in that it can be fired from beneath the surface of the ocean. Its only drawback is that the vessel from which it is fired must be within 15 miles of its target. The trick is getting within 15 miles of New York's harbor undetected. If successful, this will be another first for the decorated captain, because U. S. radar and sonar had a perfect record against all previous attempts made by Axis submarines.

A week has now passed and U-22 is a mere 30 miles from New York . . . still undetected. Capt. von Braun gives the orders "Assemble all V-5's." With a mute skill all the king-size firecrackers are made ready. Now it is only a matter of time. The sub is rigged for silent running and all noise save the engines has ceased.

Now U-22 is 18 miles from its designated target. Suddenly! "Her Kapitan! High speed screws! Bearing 0013 degrees, range 13,000 yards closing fast!"

"Take her down to 250 feet and prepare for a depth charge attack." The mission seemed a failure, for American anti-submarine weapons are almost perfect. The destroyer continued closing the range for seven harrowing minutes, then as quickly as it appeared it turned out to sea. U-22's faint flicker of life blossomed again into a glowing flame. Once again Hitler's messenger of death slid secretly through the dark towards New York.

Capt. von Braun was now a mere 13 miles from his unsuspecting victim. "Prepare all V-5's for firing!" The stage was set. The captain's next word would probably turn New York's harbor into a graveyard.

"Fire!" A tremendous explosion and U-22 with all its crew disappeared quickly to an unexpected death in the murky Atlantic. What happened? No one knows except 172 crew members and God.

—Tom Mellonig

Assembly Opens Rosary Month Here

An annual occurence at Don Bosco, the living Rosary assembly, was held Friday, September 30. The assembly opened with the "Sub Tuum" sung by the Glee Club. Following was the Rosary itself which was comprised of student representatives from each homeroom. After the Glee Club sang the Litany of the Blessed Virgin and several other hymns, Father Leies conducted Benediction.

The assembly, meant as a formal opening for the month of October which is the month of the Rosary, closed with the whole school lifting their voices in praise to God by singing "Holy God."

—Mike Cesarz

Acolytes lead the procession in DB Living Rosary.

Pep Rally Held For Marquette Tilt

A pep rally was held in the Bosco gym October 14.

It began with a band number and comments by Dennis Grzendzielewski. He introduced the teams and their respective coaches. A comedy skit entitled "Man on the Street" followed. Coach Haluska then commented on the team and the importance of the student support. More band numbers and cheers helped to bring out more spirit for the rally.

The student body then sang the school song and ended the rally with the recitation of the 3:00 Prayer.

—Joe Graebner

CONTINUED FROM PAGE ONE

meetings move from school to school. The school that is host is responsible for the program. These programs develop a theme which is chosen at the beginning of each school year. This year's general theme is "All Brothered in Christ," a theme which deals mainly with inter-racial problems.

The first convocation of this year was held September 27 at Messmer. The main business attended to was installation of new officers and introduction to this year's theme. The second convocation is to be held Tuesday, October 25, at Marquette High. To be discussed there is the topic "A prejudiced soul is a small soul."

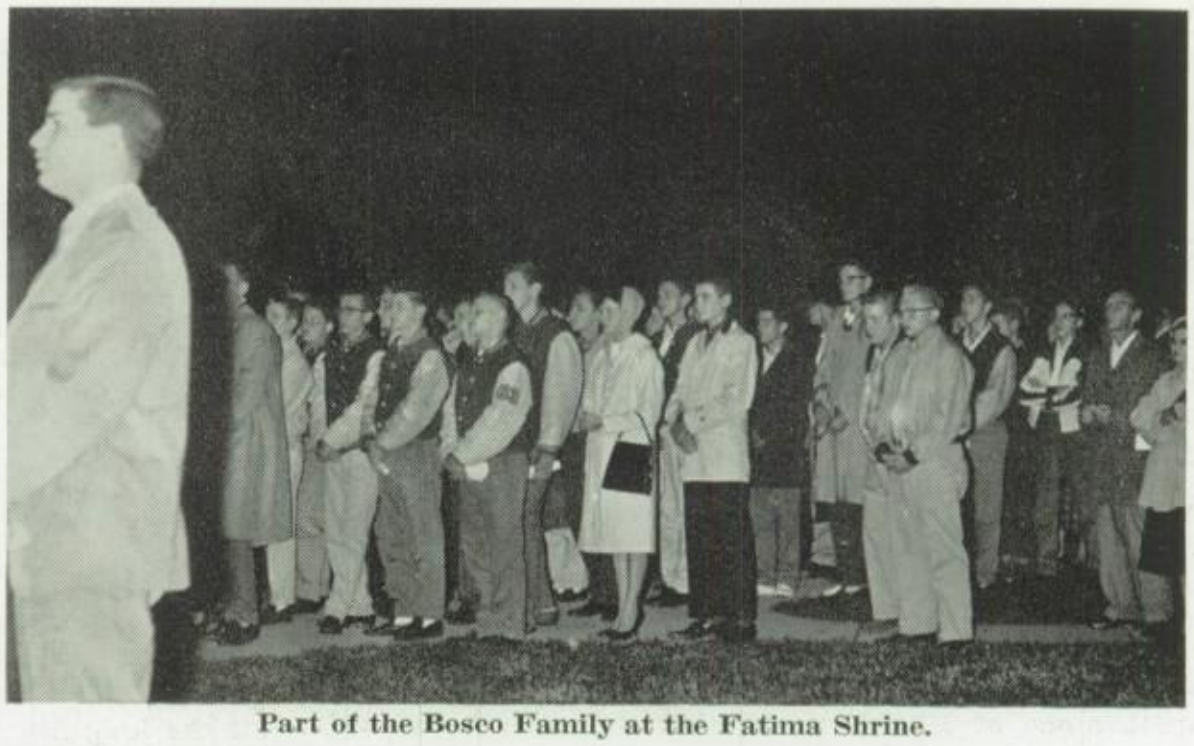
Don Bosco will be host December 14. The topic to be debated is entitled "Freedom to Live—Anywhere."

SUMA—Organization of Many Activities

Besides its monthly meetings SUMA participates and/or sponsors various other events such as the Lourdes Ball (February 10, 1961); book review contest; spiritual bouquet for the Holy Father and the Archbishop; the May Coronation and numerous others.

Of course, the main task undertaken by SUMA is the sponsorship of the Wisconsin Catholic Action Convention (WCAC) held each year in the Milwaukee Auditorium-Arena. The 15th convention will be held February 3, 4, and 5, 1961. The purpose of the convention is to encourage Christian leadership among youth and to promote all forms of Catholic action. 10,000 students are delegated each year from a dozen states. Since its beginning in 1946, the convention has grown to become one of the largest of its kind in the country.

—Dennis Mei



Part of the Bosco Family at the Fatima Shrine.

WACSSP Held at Bosco This Fall

The fall meeting of the Wisconsin Association of Catholic Secondary School Principals (WACSSP) was held October 11 and 12 at Don Bosco high school.

About 80 principals, vice-principals, supervisors, and administrators from five Wisconsin diocese were in attendance.

Principle theme of the meeting was "Guidance in the Catholic Secondary School." Brother Leo Willett, assistant principal, the Rev. Edmund Olley of St. Joseph high in Kenosha, and Mr. Norbert Riegert, of Pius were the main speakers.

The WACSSP was founded in 1955 under the presidency of the Rev. Raymond Punda, of Notre Dame high school. Wisconsin is one of the few states in the nation to boast of a statewide organization of Catholic secondary schools.

Father Ralph Schmit installs J. Ulmas as SUMA treasurer.

touchdown and took the lead 21 to 20. Surely Green and Gold would be the winner's colors. But the Angels saw only Black and White and succeeded in gaining six points. With about one minute to play Bosco got the ball and swept up the field, crossing the white line in the last three seconds.

The delirious Bosco fans began the ride back to Milwaukee in a happy stupor, but as the buses commenced, the full force of the preceding five minutes struck them: "We won! We did it! We beat St. Kates!" Almost simultaneously eight hundred rasped voices took up the harsh strains of, "V-Vi-Vict." As they arrived at Don Bosco the cheering was still to be heard although somewhat subdued from the harsh cheers of the bus ride. Before the crowd dispersed, notes had to be compared, backs needed slapping and dates had to be found. These tasks completed the rooters began to desert the parking lot and within half an hour only shreds of the now obsolete signs remained shuffling across the pavement among the crisp brown autumn leaves.

is the selection of Merit Scholars from among the semifinalists. However, we also strive to foster the pursuit of excellence among all highly able students."

The commended students were among the high school juniors in more than 15,000 schools who took the sixth annual NMSOT last spring.

This year's program will conclude about May 1, 1961, with the naming of students who will receive four-year Merit Scholarships to the colleges of their choice.

The annual Merit Scholarship competition is open to all high schools in the US and its territories. Approximately 3,200 Merit Scholars are currently enrolled in about 400 colleges and universities. Almost 500 Merit Scholars have been graduated.

Dons Begin Season With 21-0 Victory

The Dons began their tenth season of conference play on a winning note by defeating Dominican of the "gold" league, 21-0. In the first half, John Zolecki passed to Rich Gizelbach for the Knights first tally. Later in the same period Tom Myzewski went over for the second TD. Tom Mellonig added two extra points to make the score at the half, 14-0. In the final quarter Jim Judziewicz galloped over for the third tally and Mellonig added another extra point to account for all of the Don's scoring.

In a second non-league tilt the Dons met Country Day, 1959 Champions of the Midwest Prep Conference. That ended on a sour note with Bosco on the short end of a 34-33 score. The highlights of the game were brilliant runs by Tom Grafenauer and Don Sokolowski after they caught passes thrown by John Zolecki. The team did better than the score indicates. They outrushed, outpassed, and gained more first downs than their opponents, but did not receive the breaks that Country Day had.

Bosco traveled to Beloit next for a perennial game with Beloit Catholic in which the Dons emerged victorious. Jim Judziewicz scored two touchdowns during the game, on a nineteen yard run and a sixty yard pass from Zolecki. The final tally came in the last period when Don Vodnik caught a pass from Zolecki and scampered twenty-five yards to the end zone, making the final score 19-13.

—Tom O'Connell

Dons' Grid Victory Viewed by 4,000

A trip to Racine proved to be a joyous one for the Dons, as they whipped St. Catherine 28-26 before a crowd of four thousand at Racine Horlick Field. The victory for Bosco was the first over the Angels since 1955. By winning, the team also gave coach Jim Haluska a personal victory. Haluska had formerly played on and coached the Racine team. John Zolecki unloaded an aerial bomb on St. Kates by completing sixteen out of twenty-two passes for two hundred and ten yards. Of these sixteen com-

Grafenauer snags one out of the air against St. Kate's.

pletions, three were good for touchdowns. Both teams scored in the second quarter, making the score at halftime 7-6, with the Dons out in front. The second half was a wild and woolly affair in which a total of six touchdowns were scored in the last fifteen minutes. In the fourth quarter Don Sokolowski caught a pass from John Zolecki and scurried forty-two yards for a touchdown. This tally put the Dons ahead 21-20. But with a minute and nineteen seconds left in the game, St. Kates scored and almost put an end to the Dons hopes. However, the fighting spirit of Bosco was still present in the hearts of eleven men, and in eight plays the Dons had moved

DeVita brings down Angels' runner.

the ball down to the one-yard line with three seconds left to play. After a short huddle, Tom Myszewski plowed into the end zone for the winning tally and a long awaited victory.

—Tom O'Connell

Bosco Loses To Pius Grudgingly

On a sunny October afternoon an exuberant crowd shuffled into South Stadium to view the Don Bosco-Pius game and the much-praised throwing arm of John Zolecki. The Pius cheering section was surprisingly large, and on both sides of the field the fans were

Wisniewski, R. Gerke (manager), M. Wingert. Coaches: Ronald Fieber and Bro. Richard Martens. Absent: G. Tomczak, R. Ruthenberg, A. Giordano (manager).

Marquette Easy For Junior Dons

Supreme coaching efforts by Brother Richard Martens and Mr. Ronald Fieber paid off in full as Bosco's junior Don's trampled over Marquette 12-0 in the season's opening tilt at Merril Park.

The first touchdown came when Mike Sargent snatched a pass from quarterback Tom Harrington from the four yard line. To make the score complete, George Schultz swivel-hipped his way from the 50-yard line to "pay dirt."

Starting line up is as follows: T. Harrington, quarterback; G. Schultz, fullback; J. Zanotti and F. Tessler, halfbacks; S. Wroblewski, center; J. Datka and R. Wisniewski, guards; M. Szymazek and G. Tomczak, tackles; and M. Sargent and J. Rogahn, ends.

To quote Brother Martens, "There was no contest. We had Marquette all the way. Although we made a few mistakes, this was expected for it was our first game."

—Bill Kowalski

Ceezers Unscored Upon

The Ceezers made their debut a success when they outscored East by 36 points.

Scoring started early as T. Paruzynski took the opening kickoff and scampered 80 yards for the first TD. A pass from Paruzynski to Bob Gaynor accounted for the second TD. After recovering a fumble, Rouleau dashed over for the third tally. A pass from Sumkowski to Gaynor plus two safeties made the score 29-0. Bob Maynard ended the drive with a 10 yard run. Final score: 36-0.

The Ceezers obtained their second win as they entertained St. Joseph's of Kenosha at Baran track. Bob Gaynor scored three touchdowns to lead the Ceezers to their 30-0 victory.

The Ceezers kept their victory pace as they defeated Pius 7-0. In the first quarter Gaynor took Paruzynski's pass for the first and only touchdown of the game.

213 Takes Top Prize in October Shrine Contest

The following were the winners in the October shrine contest: Grand Prize, room 213 with the theme, "Autumn Beads for Mary's Rosary." Second prize, room 209. Division Winners: seniors, room 109; frosh, room 202.

The judges of the contest were: Bro. George Haarmann, Mrs. Schrempf, and Mrs. Kielpinski. A word of thanks to these judges and congratulations to the winners.

(Continued from page 9)

ready to cheer their team to victory.

Pius took an early lead scoring on a Bosco fumble but failed to add the extra point. The Dons were not able to click in the first half and managed only to scrape up two points on a safety. Neither team was able to score in the third quarter, and at the start of the fourth period, Bosco rooters were becoming a bit jittery.

Not until the official clock showed five minutes remaining did action begin. Pius was forced to punt on fourth down, but in order to waste precious seconds the kicker received the snap from center and scampered into the end zone giving Bosco a safety and two more points. After Pius kicked off the first play from scrimmage there was a long pass from Zolecki to Vodnick who was brought down on the Pius twenty yard line. Two attempts were made to pass into the end zone but failed. Finally with third down and ten yards to go, Grafenauer broke loose in the end zone. Zolecki threw a perfect pass but Graf was tripped by a Pius defender before he could grasp the ball. Pass interference on this play was obvious, but the referee failed to call it. When the try on the fourth down failed, the gun sounded leaving a fighting but disappointed Don Bosco team with their first conference defeat.

SODALITY REPRESENTATIVES, L-R: J. Peters, Father John Leies, C. Bartels.

EXCHANGE STUDENTS, L-R: Alberto Torres, Luis Lomelin, Armando Lievana, Enrique Rebora.

Sodalists Go East To '60 Convention

The two faculty moderators, Father John Leies and Bro. Robert Hanss, and the two sodality delegates, Chuck Bartels and Jim Peters, arrived at the Philadelphia International Airport at 10:30 a.m., EST. While in "Philly" we took a historical tour of the city. We saw such famous sights as Independence Hall, Betsy Ross' home, and Benjamin Franklin's grave. Proceeding to the convention site, Chester, Pennsylvania, we arrived at St. James High School Thursday evening. Two of the St. James sodalists boarded us at their homes during our stay.

The convention began Friday afternoon with the recitation of the Little Office, followed by sessions concerning sodality work. The topics of the sessions were: the theme of the year's sodality work, the work of the sodality committees on Zeal, Instruction and Temporalities, and even music appreciation.

Mass was offered every evening at 8 p.m. and this was followed by the group recitation of Compline. On the last day of the convention, the Mass was celebrated by a Chinese bishop in exile; after Sunday dinner in the school cafeteria, a farewell address was given by Fr. Landolfi, the principal of St. James. A picture was then taken of the delegates, who had assembled from all parts of the United States, and even Canada and Puerto Rico. The convention came to a close on Sunday afternoon, and the delegates and moderators returned to their home schools.

Communism, Education Topics of Senator

At two o'clock Thursday, December 1, Bro. Sharpe introduced United States Senator William Proxmire to the students of Don Bosco at an assembly in the gym. The Senator began his speech by giving a brief explanation of the kind of work done by the senate and a few of his duties as a Senator. The topics of his speech were communism and education. He stated that Communism is the greatest challenge to a free America, democracy and a free world.

In order for any nation to maintain its freedom, it must be strong, not necessarily militarily; not essentially economically; but in its people.

CONTINUED ON PAGE TWO

Bro. Dan Sharpe and Senator Proxmire meet after assembly.

Mexican Students Vacation Here

Four boys from our neighboring country of Mexico will spend their school vacation attending Don Bosco as an experience in foreign living. For about two months the Senores Enrique Riborea, Luis Lomelin, Armando Lievana, and Alberto Torres will be the guests of the families of Steve Wroblewski, Grant Rynders, Dennis Soldon and Ken Griesemer respectively. Ken Griesemer's family will return to Alberto Torres the hospitality that Alberto's family extended to him last summer.

At the same time, Alberto's sister Evangelina will be staying with Sandra Schiessl's family while attending St. Mary's Academy.

Through this foreign exchange program, Don Bosco hopes to promote a better understanding between our country and its southern neighbor.

—Ken Griesemer

Former Teacher at Don Bosco Dies

Bro. John P. Kessler, who taught at Don Bosco from 1952 to 1953, died on November 7, 1960 in San Antonio, Texas. While he was at Don Bosco, Bro. Kessler had classes in physics and Algebra II. He also taught religion and had a senior homeroom.

Bro. Kessler was born near St. Louis in 1905. He entered the Society of Mary in 1926. Six years later he was sent to Japan as a missionary. He spent nine years there, and in 1941, he was imprisoned by the Japanese government.

CONTINUED ON PAGE TWO

CONTINUED FROM PAGE ONE

Through education people will acquire the ways and means to keep their nation strong and to retain their freedom. Thus, well educated people are the backbone of free countries. Mr. Proxmire said the reason Russia was able to put the first earth satellite into orbit was because they realize that education is the means for nations to become or remain strong.

The Senator said we students will be responsible for maintaining the United States position as the leader of the free world in the future. He claimed the American system of education is better than Russian system because we are given a fuller and more extensive education. Russian education is aimed at two goals, total submission of the student to the state and submission of the entire world. Russians are forced to study for the betterment of the state, while our purpose is the betterment of ourselves.

Senator Proxmire said it was our duty as students to study hard. He concluded his talk stating that we owe our country everything in our power to help keep it strong.

After he had finished the speech, he answered questions asked by the students. Brother Dan concluded the assembly by thanking the Senator for his fine talk and then reciting the three o'clock prayer.

In a personal interview, Senator Proxmire said students should take part in politics by voicing their opinions about the way our government is being run, and by backing the candidate of their choice, not just for president, but in all governmental offices. Teen-agers should strive to learn as much as possible about United States government, and should try to keep abreast of the latest political developments. **—Art Kaspar**

He was released in 1942 on a civilian exchange basis.

The faculty and students of Don Bosco high school wish to extend their deepest sympathies to the family and friends of Bro. Kessler. **—Bob Padol**

FATIMA SHRINE
DECEMBER 15

Sodalists Advance at Day of Recollection

The Sodality Day of Recollection and advancement exercises took place on Sunday, December 4 in Bosco's gym. The program started at 8 o'clock and continued until noon. Jim Peters and Chuck Bartels gave a presentation on the National Sodality Convention held in Philadelphia. Also on the program were various speakers, Mass, and the advancement of the members of the Sodality.

—James Hempel

An intercom system has been installed at Don Bosco in the last few weeks. The system consists of three phones, one located in the school office, one outside the Student Council office, and one in the gym. The phones were installed in order to be able to summon any teacher in the school immediately, however, they cannot be connected to an outside line. A teacher in the office pushes a button on the office phone and a buzzer sounds at the correspondphone.

Two pay phones, one outside of the school office and one in the gym basement replacing the pay phone in the Athletic office were also installed.

—Art Kaspar

Once again the Beacon has competitors. It seems the journalistic fever is going to run through Bosco for a second year. Last year quite a number of homerooms published their own newspaper, and the idea has been struck up again. As of now there are three homeroom papers: The Student Prints of room 200, the Lone Star of room 209, and the Fresh Gossip of room 102.

—Carl Sibilski

Courtesy Drive Now in Full Swing

The Basketball Courtesy Campaign started with the first game, even though it was non-conference.

Schools are divided into white and gold divisions, or in other words, large schools and small schools.

Don Bosco was put in charge of large schools while St. John's Cathedral was put in charge of the others.

Even though another division is played, we get scored in our own division.

The reason for the campaign is to promote friendly and sportsmanlike conduct at all basketball games.

—Mike Krzewinski

College Education At Don Bosco?

Surrounded by rolling hills, Don Bosco College overlooks the town of Newton, the county seat of Sussex County, situated in northern New Jersey. The campus, which comprises over 200 acres of countryside, including two lakes and large stretches of woodland, is used as a summer camp for boys, Camp Don Bosco.

The purpose of Don Bosco College is to educate young men for the priesthood in the Salesian order. Only those students are accepted into the Seminary who desire to be priests and who indicate that they possess the necessary qualification of this office. Presently there are 300 boys enrolled at Bosco College.

Don Bosco College was founded in 1928 by Fr. Richard Pittini, Provincial of the Salesians. Father Pittini, who later as the Archbishop of Santo Domingo was to become the Primate of the Americans, intended this new college to serve as a training ground for future American Salesians. Since the Salesian Society is made up of priests, clerical candidates for the priesthood, and coadjutors (who assist the priests and clerics in their work for youth), the establishment at Newton was to be a center for aspirants to both the priesthood and coadjutorship. The old Horten Mansion, the original site at Newton, is now used as a Latin School for a group of students, called Sons of Mary, who have graduated from high school without training in Latin. After profession of vows, all the clerical students pass to the red-brick building which commands the central position on the campus. This building has borne the name of Don Bosco College since 1938, when it was accredited as a four-year liberal arts college by the Board of Education.

Student activities at Bosco College include the Sodalities, student council, Catholic Students Mission Crusade, Catechetics Committee, the Dramatic Association, and the Liturgical Committee. The students publish the "Son of Mary" bi-monthly and the "General Headquarters" which serves the purpose of acquainting the alumni with the happenings at the College. In the athletic field the students can participate in hockey, basketball, baseball and touch football.

The Salesian order also operates Don Bosco Tech in Paterson, New Jersey as a high school for boys.

The Don Bosco Beacon would like to thank Don Bosco College for their co-operation in making this article possible.

—Jeff Schrank

County Government Day Attended by Seniors

Fourteen members of Don Bosco's senior class attended the annual County Government Day, Thursday, November 3 in the Courthouse and Safety Building. The following are the names of those representing Bosco and the offices they held for the day: Richard Gizelbach, County Executive; Brian Semmler, Sheriff; Ray Ciszewski, Superintendant of County Schools; Jim Ulma, County Clerk; Jim Judziewicz, Register of Deeds; Arne Koch, District Attorney; John Zolecki, Member of the County Board; Mike Lucci, Civil Judge; Robert Starck, Childrens' Court; Joseph Krzyzanowski, Treasurer; Joseph De Vita, Circuit Judge; Peter Hess, County Judge; Brian Adamec, Clerk of the Circuit Court; and Nick Adelmeyer, Clerk of District and Municipal Courts.

The program included opening addresses by County Executive John L. Doyne, County Board Chairman Eugene Grobschmidt, and Assistant Corporation Counsel Gerard Paradowski. Brief instructions were held in each of the respective officials' offices and most of the students took advantage of the opportunity to witness actual court cases including the Pinkowski murder trial. During the lunch period they were free to roam about the buildings and inspect such places of interest as the morgue and the jail cells.

The final address was presented by the man who spoke at Don Bosco's Activities Banquet last year, the Honorable Robert C. Cannon. Administration of the Oath of Office officially brought to a close the educational program.

The purpose of Government Day is to assist in teaching practical citizenship, stressing the idea that an informed citizen will strive to create a more perfect and effective government system.

Sponsoring the program were the Milwaukee County Council of the American Legion in cooperation with city and county schools, county officials, the Milwaukee County Board of Supervisors and the Milwaukee County Citizenship Committees.

All told, 647 Students representing 54 of Milwaukee County's junior and senior high schools, private, public and parochial took an active part in the county's government for a day. Twenty-six of these were foreign exchange students.

When asked for comments, those attending said that they were grateful for having an opportunity to participate in such a practical program.

—Ray Ciszewski

Speech Team Helps Form Personality

Do you feel the need to express yourself at times, on a subject which you feel strongly about, but don't know the right words to use? Do you stammer when speaking with teachers and new acquaintances? Do you want to correct these situations? If your answer is, yes, to all three of these I advise you to join the speech team.

The Varsity Speech Team this year consists of 12 members: two in original oratory (a speech written and delivered by yourself), in non-original oratory (a speech prepared by another but given by you), in humorous (most popular), in serious (a speech with emphasis on words and actions), in extemporaneous (a speech of your immediate impressions after reading an article).

The coaches of the varsity speech team are Mr. Thomas Frohna and Brother Joseph Towers, S.M.

The first tournament will be held at St. Joseph high school in Kenosha. Subsequent tournaments will be held in late winter and mid-spring.

—Tom Olszyk

SPEECH TEAM, L-R, seated: D. Mei, H. Dluzak, Mr. Thomas Frohna, Moderator; F. Graebner, J. Krzyzanowski. Standing: C. Bartels, M. Hunn, M. Krzewinski, J. Starck, T. VanHandel, K. Kujawa, T. Olszyk, D. Schweitzer.

202, 209 Win Titles in Frosh-Soph Intramurals

Soph homeroom 209, coached by Junior Don Race (213), won sophomore intramural basketball championship by defeating 207 in the finals. Congratulations to Coach Race and the team: K. Buelow, F. Pankonen, D. De Battista, R. Kais, S. Adelmeyer, and L. Polidori.

The freshman title was won by homeroom 202. The team, coached by their homeroom teacher Bro. Ralph Krull, won the crown by defeating 102 in the play-off game. Congratualtions are also in order for Bro. Krull and his crew: R. Haydu, E. Adamczak, P. Kullmann, M. Flynn, J. Kornowski, and Rick Kais.

Foot Injury Draws Youth to Mary

Editor's note—

This school year marks the 200th anniversary of the birth of Fr. William Joseph Chaminade, the founder of the Society of Mary. This is the first of a series of articles highlighting his life.

"Look out down there!" The warning came too late. The big rock had struck someone below.

The accident threatened the whole future of Wililam Joseph Chaminade, the twelve year old French boy, and yet its final effect was only to strengthen the confidence of young Joseph to the Blessed Virgin.

He was then a little lad at the College of Mussidan, in southern France, where one of his older brothers, Fr. John Chaminade, was superior. In the course of a hike the students of the college had begun to play in a quarry. Some of them, scaling the walls, heedlessly loosened fragments of the rock. One large stone struck little Joseph on the foot and crushed it severely.

Six weeks of careful nursing had no perceptible effect on the wound. Every human remedy was applied, but the lad continued unable to walk, Fr. John, worried, suggested special recourse to the Blessed Virgin.

Accordingly Joseph turned to his heavenly Mother with his habitual confidence and asked Her for the health that man could not restore. Both brothers made a vow to journey to the celebrated shrine of Our Lady of Verdelias if they would be favorably heard.

The cure followed so promptly and so completely that they felt it was a direct answer to their prayer. A few days later, they made the promised pilgrimage to Verdelias, and the injured foot suffered no recurrence of the trouble.

Until his extreme old age, Father Chaminade manifested a grateful devotion for Our Lady of Verdelias. At 84 he offered to make a vow to Our Lady for the cure of Monseigneur Donnet, Cardinal Archbishop of Bordeaux.

How many people would think of making a pilgrimage after such a disaster? But Our Lord had extraordinary things planned for William Chaminade and Our Lady made sure these things would materialize.

—Tom Olszyk

Sympathy

The faculty and students of Don Bosco would like to express their sympathy to junior Philip Gerlach on the death of his sister.

What's a Smile?

You might call it a reflex action, or maybe a nervous twitch, or even just an instinct—but still a **Smile is a Smile,** and one of the most powerful means of communication in this world of TV and radio, rockets and many languages. This is not only a means of communication, but also a means of influence—how many times have you not reversed your word meanings by only a smile?

Have you ever tried smiling at a person you didn't even know? What happened? Your greeting was returned, I'll bet. Or have you smiled when you didn't even feel like it? I'll bet you soon **did** feel like it and so did someone else, for smiles are contagious!

I dare you to take just one day of your life and try my product. Paste on a smile in the morning—regardless of those three tests in the morning, or if Dad just won't let you have the car for next Friday's date. Just see what happens. Maybe the tests won't be called off and your girl will just have to understand about the car, but these things won't worry you so much any longer.

Smile to your teacher; he may pass you in those three tests. Smile when Dad won't let you have the car; he may leave the gas tank full the next time.

Good results are guaranteed!

—Joe Graebner

CONTINUED FROM PAGE ONE

Finding our flight back to Milwaukee cancelled, we had to stay an extra day at the St. James Brothers Residence. We awoke the next morning at four o'clock and after attending Mass, we boarded the plane home for Milwaukee.

A few of the memorable events of the trip were: the high altitude jet flight over the Alleghenies, the winding stairs in Betsy Ross' home, a tour of Elfreth's Alley, the Texans' sombreros, and the local pronunciation in downtown Philly.

Mary vs. Moscow

(Continued from second issue)

No God. No future life. No human liberty. No permanent marriage. No private property. State-controlled education. These were some of the horrors that were introduced with the Communist era.

In the same month the Communist state was born in Moscow, October 1917, the Blessed Virgin appeared for the sixth and final time at Fatima. One of her appeals at that apparition was the consecration of Russia to her Immaculate Heart. She had promised before in her third apparition: "If people attend to my petition, Russia will be converted and there will be peace; if not, her errors will spread throughout the world, causing wars and persecution of the Church. The good will be martyred, the Holy Father will have to suffer much, different nations will be destroyed . . . but in the end my Immaculate Heart will triumph."

The one big weapon we have to stem the tide of Communistic Russia is the world's confidence in Mary, for she had said of herself: Only she will be able to help.

As Communism spread with destruction and ruin, devotion to Mary spread with prayer and the rosary. Two statues, replicas of the original Fatima sculpture, began a world tour in 1947. The European statue passed through Portugal, Spain, France, Belgium and Holland. It brought tears to their eyes, tears of joy and thanksgiving, and a new hope for peace. The other statue traveled through the U.S., bringing thousands to their kness. It is estimated that 3 million Americans have seen the "Pilgrim Virgin."

To stop the move of Communism, which is the greatest threat to world peace, we must pay tribute to the Blessed Virgin and have confidence in her, remembering the words: ". . . in the end my Immaculate Heart will triumph."

—Kenneth Kujawa

Math Corner

On his way out to go skating, a boy glanced at the clock. It was between 4 and 5 p.m.

When he returned about three hours later, he noticed that the hands of the clock had exactly changed places. What was the time of his departure?

(Names of those submitting a correct solution to the above problem will be published in the February **Beacon.** Write out your complete solution in a paragraph, and turn in to one of the editors before January 6.)

A Blessed Christmas From the Beacon Staff

"Dark Continent" Looms Large in World's Political Spotlight

In the last issue of the Beacon we discussed the vital importance of the race issue today. We saw that the colored races are gaining immense power in world politics. Nowhere is this power more apparent than with Negroes in Africa.

With the admission of seventeen new African countries to the United Nations, any world decision is greatly influenced by the African nations. But the delegates from these nations seem to make up their minds in much the same way a youngster chooses a shiny penny over a dirty quarter. So far the Africans do not seem to have decided which bloc has the most glittering possibilities for America's future. The Africans are coyly refraining from full commitment while they weigh the prizes offered from both sides. The result of this non-commitment is bargaining power of drastic potential.

This power in the hands of Africa can be compared to a shotgun in the hands of a ten year old. He knows that if he pulls the trigger something will happen, but he is not sure of the effects that he is capable of producing. In the same way the quick-on-the-trigger Africans know they hold the gun, but they are not certain what will happen when they fire.

The way in which the Africans were conferred with this redoubtable shotgun is a saga of too much, too soon. The African leaders demanded the freedom of their countries before they were able to maintain law and order. It is this situation that made the capital of the Congo, Leopoldville, a capital of chaos a few short weeks after receiving its independence. Another reason for the turmoil in Africa is a lack of national patriotism. During the years of foreign rule, the Africans were not developing a spirit of national loyalty. Because of the lack of patriotism, a feeling of suspicion and selfishness has taken the place of generosity and self-sacrifice even among the leaders.

An example of this personal ambition could be cited from any country in Africa, but we will concentrate on only a few of the more important leaders. Sekou Toure, the president of Guinea, after looking over the shining promises of East and West, finally turned to the big man with the baggy suit and fatherly smile. Since Toure's decision, Guinea has become the first substantial Communist beachead in black Africa. Communist Czechoslovakians have set up a new radio station capable of transmitting much farther than Guinea's borders. The Communists also have promised 100 million dollars by 1963 for education and commerce.

Another and probably more important man in Africa is Kwame Nkrumah, president of Ghana. After eight years in office, Nkrumah, in March of 1960, drafted a constitution which made Ghana a Republic in name. The terms, however, seem specially designed to keep him on top. Among other things he can dissolve the legislature, draw money from special funds and run for an unlimited number of five year terms. His prime ambition, however, is to realize his dream of a "United States of Africa," with, of course, Kwame Nkrumah as President. For this reason Nkrumah readily supports leaders in the other African States whom he knows he can control. He supports Patrice Lumumba in the Congo. With a friend like Nkrumah, Lumumba does not need any enemies. Lumumba and the Congo, however, will be covered in another article.

Besides Toure and Nkrumah there are many other important people and places in Africa. These will all be discussed in coming issues of the Beacon. I hope they will aid your understanding of the world we all live in. **—Tom Niemann**

Science Club Has Busy Plans Ahead

The Don Bosco Science Club is off to an exciting start this year with field trips, interesting scientific films, and prominent guest speakers. This year's club has raised its standards with higher aims and a new approach of keeping its members informed on scientific events. The members are gaining more from the club this year than in any other year in the history of the Club.

Membership this year has increased to three times that of last year. Because the year is still young, new members are welcome to join the club and take part in its activities for the rest of the year.

This year's officers are: president, Bruce Chandler; vice-president, Mike Radtke; secretary, Jim Hempel; treasurer, Fred Stamm. The moderator is Bro. James Donovan, who has done much this year to make the club a success.

The Bosco faculty also has an active part in creating interest in the club. For example, Bro. Theodore Szydlowski has already given a very informative talk on cancer and, in the near future, Bro. Robert Hanss will give a talk on advanced geology. Bro. Joseph Maly and Bro. Edward Hake are scheduled to give talks on organic chemistry and printing, respectively.

A big event for the science club is the annual Marquette University Science Fair in which club members are strongly encouraged to enter a project.

Meetings are held every second Saturday night at 7 p.m. and the schedule for the rest of the year is as follows:

Dec. 17 Movies on Heat Engines and Harnessing Liquids.

Jan. 7 Geology, a talk by Bro. Robert Hanss, S.M.

Jan. 21 Movie "The Big Bounce" about the Echo Satellite furnished by the Wisconsin Telephone Co.

Feb. 8 Recent Development in Medical Biology by Dr. Gambino of St. Luke's Hospital.

Feb. 18 Tour of Johnson's Wax Corp.

Mar. 4 Organic Chemistry, a talk by Bro. Joseph Maly, S.M.

Mar. 18 Yerkes Observatory.

Apr. 1 Printing Lecture — tour by Bro. Ed Hake of the Print shops at M.I.T.

Apr. 15 Froedtert Malt Corporation— a speaker on the Chemistry involved in the malting operation.

Apr. 29 Science Fair.

May 13 Allis Chalmers tour by Mr. Decker.

—Bruce Chandler

Theme Chosen For 1961 WCAC

"Restoring All in Christ" has been chosen as the theme for the annual Wisconsin Catholic Action Convention, which will be held February 3, 4, and 5 at the Milwaukee Auditorium-Arena, under the sponsorship of SUMA.

The theme was selected at the first planning committee meeting for the WCAC held at Marquette high school.

At the meeting, held October 19, it was announced that Msgr. Louis Riedel has resigned as Director of SUMA, and that Father Ralph Schmit had been appointed SUMA Director. Fr. Schmit had been assisting Msgr. Riedel for five years. Msgr. Riedel will remain as a consultant and adviser for the WCAC which he founded in 1946.

In a brief talk at the meeting, Msgr. Riedel noted that he had served as director of SUMA since 1940, but he pointed out that the Sodality Union, as any other group or individual, "must not rest on past laurels, but must look ahead." Fr. Schmit, serving as Chairman for the committee meeting, introduced Frs. Harold Ide and Bernard Bartels, who were appointed assistant Directors of SUMA. Fr. Ide is at Dominican high school, and Fr. Bartels is on the faculty of Messmer high.

In starting the meeting and discussion of the work of the many committees responsible for the WCAC, Fr. Schmit noted that "there are a great many prayers to be said, and much work to be done" for the succes of the 15th WCAC.

The convention will be open to anyone who wants to attend. It will open with a Solemn Mass in the Auditorium Friday morning, February 3, and the various sessions will continue through Sunday, February 5.

It was pointed out that last year's convention was attended by over 14,000 students from 14 states. The program includes sessions at the Auditorium-Arena for high school delegates, and a program at the Marquette University Union for college and nursing school delegates. The WCAC is recognized as the largest Catholic Action convention of its type in the country.

Fr. Schmit said that the SUMA office was now contacting potential speakers for the Convention program. Details of the program, and the speakers and their topics, will be announced as soon as the program is complete.

Advance registration forms and tickets will be available at the Auditorium during the convention.

In addition to the day time program, the convention will, again this year, offer a Variety Show Friday evening and a social Saturday evening, in the Arena.

Sound Lab Assists Spanish Students

As one strolls through room 212 and its annex, and on seeing some 35 headphones lining the walls, one might stop and think: What is Bro. Towers doing now? What kind of tactics is he using to inculcate the arts of speech into his boys? But by the asking of a question or two, you would soon learn that these are not the tactics of Bro. Towers but those of Bro. George Naeger.

Bro. George's purpose is to impress into the minds of his students the art of speaking Spanish. He has said that his students have been showing great enthusiasm in trying to imitate the sounds of the words which they hear coming over the tape. For the technical assistance, Brother has received help this year from 3 or 4 juniors especially from Mike Radtke in the enlargement of his lab.

Hard studying and recreation go together and that was the case at the Spanish Fiesta on Dec. 11 at Mercy high school. The Spanish students from Mercy had invited the Spanish students from Bosco to be their guests at this fiesta.

* * *

Sometime this coming January there will be a city-wide speech tournament in which anyone may participate. The only qualification is that you must compose an original speech on the Constitution. All interested in this competition, which leads to state and national runoffs, please contact Mr. Frohna.

—Kenneth Kujawa

Eleven juniors from Don Bosco attend the Marquette Reading Clinic each Tuesday. The class which starts at 4:30 p.m. is under the supervision of Professor McDonald, who instructs the students the correct speed and manner of reading and undertaking their courses at school. The main object of the course is to increase the rate of words per minute and also to improve the comprehension of the reader. The course started seven weeks ago and will run a full twelve weeks.

Kocs Stars in First Two Non-Conference Games

Hopes of an undisputed season disappeared when the Dons dropped their first two non-conference games.

In the first game Bosco bowed to St. Bonaventure 65 to 40. Kocs and Grafenauer each netted eleven points.

In their second game, Don Bosco was unable to stop Bernie Lampe, 6 foot 10½ inch center, and bowed to Beloit Catholic 57 to 45. High men for Bosco were Kocs and Bellanti. Each netted eleven points.

—Bill Kowalski

B-Team Starts Season With Winning Slate

The Junior Dons had no trouble with St. Bonaventure, taking the lead from the opening whistle. Roger Vopal and Rick Kais led the scoring with 18 and 15 points respectively.

The Beezers went on to win their second game by beating Beloit Catholic 51 to 44.

The Jr. Dons had much more trouble winning this game than they had against the Bonnies.

Dave Andraszczyk, Raymond Kais, and Jerry Fredrich led the team offensively with 13, 12, and 11 points.

Beezers Finish With 4-2 Record

This year the B-team ended its season with a 4 and 2 record with the last two games accounting for both losses. The second last game of the season was against St. Francis Jordan for championship. In the first quarter neither team was able to score. A few minutes into the second quarter, Jordan ran a power play around end for sixty yards and a touchdown. In the second half the ball changed hands many times but neither Jordan nor the Beezers were able to move the ball. When the gun sounded the Beezers were left on the short end of the score, 7 to 0.

In the next and final game of the season the Beezers' opponent was Pius. In this game the Junior Dons scored in the first and second quarters but failed to make either extra point. Pius scored onec in the third quarter and also managed to tack on the extra point. Then in the fourth quarter Pius scored again; leaving the Beezers one point down. The Junior Dons fought back to the twenty yard line of Pius before the game ended, giving the Beezers their second loss for the year. The B-team's 4 to 2 record was good enough to give them second place for the season, a position which they well deserved.

—Tom Harrington

VARSITY, L-R, Row 1: B. Barczak, K. Bellanti, M. Donahue, D. Race, J. Zolecki. Row 2: Bro. Eugene Sohm, coach; W. Graf, J. Grohall, B. Semmler, T. Grafenauer. Row 3: D. Kocs, T. Myszewski, J. VanHeesch, manager; G. Sielen, C. Kendziorski, manager; R. Winkler, S. Weyda.

All-Conference Dons

T. Grafenauer

J. Judziewicz

J. DeVita

The Milwaukee Journal has picked J. Judziewicz as a first team back, while center J. De Vita and end T. Grafenauer

The Milwaukee Sentinel placed both were named to their second team.

Joe and Tom on their first team in their respective positions.

The Beacon wishes to congratulate you on your fine effort and wishes the best of luck to you always.

—Mike Krzewinski

Editor's Note: Last week Joe De Vita was named to the second team of All-State Catholic by UPI news. Congratulations, Joe!

B TEAM, L-R, Row 1: J. Redman, G. Fredrich, J. Zanotti, R. Vopal, D. Andraczszyk, R. Kais. Row 2: F. Kleczka, manager; W. Peters, D. DeBattista, T. Harrington, M. Filipiak, Mr. Richard Knar, coach. Row 3: T. VanHandel, manager; J. Reese, K. Beulow, M. Sargent, M. Kuban, J. Frelka, F. Pankonen.

C TEAM, L-R, Row 1: B. Sielen, manager; T. Grafenauer, P. Kullmann, A. Paruzynski, D. Gaynor, D. Kaczmarek, J. Smukowski, C. Heinz, D. Goodmann, J. Bialozynski, manager; Bro. James Donovan, coach; R. Haydu, R. Bull, R. Baranowski, V. Burdick, J. Snieg, R. Facette, R. Sigler. Absent: W. Otto and K. Barczak.

C-Team Completes Perfect Season

The Ceezers wound up the season by rolling over a big Jordan team, 31 to 0. Standing out on offense was Dan Gaynor who scored two touchdowns on brilliant runs. Also adding to the cause was Bob Baranowski who smashed across for two T.D.'s. The other scoring effort was made when Bob Maynard snared an enemy pass and raced across the goal. Tony Paruznski led the team like a veteran quarterback. Jim Smukowski's educated toe added the team's only extra point. The interior line of Grafenauer, Otto, Facette, and Nicely proved to be the immovable object on both offense and defense. The second unit saw a lot of action and moved the ball well, maintaining a great deal of poise.

With that victory the Ceezers took the undisputed championship with a 4-0 conference record. Throughout the entire season no team scored on them, proving that defense was the big factor. In four games they scored 81 points to nothing for their opponents. The successful season was due mainly to the skillful hanlling of Coach Knar and Bro. Donoghue, who did a fine job and to whom we owe a vote of appreciation.

—Bob Baranowski

Knight Light

This month the Knight Light shines on Thomas Grafenauer. Tom, a blond haired senior of room 112 is known throughout the school as "Whity." Tom has played varsity football for two years and was honored by being chosen Homecoming King this year. Tom has played third base for our Dons since his first year at Bosco. As a member of our varsity basketball teom, Whity can be seen pushing our team on to victory with undying eagerness. Whity has been class president for three years and is an active member of St. Rita's C.Y.O. Whity's biggest ambition to to be a professsional baseball player. So to Thomas Grafenauer, a real active Don, we extend our "congrats" and wish him the best of success on his desires.

—Jim Krzeszewski

The Dons finished their finest season since 1956, by shuting out Messmer 33-0 at North Stadium. By gaining this victory, Bosco completed the season in a second place tie with Pius .Their total won-lost record for the season was 5-3. Among the players who received berths on post-season all-star teams, were three Dons, Tom Grafenauer, Jim Judqiewicz, and Joe De Vita.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, February 8, 1961 Volume XV—Number 4

Postulant Describes Life at Maryhurst

Dear Teachers and Students of the Don Bosco Family,

In behalf of the six Milwaukeeans who left to see what it is like to be a Brother in the Society of Mary, I am writing this letter.

Five of us are former Bosco students, Gerry Palma, Bob Morearty, Allen Schuchardt, (seniors), Tom Nadolski (junior), and Paul Flaig (sophomore). Bob Knitter, a sophomore, came to Maryhurst after graduating from eighth grade at Saint Veronica's Parish.

During Christmas vacation, we visited Bosco and some of our friends and relatives. We are allowed a two week Christmas vacation, and a summer vacation of approximately three months.

There are about one hundred of us at Maryhurst Preparatory School. Our faculty tries to give us all the benefits of a regular high school, but in a different way. We live together and try to act together as members of the same family. That same Bosco spirit, the "family spirit" prevails, affecting every aspect of our spiritual and physical activity.

School Life

Scholastically, we are divided into the usual four groups: senior, junior, sophomore, and freshman, and we attend classes five days a week. We take the same recommended high school courses as Bosco students. Some of us have the opportunity of attending classes at the new Vianney High School, situated on the corner of the Maryhurst property. Classes are held in the morning from

CONTINUED ON PAGE TWO

Welcome, Class of '65

The Beacon staff extends its best wishes to next year's incoming freshmen, who are here at Don Bosco on February 24 and 25 for placement tests.

Activities Banquet

Do you appreciate your opportunities as a Bosco student to take part in our many extra-curricular and sports activities? Give your support to the patrons drive for the Don Bosco All-Activities Banquet, to be held in the DB gym on Sunday, March 19, 1961.

Lourdes Ball Theme, Wonderland by Night

February 10, the night of the 15th annual Lourdes Ball is approaching. The semi-formal dance is sponsored by SUMA and the proceeds are going to the Seminarian Fund Drive. "Wonderland by Night" one of the best instrumentals of the year has been selected as theme for the dance.

As in the past there will be several "coke" parties held before the dance. This year Mercy, Divine Savior, and Pius XI will be the hosts and set the mood for the dance which will be held at George Divine's Ball Room. D. Mei and J. Ulma are Bosco's official representatives on the Lourdes Ball Committee. Those underclassmen who do not attend the Lourdes Ball will find entertainment at the Frosh-Soph Mixer here at Bosco.

—Ken Griesemer

Mid-Year Elections Set Mike Lucci As S.C. President

On Friday, Jan. 13, the eligible voters of Don Bosco elected Mike Lucci for President of the Student Council by a large margin. Under the new third amendment Lucci polled 995 points, having a 270 point margin over his closest opponent, Joe DeVita. Lucci received the highest number of points in each of the three divisions.

DeVita, receiving 725 points, was elected first Vice-President according to the new fourth amendment which was ratified in the special amendment election in November.

In third place was Jim Ulma who received 26 more points than John Zolecki. According to the fourth amendment Ulma is second Vice-President and Zolecki is third Vice-President. At the start of second semester J. DeVita, J. Ulma, and J. Zolecki will be appointed to their offices according to their ability.

Dennis Grzendzielewski came in fifth place, followed by Brian Semmler who placed fourth.

The Beacon Staff wishes to express its congratulations to Rooms 112, 207, 211, and 215 for having 100 per cent turn out in the election. In overall 96.1 per cent of the eligible student body voted.

—Bob Padol

'61 Don Nears Completion

The senior annual of the class of 1961 is approaching its final shape. Editor Bob Tatalovich, and assistant Jim Hendrickson, Dick Haas and Ron Komas, comprise the guiding staff.

DB Marianist Postulants, L-R—T. Nadolski, R. Morearty, R. Knitter, A. Schuchardt, G. Palma, P. Flaig.

Spring SC Officers, L-R—J. DeVita, J. Zolecki, J. Ulma, M. Lucci.

Maryhurst . . .

CONTINUED FROM PAGE ONE

8:45 to 12:05, and in the afternoon from 1:05 to 3:30. In the evening, we have study periods before and after supper. The school year is divided into four quarters; at the end of each, reports are given out, sent home, and sent to the student's former school.

Spiritually, we postulants have many opportunities to gain graces. Every day we attend Mass; on Sunday we also have a sung High Mass in which everyone at Maryhurst participates. Opportunities for confession are given daily and each postulant tries to go once a week; everyone says his Little Office, Rosary and various other prayers daily.

Time for Work and Play

In the temporal field, there are two divisions: work and play. Every morning there is a housework period after breakfast during which the various necessary cleaning and upkeeping jobs are done. On Saturday there is a longer work period for the bigger jobs. Every other day after classes the athletic teams practice. These same teams play on the days that they do not practice. Since there are forty juniors and seniors, four teams are organized. At present, these teams are playing each other in soccer on the two adjacent baseball fields. In fall, we play football, and in spring, softball. Everyone participates in sports unless he is physically unable to do so. We get to play basketball in the Vianney High School gym until the Maryhurst gym, now nearing completion, is ready.

Relaxation Too

During the free recreation periods, after dinner and supper, radio listening is permitted. On television, we get to see educational programs; once in a while we see a movie, usually on a big feast day. Also we organize our own student variety programs.

As you can see, the life at Maryhurst is very well organized and supervised, though there are certain periods when we are on our own. In this way, we live a normal, well-balanced life. There is no room for idleness. We all live together happily as a family. Together we try to work out our own salvation as well as help others in the straight path to God through Mary, our Mother. We learn to be true Christians; if we don't go on to novitiate and profess vows as religious, we know that we shall have been trained properly to live as befits young Catholic men.

Yours in Mary's family,
Tom Nadolski

Hero Rescues Tire Receives Reward

You've undoubtedly heard of heroic rescues of fair maidens in distress, but have you ever heard of rescuing a run away tire? Early one December morning as our nero, Bob Padol, was walking merrily to school on Becher Street, he spied a tire falling out of the back of a Motor Cargo truck. Bob decided to pick up the tire, and, for reasons still unknown, bring it with him to school.

"But I can prove it, Brother . . ."

Since it wouldn't quite fit in his locker, Bob carried the tire to the office; now it isn't every day that someone plops a tire on Bro. Willett's desk, but our assistant-principal took it all in stride and suggested that Bob should call the Motor Cargo Co. immediately.

Later in the day a Motor Cargo representative came by to pick up the tire and leave our hero a two-dollar reward. And so our story concludes as Bob Padol walks in late for his first period chemistry class with a very unlikely excuse.

—Jeff Schrank

Honor Study Hall System Given Trial

Something new at Bosco this year is an Honor Study Hall. Such a study hall is one which is run by the students themselves with no faculty adviser present in the room.

When this article was written there was only one such study hall in operation. However, Bro. Willett says that there may be several such classes functioning by the time this article is actually published.

The sixth period class in Room 112 attended by seniors only is an example of a study hall run on this basis.

Shortly after the start of the second term, these 20 seniors, who formerly had their study period in the library during the sixth period, were picked to participate in this program. Seniors Ulma, Adamec, and DeVita were elected by the group and put in charge of running it. Each day these seniors meet in Room 112 for a study period and each day, a proctor, one who supervises a group, is chosen in alphabetical order. There is absolutely no talking during the period, and it is the proctor's duty to take down the names of anyone talking or making any other disturbance. Those who show that they cannot accept this responsibility will be reassigned to a supervised study hall. Members of the honor group may leave the room for sufficient reason provided they receive permission from the person in charge.

There is a possibility that this system can be the basis for more Honor Study halls at Bosco. Such a program would be reserved for students who by their past record have shown that they are

Speakers Fare Well In Midwest Meet

Don Bosco's Speech Team participated in the Midwestern Speech Tournament December 17, 1960, at Marquette University's School of Business Administration. Frank Graebner won first place in the Original Oratory division with his speech, "Communism." Bob Rademacher made the finals in the humorous division. Other members of our speech team also fared well in the tournament.

Approximately 15 schools from Wisconsin, Illinois, and Indiana participated. The next speech tournament will be held at Divine Savior in February.

Bosco Family Spirit As Seen by Graduate

High school students often talk about "school spirit." We at Don Bosco however speak of "family spirit" because we feel that our spirit is combined effort on the part of the faculty, parents, and students—the Bosco family. We have long been proud of our Family Spirit—and with good reason, for it is among the best in the city—and this year is no exception for we feel that this year it has reached an all-time high.

The seniors, as the oldest students in the family, are naturally expected to set the example by showing the most spirit, and the drive. The class of 1961 possesses such drive which can be called truly remarkable. Living proof of this drive is usually witnessed the week of Student Council elections.

Glee Club Shines At City Parishes

Our Glee Club under the direction of Bro. Richard Martens has this past year met with continuous success. It is at times a little wonderous to realize that the Glee Club is made up of fellows with whom we associate every day, the guy across the aisle, the person we share our locker with, people who get together every afternoon in the sixth period, and ah, what melody. Of course this melodious effect could never be achieved by the boys themselves. The most important part of a glee club is its director. At Bosco we may consider ourselves very fortunate to have such an able man as Bro. Martens leading the Glee Club.

There is also a freshman chorus and these boys meet every Wednesday, Thursday, and Friday morning. The purpose of these meetings is to familiarize the freshmen with singing in harmony and to give them some knowledge of reading music. Everyone, through participation in an organization in school, is helping to make Bosco just a little greater. The Boscoites in the Glee Club pursue this goal through music. Some of the Glee Club's past performances include: The West Allis Knights of Columbus, Holy Ghost parish, and St. Florian's parish. Also quite a few members of the Glee Club were in St. Mary's Operetta, "High Button Shoes," and of course the Glee Club is planning for its annual Spring Concert.

—Carl Sibilski

Mary Leads Reds To Return to Truth

While Mary openly combats Communism behind the Iron Curtain, she works equally hard in the depths of men's souls where the roots of Communism have taken residence. Proof of her success in this work was the conversion of several known Communist persons to the Catholic faith. A former Catholic, Louis Budenz, editor of the Communist **Daily Worker,** repudiated socialist errors and returned to the Church. Budenz, in his book, **This Is My Story,** tells how Mary brought about his conversion. He states how he became aware of the senselessness and sinfulness of his life and how the peace that flows from Mary returned to him ever more vividly. His conversion was not only a tremendous blow for Communism's infiltration of America, but also presented a new goal for further drive against the evils of Communism and a guide post for the future destruction of the pillars of Communism.

Key to World Peace

Shortly after Budenz's conversion, Douglas Hyde, a Communist leader in England, turned to Catholicism. Later, Elizabeth T. Bentley, ex-Communist spy who exposed Soviet spy rings in the U.S. government, was also converted. "The conversion of Russia is the key to world peace," declared Miss Bentley, pointing out that only if we follow Mary's insturctions given to the shepherd children at Fatima, will Russia be converted, Communism destroyed, and world peace preserved.

—Ken Kujawa

French Government Purges Clergy; Heroic Priest Remains at Post

Editor's Note:

This school year marks the 200th anniversary of the birth of Fr. William Chaminade, the founder of the Society of Mary. This is the second of a series of articles highlighting his life.

France was in turmoil. The clergy were forced to take a schismatic oath or leave the country. Some priests succumbed, the others remained nonjuring. These latter, including Father Chaminade exercised their ministry in secret. The churches were closed and the priests wore beggar's or peddler's clothing in public. Mass was said in secret compartments or cellars in private homes, because any priests caught would be executed.

Father Chaminade escaped many times, but he had two very narrow escapes. Once, while on his way to a friend's house the police caught sight of him. Knowing this he ran to another friend's house, the police on his heels. He entered the house and seated himself around the fireplace with the family. The police were confused as to the house he had entered, but took a chance and broke into the one in which he was staying. They searched but left in disgust since they couldn't find him, saying that he must have entered another house.

The family and Father Chaminade were surprised that they couldn't find him, even though he was in plain sight. Then the child of the family retorted, "But how could they see the Father when that Lady was shielding him with her mantle."

The second time was in his own home, registered in his parent's name. The police barged in, so he couldn't go to his hiding place. He ran to the laundry room, where his housekeeper, Marie, was engaged in washing clothes. She pushed him to the floor and put a large, empty washtub over him. They made a thorough search for him and came back to the laundry room, where Marie was calmly scrubbing the clothes, when they couldn't find him. "Oh, you poor hot things," said Marie compassionately and set glasses of wine on the washtub. They rested for a few minutes, drank the wine, and left, thanking her. He felt Marie lifting the washtub and said, "Only the thickness of a board that time between me and the guillotine."

Father Chaminade could have left the country with the other priests or taken the oath, but he preferred to stay and exercise his ministry incognito, knowing that at any time he might be caught and executed like a common criminal. He did it out of love for God, Our Lady, and the Church. If he would have been caught he would have accepted death like a martyr, but our Lord had other things planned for Father Chaminade and His Mother made sure that he would accomplish them.

—Tom Olszyk

Spotlight Shines on Beacon's Activities

Since the beginning of the present school year, many praiseworthy articles have been written about the different organizations and clubs functioning in our school. One organization however is not much heard of nor is it over publicized. This organization nevertheless is the one that does most of the publicizing. the Beacon Staff. There are numerous jobs related with publication of a school paper such as the Beacon.

Early in November members of the Beacon Staff participated in the National Catholic Educational Press Congress which this year was held in Milwaukee. Here writers and reporters of school papers from across the country discussed the place of the press in our lives and the many jobs and problems associated with a publication.

This was followed by the Careers in Communications Day at Marquette University in which participants learned about the opportunities offered in Journalism. Also school papers were evaluated by members of the faculty of the College of Journalsim and were given professional advice on editing.

On January 12th editors of high school papers in Milwauke were invited to a Recognition Luncheon held at the Jewish Community Center and sponsored by the National Conference of Christians and Jews. An opportunity was given for the guest reporters to interview the speaker, Dr. Lewis Webster Jones, National President of the National Conference of Christians and Jews. When asked what the purpose of the N.C.C.J. was, Dr. Jones said, "We strive to establish a better understanding between the different religions and racial groups." Among the organization's many past activities that Dr. Jones listed was work during the last presidential campaign where the N.C.C.J. worked toward the lessening of religious discrimination.

A semester of activities ended January 14th when members of the Beacon and Yearbook Staffs attended the Graphic Arts Workshop held at the Milwaukee Institute of Technology. The workshop was conducted as a part of Milwaukee's observance of International Printing Week, January 15-21, 1961.

—Joe Graebner

Science Club Plans Midyear Elections

The wheels of the Science Club are again turning, enabling the club to roll over all obstacles and continue on the road of success.

Since officer elections for the second semester are to be held during the month of February, a seven member nominating committe has chosen eight nominees. Four of these will take over the offices of President, Vice-President, Secretary, and Treasurer. The nominees are freshmen: Mark Mrotek (102), Alex Sklenarz (102), sophomores: Jon Simons (211), Jerry Smolen (207), Fred Stamm (211) and juniors: James Hempel (215), Mike Radtke (201), and Bruce Chandler (213).

A second committee, the Constitutional Committee, also has been formed. Alex Sklenarz, Paul Maliszewski, Fred Stamm, Mike Radtke, Jeff Schrank, and Bruce Chandler will carefully formulate a permanent constitution for the club. These are just two of the examples of your Science Club's initiative to make a better name for itself and the school.

—Bruce Chandler

Midway Melodies Fill Bosco's Gym

On January 26, 1961, Don Bosco's gym was once again the scene of a gala event, the celebration of the end of semester exams. Celebrating took the form of a dance, traditionally called the Midway Melodies. Music was provided by the Squires and everyone present seemed to be enjoying themselves. The evening was just what the doctor ordered for the weary students, before they settled down for the second half of the school year.

Family Spirit . . .

CONTINUED FROM PAGE THREE

The enthusiasm with which the candidates and their cohorts campaign is amazing. There are posters to paper the walls; flyers, phony money, and suckers to influence the voters, and speeches to enlighten the underclassmen. This pre-election demonstration of spirit knows no equal in the history of Don Bosco.

Spirit on a religious level was exemplified during the annual retreat. Fr. Kusman, the retreat master, went as far as to say that this was about the finest retreat he had ever witnessed.

Another example of the Bosco "family spirit" was exemplified Sunday, October 6, when a 16-bus caravan, carrying over 650 Bosco men, their families and friends, traveled to Racine for the football game against St. Catherine's.

On the surface our Spirit may seem like only a lot of "rah-rah" and good times, but it has a much deeper meaning. The Bosco Family—faculty, students, and parents—has one objective; to build a better Bosco man for the army of Christ and His Blessed Mother.

—William Bodden, Graduate, Class of '60

Semester Honors

HIGHEST HONORS

Junior: M. Cesarz **Sophomore:** D. Lamping **Freshman:** A. Sklenarz

HONORS

Seniors: B. Adamec, T. Ford, J. Hinckle, J. Krzyanowski, B. Semmler, R. Tatalovich.
Juniors: B. Chandler, J. Hempel, T. Kloza, J. Kochanski, L. Krajewski, J. Marino, D. Mei, G. Nadolski, R. Pribbanow, J. Schrank, M. Slawnik.
Sophomores: D. Bialozynski, D. Binkowski, D. Blankenheim, T. Bozewicz, P. Brings, D. Buelow, G. Fredrich, R. Kais, K. Kujawa, T. Niemann, T. Olszyk, A. Pedriana, D. Polinski, M. Sargent, R. Schimelfenyg, D. Schweitzer, J. Simons.
Freshmen: R. Baranowski, K. Barczak, P. Drewek, D. Goodmann, D. Hollman, T. Koettting, R. Koreen, P. Maliszewski, M. Mrotek, J. Rutke, T. Smolen, J. Widder, P. Zagorski.

SECOND HONORS

Seniors: P. Barbian, P. Baron, J. DeVita, R. Grosz, R. Haas, J. Hendrickson, J. Judziewicz, K. Jund, G. Kleczka, A. Koch, R. Kormanik, L . New, J. Rick, D. Rymaszewski, J. Sery.
Juniors: C. Bartels, T. Boyle, J. Chaplock, P. Gerlach, T. Kochanski, M. Korpal, K. Michalski, M. Radtke, W. Roberts, R. Sielen.
Sophomores: D. Andraszczyk, G. Badura, D. DeBattista, J. Derynda, L. Doersching, D. Florek, J. Frelka, J. Gallagher, R. Gerke, K. Griesemer, T. Hahn, R. Kubiak, C. Ney, W. Peters, R. Rademacher, J. Reese, G. Reiner, R. Schmid, J. Shaw, G. Smolen, D. Soldon, F. Stamm, J. Starck, J. Strange, G. Tomczak, M. Wingert, R. Wisniewski, J. Zulka.
Freshmen: J. Adamski, T. Barocci, J. Bohmann, V. Burdick, G. Jund, T. Kaczmarek, R. Mattingly, J. McGrath, R. Mellonig, G. Michalski, L. Patti, B. Poniewaz, J. Smukowski, R. Wojnar.

Library Essential In Bosco Program

The library at Don Bosco is becoming more and more an essential part of the school program. Its doors are open seven hours daily from 8:30 to 3:30. Students can stop in the library before and after classes and during study periods if they are looking for a good book to read in their spare time.

Helping Bro. Frank Lange to keep the library running smooth are students who give their study period and other free time to work as library assistants. If someone reminds you your book is overdue, he most likely will turn out to be a library assistant.

The week beginning February 19 is Catholic Book Week. This year's slogan is: "Unity in Faith Through Reading." During this week everyone should read one or two books written by a Catholic author, who assures the reader of high quality reading material. This would also be an excelent time to read that Herald Citizen which arrives at most homes each week. Reading the Catholic magazines that are in the library will increase your spiritual knowledge. Take Bro. Lange's advice and observe Catholic Book Week through reading.

—Elmer Olsen

Answers To Math Problem

Two answers were submitted in response to the last issue's Math Corner. Bill Bodden, a former Bosco student, submitted the most correct answer of approximately 4:37, the time our mythical boy left to go skating. Joyce Smentek of Mercy High submitted an answer of 4:35, very close to the correct answer. Congratulations to two fine math students!

Sympathy

The faculty and students of Don Bosco High School would like to express their sympathy to:

The parishioners of St. Paul's parish on the death of Father Kalcynski.

To the parishioners of St. Alphonsus' parish on the death of their pastor, Father Spangler.

To graduates, Paul, Joseph, and Bernard Krueger on the death of their mother.

LIBRARY WORKERS, L-R—D. Stanton, R. Mlot, R. Gramins, T. Schneider, T. Meka, P. Prudlow, J. Podkomorski, Bro. Frank Lange, J. Otzelberger.

Bosco Foes Win At Free Throw Line

With its first two victories of the season, Don Bosco's victory special appeared to be headed to a near perfect season despite two losses, that is, until Pius XI derailed it at its fifth stop.

Myszewski Leads Scoring Barrage

Demolishing South was an easy job as the Dons rolled to a 58-30 win. The Dons hustled off to an early lead and outclassed South all the way. Myszewski dumped in 30 points.

Knock Over Dominican, 70-46

The Don's special had little trouble as it rolled over Dominican, 70-46. Dennis Kocs was high with 21 points.

Sink St. Joseph, 67-57

The Dons submerged St. Joseph of Kenosha by a 67-57 score, with Kocs and Myszewski each netting 21 and 20 points respectively.

Knock Over N.D. in Thriller

The Dons kept the spectators on the edge of their seats in the last half as they snatched a 51-46 decision from Notre Dame.

Cathedral Beats Dons on Line

St. John's Cathedral made 28 of 41 free throws to beat Don Bosco 54-45. Myszewski netted 18 points even though it was a losing cause.

Dons Lose to Messmer, 47-38

Although the Dons outshot the Bishops from the floor, 15-14, the Dons lost the game on the free throw line making only 8 while Messmer made 19.

Bosco Loses to Marquette, 69-65

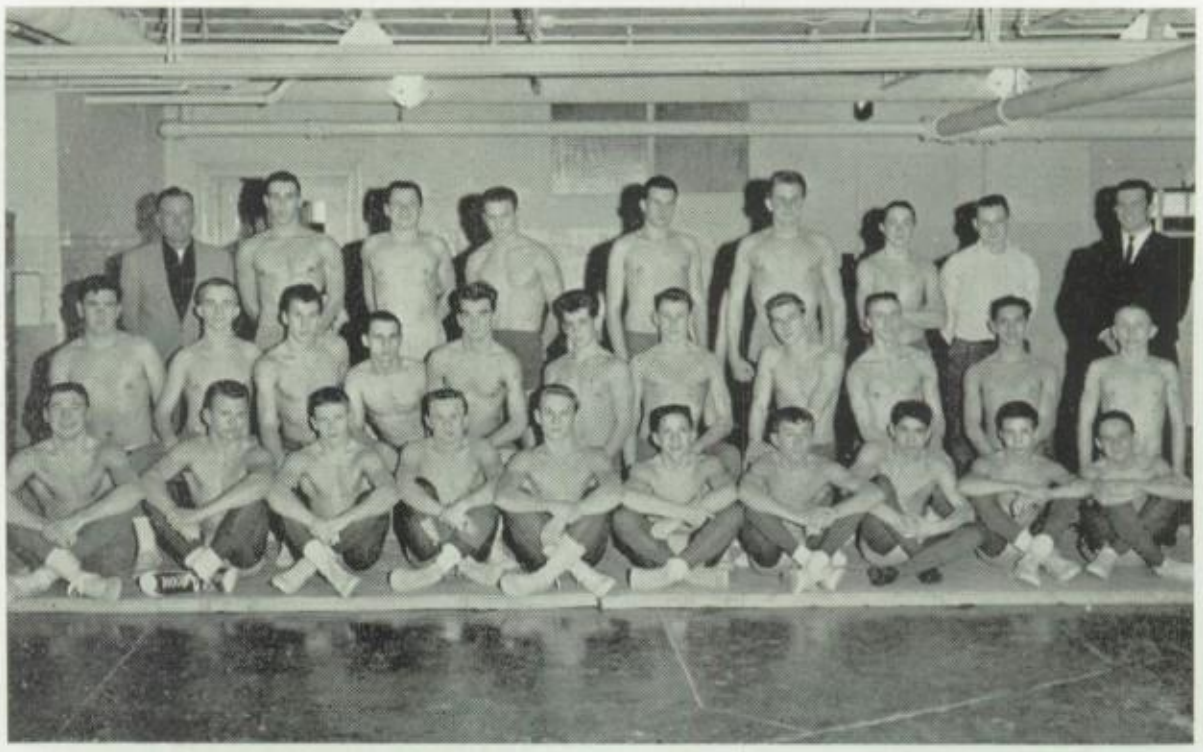
The Hilltoppers handed the Dons their third straight defeat. Kocs was high with 20 points.

—Bill Kowalski

Table Tennis

The annual Table Tennis Tournament was won by Enrique Rebora, a Mexican exchange student at Bosco. Runner up was junior Dick Koralewski.

Dick Koralewski shows his serving form.



WRESTLING TEAM, L-R, Row 1—G. Killian, D. Jankowsk', K. Chybowski, F. Tessler, J. Sery, M. Wingert, R. Flayter, J. Lafleur, J. Bohmann, T. Kolodzinski. Row 2—T. Raden, T. Burke, R. Starck, J. Judziewicz, D. Blankenheim, J. Otzelberger, J. Derynda, A. Pedriana, R. Smukowski, L. Patti, R. Leese. Row 3—Mr. John Lafleur, J. DeVita, P. Datka, P. Katzfey, J. Katzfey, M. Krzewinski, R. Liddle, R. Smith, manager; Mr. Ronald Fieber, coach. Absent—D. Spenner, M. Mrotek.

Beezers Hold 4-2 Mid-Season Mark

The B-team had little trouble with South, beating them 42-28. Rick Kais led the team with 12 points.

Beezers were on the short end of the string when they played Dominican, losing a close one, 35 to 24.

A spirited defense and offense led the B-team to their first victory in conference play, beating Pius 34 to 32. Frederick and Kais were high with 11 and 9 respectively.

The B-team came back to start the new year off on the right foot by beating Cathedral, 42 to 36. Vopal and Frederick led the team with 14 and 9 points respectively.

An excellent defense and spirited offense seemed to be the two main factors in the one sided victory over Messmer. Zanotti was high for the Jr. Dons with 20 points.

—Roger Vopal

Knight Light

Once again the Knight Light shines on an outstanding member of the Bosco family. This time we honor Joe DeVita.

Joe DeVita

Joe was our student council secretary during the first semester and has recently been elected 1st Vice-President under the new method and will retain the duties of a secretary. Joe is also a sodality member and gained our admiration for his activity on the gridiron last fall. At the present time, Joe is engaged in wrestling. Joe, who wrestles in the 180-pound and heavyweight classes, is doing exceptionally well. We exemplify this fact with his victories over Memorial, Pulaski, and East. He seems to have an energy-possessed spirit, which leads him to subdue his opponent.

Joe hopes to someday become a history and physical education teacher. To Joe DeVita, who is doing a great job in our school, we sincerely wish all success in the future.

—Jim Krzeszewski

Wranglers Await State Tournament

Under the fine coaching effort of Mr. R. Fieber and Mr. J. Lafleur, the wrestling team has won the respect of opposing coaches and teams throughout the city. Some of the teams which have lost to Bosco are: Pulaski's "B" team twice; East's "B" team once; and Waukesha Memorial's Varsity once. The most resounding victory came against the East "B" team in which Lafleur, Flayter, Wengert, Sery, Tessler, Chybowski, Jankowski, Drzewinski, and DeVita all won their respective matches.

Bosco has bowed only to St. Joe's and Waukesha Memorial. The worst beating came from St. Joe's when only Flayter and Tessler could manage victories.

Bright spots for Bosco have been the consistency of Dick Flayter, 6-0, Joe DeVita, 5-1, Dennis Jankowski, 4-1, and Fred Tessler, 5-1. Two pleasant surprises have been the effort of Mike Krzewinski and Gary Killian.

All these factors point to a profitable State Tournament for them.

—Fred Tessler

Overall 6-2 Record At Half-way Mark

The Ceezers lost their first conference game to Pius on the visitor's court 39-20. Carl Heinz of the Don's was high with 7 points.

After shaking off their first defeat, the Ceezers won 5 in a row behind the brilliant coaching of Bro. James Donovan.

Their first win was over St. Catherines at home. John Snieg and Carl Heinz who scored 11 and 10 points respectively were high scorers in defeating the Angels, 34-23.

Having trouble on "foreign" courts, the Ceezers edged by Jordan in an over time non-conference game, 22-19. Snieg, Heinz, and Baranowski accounted for 18 of the points, each having 6.

John Snieg, with 16 tallies, paced the Don's to their 34-30 win over St. Joseph at Kenosha. Good defense and rebounding by Baranowski also helped earn this Bosco victory.

Leading 21-18 at halftime, the Ceezers had their best output when they smashed Notre Dame, 37-23, for their fourth straight win. Sneig and Goodman were high with 11 and 7 points respectively for the Don's.

The Don's upended Cathedral for their fifth straight win, 31-19. Baranowski tallied with 12 points, while Goodman had 8 points for the Dons. Messmer handed the Don's their second defeat in an overtime game, 31-29. Mike Cianciola of Messmer scored the only and winning bucket in the extra period, while Snieg and Burdick of Bosco had 8 points each.

The Ceezers came back and handed Marquette a 22-20 loss. Snieg and Heinz accounted for 15 of the Ceezers points in their sixth victory.

—Doug Sturomski

SKI CLUB, L-R, Kneeling—R. Prusinski, J. Sery, T. Matulis, C. Street, T. Okonek, T. Kolozinski. Standing—C. Cybulski, L. Patti, D. Grafwallner, J. Rozewicz, R. Kopp, A. Richards, J. Gallagher, T. Quincey, P. Baron, P. Zierden, J. Rick, A. Beck.

Ski Club Swarms to Little Switzerland

The 1960-31 Don Bosco Ski Club has been enjoying itself on the slopes of Little Switzerland, near Slinger, for the past two months.

The Club is divided into two groups; one goes skiing on Saturday, the other on Sunday. Transportation is usually provided by the members, although attempts have been made to secure a reliable source of transportation from some car dealer.

Last year's membership of about 6 has this year grown to 24. The moderator is Bro. Victor Naegele and the President of the Club is John Sery.

Bosco's Sodality: Busy Organization

Don Bosco's Sodality is one of the most active groups around school. Let's take a look, division by division, at this, the second largest activity at Bosco.

The Senior Sodality sponsored a Lenten Holy Hour on February 23, at which over 60 Seniors attended. During that month the members of this group also played a big part in the winning of the Lourdes Ball trophy, which is awarded to the school with the highest percentage of students in attendance at the dance. Representing Bosco on the court for this Ball, were Arne Koch, Mike Lucci, and Jim Ulma.

The Seniors also arranged a Closed Retreat March 17-19, at Benet Lake, Wisconsin, and are planning a display for Passion Tide.

The Junior Sodality did its part to help with the Lourdes Ball, and is planning a Holy Hour for March 24. At present this group is concentrating on the Sodality "theme," self-sanctification.

The Sophomore Sodalists are kept busy printing the **Sneak Preview,** a paper aimed at informing students about the better movies showing around town. This group also sponsored a Holy Hour on March 10, which was attended by over 80 boys.

On February 10, over 40 new members were received into the frosh Sodality. They are now undertaking the distribution of vocational materials and the collection of stamps for missions.

—Chuck Bartels

Senior prefect Mike Lucci presents Marianist Provincial V. Rev. J. Glennon McCarty with check for $315, the proceeds of DB Christmas cards sales. Junior prefects Chuck Bartels and Jim Peters are present on the right. The gift will be used for Marynook, the Brothers' novitiate at Galesville, Wisconsin.

Annual Activities Banquet Honors Members; Judge Hansen Guest Speaker

Each year Don Bosco sponsors an Activities Banquet which is held in recognition of all the boys who have participated in the numerous activities about school. The guest speaker this year was the very honorable Judge Robert W. Hansen, who is judge of branch 13 of the circuit court of Milwaukee County. His talk was very interesting for Judge Hansen is a very versatile speaker, renowned throughout the United States and Canada for his extemporaneous speaking on current affairs and world events. Each year students from each activity receive complimentary tickets, to represent this activity.

—Tim Singleton

Dons to Attend Madison Confab

On April 7th and 8th Don Bosco will send 5 delegates to the 7th Bi-annual Governor's Conference on Children and Youth. The delegates are, Bob Barczak, Dennis Mei, Tom Harrington, Dan Lamping, and Bro. Robert Osborne.

"Adventures in a New and Strange Land" is the theme of the Conference to be held at the University of Wisconsin at Madison. These conferences are called by the Governor every two years to bring together Wisconsin citizens, lay and professional, youth and adult, to talk and plan together to meet the needs of the children and youth of Wisconsin. Approximately 1,500 are expected to attend.

The Conference theme focuses on the needs of children and youth in our rapidly changing world, and this theme will be highlighted throrugh general sessions, forums, and small discussion groups. Governor Nelson will open the conference and will give the closing address.

A dramatic presentation entitled Drama-New and Strange Lands will be held Friday evening, after which there will be a social for all delegates.

Housing will be provided on Friday night by families in Madison.

—Dennis Mei

Graduate To Help Build School in African Bush

In 1958 Tom Power graduated from Bosco second in his class; this summer he will be building a schoolhouse in Gambia. Power, who is part of Operation-Crossroads Africa, Inc., will spend an orientation week in Washington D.C. and arrive in Gambia on the west coast of Africa about June 23. Power will then spend a month working the bush country building a cement block schoolhouse. Before returning to America, about the first of September, he will have a chance to travel in Senegal and Guinea, neighboring African countries.

Operation-Crossroads is a privately financed forerunner of the youth corps program initiated by President Kennedy. Powers, who was second in his graduating class, is presently attending Lehigh University in Bethlehem, Pa., where he is majoring in Physics.

Kilian, Bro. J. Donovan, J. Hempel, M. Radtke, B. Chandler, F. Stamm, J. Smolen, J. Chaplock, D. Schweitzer, P. Baron, B. Poniewaz, J. Adamski.

Science Club Takes Informative Trips

The Science Club's year has been highlighted by two main events and will have other interesting meetings as the school year draws to a close. On Friday, February 24, the club traveled to Racine to tour Johnson's Wax Corporation. The club traveled in a five car caravan and saw the modernistic, awe-inspiring Johnson's Wax building. Students were amazed as they toured the chemical laboratories and observed the excellent facilities.

A second field trip was made to Yerkes Observatory on the 18th of this month. The 40 inch lens is the largest refracting lens in the world. With these two events completed and others yet ahead, the club feels it is performing its duty of informing its members in the important developments in science.

—Bruce Chandler

Four Ex-Boscoites Studying in Europe

Four former Boscoites, Bro. Gerald Wierzba, Bro. Edward Jach, class of '49 and Bro. Robert Lewandowski and Bro. Joseph Rasky, class of '50 are now studying at "Queen of the World" Marianist International Seminary in Fribourg, Switzerland.

Bro. Robert Lewandowski and Bro. Edward Jach are in their second year of theology and will be ordained in '63. Bro. Gerald Wierzba and Bro. Joseph Rasky are in their first year of theology and will be ordained in '64.

Bro. Edward Jach taught at Bosco in '57. Bro. Wierzba, Bro. Lewandowski, and Bro. Rasky taught in the St. Louis area.

Congratulations from all here at Bosco.

—Ken Griesemer

DB MARIANIST SEMINARIANS—L-R: Bro. Gerald Wierzba, Bro. Robert Lewandowski, Bro. Edward Jach, Bro. Joseph Rasky.

Seniors Enact Play 'Second Childhood'

This year as every year, seniors and juniors of Don Bosco show off their acting ability in the Senior Play. For the year's dramatic presentation, a 3-act farce entitled **Second Childhood,** has been chosen.

There will be a double cast: six Don Bosco seniors and six seniors from St. Mary's Academy are in one company while the other cast consists of six D.B. juniors and six Mercy High School juniors.

The Don Bosco seniors are Henry Dluzak, Richard Gizelbach, Paul Barbian, Michael Krusing, Ronald Komas, and Michael Lucci. At the helm of the course is Bro. Charles Rahe. The dates for the play to be presented in our gym are the twelfth, thirteenth, and fourteenth of May.

—Carl Sibilski

Glee Club, Band Present Annual Spring Concert

As we again hear and see the signs of spring around us, the Glee Club and Band are putting in routine preparation for the annual Spring Concert which will be held April 22-23.

If one would have the opportunity to be free during the sixth period (which is doubtful) and venture to the west part of the school basement, he would hear the effects of hard work by the Glee Club in such songs as "Jeaninne," "You Were Meant for Me," "Five Foot Two," and others. All of the songs will in some way or other pertain to the very interesting topic of "Girls."

On the opposite end of the basement, the Band is preparing such pieces as "Colonel Boogie," selections from the Broadway hit "Music Man," and Hawaiian Holiday" in honor of our 50th state.

Ken Krzyzaniak, a graduate of '58 will be the guest clarinet soloist. Ken is majoring in music at the University of Wisconsin.

—Ken Griesemer

Former Teacher at Bosco To Be Ordained Priest

Bro. Donald Cowie, S.M., former teacher and student council moderator at Don Bosco, received the minor order of subdiaconate last Sunday in Fribourg, Switzerland, where he is studying at the Marianist Seminary. Bro. Donald will be ordained a priest next July. **Congratulations!**

Ten Good Things

There are ten good things for which no man has ever been sorry: For doing good to all; for speaking evil of no one; for hearing before judging; for thinking before speaking; for holding an angry tongue; for being kind to the distressed; for asking pardon for all wrongs; for being patient toward everybody; for stopping the ear to the tale bearer; for disbelieving the most of the evil reports.

Sophs Lead Fourth Term Honor Roll

HIGHEST HONORS

Juniors: M. Cesarz, L. Krajewski, R. Pribbanow.
Sophomores: K. Kujawa, T. Niemann.
Freshmen: D. Hollmann, A. Sklenarz.

HONORS

Seniors: B. Adamec, P. Barbian, P. Baron, J. DeVita, T. Ford, J. Hinckle, R. Kormanik, W. Kowalski, J. Krzyzanowski, B. Semmler, P. Streveler, R. Tatalovich.
Juniors: M. Champeau, B. Chandler, P. Gerlach, J. Hempel, T. Kloza, R. Koralewski, J. Marino, S. Penn, J. Schrank, M. Slawnik, K. Switala.
Sophomores: G. Badura, D. Bialozynski, D. Binkowski, K. Buelow, T. Hahn, R. Kais, R. Kubiak, C. Ney, T. Olszyk, D. Polinski, D. Schweitzer, J. Simons, D. Soldon.

Beacon Book Report

By Mike Cesarz

Although it has gone practically unnoticed in our school library, **The American Heritage Picture History of the Civil War** still ranks high on the best-selling charts. Containing 836 pictures, many of them in color, and narrated by **Bruce Catton,** this book is probably the best and most informative ever written on the Civil War.

One outstanding feature of this book is the way the major battles are portrayed and illustrated. The strategy of each major battle is throughly explained and illustrated, showing the movements of both the North and the Confederate forces. There is no doubt that this book will serve as a suitable reference for all material to be done on the Civil War.

Do yourself a favor and get acquainted with this book right now!

Eight Boys Qualify For Math Test Finals

On February 2 all Bosco sophomores, juniors, and seniors took a math test sponsored by the Mathematical Association of America. Of all Wisconsin participants, 1,000 qualified to take the national finals administered at Cardinal Stritch College.

Eight Boscoites qualified with a score above 60, out of a possible 128. Rodney Pribbanow, Bob Tatalovich, Bill Pfannenstiel, Gerald Stanislawski, Phillip Florek, Ted Zajac, Jerome Marks, and Dan Schweitzer represented Bosco in the finals. All finalists will receive certificates of merit.

Math Corner

Two pedestrians walk along the same road in the same direction. The first, walking at 4 miles an hour, starts out 8 miles in advance of the second, who walks 6 miles an hour. As they start, one dog leaves his master and sets off for the other man at 15 miles an hour. As soon as he reaches the second man, the dog returns at once to his master and continues to run back and forth until the second man overtakes the first. How far did the dog travel?

Beacon Editors Constantly Busy

The Bosco Beacon is the informer of all Bosco men. It lets us know what is happening throughout our school and many other schools. Very few people, however, actually know of those responsible for the public actions of the Beacon.

The paper consists of a network of jobs distributed to many of the students. The people in charge of operations are Jr. Editors: Joe Graebner, Chuck Bartels, Jeff Schrank, and Bruce Chandler. These people are responsible for getting the paper rolling. In other words they decide what should go into the Beacon.

Next come the 3 various activities' editors. They are: Gary Nadolski, Business Editor; Mike Cesarz, Scholastic Editor; Dennis Mei, Sports Editor. It is their responsibility to get together articles for their sections in the Beacon.

The two Boscoites responsible for all the pictures in the Beacon are Paul Barbian and Larry Doershing. They are always on hand to snap pictures of Bosco men in action.

The man responsible for all typing is Steve Penn. It is his job to retype all articles so they can be taken to the printer.

Those responsible for the actual writing of the articles and for the mailing of Beacons are the members of the Beacon Staff.

—Mike Krzewinski

Just a Thought!

You can always tell a freshman by his shy and bashful look,
You can always tell a sophomore by the the way he takes to books,
You can always tell a junior by the crazy songs he sings,
But those seniors—you can't tell them anything.

Band Participates In Many Activities

The Don Bosco Band was organized in October of 1947. The first director was Mr. A. Gehrke. In 1952 Mr. E. T. Kanaskie took over the band, which today composes a Concert and Marching Band. The present enrollment is 65 and more members are expected next year from the incoming freshmen.

The band has a year around program. It started off by playing at each football game, with a field show at the homecoming game. The band plays at pep rallies and maintains a pep band for the basketball games. The annual Military Ball is sponsored by the band and glee club and usually is held in November.

Band members will participate at the WSMA (Wisconsin School Music Association) competition playing solos, duets, and trios on March 13, and the band will participate May 20 in the WSMA contest. The band will also play for Senior Class Day. The Band and Glee club jointly sponsor a Christmas and Spring Concert, (K)night's Serenade, to be held April 22-23. The band's program also continues through the summer, participating in the 4th of July Parade.

Besides these programs, this year the band will play at the Band Jamboree at Pius XI High School and will play and march for the Catholic War Veterans representing Milwaukee.

Never Lose Hope In Fighting Reds

In previous Beacon issues, we saw how and when Communism was born, its spread, and the dire need for its complete destruction.

Mary continually warns against Communism, but for a total victory our assistance is a must. Our part in Communism's conquest consists greatly in praying ,working, and believing.

Prayer is the means by which we can obtain for ourselves and others the strength, ability, and courage to permanently demolish the ominous threats of Communism.

By leading good lives and by displaying a righteous example to all who come in contact with us, we can literally "preach" against everything that Communism stands for, for them we can expose Communism and all its pseudos, 'like richest alchemy,' to the eyes of men.

Keep Up Hope

If ever we lose hope or for just a moment doubt that in the end we will be victorious, then Communism has struck one of its greatest blows, because then it can decay, demoralize, and thoroughly disrobe us of all our American ideals. And whenever such a doubt does set in, try and remember the idea that the late Pope Pius XI stressed when he stated, "The Holy Virgin who once victoriously drove the terrible sect of the Albigenses from Christian countries, now suppliantly invoked us, will turn aside the new errors, especially those of Communism, which reminds us in many ways, in its motives and misdeeds, of the ancient. And as in the times of the Crusader, in all Europe there was raised one voice of the people, one supplication, so today, in all the world, in the cities and even the smallest villages, united with courage and strength, with filial and constant insistence, may the people seek to obtain from the great Mother of God that the enemies of Christian and human civilization be defeated, and thus that real peace may shine again over tired and straying men."

Last Hope

And then if you still have lost hopes that we will destroy Communism, remember and again and again repeat Mary's own words, "in the end my Immaculate Heart will triumph." With this in mind, we cannot lose, not even to the largest armies or the biggest missiles, for with Mary we have a winning team.

NOTE: For a good picture of Communism at work in the U.S. be sure to view the film, "Operation Abolition."

—Ken Kujawa

African Revolution "Good "Example of A Minority Dominating the Majority

It is unjust for a majority to dominate a minority as is done in some parts parts of our free United States. It is a greater injustice, however, for a minority to persecute and dominate a majority. Such was the situation in the newly freed Republic of the Congo. In the elevotion of the unjust condition, unfortunately, there has begun a new and even more chaotic injustice. We need only reflect on the short and violent history of this new state to substantiate this fact.

On June 30, 1960, the Congo became a free state. On July 11, the troops of this new republic revolted against their temporary Belgian officers and proceeded to sack the capital of the new state, Leopoldville.

Prime Minister Patrice Lumumba demanded that the United Nations send troops to restore order. On July 14, under the authorization of Dag Hammerskjold, an estimated twelve thousand men were sent to the new state. Unfortunately these troops did not completely solve all the growing pains that were brought by quickly acquired freedom. In the south, the minerally rich Katanga Province, under the leadership of Moise Tshombe, threatened to secede if the Belgians were not allowed to remain and provide order. This succession would be a crushing blow economically to the new republic. In August, however, after much "controversy" the Belgians yielded to the U.N. troops.

Lumumba lacked the mentality and perspicuity to be a good leader. And so in early November the prefix "Ex" was attached to Lumumba's former title. The revolt of the Congolese troops under strong man Colonel Joseph Mobotu was successful, and he and ex-seminarian Joseph Kasavuba took the reigns of the faltering government.

A ray of hope burst forth momentarily from the strife-torn "Dark" Continent, when, in early December, Kasavuba was recognized as the official representative for the Congo in the United Nations. This ray died quickly, however, when Lumumba escaped his house arrest on the very night of Kasavuba's return from New York. The left-tilting ex-Premier immediately revived his attempts to regain power, and the precariously balanced framework of order that had been built by Kasavuba collapsed like a matchstick house.

New race riots began. Thousands of whites fled across the Congo River into the French controlled Congo Republic. Property damage ran into the thousands. Finally Lumumba was re-captured and order was semi-restored. But complete peace and order is still for over the horizon. Terror can still be seen in the darting eyes of hurrying whites, who seem like pale specks bobbing down a dark sea.

This terror infused in the whites, and unrest in the Negroes will only subside when the Negroes produce some self-sacrificing leaders. If we judge the future of Africa by the development of one of its most promising republics, it is plausible that Africa may not outlive its "Decade of Destiny."

—Tom Niemann

The Society of Mary, A Dream Come True for Founder, Father Chaminade

Editor's Note:

This school year marks the 200th anniversary of the birth of Fr. William Chaminade, the founder of the Society of Mary. This is the third of a series of articles highlighting his life.

The two things closest to the heart of Father Chaminade were the Sodality and, of course, the Society of Mary. The Sodality was an organization founded by the Jesuits but died with their suppression. It was revived in Bordeaux by Father Chaminade soon after his return from Saragossa. It made its humble beginning in a turbulent France and spread throughout the world. The Society of Mary started in the same way and also spread not without causing much grief to Father Chaminade.

He organized a society unique for his day and also ours. In his society as in his Sodality there were no class distinctions which has continued. The teaching brothers, the working brothers, and the priests are all equal, aside from the fact that the priest is naturally higher because of his ordination. The Society even gives the working brothers a college education so that they don't feel inferior in any way to the teaching brothers or priests. Some religions did not believe that an order which had such ideals could last. But to their surprise it lasted.

Father Chaminade also insisted that the brothers be as much in the world as possible yet practice Christian virtue. For that reason they wear their clothes according to the custom of the country in which they reside.

Father Chaminade was not merely the organizer of a religious order but

Four Juniors Tour Safety Building

The morgue, courts, judges, jail, and other necessary parts of Milwaukee's law departments were visited by Jim Peters, Chuck Bartels, Denny Mei, and Bob Barczak, February 14, as part of Crime Prevention Week.

The tour started at 9:00 a.m. in the office of Mr. Raymond Fleming, the Clerk of County Courts. After briefing us on the importance of what we would see Mr. Fleming turned the 34 of us, representing 11 schools, over to one of his assistants.

Judge Christ T. Seraphim's District Court Branch No. 1 was the first stop. Here in one hour we heard cases ranging from vagrancy and disorderly conduct to assault and forgery. After visiting the offices of different police officials we broke for lunch.

The afternoon got started with a talk from Judge John Krueger who presides in District Court Branch No. 2. Because this court deals with all traffic cases, Judge Krueger explained the different types of traffic violations and stated that "for many people this court is the only one they have been in or will be in, so it is very important that they are treated courteously and justly." Numerous times during the actual hearings the Judge would interrupt the preceedings to explain the reason of some action or judgment.

The Communications Center, a neat "mess" of phones, ticker tapes, short wave radios, and maps, was the next stop. We spent quite a while in this set of rooms listening to explanations, radio and phone calls and answers to the many questions asked.

Next was the Identification Bureau with its hundreds of fingerprints and mug shots. We were not allowed to look at the pictures "you might see someone you know."

Last stop was the County Morgue, an unusually interesting place. We were permitted, after a short explanation and answer period, to view the body of a man who had died from carbon monoxide poisoning.

We left at 3:00 p.m. with very tired feet and a greater knowledge of our county law departments.

—Chuck Bartels

CONTINUED FROM PAGE FIVE

was a man devoted in a most special way to the Blessed Mother of God and insisted that his religious vow stability in Her honor. The Blessed Mother repaid him and now his Society has thousands of members throughout the world.

If God will, he may yet be declared a saint. Pray to him for favors and report all favors received through his intercession.

On April 8th the anniversary of his birthday the students at Don Bosco will attend a student Mass in his honor and an assembly later that day.

On this joyous occasion let us call to mind the words of the great Confessor-Parish priest of Ars, St. John Baptist Mary Vianney; "Brother of Mary! Religious of the Society of Mary! oh, what a beautiful Society! It is called to do an immense amount of good in the Church; it will endure to the end of the world. Every religious who dies in this Society will go to Paradise."

—Tom Olszyk

HAPPY EASTER
from the
BEACON STAFF

Beacon and Don photographers—Larry Doersching and Paul Barbian.

Ah! Spring

Ah, Spring! Warm, sunny breezes beckon the kite fliers. Robins building their nests and stretching worms out of the moist earth, distract even the most studious. But, Spring brings desperation to Mothers.

Spring brings many things to mothers: rain, puddles, mud, boots, housecleaning. These, unlike other things of Spring are no mystery. For as any thinking person can see, rain is the natural result of Spring. Puddles are the natural result of rain. Mud is the natural result of puddles. Boots are the natural result of mud. Housecleaning is the natural result of boots. Desperate mothers are the natural result of housecleaning. And, "Bah, Spring" is the natural result of desperate mothers.

—Joe Graebner

Underclassmen Watch Don Staff Progress

Every June seniors of Don Bosco receive a yearbook. It is taken for granted. In fact the great majority of students don't even know where it comes from. Well, to inform them, our senior annual is the finished product of nine months of hard and intricate planning.

Sure, everyone wants a good Don, but no one wants to go out of his way to make it a good one. Yes, we sell the necessary amount of patrons to lower the cost of the book. But we shouldn't let it go with that.

The source of our yearbook is a mystery to most of the student body. The exceptions are those that give their assistance and ideas in putting together the pages of the Don. These men, all seniors, give much of their time and a lot of effort. What reward do they receive? Nothing. Despite this, every day a number of the various editors can be found in the Beacon room working on their sections of the Don. All the reward these people want is to turn out a good yearbook. But they need our support. We can start helping by appreciating the work put into the '61 Don and trying to even improve it when we are seniors.

Eagles Nip Dons; Redwings Also Win

Regional games were held at Don Bosco on March 3, 4, 5, after the regular season closed.

The Dons faced the Eagles of St. John's Cathedral, who won in the last second of the game, 53-52. The Eagles trailed by five points at the half. In the fourth period the game was nip and tuck all the way. The Dons closed the gap several times, but to no avail, as John Engleman's tip at the final gun gave the Eagles the win needed to play in the championship round against Madison Edgewood. Great effort was put out by Tom Myszewski, John Zanotti, and Thomas G. "Whitedove" Grafenauer, who each netted 14 points.

In the consolation play-off the Dons lost to Notre Dame, 68-48. This was a surprising upset, for the Dons were favored to beat Notre Dame. The Redwings converted 38 free throws as the Dons were held responsible for committing 38 fouls. High man for Bosco was Sophomore Rick Kais with 13 points.

—Bill Kowalski

Bowling Begins At Mitchell, Olympic

Bowling Intramurals for 1961 are divided into three divisions, the Freshman (Tuesday), Sophomore (Tuesday and Wednesday), Junior (Wednesday), and Senior (Sunday) leagues, which will have a play-off for the school championship.

The Seniors, who bowl at Olympic Lanes on Sunday morning, compose one division of 6 teams. Three teams, the Stars, the Psychos, and Pindowners, are in first place with 5-3 records. Leading keglers are Mike Donahue, 179 average, and Tom Tomczak with a 173 average. Grohall posted the high game of the season so far, 228.

The Juniors and Sophomores, who splash pins at Mitchell Recreation, are composed of 7 teams and bowl on Wednesday at 3:30. The Buds of 207 lead the pack with a 6-0 record, followed by the Rod-Rammers 5 and 1. Star bowlers are Mike Bauer with a 598 series and 175 average; John Batchelor, who bombed the high game so far, 226, has a 174 average, tied with Doug Sturomski. Tom Radomski leads the Sophomores with a 157 average.

The Mitchell Freshman (Tuesday) League, composed of eight teams, also bowls at 3:30. League leaders are the Strikers with a 6-0 record, and the Rebels with a 5-1 record.

—Doug Sturomski

Zanotti grabs rebound in Marquette game.

Grafenauer jumps for rebound, but is beaten to it by Marquette foe.

Knight Light

Once again the Knight Light shines on an eminent student of Don Bosco. This time it's Dennis Kocs. Dennis, a class officer of junior homeroom 212, has been a sodality member for three years and has played freshman and B-team basketball. Dennis is now a varsity basketball player. Dennis' favorite subject is English and he hopes to someday become an architect. Outside of school, Dennis is an active member of St. Rita's CYO. Congratulations Dennis, and lots of luck in the future!

Dennis Kocs

—Jim Krzeszewski

Chess Tournament Fully Underway

The annual Don Bosco Chess Tournament this year began on February, and will end with a play-off for school championship sometime next month. Chess, the game of kings, is played on an intramural basis at Bosco. Nick Adelmeyer, Student Council Intramural Committee Chairman, organized the tournament so that frosh and soph members play against each other, juniors and seniors do the same. The tournament is played on a straight elimination basis. A straight elimination tournament means that if a contestant loses one game, he is out of the tournament. Using this process, a Frosh-Soph champion and a Junior-Senior champion will be crowned. Then there will be a play-off between the two champions for the school championship. A trophy will be awarded to the chess champion of the school.

—Jack Possell

B-Team Finishes Catholic Champs With 15-4 Record

The B-team gained an undisputed conference title as they notched three victories in their last four starts. The amazing fact of this feat is that the B-team achieved this success with three of their starting five now playing on the Varsity.

The Beezers tipped Notre Dame by a tight score of 29-27. Against Messmer the B-team overcame a small lead of the Messmer squad and forced Messmer to come out on the short end 39-31. The B-team showed its desire to win by defeating the only team which had previously beaten them while they were at full strength by supressing a halftime lead of the Marquette team and going on to win by the score of 32-29. At that time the Beezers only loss in their final four games came at the hands of Catholic Memorial in a non-conference meeting by a final score of 32-28

The Beezers ended the year with a season record of 15 victories and 4 defeats. For the season the Beezers tallied up 756 points, while their opposition had 615 points. The B-team made a total of 305 field goals, 146 free throws, and 276 personal fouls, while the opposition totaled 207 field goals, 202 free throws and 215 personal fouls.

Gerry Fredrich led the team in field goals with 70, and in personal fouls with 51, as well as in total points with 160 points. In the free throw department the honors went to John Zanotti with a total of 36. The best shooting average honors went to Roger Vopal with 10.7 average per game.

Congratulations are in order for the entire B-team and especially for Mr. Richard Knar for excellent coaching.

—Dennis DeBattista

Flayter, LaFleur, And Killian Take State Titles

The fourth annual WCIAA wrestling tournament was held Saturday, February 18. The following 4 schools took part: Waukesha Memorial, St. Joseph of Kenosha, Stevens Point Pacelli and, of course, Don Bosco. The meet was divided into 3 parts: preliminaries, semi-finals, and finals.

After the preliminaries, St. Joseph took an early lead with 9 points while Bosco and Memorial trailed with 6 and 3 points respectively.

When the second round was over, we only had 8 players in the finals, 3 of them fighting for 1st place, the others for 3rd place. After this round, it was announced that St. Joseph's only had to win one bout to snatch the title. Now the fight for 2nd place was on between Bosco and Memorial.

After the finals were taken care of, Bosco had 3 state champs in Flayter, LaFleur, and Kilian. Though Joe DeVita took a 2nd and Jankowski and Bowmen took 3rd place, this was not enough to take 2nd from Memorial.

At the end of all 3 rounds, it was St. Joseph 1st, Memorial 2nd, Don Bosco 3rd, and Pacelli 4th.

Bosco was plagued by the injuries of Don Spenner and John Sery in the first round. In the final round Bob Starck suffered a broken collarbone.

We would like to congratulate all members of the wrestling team and the coaches, Mr. Fieber and Mr. LaFleur for giving Bosco a very successful wrestling year and tournament.

—Mike Krzewinski

St. Joseph, pray for us.

Starck works to break hold in State Meet.

Dons Finish With Mediocre Record

The Dons took on second-place Pius at our gym and gave the Popes a good battle from the opening jump. Holding a 21-19 lead at halftime, the Dons looked like champs. But in the second half, Terry Welter's hot shooting could not be stopped and he put the lid on Bosco's hopes for a victory. When the final gun sounded, Pius was on the top of a 51-46 score. Tom Myszewski led the Don's attack with 15 points.

After a four point loss to Dominican the Dons traveled to Racine to battle with undefeated St. Catherine. From the start the Dons found it hard to compete with St. Kates' board strength and sharp shooting, and as a result took a 70-36 beating.

The Dons returned home to play Kenosha St. Joseph and try to break their losing streak. The Dons held the Lancers at bay until late in the fourth quarters when they became involved in foul trouble and St. Joe's sank numerous free throws to win 51-47. Tom Myszewski was again high man for the Dons with 20 points.

After losing a non-conference game to Notre Dame, 60-52, Bosco took on rival Marquette. For the first time during the season Bosco had good representation at a game and as result the Dons played their best game of the season. For the entire first half the Dons led, but in the second half Marquette gradually diminished Bosco's lead until they took it, 47-46. From then on it was a seesaw battle. As the final seconds ticked off, Dennis Kocs put in two jump shots to put the Dons ahead 52-51. But with three seconds left in the game the Dons hopes were shattered when Gary Foy threw in a jump shot to ice up the game for Marquette, 53-52.

The Dons lost another non-conference cliff-hanger to Memorial by a score of 64-63, to wind up the season 4-15.

—Tom O'Connell

C-Team Bows Out With 9-7 Record

Unable to find the range, the Ceezers suffered their 3rd defeat at the hands of Pius. The Ceezers hit on only 25% of their shots. Snieg led the team with 10 points; the final score was 33-25.

St. Kates entertained the Ceezers and defeated them for their 4th loss 22-20. In a close game in which the Dons led at the half 14-13 and then fell behind with a 1 point third period. Baranowski was high man with 6 points for the Dons.

Making a comeback after 2 losses, the Ceezers handed Jordan another loss with a 27-23 win. Snieg, with 14 points, teamed with Facette who scored 8 points and led the Dons to victory.

Again making a comeback, the Dons made their best effort against St. Joseph's and won 36-17. Because of a balance of scoring and fine rebounding, the Ceezers obtained a 14-point halftime lead. Facette, Burdick, and Gaynor each tallied for 9 points.

Having trouble on the small Notre Dame floors, the Ceezers again were on the short end of a 38-29 score despite a 14 point surge by Facette.

The Dons were smashed by a strong Messmer team and suffered their 6th loss because of poor shooting and rebounding. The final score was 41-20.

The Dons next entertained Marquette slipping by the Hilltoppers 28-22. Getting off to a slow start, having only one point in the first quarter, the Dons came back to lead 15-9 at halftime. High point men were Facette and Baranowski with 11 and 10 points respectively.

The Ceezers finished the season on their home floor with their 7th loss, this one to Memorial. Despite a good third quarter and fine rebounding, the Junior Dons were unable to score and surpass Memorial. Facette, Smukowski, and Burdick scored 7, 6, 5 points respectively. The final score was 26-21.

Brother Naegele Commemorates Silver Jubilee

The student body helped celebrate Brother Victor Naegele's silver jubilee with an assembly Friday and a mass at St. Hyacinth on Monday.

At the assembly Brother Victor was presented with a gift from his homeroom, a hundred dollars from the student council, and most valued, a spiritual boquet from the entire student body. In his speech Brother Vic reviewed the various factors influencing his decision to become a Brother and his life as a Brother. Brother Naegele's mother was present to help celebrate the occasion.

Bro. Victor renews vows at silver jubilee ceremony.

The Mass and Benediction at St. Hyacinth provided a chance for Brother to renew his vows in the Society of Mary. Father William Lamm, S.M., was present to give the sermon.

About 300 were present for the Mass Saturday evening and the reception and buffet in the cafeteria following the Mass.

The whole weekend was a busy one for Brother Victor. The jubilee represented 25 years of a fullfillment of an ambition, and 25 years of devotion to Mary. The Beacon wishes Brother Victor continued cuccess in his religious vocation.

—Jeff Schrank

The Beacon Extends Congratulations to All the Seniors

Junior S.C. Candidates Announced; Eight To Run in May 16 Election

One of the biggest events of the school year, the May election of Student Council officers, is now in full swing. Nominations were completed Monday, May 8, and the following were picked to run on Tuesday, May 16: Bob Barczak, Chuck Bartels, Pat Kaluzynski, Dennis Kocs, Dennis Mei, Tim Singleton, Mike Slawnik, and Jim Peters.

This election is a serious event which calls for good judgment on the part of all voting, and it is necessary that all are voting. One of the most important items to remember is the method of voting: vote for only four candidates, numbering them in order of preference from 4 to 1.

The date, method, and candidates are known, all that remains now is the actual voting, and **only you** can do that.

R. Barczak
C. Bartels

P. Kaluzynski

Annual Spring Concert Draws Large Attendance

SPRING CONCERT — L-R — K. Sweet, R. Gizelbach, Linda Wojciechowski, J. Hinckle, W. Pfannenstiel.

A total attendance of more than 1,000 people were entertained at the annual Spring Concert produced by the combined efforts of the Band and Glee Club and their directors Mr. Kanaskie and Bro. Martens respectively. The Band began the performance with a series of variety songs. The Freshmen Glee Club stepped in next with a series of 4 songs. "There's Nothing Like a Dame" started the Varsity Glee Club's part of the program, followed by a series of songs and a medley of the names of girls as titles. The female support was given by girls of St Mary's and Mercy.

The Band concluded the program with a second performance.

—Ken Griesemer

MAY Is the Month of MARY

Discuss Youth's Problems At Annual Conference

Impressions by Dan Lamping

Youth's problems were discussed by both young and old in seven different forums at the Governor's conference held at Madison on April 7th and 8th. Unfortunately, Bosco's delegates were only able to attend two of the seven forums. Bob Barczak, Tom Harrington, and Dennis Mei attended forum F under the title of "Taking the High Road or the Low Road." In their workshop, which was a buzz session following the general introduction, these delegates participated in the discussion on moral standards. Since Catholics were in a minority at the Convention, it was hard for the delegates who participated in the discussion on moral standards to express their religious views on this topic. Bro. Robert Osborne and Dan Lamping attended Forum A, which was entitled "Mapping Our Course." In the workshop that followed, the topic of "Guidance at a High School Level" was discussed Many views were presented, and much was accomplished in this workshop concerning the need for guidance.

The delegates left the Conference with the feeling that much had been accomplished, but there would have been even greater progress made, if the Convention could have provided even more time to discuss the problems of youth.

You As Individuals Are REAL Leaders

Two immense armies wait impatiently to destroy each other on the battlefield of the world. Steel-clad ranks glare with an instilled hatred at each other across parched meadows. A relentless sun flings down rays of restiveness and frustration among the men in battle array. Not far off, in the tenuous heat, leaders from both sides coldly mock each other in pretense of possible peace. Above the gaudy tent shading the pseudo-parlies, two flags undulate listlessly, trying to catch each rare zephyr. One is a field of clear night sky over the colors of muscle and blood; the other is a crushing and butchering symbol ensanguined in a field of red. They respectively represent a goal, peace—and a means—terrorism.

Plan of Annihilation

This amphitheatre of strength and bitterness has occurred before, although with mere, inefficient spears and swords. But history repeats its patterns on grander scales and today this panorama is projected on a world-wide screen, a spectacle of sleek, streamlined annihila-

School Play To Be Three-Act Farce — 'Second Childhood'

Juniors' Second Childhood

On May 10, 11, 13, 14, Don Bosco will present its annual play. This year the play is entitled "Second Childhood" a farce in three acts. There are two casts this year, a senior cast supported by girls from St. Mary's and a junior cast supported by girls from Mercy. The play will be held in the Don Bosco gymnasium on the above days with curtain rising at 8:00 p.m. This farce

Seniors' Second Childhood

will bring an enjoyable evening of laughter and an evening of unforgetable glee to all who come and see it. The play will also be held for the Sisters at St. Mary's and Mercy, also at St. Mary's Hospital and for the student council. Each cast consists of twelve players, who are under the direction of Bro. Charles Rahe and Mrs. Henry Zolecki.

Mr. Ken Niemann Heads Home and School Staff

The newly-elected officers of the Don Bosco Home and School Association for 1961-1962 are:

President: **Mr. Kenneth Niemann**
Vice-President: **Mrs. Kathryn Niggemann**
2nd Vice-President: **Mrs. Jean Herda**
Treasurer: **Mrs. Jerome Katzfey**
Secretary: **Mrs. Lawrence Harrington**

Congratulations from the Beacon Staff!

Bosco Represented At Science Fair

The zenith of the Science Club's activities was reached during the weekend of April 30. This was the weekend of the seventh annual Science Fair sponsored by The Milwaukee Journal and Marquette University.

A total of five Science Club members entered two projects in the Fair. Juniors, Dave Gauthier and Mike Radtke entered a Video/Audio Tape Recorder, which won an honorable mention. Freshmen, Bruce Poniewaz, Paul Maliszewski, and James Widder entered an exhibit on Rocketry.

Students from all over Wisconsin entered projects ranging from Air Cars to Zone Melting.

The high quality of the projects of these five Bosco men reflects the time and effort put into them and shows the excellent character of Don Bosco and its Science Club. **—Bruce Chandler**

Class Takes Trip To Heil Company

On April 14 Bro. Hanss' Mechanical Drawing class made a trip to the Heil Company at 3000 West Montana Street for the purpose of observing modern drafting procedures. A chartered bus transportated the group of 30 students from the school to the plant.

The group witnessed the manufacture of truck bodies, hoists, and tank trucks. Mr. Redman and Mr. Palma, Bosco parents on the Heil staff, met the group during the tour of the drafting, welding and spraying operations. The trip was concluded with question and answer period in the plant cafeteria, where refreshments were served.

Sodality Prepares Events for May

The Don Bosco Sodality has been active in the past weeks preparing for various events held during May.

On May 1 the Sodality took part in the May Day Rally at St. John's Cathedral, sponsored by SUMA. Brian Semmler, Jim Ulma, and Arne Koch were selected to serve on the Court of Honor. Jim Peters, Dennis Kocs, Dennis Mei, Bob Barczak, Jerry Katzfey, Tim Singleton, Dave Gauthier, John Bachelor, Robert Eglsaer, James Hendrickson, and George Borkowski served as ushers for the occasion.

Because of Bosco's plauseworthy attendance at the Fatima Shrine, the Don Bosco Sodality has been chosen to help organize the Fatima Pilgrimage on May 12. The Sodality will furnish the statue bearers, the Color Guard, and publicity.

A committee composed of Charles Bartels, Jim Peters, and Jeff Schrank has begun planning for the National Marianist Sodality Convention, which will take place next November.

The year's program of events will be rounded out with final reception ceremonies on May 14, Mothers' Day.

—Robert Baronowski

New Addition to Bosco

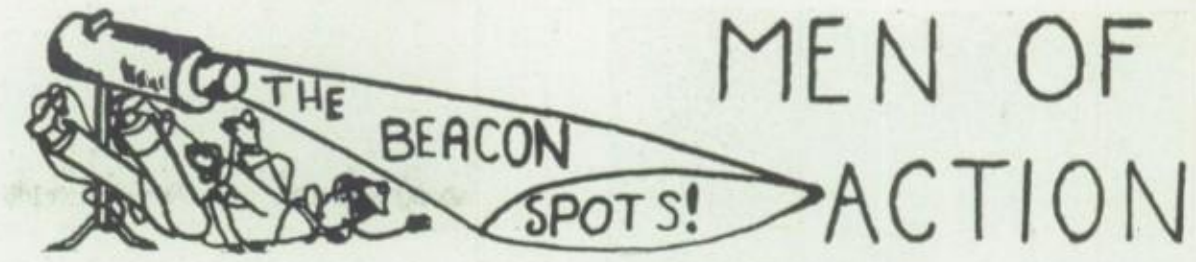
New reception room finds use by parents and teachers.

Within the last month a luxurious new addition has been made to the first floor. If you have been in the vicinity of the office lately you've probably seen it. This new attraction is a room in which some of our parents will sit in the near future. It is equipped with a television, sofa and other modern conveniences which include magnificent drapes, brilliant lighting, and sparkling tile floors.

Gaiety is also added to the room by its smart two-tone brown finish. All of these things blend together to give this room its friendly atmosphere. Close observance will show the feminine touch of Bosco's one and only Mrs. Schrempf, who contributed many useful decorating ideas. It has been used as an athletic office in the past, but since then it has been converted into a delightful room in which the Brothers can discuss the problems of their students in peace, harmony, and comfort.

In years to come the room will be used an many occasions as the Brothers play host to our parents and other visitors.

—Tim Singleton



MEN OF ACTION

Besides being an outstanding students, ranking high in his graduating class, Philip Florek, a senior of Homeroom 109, is also an accomplished musician. Phil plays basoon, clarinet, and saxophone in the Bosco Band. During his four years in the band, he has won seven medals in competition, four of which he took this year.

As business editor of the Don Staff, and vice-president of the band, Phil is kept pretty busy around school. However, whenever time permits he enjoys playing golf and water skiing, which are two of his favorite pastimes.

Next September Phil plans to attend Marquette University where he will study to become a doctor.

Congratulations, Phil, on your many achievements here at Bosco and lots of luck in the future!

Frank Graebner is the hardworking senior of homeroom 112, who is responsible for bringing honors to Bosco's speech team. In the first two tournaments this year Frank took first places in serious oratory. Besides speech Frank was active in the Glee Club for his first three years here at Bosco. In addition to these activities Frank's name graces the honor roll occasionally.

When Frank leaves us, he plans to go to Marquette University, and eventually become a part of the United States Diplomatic Service.

The Bosco Beacon would like to congratulate Frank on a job well done, and to wish him continued success.

This month the Beacon spotlight shines on Tony Pedriana, a sophomore of Room 201. Sports are the main interests of this two year veteran of Bosco. Tony has played B-Team football and is presently on the varsity baseball squad. He belongs to Immaculate Conception C.Y.O. and played last year on I.C.'s baseball team, which emerged as the 1960 champions.

The name "A. Pedriana" quite regularly graces the honor roll chart, and Tony especially enjoys Latin, the illustrious language of the Romans.

Although Tony is still undecided on what vocation he will follow, we are sure that he will be a success. We also wish to extend our congratulations, and the best of luck to a boy who truly deserves it.

A busy sophomore of homeroom 207, Joe Starck is chairman of the Student Council Spirit Banner Committee. Besides supporting many activities in his homeroom, Joe also serves as a Sodality prefect.

After school one can find Joe in the mimeograph room where he does the typing and printing of school notices, or out on the fairways where he plays for the Varsity Golf team.

All these other activities are topped off by the fact that Joe's name has appeared on the Bosco Honor Roll every term.

Spring Swing

This year the Spring Swing was aptly named. The night of April 14 was spattered with spring showers and there was plenty of swinging in Bosco's gym. Thirteen hundred feet pounded to the sweet sound of the Cruisers. From what we heard, the dance was a rocking success.

—Tom Niemann

Where did the ball go?

Mrs. "K", Lunchtime Mother to 650 Boys

In September of 1945, Mrs. Val Kasprzak took a job as Don Bosco's head cook. Although this job was taken on a 3 month trial basis, Mrs. "K" is still here at Bosco, after 16 years.

It might not seem very surprising that one person should hold the same job for this length of time, but opinions should change after a closer look.

Every school day Mrs. "K" and her assistants are on the job by 8:00 a.m.

This in itself would be enough, but every so often a special event requiring a dinner comes up, thus making it necessary that Mrs. "K" be on the job sometimes as early at 7:00 a.m.

A mother of two children, one a priest stationed in Mexico, and the other a a nun living on Milwaukee's North Side, Mrs. "K" takes her role of "mother" at Bosco very seriously. Whenever she is asked how many children she has, Mrs. "K" proudly answers "650 boys."

—Chuck Bartels

The Road

Deserted, cold, and windy is the road.
Tall trees beside it stand, pale ghosts
on watch
That, turning slowly, wink, and turn
away
That blush, and fade, and bid the car
adieu.
A cigarette that trails red bouncing
stars
Remains to roll, wind blown, cross the
road.

—Daniel Schweitzer

Father and Son Night—Time for Entertainment

This year Father and Son Night, held on April 6, was the most successful of any ever held. Some 450 fathers and sons enjoyed a fun-packed night of entertainment. The night's activities got under way with a hard basketball game between the fathers, coached by Mr. Peters and the Junior and Senior Intra-

It was a rough game.

The Unspeakables

On the 19th of March in 1930, the Al Capone National Bank was robbed of approximately $97,684,997.29 in cold cash from its giant refrigerator. Elliot Niss, leader of the Unspeakables was drinking the fee booze that he had gotten in his last raid. The phone rang. Taking his feet off his balsa wood desk and putting down his black cigar and the latest issue of the "Police Gazette," he answered the phone. It was the DA who told him about the robbery and asked him to get the crooks.

Niss quickly gathered two of his most trusted men, Henry Wadsworth Shortfellow, a pure blooded Chinaman and part time dope peddler; and Enrico Russki, a Polish-Jew and Russian spy. Elliot suggested that they get their best stool pigeons on the job. For the first few days Russki and Shortfellow had no luck but then on June 12, Russki learned from a stoolie that the "Big Daddy" Liscumb mob had pulled the "heist" and were planning to escape to Canada by river boat that night.

Elliot, upon receiving the word, told Husski to meet him and Shortfellow at the Chicago docks. Russki unfortunately was permanently delayed when four of "Big Daddy's" men shot him accidentally in a dark alley two seconds after he made the phone call. Niss, in the meantime, decided that he would need some help so he was going to send Shortfellow back for aid when he discovered that Shortfellow had chickened out and ran out when El's back was turned.

Niss waited on the docks until the fog came in before he realized that it was almost 2:30 in the morning. Sudden-

That's my ace.

mural Champs. The fathers pulled away in the last half and held their lead until the time ran out for the Intramural Champs.

Two fast moving movies were next on the agenda: "The Indianapolis 500" and "The Southern 500."

With cases of 'stiffing" setting in on the audience, the activities were moved to the cafeteria for refreshments, card playing, and general chatter.

—Ken Griesemer

The dads enjoyed it, too.

Marquette to Offer Skills Program

For the seventh consecutive summer, Marquette University will offer a College Skills program for high school students who plan to enter college.

Beginning the week of June 19, the program includes courses in college reading, writing, vocabulary, spelling, mathematics, art of thinking and study skills. Classes will meet once a week for six weeks and will be taught by Marquette faculty members.

Designed as an introduction and preparation for a college career, completion of the program is not a guarantee of admittance to the college or university of the student's choice. Application may be made for one or more classes.

Marquette's program is open to high school students who plan to enter college in the fall or students who will enter their senior year in high school next term. Applications for the program are now being accepted.

For more information see Bro. Willett in the office.

CONTINUED FROM PAGE TWO

tion poised to destroy thousands and millions.

Why does this have to be? Men of peace cry out in a real horror at brutal massacres that mark the advance of the seiftly pervading red blight. Why cannot the mocking advocates of peace and terror realize the portent of their pouting refusal of worthwhile arbitration? Under their red facade of amity and amenities lies a callous organization that pursues its empty goal with a frightening precision.

End Justifies Means

But 'whitened sepulchres" are not only to be ascribed to this carmine pervasion. Those who go in the name of freedom are not untainted. Too many of these strain the limits freedom has placed on them. They too believe that the end justifies the means, but the difference lies in that their end is justifiable and thus their means are proportionately improved over those of their opponents.

Since this is true, it is odd that humanity cannot shrug off these iniquitous leaders and become the unity it is meant to be. But is it not so simple, nor so easy, for these leaders have been protected in a curious manner. Their clique, no matter how specialized, is still a part of the human race and therefore they are by necessity cloaked with the evil that is man's heritage. Thus they can only lead mankind in the means they have inherited as men. Men make scapegoats of these leaders only to hide their depravity. Men—individuals—are the real leaders and until each member of the army of civilization realizes his true role, there will be no relaxation of the tense eagerness on that battlefield of the world.

CONTINUED FROM PAGE FOUR

ly, he heard the sound of motors and then two Pierce Arrow sedans came screeching to a halt a few yards from him. Their doors opened and out stepped ten of the meanest men he had ever seen. They were all wearing long top coats and wide brim hats. Elliot sensed that he was in trouble because they had their guns pointed directly at his bread basket. Out of the midst of them came a little fat man, who had black cigar protruding from his lips. He went up to Niss and said; "I don't like the way you runrun things, see? I don't like cops, see? I don't like you, see? I'm taking over, see?"

Niss thought he saw the point.

The hoods moved towards Elliot slowly He could see their fingers tighten silently on the cold, steel blue triggers of their guns. Niss thought that he might hold them off if he could reach his Browning air-cooled .50 caliber machine gun. Then he realized that he had left it home because its bulge spoiled the effect of the skin tight leopard-skin sport coat that he was wearing. They were walking slowly towards Niss, 20, 15, 10 yards were between them. Time had just about run out for Elliot. In his mind he bid goodbye to Marilyn, Jane, Gina, and Sophia and to his wife Myrtle. Sweat was dripping off his nose and forming little lakes in the palm of his hand. "Kaboom!!!" A tremendous blast shook the river from its bed and onto the floor. Was that the end of Elliot Niss? No! That was the end of the crooks because Niss had cleverly placed land mines and other booby traps around himself Slowly, silently, Elliot Niss left the scene of death and walked into the gray fog of the dawn.

—Gerald Smolen

Math Exam

On February 2, a special mathematics test was given to all upperclassmen at Bosco. This is the first time Bosco has participated in the state-wide exam which is sponsored by the Wisconsin Section of the Mathematics Association of America. The purpose of the test is to stimulate interest in the study of mathematics and discover students with mathematical talent.

Rodney Pribbanow, a junior, compiled the highest total of correct answers in the test given to all sophomores and seniors at Bosco. He correctly answered 71 out of 128 questions. For his achievements he received a book of mathematical facts and tables.

—Russ Lindstedt

Math Corner

If I were to give 7 cents to each of the beggars at my door, I would have 24 cents left. I lack 32 cents of being able to give them 9 cents apiece. How many beggars are there, and how much money have I?

The answer to the math problem in the previous Beacon issue is 60 miles. A complete and correct written solution of this problem was submitted by sophomore Chuck Niggemann.

Former Boscoite Fatally Injured

Michael McGrath, graduate of 1958, was killed in a car-truck collision May 6 while returning from an inter-collegiate golf meet in Oshkosh.

During his high school years, Mike was chosen class president in his senior year. He was a Sodalist, cheerleader, and member of the golf and wrestling teams.

Mike was a 21 year old sophomore

attending the University of Wisconsin-Milwaukee. He was also the brother of Tom McGrath, a senior at Bosco, and Jim McGrath, a freshman.

—Ray Ciszewski

Freshman Wins SUMA Mental Prayer Contest

Mark Mrotek received the first place award in the 1961 SUMA Mental Prayer Contest, Frosh-Soph division. Fr. Ralph Schmitt, SUMA director, announced the winners and presented the award of $5 at the April SUMA meeting.

Mark is in frosh homeroom 102 and is a member of the Sodality and the Science Club.

Jack Possell Cops Championship

On April 14 the Don Bosco Chess Tournament drew to a close. There was some confusion about the winners of games and as a result some players were disqualified for not reporting the games by the appointed time. Jack Possell, a junior from 213, is Don Bosco's Chess Champion, according to Nick Adelmeyer, who was in charge of the tournament.

Fatima Shrine — 12th of Each Month

The Storm

The sea was wild and terrifying. Huge waves crashing against the jagged rocks of the tiny island threw a defiant threat on to the bleak, windswept shore, a threat that thundered its power in every mountain of water flinging itself on the shoal, a threat that screamed its anger with the wind slashing through the sparse palms. Yet this speck of God's own earth clung desperately to the life that was being ruthlessly torn away. All nature grew furious at this insignificant particle of mud and grass. Trees were uprooted and blown like straw in the wind. The sea seemed to lift itself up and almost cover the island. The speck hung on. Finally Nature's fury was spent. The once screaming wind died meekly in defeat. The sea, seeming to view the island with new respect, lapped gently against the sandy shores trying to soothe their wounds. All is quiet. Life continues.

—Tom Niemann

Dons Off to Good Start, Win Five

The Dons began defense of their Catholic Conference baseball title by handing Notre Dame a 6-0 setback behind the one-hit pitching of Jim Peters and Louie New. The Dons banged out 10 hits, three of which were by Peters.

In their second outing Bosco coasted to an easy 15-0 win over and inexperienced Messmer team. Jim Peters started and allowed only one hit. He was followed by Louie New and Jeff Redman who also allowed only one hit apiece.

Behind 5-0 in the third, the Dons roared back in the last three innings to hand St. Joseph of Kenosha a 6-5 setback. Peters went the distance for Bosco, allowed only two hits, but walked nine men. A composite three game total shows that the opposition has scored just six runs on only four hits.

Bosco made it four in a row behind the tremendous three-hit pitching of Jim Peters in defeating Pius XI, 8-0. Leading the Dons in hitting were pitcher Jim Peters and first baseman Jim Herda. They were responsible for five of the Dons' eight runs.

Bosco's fifth victory came at the expense of Sturtevant St. Bonaventure, 10-4. Tom Grafenauer and Louie New led in hitting with two apiece. Sophomore Jeff Redman was credited with the win.

—Tom O'Connell

Mind Teaser

I am twice the age that you were when I was your age. When you get to be my age our ages will total 63 years. How old are we?

Answer—28 and 21.

INTRAMURAL "A" CHAMPS L-R—Row 1— R. Flayter, D. Sturomski, G. Schulte, R. Ruesch. Row 2—J. Blessinger, P. Kaluzynski, T. Zaletel. Row 3—S. Weyda, Coach Tom Grafenauer.

INTRAMURAL "B" CHAMPS L-R—Row 1—T. Parzych, M. Wachowiak, R. Kopecki, J. Bull. Row 2—J. Marino, K. Switala, T. Boyle, W. Graf.

Knight Light

It's baseball season once again and like every other team Bosco has its valuable players. One of these is senior Louie New. Louie has pitched for the Dons since his sophomore year and has done a very good job. His record last year has been of great benefit to the team, and he hopes to improve it this season.

Louie New

After graduation Louie is going to study accounting at Spencerian College. Louie has been in the Glee Club, Student Council and Sodality. Congratulations Louie, and we wish you all the success in this baseball season.

—Jim Krzeszewski

Weather Holds Up Golf Opening

Plagued by foul weather during the first month of the season, Coach Henry Peters' golf team spent most of their time waiting for the spring rains to halt. After having their first four matches rained out, four of the team's players competed against St. George High School in Evanston, Illinois. John Gemborowski, Gerald Stanislawski, Bill Peters, and Carl Nowak were the four chosen for the match. The team did fairly well considering the size of the course which they played on. Only one letter winner remains from last year's squad, Gerard Stanislawski.

—Tom O'Connell

Juniors From 213 Sweep Intramurals

The Champion of the Junior-Senior Intramural "A" Basketball Tournament is Homeroom 213. Led by Greg Schulte and Pat Kaluzynski, the team set a steady pace in overcoming its pursuers. The highlight of the games was the Championship playoff between Hrs. 213 and 112. The game itself couldn't have been anything more equal, but 213, in the end, showed too much class as they stole three straight passes, and taking advantage, pulled a seven-point lead, holding it there until the final buzzer. Congratulations to the team for its fine effort and sportsmanship.

Special congratulations also go out to Junior Room 200 who copped the Jr.-Sr. "B" Championship by defeating 113.

—Richard Flayter

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, September 20, 1961 Volume XVI, No. 1

Eight New Faculty Members Arrive; Take Over for Transferred Brothers

Eight new brothers have joined the faculty of Don Bosco this year, to take up teaching posts left vacant by eight brothers. The new faculty are: Bros. Bussen, Charlson, Kaehler, Kessel, Mason, Tissier, Weisbruch, and Zarr.

Bro. Omer Bussen, a physics, fundamentals of science, general science, and algebra I teacher who taugh last year at Vianney High School, Kirkwood, Missouri, originally comes from Decatur, Ill. Besides teaching these subjects, Bro. Bussen will be moderator of Sodality and sophomore homeroom teacher of 209.

Bro. Hugh Charlson, a native of Monroe City, Mo., whose last teaching assignment was St. Michael's in Chicago, comes to Don Bosco as a scphomore religion and American problems teacher. Brother Charlson also has a senior homeroom and will be a sodality moderator.

Another new teacher, Brother Lester Kaehler, will have sophomore homeroom 211. He was born in Chicago and taught at St. Joseph's High, Victoria, Texas. In addition to teaching bookkeeping, business law, personal typing, and sophomore religion, he will be a sodality moderator and will coach the Frosh basketball team.

Brother Matthias Kessel, a native Chicagoan, who taught last year at St. Michael's, will take over junior homeroom 212. He will teach Spanish I and II and English II and III.

Brother Louis Mason comes to Don Bosco from St. Mary's University, where he was stationed last year. He was born in New York City. He is a teacher of Frosh homeroom 102, where he will teach religion. He will further teach algebra I, plane geometry, and will be a Sodality Moderator.

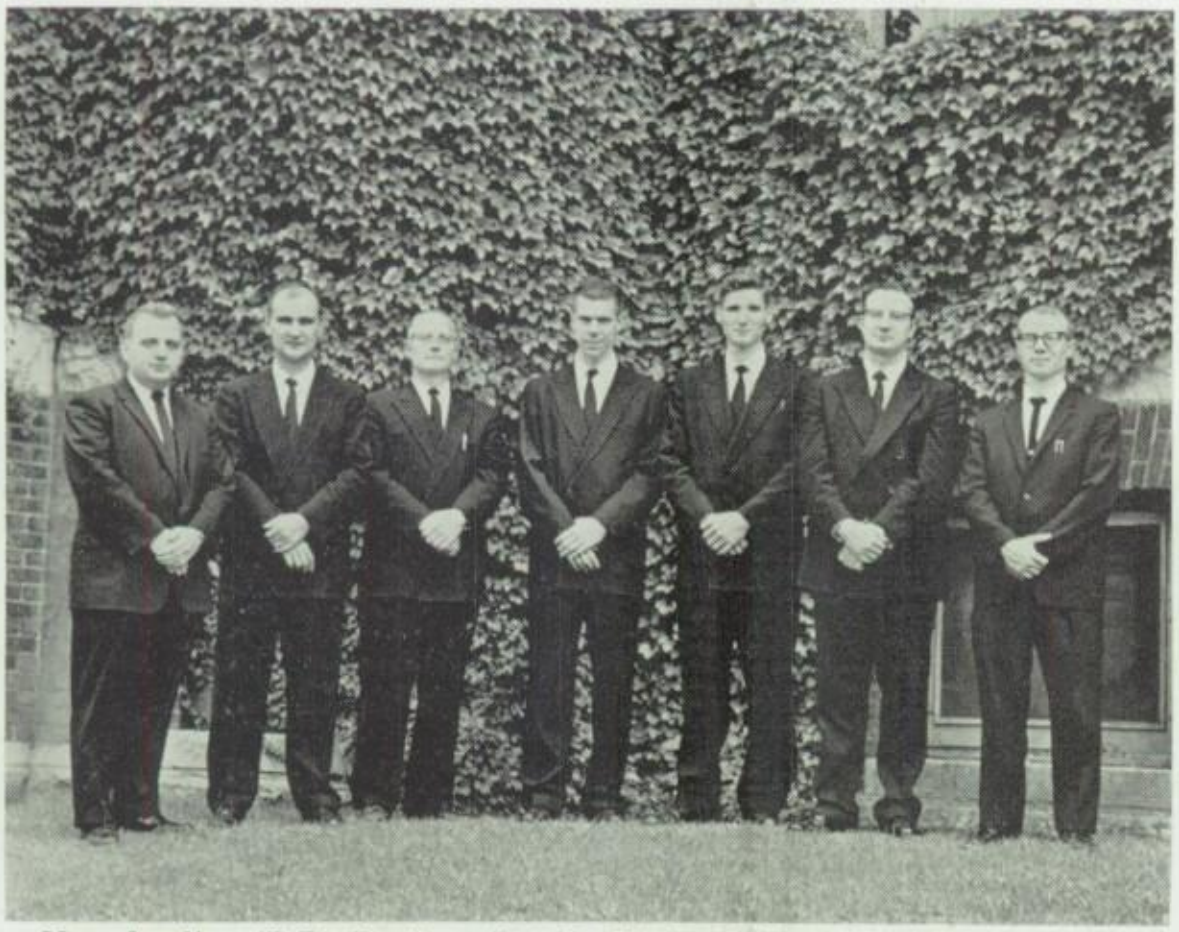
Brother Ronald Tissier who made his home in East St. Louis, Ill., comes to Bosco after being stationed at St. Mary's University, San Antonio. He will teach English I and II and Latin I. When he is not in 203, his Frosh homeroom, you will probably find him on the stage directing the stage crew.

Brother Otto Weisbruch, former principal of Assumption High School, East St. Louis, Ill., will teach trigonometry, algebra II, mechanical drawing, and advanced math. He is also homeroom moderator of senior homeroom 111.

Brother Michael Zarr, an American history, sociology, and religion III teacher has also joined the faculty. He is from Livingston, Ill., and formerly taught at St. Mary's High in St. Louis. Bro. Zarr will also be moderator of junior homeroom 200 and will be moderator of the Beacon, the Don, and Photography Department.

The Beacon staff wishes to extend its best wishes and God's blessings for a most successful year for both the new and returning faculty.

—Tom Olszyk



New faculty: (R-L) Brothers Ronald Tissier, Michael Zarr, Matthias Kessel, Omer Bussen, Lester Kaehler, Louis Mason, Hugh Charlson. Absent: Bro. Otto Weisbruch.

Freshman Orientation — The School's Welcome

Freshmen orientation began September 6, with talks and a tour of the school. In the tour, freshmen were shown the library, chapel, Beacon Room and other places of importance. After the tour they were briefed by the Seniors on the various activities they might take part in.

At 3:30 p.m. the freshmen assembled in the gym where they were addressed by Bro. Dan Sharpe, S.M., principal, and by Jim Peters, Student Council President.

The orientation came to an end Friday night as basketball in the gym and a social in the cafeteria provided for making more new acquaintances.

Editor's Corner

Tribute to An Unknown Frosh

He's not a football star or a class president, and he'll never make the basketball team. The members of his homeroom hardly know him. He's not a mushy "holy Joe" or a braggart or a brown. He sells way over his quota of ads and tickets, but no one knows it except his homeroom moderator. He goes to every football game but no one knows it except the guy he buys the ticket from. He's not the "distinguished" type you could pick out of a crowd (5 ft. 5 in., 105 lbs., short black hair) nor does he go about publicizing his achievements in the activities and drives.

In all appearances, he's just an average freshman, but whether he knows it or not, just talking with him and watching him operate for three weeks has taught me more about **real** Family Spirit than any book I've read or teacher I've studied under.

Meet the Moderator

Past Faces New Places

As the 1961-62 school year opens some of the familiar faces of last year's faculty will not be seen here this year.

The physics lab will be without Bro. Donovan who with Bro. Naegle is now at Kirkwood, St. Louis.

Bro. Charles Rahe has taken a teaching post at St. Mary's in St. Louis.

Bro. Martens is now the R.O.T.C. director at Central Catholic in San Antonio.

Bro. Hanss and Bro. Hake are students at Washington University, St. Louis and Dayton University, Dayton, Ohio, respectively.

Bro. Sydlowski has been transferred to Assumption High School, East St. Louis, Ill.

Bro. Naeger is at Mary hurst Preparatory School, St. Louis.

Bruce Chandler Visits Madison

From June 25 to July 1, Bruce Chandler attended "Journalism Workshop" at the University of Wisconsin.

At these Youth Education Sessions, Bruce, along with a thousand other students, learned not only important data about journalism but also acquired more self-reliance.

The main part of Bruce's excursion was spent on tours. Besides touring

Bruce Chandler relaxes in the warm Madison atmosphere.

"Madison Newspaper Inc." and a Madison radio and television station, our representative also toured the Capitol where he saw the source of Wisconsin laws.

Another prominent part of the work was attending lectures on various facets of Journalism.

The workshop, however, was not all work since there was ample time provided for tennis, swimming, and all around socializing. A student mixer was held at which nine hundred scholars were present.

Bruce attended these sessions in order to bring you, the Bosco student, a better and thorough **Beacon.**

—Paul Drewek

Beacon Editors Plan Two Additional Issues

The editors of the **Beacon** plan to publish eight, instead of the usual six issues during the school year of 1961-62. The increase in the number of issues was designed to provide coverings of more current news and to bring you a more lively newspaper with more features and more creative writing.

In this effort to produce a better school paper we are asking for volunteers who are interested in writing, proofreading, and typing. This notice concerns primarily the freshmen and sophomores.

Anyone interested in becoming a member of the **Beacon** staff please contact Bro. Michael Zarr, the new moderator, or anyone of the editors.

Bosco Band Takes Honors At National Summer Camp

During the week of August 7 to 14, eight members of the band attended the National Catholic Bandmaster's Summer Camp at Quincy College Quincy, Ill.

Attending this year's camp were: Seniors: Ray Kaczmarek, Paul Schmidt, Mike Wachowiak, Scott Weyda; Juniors: Dick Winkowski, Gerhard Reiner; Sophomores: Franklin Lasky and Allan Krauska.

Scott Weyda and Allan Krauska were awarded the trophies of Best Musician and Best Boy Camper, respectively. The team of eight Dons also received a First Place Award for their outstanding musical achievement.

Congratulations to all the fine musicians and their director Mr. E. T. Kanaskie.

Sophomore Pete Katzfey recuperates from a major operation.

Glee Club Boasts New Leader; Miss Arlyne Nuti

This year the Don Bosco Glee Club is under the direction of Miss Arlyne Nuti, the first woman teacher in the history of our school. Coming from Divine Savior High School, Miss Nuti has put on such productions there as South Pacific and Carousel. Working with Fr. Walsh S.J., head of the Marquette University dramatic department, she is assisting in the production The King and I, which will be the main attraction of Marquette's homecoming this year. Miss Nuti is also associated with the Skylight Theater in downtown Milwaukee.

As for our Glee Club, Miss Nuti intends to conduct the same type of music as that of Bro. Richard Martens, the former director. The Don Bosco Beacon wishes all success to Miss Nuti and the Don Bosco Glee Club.

Peters Helps Hale Win State Title

Our student council president, Jim Peters, in the last year proved himself to be an outstanding baseball player. Last spring Jim was Bosco's ace pitcher holding a six and two record. Bosco finished second last year with a nine and three record.

During the summer months, Jim pitched outstanding ball for Hale where he had a fabulous nine and zero record during the regular season. Among the games Jim pitched were three one-hitters and four shutouts. In one game against Central, the team that took second place behind Hale, Jim smashed a home run before a capacity crowd of 7,000 people.

After taking first place in their league, Hale went on to the Connie Mack state tournament. While there Hale won three games to take the state title, with Jim winning the last game 2-0. From there, Hale went to Minnesota where Hale won two more games and qualified for the World Series of their leagues. Jim won the second game on a brilliant no-hitter.

Hale then went to Springfield, Illinois for the World Series where they won two and lost two to merit them 3rd place in the United States. Jim had a one and one record for the series.

Congratulations Jim on a fine summer of pitching and good luck next summer.

Dons Off to Good Start

Jordan, making its bow in conference football, scored first on our Dons, after recovering a fumble on our 36 yard line in the second period.

Bosco went ahead 7-6 in the last minute of the half on Ken Bellanti's 21 yard pass to Myszewski and then Tom converted the extra point. After a third quarter threat by a pass interception, Bosco scored twice in the last period on a 42 yard pass to Zanotti and a one yard plunge by Myszewski. Jordan fumbled on the four yard line to make Myszewski's scoring effort possible.

B-team

Coach Fieber is looking forward to a winning year because the players had a very successful freshman year—so successful they weren't even scored upon.

C-team

The C-team started workouts on Monday, September 11. Although it is too early to tell, the C-team will prove itself because of the fine coaching of Mr. Knar, who already has produced two championship teams while at Bosco.

—Mike Krzewinski

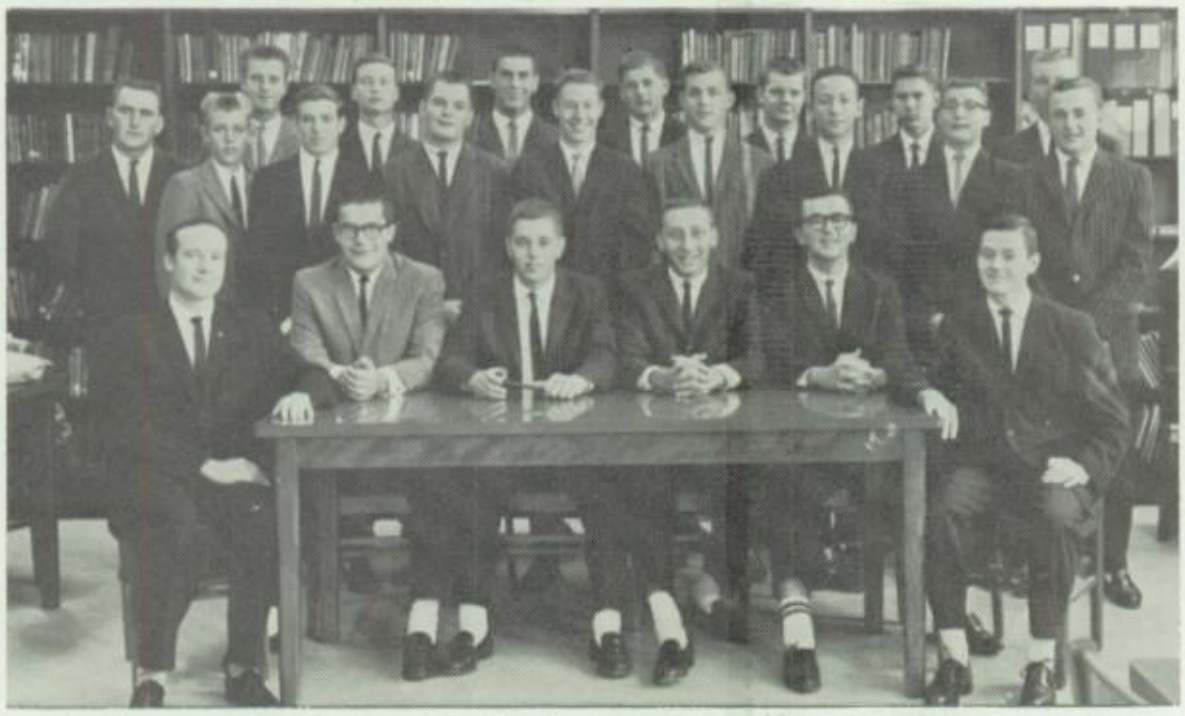
THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Friday, October 20, 1961 Volume XVI—No. 2



Student Council Meets During Summer; Members Attend Nationol Conventions

It is a known fact that the Don Bosco Student Council is one of the best organized and best run student councils in the state of Wisconsin. Therefore, our student council is able to provide the student body with numerous social activities, athletic contests, and many "extras."

At the end of last August and the early part of September, a time when most students were still enjoying their last remnants of summer vacation, student council members attended a "Student Council Workshop" held at Don Bosco. This workshop consisted of a series of meetings which prepared members for their work during the school year. Students from other Catholic schools in the Milwaukee area were invited to these meetings to see just how our council functions.

In addition, all the officers attended special national conventions earlier in the summer.

Even though the school year has just opened, the council has sponsored a number of events: Kickoff dance, Sock Hop, Homecoming bonfire, parade, and dance, and by the time this article is published, Frosh-Soph Intramural Basketball.

In the near future, there will be many council-sponsored activities, namely: Fall Frolic Dance, St. Joseph Bus Caravan, Table Tennis Tournament, and numerous other doings which I don't have space to mention at this time.

The Beacon would like to congratulate the moderators, officers, and members of the council for the fine work they have already done and would like to offer encouragement and success in their future undertakings.

Living Rosary Held in Bosco's Gym

The living rosary officially opened the month of October.

A solemn atmopshere prevailed in the gymnasium Monday, October 2, when the faculty and student body gathered to dedicate October as the month of the Holy Rosary to Our Blessed Virgin.

A "Living Rosary" composed of Sodalists led the rosary, while the rest of the school answered.

The Pater Beads were signified by students wearing white formal coats, while the rest of the beads were represented by students in suit coats.

The ceremony was concluded with Benediction of the Blessed Sacrament by Father John Leies, S.M.

Fr. Hackenwerth Replaces Fr. Leies

A new priest has been added to the faculty of Don BoBsco. He is Father Quentin Hackenwerth S.M., who was born in Old Monroe, Mo., a city 45 miles west of St. Louis. Fr. Hackenwerth attended Immaculate Conception and St. Theodore Grade School in Clayton, Mo. for one year and, as a sophomore, transferred to Maryhurst, Kirkwood. After his senior year he spent one year at the Marianist Novitiate in Galesville, Wisconsin. Fr. Heckenwerth attended Dayton University in Dayton, Ohio and graduated from the Marianist Institution.

He taught as a brother from 1951-1953 at St. Mary's in St. Louis and at Coyle High School (now St. John Vianney) in Kirkwood from 1953-1956.

In 1956 Fr. Hackenwerth went to the Regina Mundi, Marianist International

Fr. Hackenwerth

Seminary in Fribourg, Switzerland, and he spent his summers on the continent in such world-famous places as Vienna and Louvain, Belgium. He was ordained in July, 1960 at the end of his third year of theology. From 1960-1961 he took his fourth year of theology. This is his first assignment as a priest. He will take over the classes of Father Leies, who will be leaving at the start of the second term.

We wish to extend congratulations to Father Hackenwerth on his new assignment and ask abundant blessings upon his work. We also wish to extend sincerest regrets on the departure of Father Leies and hope that he will find much happiness in his new assignment.

EXTRA COPIES OF THE BEACON WILL BE AVAILABLE TODAY AND MONDAY ONLY IN THE BEACON ROOM AT FIVE CENTS A COPY.

Editor's Corner

We at Bosco are fortunate to have such a fine and inexpensive lunch program. But students participating in this government sponsored "hot lunch" program do not always receive **hot** lunches. Also, those who bring their lunch don't gain the benefits of something warm to eat or drink. One of the best solutions to this problem would be to have the cafeteria serve a hot drink such as hot chocolate. This hot chocolate would be available to the entire student body. This drink could provide a nourishing lift to the students since we will soon be face to face with the frigid countenance of winter. Also, with a hot drink being served in the cafeteria, we feel that there would be fewer colds and more brighter faces among us. We of the Beacon feel that adding a hot drink service would make our already good cafeteria a better one.

Seniors Take Top Prizes In Oct. Shrine Contest

On October 7, the annual October Shrine Contest was sponsored by the Sodality. The top honors were capped by Senior homeroom 111 whose theme was "Queen of the Rosary." Second prize went to Senior homeroom 109.

In the freshman division homerooms 102 and 103 gained honorable mention. Soph room 211 and Junior room 213 also gained honors for their efforts.

Special thanks to the judges, Mrs. Schrempf and Bro. Haarmann, and congratulations to the winners.

Book Review:
A Separate Peace

This stirring and interesting book is on life in a New England preparatory school. Comprising the main characters in this novel are Phineas, an amusing fellow with a magnetic personality, and Gene Forrester, Finny's roommate and best friend.

Probably this book's best quality is its true-to-life characterization of Phineas and Gene. One feels as though they are personol contacts. The many hilarious and touching incidents are guaranteed to keep the reader interested from beginning to end.

Bosco's Gym, Sight Of Military Ball

Don Bosco's gymnasium will again be the scene of the first formal dance of the year, The Military Ball, on November 10. This dance is sponsored annually by the music department.

The king for this year's Military Ball is Ray Kaczmarek; his queen is Janice Cybulski. The court consists of

Senior Representative, Mike Wachoviak, Junior Representative, Gerhard Reiner, Drum Major, Scott Yeyda, and representatives from the music departments of other Catholic High Schools in the archdiocese.

The Ball is open to all Bosco upperclassmen and the members of music departments of other Catholic High Schools.

The theme for the Ball is, "Some Enchanted Evening" played by the Tommy James orchestra. The tickets cost $3.00 and may be purchased from Mr. Kanaskie or any band member.

Beacon Spot

Leadership is the outstanding quality of sophomore Paul Maliszewski who exercises this quality in the Student Council representative of HR 201 for this year. Paul has been elected a representative of the school to attend the WASC convention at Eau Claire, October 26, 27, 28. He is also chairman of the Student Council Refreshment Committee and, last year, was Sodality Prefect of his homeroom. In addition to these accomplishments Paul played Intramural Basketball last year and was the only freshman on the golf team. He is an active member in St. Helen's C.Y.O. and takes part in C.Y.O. baseball and basketball. Paul boasts a 92.5 average and especially likes English and history. The Beacon staff wishes the best of luck to Paul, a sophomore already on his way to success.

Speech Team To Be in Three Meets

The speech team under the direction of Bro. Towers and Mr. Frohna has taken its first steps in preparing itself for the coming year of speech competition. The varsity team will participate in three such meets this year. Besides varsity competition there will again be the Frosh-Soph Intramural Speech meet.

As in other activities, besides having direct competition the speech team gives many personal benefits. A sense of personal confidence can be gained enabling the person to say what he wants to say and when he wants to say it. All Freshmen and Sophomores are especially encouraged to acquire added information and details on the Speech Team.

—Ken Griesemer

DB Activity Passes

The Don Bosco Activity Passes of this year are dressed with individual pictures of the students who own them. Besides providing the students with an opportunity to get both wallet-size pictures of themselves and identification cards, these new passes advertise to outsiders that the students are Bosco men. In addition, they aid the ushers at the various activties of the school in determining who might be using someone else's pass. These individual pictures also will make school office records of the students more complete.

The picture-passes which were valid for the first time at the Marquette game, were taken during the second last week in September by Mr. Philip Trojano of The Salon Studio.

Fall Frolic

The "Fall Frolic" will be held Friday night October 20 at 8:00 o'clock. This dance is replacing the "Spring Swing" because there are too many dances at the end of the school year. The doors will be open from 8:00 to 8:30 and from 10:30 to 11:00. Anyone wishing to come after 8:30 or leave before 10:30 should see either Bro. Donoghue or Bro. Osborne. The dance will be open to sophomores, juniors, and seniors.

Parade, Victory, Dance, All Help Make Homecoming a Big Success

The Saturday night bonfire started the homecoming weekend.

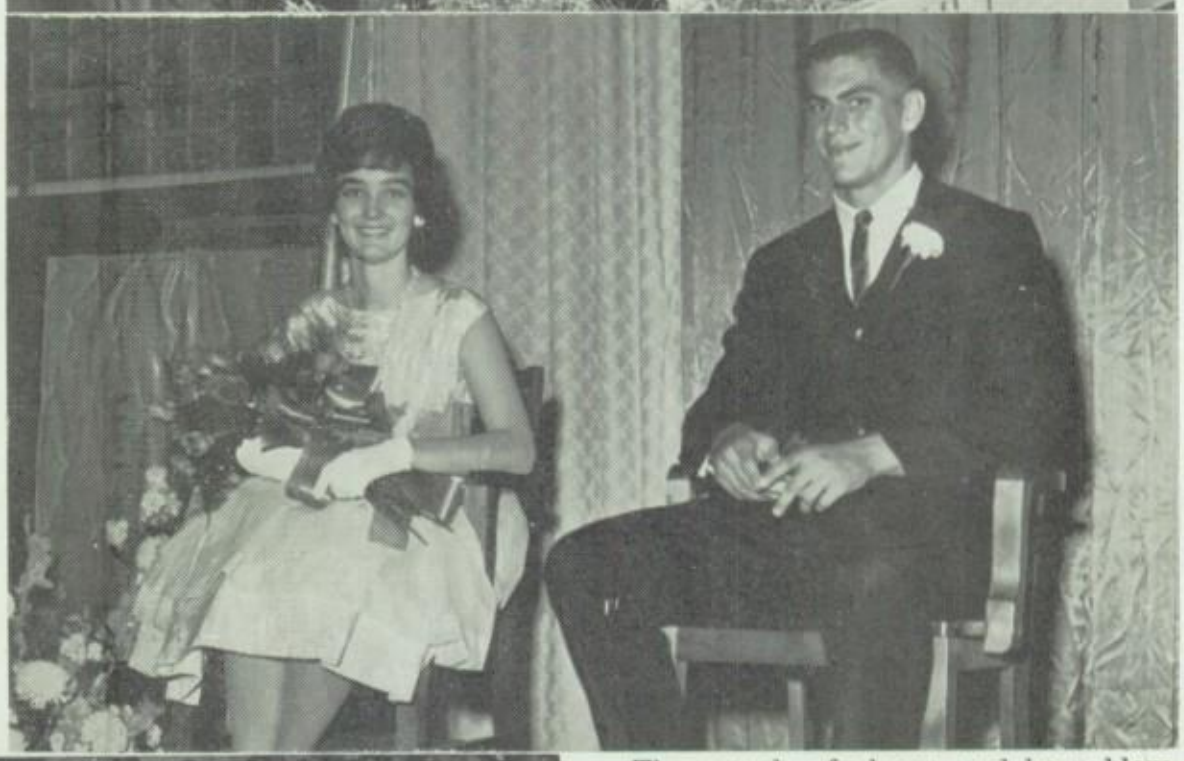
Signs of homecoming started to appear during the first part of October as posters lined the halls, tickets went on sale and a general clammer started among students.

At 7:30 p.m. Saturday, October 7, on the St. Francis Seminary school grounds a hugh pile of wood collected mostly by freshmen was ignited by varsity football players. A fast moving pace was set by the spirited pep band playing several numbers and by the cheerleaders leading several loud cheers.

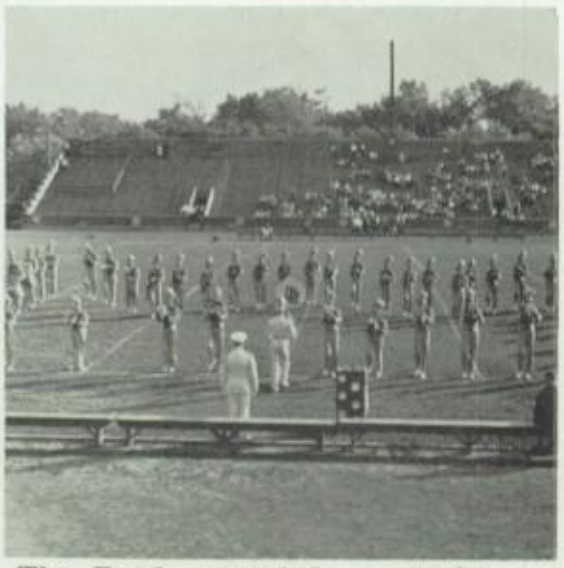
The homecoming program continued under clear bright skies, as the annual homecoming parade began after the judging of the floats and cars.

The "best decorated car" award was presented to Seniors Jim Hempel and Jeff Schrank. A joint float entered by Senior rooms 112 and 113 received first place award in the junior-senior division, while a float jointly by homerooms 202 and 203 was the recipient in the frosh-soph division.

Later in the day our varsity football team overtook St. Catherine's of Racine before a crowd of 3,500 spectators.



The sounds of cheers and horn blowing ceased and a more formal tone became apparent as 8:00 p.m. approached and the homecoming dance got under way. Tom Myszewski and Sharlyn Eiche reigned as King and Queen of Homecoming with the court consisting of Bob Kopecki and Ken Belanti and their dates.



The Band presented a colorful and lively halftime program.

Home and School Plans Big Campaign

The piano, organ and risers for the glee club and other school activities; the sorage room for Home and School equipment, located in the school basement; the school station wagon; the beloptigon for classroom use; the first uniforms for Bosco's Band; the beautiful table tops, flooring and drapes in the school library; the new lounge just off the main entrance to the school; the folding machine for Home and School correspondence—all of these improvements and added facilities, plus many others, are the result of the previous Home and School card parties.

These card parties fast become famous, and were well partonized each spring and fall by Bosco family members and friends. The fact of the matter is that they became too well known. The law enforcement agencies brought it to the attention of Don Bosco authorities that, in one way or another, the card parties and accompanying activities were in violation of Wisconsin laws concerning gambling. The Executive Board of Bosco's Home and School decided, then, to discontinue card parties and festivals. This was done to set a good example as parents in complying with civil laws and to avoid unfavorable publicity.

As a result of several meetings of the Home and School committee on fund raising, and at the suggestion of this committee, the Executive Board decided to bring its financial problems directly to the adult members of the Bosco family. In order to contiue its program of annual contribution to the improvement of the facilities of Don Bosco High School the Home and School is appealing directly to each Bosco family this year for a contribution of ten dollars or more. This figure was arrived at when recalling the donations of gift, and the other monetary donations, that were quite customary at the two annual card parties.

In answer to questions, committee chairman Mr. John Peters said: "It is not easy to ask people for money, and we understand and are cognizant of the many finanical obligations our people have as parents—but we are asking them to be as generous as possible in order to help us reach our goal. We are making an attempt to raise a minimum of $6,000. With the wholehearted cooperation of each of our 600 Bosco families we will do so. If those who can afford more would contribute more than the ten dollars we will surely be successful."

Mr. Peters concluded by saying that he had informally contacted many members of the Bosco family and had rereceived encouraging reactions to this fund raising campaign. "It is my sincere belief that the Bosco family spirit will shine brightly in this campaign," he said.

Questioned as to what projects might be useful to the school, Principal Bro. Dan Sharpe said that some money had already been expended to purchase floor tarpaulin for the gym so that, on special occasions, food and drink might be served in the gym. Bro. Dan went on to say that it would be helpful, and appreciated by many students and parents, to install an air-circulation system in the cafeteria and in the Band room, so as to avoid frequent excessive heat conditions. Another project, long discussed by faculty members is a multilith machine to be used for Home and School printing and for school office forms. Bro. Dan said: "A successful campaign would make one, or possibly both, of these projects a reality this school year."

Sodality Convention To Be Held at Bosco

The Sodality ranks number one on the list of activities throughout the school for it is this outstanding organizaion that forms the core of Don Bosco. This year the Sodality will be striving to make the National Convention here at Bosco a big success. At the Convention, the Sodality will be able to show its true colors. There is much work to be done before Thanksgiving weekend which will be the scheduled date for the Convention. Faculty and student reps from 45 Marianist schools across the nation will be represent here at Bosco. Every Tuesday morning the efficient staff of faculty moderators goes into action, teaching each and every boy in the Sodality ways he can save his soul and the souls of others. The Sodality undertakes many projects during the year some of which are: rosary after school, the Fatima Shrine and Mass in the morning to name but a few.

Beacon Spot

The Beacon spot has fallen on Dennis De Battista a junior in homeroom 200. Dennis who has made the Honor Roll a majority of the time is now one of homeroom 200's class officers. He was also a class officer in his freshman and sophmore years. Dennis has participated in C-team football and B-team basketball, Frosh-Soph intramural speech competition, and has been a Sodalist since his freshmen year. At the present time Dennis is a member of the varsity speech team, a member of the Student Council Publication Committee, and a member of the Cheerleaders. As for his studies, Dennis mentioned he likes chemistry the best. Besides his school activities, Dennis is a member of St. Adalbert's CYO.

Brother Sharpe Elected By Catholic Principals

The Catholic School Principal's Association of Wisconsin, Wednesday, October 11, held its semi-annual meeting at Messmer High School. Elected President of the C.S.P.A.W. was Bro. Dan Sharpe, who will assume this post for the current school year. Principal speaker at the meeting, where principals from 75 secondary schools across Wisconsin were present, was Father John Leies, S.M., discussing the topic, "The Role of a Teacher in Religion." Also speaking at the meeting was Bro. Leo Willett, S.M., who spoke on the National Defense Education Act.

1961 B-Team: Front Row, L-R: J. Judziewicz, D. Doubleday, T. Matulis, A. Paruzynski, P. Mullins, T. Kolodzinski, T. Grafenauer. Second Row: R. Hendickson, D. Kaczmarek, T. Smoen, D. Fortier, J. Smukowski, L. Patti, D. Miller. Third Row: T. Okonek, G. Scheff, J. Van Beck, C. Linski, J. Gowlowski, K. Barczak, A. Beck, W. McElwee, Mr. Ronald Fieber, Coach. Fourth Row: D. Kopp, J. Bozmoski, W. Moretto, J. Miller, J. Jankowski, R. Bull, R. Sigler.

Ceezers Smash Bishops

The "Ceezers" first game was played October 7 against Messmer at Baran Field. Thanks to strong defense by Don Bosco and Messmer, the first quarter was scoreless. The "Ceezers' " defense was led by defensive half back Mike Kiekow who had three interceptions during the game. In the second quarter Bosco's rambling halfback Kubacki went over for the first score of the game. A pass from halfback Hoth to end Lazewski resulted in a third quarter touchdown. The fourth quarter was scoreless until halfback Kubacki rumbled over for his second touchdown of the game. The final score was Bosco 18, Messmer 0.

—Mike Lazewski

Final Vows Taken

On August 22, 1961 Brothers Omer Bussen, Leo Mize, and Lester Kaehler took their perpetual vows at "Our Lady of the Pillar Church" in Clayton, Missouri.

Brothers Bussen and Kaehler who are beginning their first year at Bosco are moderators of Sophomore rooms 209 and 211, respectively. Brother Mize, beginning his second year at Bosco, is moderator of freshman room 103.

The vows of poverty, chastity, obedience, and stability are accepted for life. Only the Pope has the power to dispence these vows. It is a very serious step in a man's life and we wish the very best of success to these true sons of Mary.

—Paul Drewek

Beezers Demolish Weak Messmer '11'

The B team opened its season with a smashing 37 to 0 victory over Messmer. The Dons controlled the ball throughout the entire game. Allowing Messmer only one first down. The Dons scored on touchdowns made by Tom Smolen, Bob Henrickson, Gregg Scheff, Jim Smukowski and Tony Paruzynski on runs of 8, 10, 40, 15, and 25 yards respectively, (the latter two made by Paruzynski). Congratulations to Mr. Fieber and the "B" team. Keep up the good work.

—Jim Smukowski

Knight Light

Our Beacon spotlight this issue falls on Senior Quarterback Ken Bellanti. Ken is active in sports as well as in school and homeroom affairs with a fine record on all counts. Ken has been a homeroom officer three out of four years and a rep his other year.. In sports Ken is the all-around athlete having participated in football and basketball all four years; he also played two years of baseball. All in all Ken Bellanti is one of Bosco's outstanding examples of the fine spirit produced here. The Bosco Beacon would like to congratulate Ken on a fine job in the past and to wish him continued success in the future.

—T. F. Boyle

Kopecki, Mr. Andy Stefan, Ass't. Coach.

Caravan to Kenosha

The annual bus caravan will travel to Kenosha on October 29th when St. Joe's plays host to our Dons. The bus caravan idea was started two years ago by Brother Skloss and Brother Osborne. The original idea was for every homeroom to have a bus and to give our team the backing it needs. In December of 1959, Bosco sent 18 buses to Racine to see our Dons play, and last year, 17 buses went to Racine to watch our Dons win a 28-26 decision over St. Kate's. The buses will be ready to board at 12 noon on October 29. So if you want to see plenty of excitement, come along with us to Kenosha.

Varsity Win Streak Now at Six

Bosco Vs. Beloit

Ken Bellanti passed for two touchdowns and scored another as he led our Dons to a 24 to 0 non-conference victory over Beloit Catholic at Pulaski Stadium.

Ken fired a 30 yard pass to Zanotti in the first quarter to get things rolling for our Dons. Ken also connected a 43 yard pass to John Snieg, a promising young soph, after our hard fighting line recovered a fumble.

Tom Myszewski picked off a wondering Beloit pass and ran it back for 58 yards. Bellanti wound up the scoring in the 3rd quarter with a 3 yard plunge to bring the score to 24 to 0. Our Dons failed to score in the final quarter.

Bosco Vs. Messmer

Our Dons romped over Messmer 35 to 0 in our first conference win of the year. It was a field day for the Dons, and especially our backfield. Tom Myszewski scored two touchdowns, and played a very good game defensively. Two Sophomores also tallied, Dan Gaynor and John Snieg. Guard Bob Kopecki had a field day by blocking a few Messmer kicks, recovering one in the end zone. Another Sophomore, Mark Rouleau, helped our cause by making a Messmer kicker "eat dirt" in our end zone for a safety.

Bosco Vs. St. Kates

The Dons trailed 12 to 0 at halftime, but came bursting back in the second half to defeat St. Kates 20 to 12 for our Homecoming victory. It was the 2nd conference win.

Racine was in command the whole first half but Bosco's power and the Angels' injuries combined to defeat St. Kate's in breath-taking style.

The Don's winning touchdown was made by Junior tackle, Mike Szymaszek, when he recovered a fumble in the end zone.

Tom Myszewski, scored twice for our Dons, and got them really working when he made a 79-yard touchdown run. Early in the 3rd period he capped a 59-yard march with a 19-yard run into the end zone.

Myszewski Stars in Marquette Rout

For the first time in 8 years our Dons beat Marquette, by a score of 12-0. The surprise victory came as a result of team effort and two touchdowns by Tom Myszewski.

The first TD came when Myszewski scored from the four, capping a 53-yard drive, The second score came in the second quarter when Bellanti passed to Myszewski, who in turn ran 22 yards for the touchdown.—**Mike Krzewinski**

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, November 15, 1961 Volume XVI—No. 3

Fr. Ryan visits informally with students.

Representatives Attend County Government Day

Since government is an important part of our everyday lives, a day was set aside to show Milwaukee area students the operation of the county government. The program was held at the Courthouse and Safety building on Thursday, Nov. 2, from 9:00 a.m. to 3:30 p.m.

The following are the Bosco students who attended and the offices they held for the day: R. Pribbanow, County Clerk; T. Kochanski, Register of Deeds; M. Cesarz, Civil Judge; L. Krajewski, County Judge; J. Kochanski, Member of County Board; C. Bartels, County Treasurer; D. Kocs, Clerk of Circuit Court; M. Slawnik, Circuit Judge; R. Barczak, Children's Court; J. Peters, County Executive; T. Singleton, District Attorney; D. Mei, Sheriff; D. Domogalski, Supt. of County Schools; and T. Mysewski, Clerk of District and Municipal Courts.

The program started at 9:00 a.m. with registration of the "officials" in their respective offices. All then moved to the police gym where the program was opened by John L. Doyne.

Several short addresses followed and then the groups went either to Judge Seraphim's Court room or to their offices.

Judge Seraphim's talk on his curfew was well received as were talks by several of his cohorts. Then the Judge took the stand and proceeded to hear actual cases. He made special note to ask the defendants if they had completed high school.

Meanwhile the other group was getting a tour and lecture, each with their own County Official.

After lunch was served, the 700 students from 55 schools had a chance to tour the jail and morgue. The program ended with an excellent talk by Judge Robert C. Cannon.

Sodality Convention To Be Held at Bosco

The Annual National Sodality Convention this year will be held at Don Bosco on November 24, 25, and 26. Delegates from twenty Marianist high schools across the country will meet to discuss various aspects of Sodality life. The convention will begin Friday, November 24, at 2:00 p.m. in the gym with a welcoming address given by Chuck Bartels, Sodality Prefect, and followed by a keynote address by Father Dickens.

Topics of discussion will be centered around the theme, "The Sodality and the Parish." Principal speakers at the convention will be Msgr. Philip Schwab, Pastor of St. Mary's Parish and Archdiocesan CYO Director. Also speaking here will be Msgr. Frederick Arnold, Pastor of St. Rita's Parish, Milwaukee, Dr. Theodore Te Pas and Mr. Anthony Natelli, both of Chicago.

Highlights of the convention include a Mass by a Melchite Syrian priest, on Friday and a Pontifical Low Mass celebrated by Archbishop Cousins and followed by an address by His Excellency, Saturday.

Representing Don Bosco at the Convention will be Bob Barczak, Chuck Bartels, Dennis Mei, and Jim Peters.

Fr. Ryan Conducts Annual Don Retreat

A retreat is a period of exclusion during which the one making the retreat must set aside material thoughts and replace them with prayerful thoughts. The student body of Don Bosco did these things on the 18, 19, and 20 of October during the annual student retreat.

At 2:00 p.m. Tuesday, Oct. 17, the retreat officially opened with a Benediction by Fr. Leies.

For the next 2 days students attended six conferences given by our retreat master Fr. Paul Ryan. His theme was personal honesty in our spiritual progress toward our final goal, God.

Fr. Ryan, Retreat-master, suggests the idea of Self-honesty to help make retreat a success.

Father Ryan stated that God is absolute and all just, yet merciful. The ten Commandments should not be "ten restrictions" for us, but "ten instructions." The retreat was summed up in Father Ryan's closing remarks: "We have two sources for heaven, Sacraments and prayer.

The retreat closed on Friday morning with Mass and the Papal Blessing.

Fr. Leies distributes communion at morning Mass.

Editor's Corner

With the appearance of Beacon III the Beacon staff has completed another task in bringing the news of the school to the students.

This year the Beacon staff has a great need for eager, hardworking writers. With a larger staff a more thorough, better-written Beacon could be a reality. The few writers who contribute articles regularly are pressed for time and could use assistance by new writers.

A new policy in being followed by the Beacon, in that the entire paper is slanted more toward news concerning the school and its functions directly. In the past, many far-ranging articles appeared in the Beacon.

One mark of a good school is the quality of its paper. The Beacon is one of the best, but it can become even better through more widespread interest and effort put into it by the student body.

Bosco Students in St. Mary's Musical

"Operetta Highlights in Review" was presented by St. Mary's Academy Saturday through Monday, Nov. 4, 5, and 6. Assisting in the production of the musical review were numerous past and present Glee Club members.

The group, under the direction of Sister Noreen, O.S.F., will sing and dance to the most famous numbers of such operettas as **The Student Prince, Song of Norway, Brigadoon, The Piped Piper,** and **High Button Shoes.**

Among the students from Don Bosco were: Chuck Bartels, John Bull, and Larry Doershing. The alumni of Don Bosco and the alumnae of St. Mary's were also featured in the numbers.

Four Sophs Take Highest Honors

HIGHEST HONOORS

Sophomores: D. Hollman, T. Koetting, P. Maliszewski, A. Sklenarz.
Freshmen: G. Hollman.

FIRST HONORS

Seniors: T. Boyle, M. Cesarz, J. Chaplock, J. Hempel, T. Kleibor, T. Kloza, L. Krajewski, R. Pribbanow, J. Schrank.
Juniors: D. Binkowski, P. Brings, K. Kujawa, T. Niemann, D. Schweitzer, J. Simons.
Sophomores: P. Drewek, D. Goodmann, M. Mrotek, B. Poniewaz, J. Widder, P. Zagorski.
Freshmen: B. Ahlmeier, R. Bartels, C. Blockmeyer, A. Kasprzak, J. Kopac. T. Panfil, G. Schmidt.

SECOND HONORS

Seniors: T. Adrian, R. Badura, R. Bailey, R. Barczak, C. Bartels, B. Chandler, D. Gozdowiak, W. Graf, G. Haas, P. Kaluzynski, R. Kinart, J. Kochanski, T. Kochanski, R. Kolanko, R. Krystoviak, E. Ladwig, L. LaPorte, J. Marino, D. Mei, T. Meka, K. Michalski, M. Mueller, G. Nadolski, R. Narloch, M. Otzelberger, C. Sibilski, M. Slawnik, M. Stankiewicz, K. Switala, N. Szczygielski, J. Talaga.
Juniors: D. Andraszczyk, G. Badura, D. Bialozynski, D. Blankenheim, K. Buelow, P. Byrne, D. DeBattista, L. Doersching, R. Hudziak, R. Kais, T. Killian, F. Kleczka, R. Kubiak, M. Murry, C. Neggemann, T. Olszyk, J. Otzelberger, F. Pankonen, W. Peters, D. Polinski, G. Reiner, R. Schimelfenyg, R. Schmid, D. Soldon, K. Wanek, D. Weber, J. Zarczynski, J. Zulka.
Sophomores: R. Baranowski, K. Barczak, J. Bohmann, J. Carney, H. Gruszynski, G. Jund, R. Koreen, R. Lindstedt, J. McGrath, L. Patti, J. Pindel, R. Rosera, J. Rutke, R. Smith, J. Smukowski, R. Surges, R. Wojnar, P. Zagorski.
Freshmen: R. Ahlmeier, D. Andraxzszyk, R. Badura, J. Brukhardt, G. Huennekens, J. Janowiak, M. Jeske, R. Kaiser, R. Katzfey, M. Kiekow, D. Kielich, J. Kormanik, R. Krusing, P. Kucharski, T. Lutzenberger, T. Marola, L. Michalski, G. Mogilka, A. Rudnitzki, P. Schmall, P. Sokolowski.

Bro. Towers Addresses Home & School

Brother Joseph Towers, S.M. addressed the Don Bosco Home and School Association Tuesday evening, October 24, on "Federal Aid to Education." The parents found the talk to be interesting and informative. After the address, the speaker talked to many of the parents who asked some stimulating questions about this heated issue.

Brother Towers is a frequent lecturer around Milwaukee, Oshkosh, Pewaukee, and other areas. His audiences enjoy the varied topics of "Education," "Vocations," "Mary," "Reading," and

Bro. Joseph Towers

other titles. By the end of the year he will have spoken to approximately fifteen different groups such as Parish Communion Breakfasts, Father-Son and Father-Daughter Banquets, Christian Mothers, Knights of Columbus, and Councils of Catholic Men.

Brother Towers is also a critic for the Toastmasters Club of the Knights of Columbus in downtown Milwaukee.

Brother Towers got started in this field when one of his students thought that Brother Joe was a good speaker. This student got Brother Towers to speak to a group of people. From there, word got around that Brother Towers was a very good public speaker and as a result, Brother has been asked to speak many times.

When asked by our reporter how all this speaking started, Brother Joe smiled and said: "One thing leads to another and nothing succeeds like reputation."

'Some Enchanted Evening' Theme of Military Ball

The bright lights and music of the Tommy James orchestra floating out of the gymnasium heralded one of Bosco's most gala events of the year. The Military Ball, held on November 10th, was attended by over one hundred fifty couples.

Invitations were sent to the music departments of nineteen archdiocese high schools including Kenosha St. Joseph's, Racine St. Catherine's, and Burlington St. Mary's. All Bosco juniors and seniors were also invited.

King Ray Kaczmarek and Queen Janice Cybulske were crowned at 9:00 p.m. and reigned gracefully over the ball. The King and Queen were assisted by the Court of honor consisting of Mike Wachowiak, Gerhard Reiner, Scott Weyda and the representatives of the other Catholic High Schools.

Bosco Varsity Ties for Conference Crown

Don Bosco Vs. Pius XI

Pius High School defeated our Dons at Wauwatosa field, by a score of 7 to 0. Pius scored their touchdown with only 7 minutes left to play. Our Don's were no means truly beaten; they fought until the final gun.

Pius' defense was aimed at Myszewski all day, stopping our hard running fullback almost cold. Our Dons had the ball for 32 second on our own 45. With just 32 seconds left, Bellanti threw what looked like our final play, but pass interference was called, and we were given one more play. With time running out, Ken passed to Snieg on the 20 yard line, but to no avail.

Dons Vs. St. Joe's

Our Dons beat St. Joe's of Kenosha by a score of 21-0. Ken Bellanti was top gun, completing eight of sixteen passes for 168 yards, which included two touchdown passes to Don Race and Tom Myszewski. Rich Migacz tallied points when he went over from the two yard line. Two more points were racked when Mike Sargent and Mark Rouleau caught a St. Joe passer in the end zone.

Since Marquette defeated Pius, there was a three-way tie for the Catholic conference championship between Bosco, Pius, and Marquette.

B-Team Tries Hard

B-Team loses to Pius

The Dons suffered their first defeat of the season by losing to Pius, 13-7. Pius drew first blood on a 40-yard run, but the booming Dons jumped right back on a 52-yard pass play from Tony Paruzynski to Ken Barczak. It was a hard fought game, but with just 4 minutes left to go, Pius returned a punt 56 yards for their second touchdown and a win.

St. Joe's Overpower the Dons

The Dons, looing for their second win, were dismantled by St. Joe's eleven. They entered the game tied for first with Pius but were crushed and left with a 12-0 defeat. The Dons had many chances to score, but just couldn't hit paydirt. St. Joe's scored on a 40-yard pass play that was deflected and almost intercepted.

Marquette Scrapes Passed the Dons

The Dons, playing their last game of the year, really wanted to roll over Marquette. The first half was fought to a 6-6 deadlock. The Dons making their touchdown on a skipping 35 yard run by Tony Paruzynski. Marquette then took the opening kickoff, after the half, and marching 65 yards for a touchdown. The Dons then scored another touchdown but failed to score the extra point, giving Marquette the lead and win, 13-12.

C-Team Has 3-2 Record

Ceezers Vs. Pius

The Ceezers second game was played against Pius at Pius. The Ceezers were trounced for the first time this year by the score of 20 to 6. Bosco's touchdown was scored by halfback Kubacki.

Ceezers Vs. Jordan

The Ceezers next game was played against Jordan at Jordan. The Ceezers got back on the winning road by beating Jordan 20 to 6.

Ceezers Vs. St. Joe's

The Ceezers fourth game of the year was played against St. Joe's at St. Joe's. The Ceezers again triumphed, beating St. Joe's. The final score was Bosco 19, St. Joe's 6. Bosco's touchdowns were scored by halfback Kubacki, end Marino, and fullback Kitkowski, the latter on a 90 yard run.

Ceezers Vs. Marquette

The Ceezers final game of the season was played at Baran field against Marquette. The Ceezers were beaten by Marquette by the score of 13 to 7. The Ceezers would like to thank Coach Knar and Bro. Otto Weisbruch for their fine job of coaching.

Room 202 Tops 201 for Intramural Title

On Oct. 11, frosh intramurals began. 102's A team defeated 103's A team 20-17. 103's B team avenged this loss by defeating 102's B team 27-15. The following day, 202's A and B teams topped 203's A and B team 51-12 and 40-6, respectively. In the second games, 202's A and B teams remained undefeated by beating 103's A and B teams 38-13 and 25-13, respectively. The following day, teams from 102 and 203 split. 203's A team won the first game 40-25. 102's B team alter took revenge, winning 43-29. On Oct. 26, 202's A and B teams won the frosh intramural championship by beating 102's A and B teams 60-18 and 21-18, respectively. Games were later played between 103's and 203's A and B teams.

Soph intramurals did not start until Oct. 21. 201 defeated 207, 18-14, and 211 beat 209, 20-14. In the second games, 211 remained undefeated by beating 207, 17-13, and 209 tipped 201, 19-18 for a share of second place. The game on Oct. 30 decided the soph championship as 202 defeated 201 25-24.

A Blessed Christmas From The Beacon Staff

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, December 13, 1961 Volume XVI—No. 4

Sodality Prefects: R-L Front: J. Bohmann, J. Starck, C. Bartels, T. Niemann, J. Hoth. Second row: R. Katzfey, J. Myszewski, J. Eberhardy, R. Bull, K. Barczak, P. Schmall.

Sodality Selects Eleven Prefects

Sodality members have recently selected new prefects for their sodality groups.

The prefect must be a good sodality member, faithful to sodality obligations. He meets once a week with the moderator and the other sodality prefects in his division and plans discussions for the next meeting.

This year some of the junior sodality members, selected by Bros. Osborne and Towers, are on the pre-SUMA and WCAC planning Committee. We hope that from these may come the SUMA officers for next year.

Marianist Meet Held at Bosco

"Parish Awareness" was the theme for the 12th National Marianist Sodality Convention, held Nov. 24-26 at Don Bosco. The delegates, Marianist religious and their outstanding Sodality members, representing Marianist schools from California to New York and Canada to Texas, assembled at 2:00 p.m. Friday in Don Bosco's Gym. Very Rev. John Dickson S.M., provincial of the newly-created New York province, discussed the development of the parish.

The Divine Liturgy in the Byzantine Rite was celebrated Friday afternoon by Rev. Joseph Nasser of St. George's parish.

Msgr. Frederic Arnold, pastor of St. Rita's parish, and Msgr. Phillip Schwab, archdiocesan director of the CYO and pastor of St. Mary's, spoke Friday night about parish loyalty and lay leadership in the parish.

Archbishop William E. Cousins celebrated a pontifical low Mass Saturday morning. Afterward he met the delegates and the convention workers.

A talent show was presented by the delegates Saturday night. The show closed with a stirring rendition of the famous cowboy song "Cool Water" sung by four "blackrobes," a brother and a guitar-playing priest.

Brother Joe Towers, S.M., spoke at the final session Sunday on "Lay Responsibility in Today's World." The convention closed with a solemn High Mass celebrated by the Very Rev. James Young, S.M., provincial of the St. Louis province.

—Tom Olszyk

Two "well-dressed" students add variety to the National Sodality Convention.

Two representatives from St. Louis relax before a coke machine.

SUMA Tells of Plans for WCAC

Plans for the 16th annual Wisconsin Catholic Action Convention were announced recently by the Sodality Union of the Milwaukee Archdiocese (SUMA).

The Convention will be held on February 2, 3 and 4 at the Milwaukee Auditorium and Arena. Nearly 14,000 students, adults, priests and religious from 16 midwestern states are expected to attend.

The theme for the program will be "A World to Win for Christ." It was selected by the special SUMA Convention Planning Committee in charge of convention arrangements. The committee is composed of student and sodality moderators from all local high schools.

The purpose of the annual convention, which is recognized as the largest annual event of its type in the country, is "to foster Christian leadership and encourage high ideals of morality and conduct among Catholic youth," according to Father Ralph R. Schmit, SUMA Director and Convention Chairman.

The names and topics of the speakers on the program will be announced as soon as the program is completed. Additional details of the convention will be published in the next issue of the Beacon.

Editor's Corner

Recently we were informed, by various sources, that there was to be an article in this issue of the **Beacon** "exposing" the Student Council. As we declared orally and are now declaring in print, this rumor is completely false and unfounded. When a false story like this is spread throughout the school not only the Student Council but also the Bosco **Beacon** can be hurt.

As we all know Bosco's Student Council is one of the best in the state and and one of the few that is actually controlled by the students. In the past our Student Council has cooperated fully with the students and student organizations and has taken into consideration, at the Wednesday morning meetings, all suggestions presented to it. This is part of the Student Council's past record and we feel that this organization will continue to do a fine job in the future.

Since many of the Student Council's activities are done "behind the scenes" students don't hear about them, but our Student Council is always working hard for you, the student.

Beacon Spot

Tom Niemann

This month the Beacon Spotlight falls on Tom Niemann, a class officer of junior homeroom 213. He has been a Sodality member for three years, and is now a Sodality prefect. As a freshman he was manager of the basketball C-team. Active in Student Council work, he is on the MASC committee. Besides these accomplishments his name has consistently appeared on the honor roll.

Courtesy Campaign Continues; Co-operation of Fans Needed

The Basketball Courtesy Campaign for the 1961-62 season got underway December 3, with the first conference game against Marquette.

What is basketball courtesy?

Basketball courtesy is the attitude of the stands, cheerleaders and team for their opponents during the game. This year the rules were modified to make the contest between the various participating schools more even. The rules are listed below for your information.

1. Maintain a courteous attitude before, during, and after the game.
2. Refrain from noisemaking which might confuse the game. For example: whistles, noisemakers, etc. that might cause confusion.
3. Accept with Christian sportsmanship the decisions of the officials.
4. Be considerate of opposing players, especially when they are on the free throw line.
5. Cheers must be positive: for your team, not against your opponent's.
6. No two cheers—organized or unorganized—may take place at the same time.

Appreciation Certificate Awarded to Bro. Willett

Bro. Leo Willett recently received a Certificate of Appreciation in recognition for outstanding services in the field of guidance.

The award was presented to him at the fourth annual Recognition Dinner sponsored by the League of Catholic Home and School Associations.

The award was given for two reasons: first, for the work he has done in the guidance field, locally and nationally; and second, in recognition of the outstanding work done by the faculty here at Don Bosco High School.

In his work locally, Bro. Leo was one of the founders of the Milwaukee Archdiocesan Guidance Council and its immediate past president.

On the national level, Bro. Leo helped in organizing the Catholic Councilors, a group attending guidance conventions. The group has since grown rapidly and is now known as the National Catholic Guidance Conference.

—Mike Lukasik

Beacon Book Review: *Advise and Consent*

A brilliant novel dealing with Washington political life. Whether you're a person who has a keen interest in politics, or whether you're the kind who doesn't give a darn who's President, this book is bound to keep your interest, from cover to cover.

Will the Senate of the United States advise and consent to the nomination of Robert A. Leffingwell, the President's nominee for Secretary of State? At times Bob Leffingwell's nomination seems assured, but then again it is not. At times Bob Leffingwell appears to be a good, patriotic, and righteous person and then again he does not seem worthy of such high praise. These preceding facts keep the reader going; each successive page heightens the reader's interest to a point of no return.

By all means, Robert Leffingwell is not the only character of interest in this novel. There is Bob Munson, Majority Leader of the Senate; a man torn between the wishes of the President and the dictates of his own conscience. Then there is Seabright B. Colley, Senator from South Carolina; an ornery old-cuss despised by many Senators but yet respected for his cunning. We have Senator Brigham Anderson from Utah, a man whose position he takes in regard to this nomination invokes direful consequences. Orrin Knox, Senotor from Illinois, is forced to make a decision which will most certainly affect his political career. Throughout this book there are innumerable interesting, forceful characters who may appeal to you, and who may even shock you.

When you are finished reading **Advise and Consent,** you may approve or disapprove of Robert Leffingwell; you will feel compassion Brigham Anderson and others; you might hate a President; wherever you stand, you will have a better understanding of Washington political life.

Advise and Consent was on the best-seller list for 95 weeks, and is now available in paperback form. Such a book would come in handy during spare moments of the Christmas holidays.

Glee Club Restyled Under New Head

Don Bosco's Glee Club is once again looking forward to a very promising year. Under the direction of Miss Arlyne Nuti the Bosco songsters have developed new techniques, learned new songs and new renditions of old songs.

Due to the fact that there were no summer practices the Glee Club got off to a slow start this fall. However, that setback has been overcome and the chorus has made progress especially in the area of resonance, that is, varying volume of tone. Because of the changes and the methods applied by Miss Nuti the choral group has taken on a totally new, refreshing look and sound.

Although much of Miss Nuti's time is taken up as head dramatic coach at Marquette University, she has still found the time to work with Bosco's glee club so that it remains an organization we can all be proud of.

The glee club has already performed at a Christian Mother's breakfast at St. Vincent de Paul parish and at St. Alphonsus earlier this year and is preparing for a performance at St. Mary's in Elm Grove and of course, plans are being made for the Christmas Concert.

—Carl Sibilski

Fr. Young Named Superior

Father James A. Young, S.M., former chaplain of Don Bosco was designated provincial superior of the St. Louis Province of the Society of Mary last month. In endeavoring to acquaint himself with the Province Father Young has already stopped at our school twice.

Beacon Spots . . . MEN OF ACTION

Once again the Beacon spotlight shines on one of Bosco's eminent students. Dennis Hollman, sophomore from Room 207, is the highlight. In his freshman year, Dennis was treasurer of his homeroom, 102, and still maintained a 93.8 average through all six terms. This year, Dennis is not only a vice-president of his homeroom, but also holds a job on the student council banking committee. The first term of this school year yielded Dennis a 94.8 average, one of his highest while at Bosco. Dennis participates in both CYO basketball and baseball at his prish, St. Veronic's. At the present time, Dennis' future ambition lies in some field of engineering. The Beacon wishes continued success to Dennis Hollman in all his scholastic and social endeavors.

This month the Beacon spot shines on senior Rod Pribbanow of homeroom 109. In his four years at Bosco, Rod has consistently made the honor roll with an average usually about 92. In his homeroom Rod has taken over the task of decorating, and is chiefly responsible for the prize-winning 109 homeroom shrine and an excellent Nativity scene. Rod is a typist on the Beacon staff, and this year is editor of the Don yearbook. He is also a hard-working member of the Sodality.

With his eager mind and great ambition, Rod is sure to go far in the future.

The spotlight shines on freshman Albert Rudnitski, from homeroom 203.

Al played first-string tackle on the football team this season and had helped considerably with his powerful rushing and brilliant blocking.

Al's interests are now shifted to basketball. Standing six feet, two inches, Al plays center and is a welcome member to the team.

Besides being a fine athlete, Al also is the class president and student council rep from room 203, and belongs to the Sodality.

Outside of school Al belongs to the CYO.

In spite of all his activities Al held a respectable 88.8 average for the first term.

Looking to the future, Al hopes to become an architect.

Ex-Boscoite Writes To Present Dons

Thanks to the **Beacon** for this opportunity to write to my former classmates and other members of the Bosco Family. Don Bosco is often on my mind, and I eagerly await the periodical issues of the **Beacon** to keep up with the many activities at Bosco.

Since entering the postulate for my second year, there have been several changes at Maryhurst. Perhaps the most significant change is the re-organization of the Student Council by Bro. Robert Skloss. He set up the system similar to the way he did at Bosco. There are heads of Spiritual, Educational, and Temporal committees and more active participation by all the members. This re-organization has affected almost all the phases of life at Maryhurst.

Perhaps there are some who are not sure what the postulate, Maryhurst Preparatory is. Maryhurst is the Motherhouse of the St. Louis Province of the Society of Mary. The postulate is the place of training for the high school age boys who are considering the vocation to religious life. While attending classes at Maryhurst and Vianney High School, the postulant develops his mind. Under the proper guidance of some of the finest brothers and priests in the Province, the postulant develops his personality and all his talents. Through active participation in sports, he develops physically, and through cooperation with the grace of God to follow His will, he is guided toward a final choice.

Keep up the fine Bosco spirit you have been exhibiting and have a Merry and Blessed Christmas.

—Tom Nadolski

Faculty Members Give Varied Talks to Diverse Groups

The work of the Don Bosco faculty has not been confined solely to our school.

In the initial months of this school year, Bro. Dan Sharpe, Bro. Leo willett, Bro. Joseph Towers, Bro. George Haarmann, Bro. Robert Osborne, and Bro. Eugene Sohm have given talks to various social, religious, and professional groups. Some of the talks were on school procedures, student council organization, and Federal Aid to Education.

We students can be proud of our zealous faculty who have brought the name of Don Bosco to the attention of people everywhere.

—Larry Krajewski

What's Your Opinion?

What do you think constitutes a good date?
Sue Kowalski—St. Mary's Academy

Most girls, myself included, prefer casual dates. In winter, I enjoy movies, dancing, skating, tobogganing and bowling. In summer there is a greater variety of sports activities and date ideas to choose from. Once in a while a dress-up date is fun, but if a boy wants to know a girl's personality a casual date will turn the trick.

When a boy comes to my home before a date, I prefer that he have the evening planned. A question like, "Well, what should we do?" is difficult for a girl to answer. She doesn't know the amount of money, and time he wants to spend.

In order to make the date successful there should be an attempt to keep up a conversation. If it is not too late, stoping for something to eat is a nice idea. A boy should return the girl to her home around the time specified—give or take a half hour.

When I feel I have pleased my date and he has made the evening enjoyable for me, I consider the date worthwhile and successful.

Should high school students own a car or be able to use their parents car?
Sue Unke—Pius XI High School

Personally, I don't think high school students should own a car. Statistics show that few "B students" and even fewer "A students" own cars. I think that students who own cars seem to show less responsibility, especially in their schoolwork. Also if these owners have a job, most of their money goes for insurance, gas, mantenance, etc., instead of for their high school and college education.

Teenagers should, I think, be able to use the family car, if the parents approve. But there are things that should be taken into consideration before the teenager uses the family car. One of the most important of these considerations is insurance. If the student's earnings can pay for this and other costs without hurting the family budget or his education, then, I think, the teenager, with his parent's permission, should be able to use the family car.

What do you think of the curfew?
Sally Gull—St. Mary's Academy

Sally Gull, a senior at St. Mary's Academy, believes that the curfew proposed by Judge Christ T. Seraphim is a step in the right direction, although it is by no means the complete solution to the problem that besets many of our major cities today.

Sally, who is vice-president of S.M.A.'s student council, is of the opinion that a strict anti-loitering ordinance should be coupled with the curfew to provide the police with a truly effective weapon to use against the nocturnal adolescents. This, in her opinion, would allow law enforcement officers to break up groups of idle teenagers before the curfew limit. A more stringent curfew, Sally feels, such as allowing no excuses for being out after ten-thirty on weekday nights, is unjust because only a small percentage of young people are at fault. In the last analysis, however, Sally holds the view that the ultimate responsibility for the behavior of the junior citizens resets with the parents of the community.

Should teenagers go steady?
Genevieve Heim—Pius XI High School

I think the answer to the question of whether of not teenagers should go steady depends on the individual teenagers concerned. In general, the teenagers should be separated into two groups: freshmen and sophomores, and juniors and seniors.

In the first group, I don't think teenagers should go steady at all—they are too immature. The teenagers in this group should have the opportunity to mix; however, going steady impairs this chance. Also, these teenagers should be adjusting themeselves to high school life and concentrating on studies.

Going steady for the second group, being somewhat more mature and established in high school and social outlook must be dealt with differently. When two people of this group are serious persons, and if they would tend to become too involved and exclude all others if they went steady, then going steady is not for them. If the friendship of two people in this older group is plutonic, I think it is all right for them to go steady, because their chances for becoming seriously involved is less. The broadminded teenagers would still communicate with others and not make their friendship too exclusive. In this final case going steady would enable the two teenagers to learn how to recognize the personalities of each other. By the time the boy and girl of this latter group are old enough to marry, they will have had enough experience to be able to make a wise choice of marriage partner. Thus, going steady for teenagers can be good or band, depending on the outlook of the two people concerned.

Drive for Food Begins on Nov. 29

The annual Don Bosco Christmas Food Drive for the needy is underway again. In the past years Bosco has added a little brightness to the Christmases of many poor families by donating canned goods, staples, non-perishable goods, used but still usable toys, and even turkeys.

We who have so much do not know what it is like to do without many of the necessities of life, much less the luxuries. A very small donation on our part will add immeasurably to the happiness of some poor family. The letters of gratitude received from the families which Bosco helped bear out the thanks of these people who so seldom can afford anything extra. In the past, Bosco students have been extremely generous with their contributions. Let's make this year's Christmas Drive the biggest and best yet. **—John Chaplock**

Knight Light

This month the Knight Light spots out another outstanding Boscoite, Fred Tessler. Fred, a five foot seven inch human dynamo, hails from junior HR 215. In taking a look at his activities, one sees that Fred is really loaded (with activities). First, he holds the highly-admired post of Student Council rep in Bro. Sohm's homeroom. He is really doing a fine job; this is proved by the fact that 215 is the only junior homeroom to have won the Spirit Banner. Second, Fred is one of the famed baritone soloists in Bosco's Glee Club. Third, he is the secretary of the combined junior sodality of rooms 213 and 215. Fourth, Fred did an excellent job at defensive halfback of our championship varsity football team. Fifth, he is one of Bosco's best grapplers and has been since his freshman year.

Fred Tessler

Also in this field, Fred is trying hard to build up strong backing for the wrestling team in the coming season. In his spare time Fred enjoys listening to records, ranging from the newest smashes like "The Lion Sleeps Tonight" to the Kingston Trio's "blasts from the past." It's hard to believe that such a little fellow carries such a heavy load, but Fred does it and does it well.

Unless We Become As Little Children

"When I was a child, I spoke as a child, I understood as a child, and I thought as a child." These are the words of St. Paul but they can easily be extended to our lives: Now that I have become a high school student, I have put away the things of a child.

When I was a child, I kept Advent with a proper spirit of penance and joy. Sister solemnly told my second grade class of the coming Christ and the preparation which He so earnestly desired. It was a momentous decision when we all fervently resolved to give up candy for Advent.

It was a simple love for the Christ Child, aided somewhat by imagination and a bit of the budding actor in all of us, that prompted the annual Christmas play. Daily Mass and Holy Communion formed a vital part of our Advent preparation. We were all busy preparing a place in our hearts for Christ when He would come on Christmas morning. We were also coloring our little paper cribs. For each Mass we got to color a board in the wooden manger, and with each Holy Communion, a yellow straw began to fill the barren crib. Rosaries and "little sacrifices" provided a roof for His head.

Now I have put away the paper crib, but I hope the spirit of Advent is not put away with it. For unless we become as little children. . . **—Editor**

Speech Team Plans Three Major Meets

Since the beginning of the school year, the members of the Don Bosco speech team have been thoroughly preparing and practicing their talks with the able assistance of Mr. Thomas Frohna, co-moderator of the speech team, and Bro. Joseph Towers, Bosco's qualitative toastmaster. A trio of speech meets during the course of this year creates the cause of all this preparation. The first meet, which took place on December 9th, was held at Notre Dame High School in Niles, Illinois. Bro. Towers accompanied the speech team to this competition.

The sites of the other two meets are Marquette University and St. Joseph's High School in Keonsha. The students comprising the varsity speech team this year, listed under their respective divisions, are as follows:

DRAMATIC: Ken Kujawa, Tim Koetting, Jim Howard

HUMOROUS: John Meyer, Don Mallinger, Dennis DeBattista

ORIGINAL ORATORY: Bruce Poniewaz, Alex Sklenarz

NON-ORIGINAL ORATORY: Tom Olsyzk, Bob Smukowski, Dan Schweitzer, Tom Van Handel

EXTEMPORANEOUS: Chuck Bartels, Paul Maliszewski, Gerald Smolen, Ken Greismer

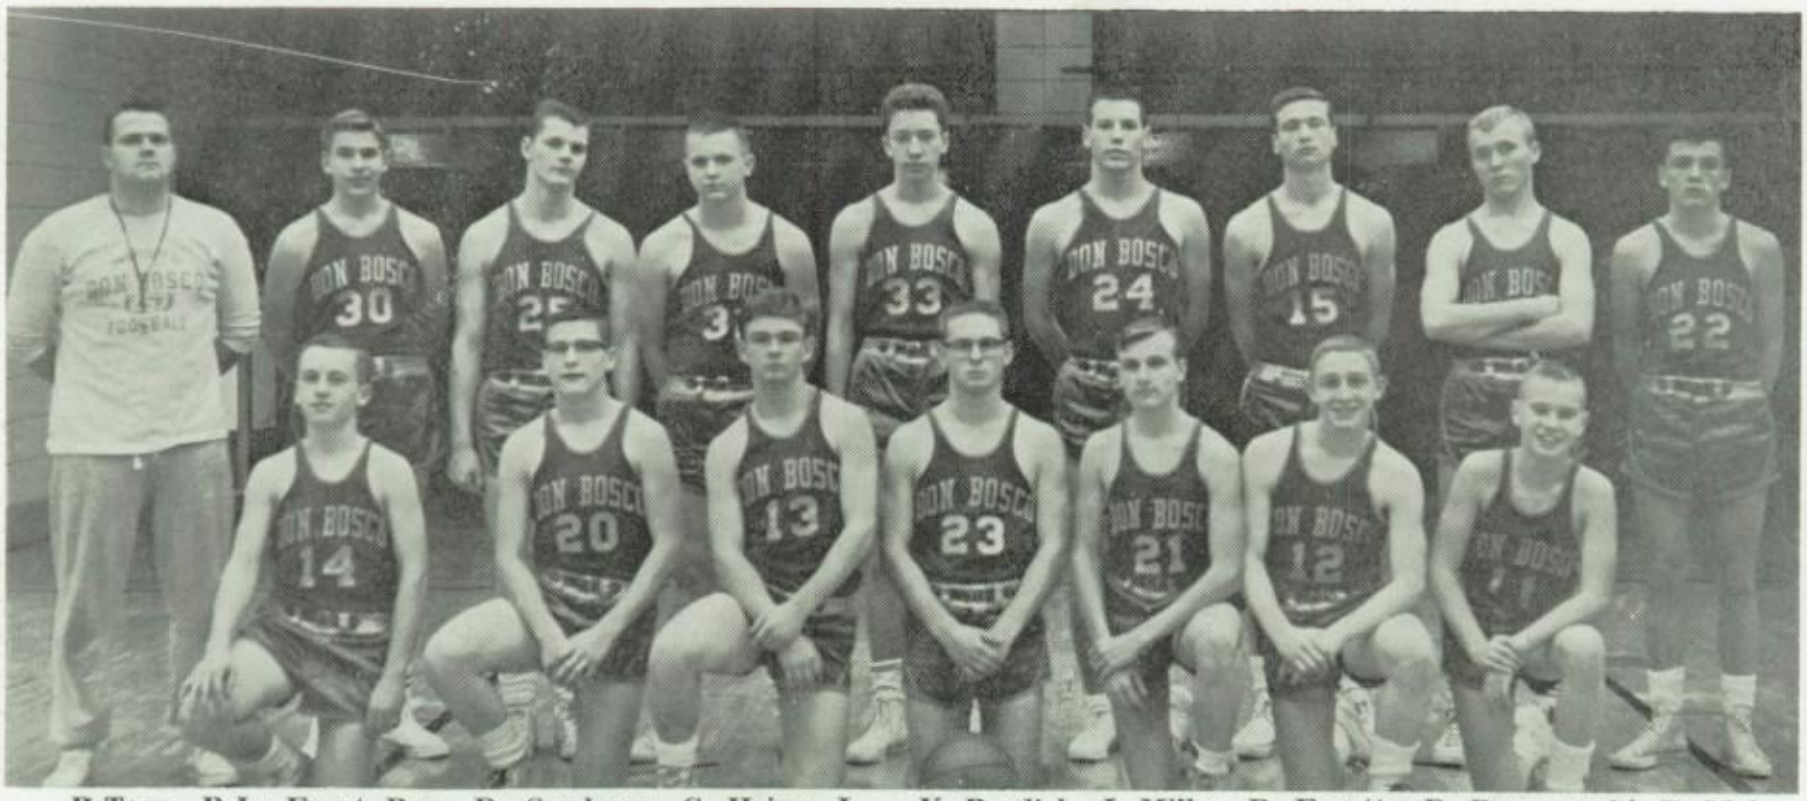
Varsity Wrestlers Win Two Straight

After three long weeks of getting into shape and polishing holds, a surprising Bosco wrestling team racked up a hearty 34-13 mat victory over Pulaski B.

The victory depended on the newcomers and they all came through with fine performances. Kolodzinski, Leese, Lafleur, Tessler, and Katzfey pinned their opponents while Flayter, Wingert, and Krzewinski won the tougher matches on the point basis. Gradisnik and Bartels showed a lot of promise in their matches and Copeland easily took an exhibition match.

On its second outing the Bosco wrestlers romped over King B, 37 to 10. Leese, Flayter, Tessler, Wingert, and Bartels won on pins (5 team points) while Kolodzinski, Lafleur, Gauthier and Krzewinski won on points (3 team points). Gradisnizk and Katfey fell victim to two King grapplers. The team is a young one and has promising talent in the likes of Szymaszek, B. Flayter, Niemann, Datka, Patti and Bohmann. The coaches have been pleased thus far, but are still wary of the team's future.

—Fred Tessler



B-Team R-L: Front Row, D. Goodman, C. Heinz, J. Judziewicz, K. Barczak, A. Paruzynski, J. Smukowski, M. Quirk. Second Row, W. McElwee, R. Sigler, J. Snieg, V. Burdick, J. Miller, R. Facette, R. Baranowski, P. Maliszewski, Coach Rich Knar.

Toppers Stop Dons

Marquette Squeaks Past Dons

The Beezers started their season with a loss, but they gave Marquette a hard-fought game from start to finish. The thrilling game came out with Marquette the victor by one point, 29-28.

South Outscored by Dons

The Dons ran away in the first half of play with the score Don Bosco 20 and South Division 2. The second half of play had more action; the Dons were held to 18 points. The Dons were led by Dick Facette and Val Burdick in scoring and left the floor with a 38-17 victory.

Beezers Win Over Cathedral

The third game of the season was a rough one for the Beezers, but they came out on top 31-29 handing Cathedral their third straight loss. With 30 seconds to go Bob Baranowski popped in the winning bucket to give the Beezers a record of 2 and 1 so far this season.

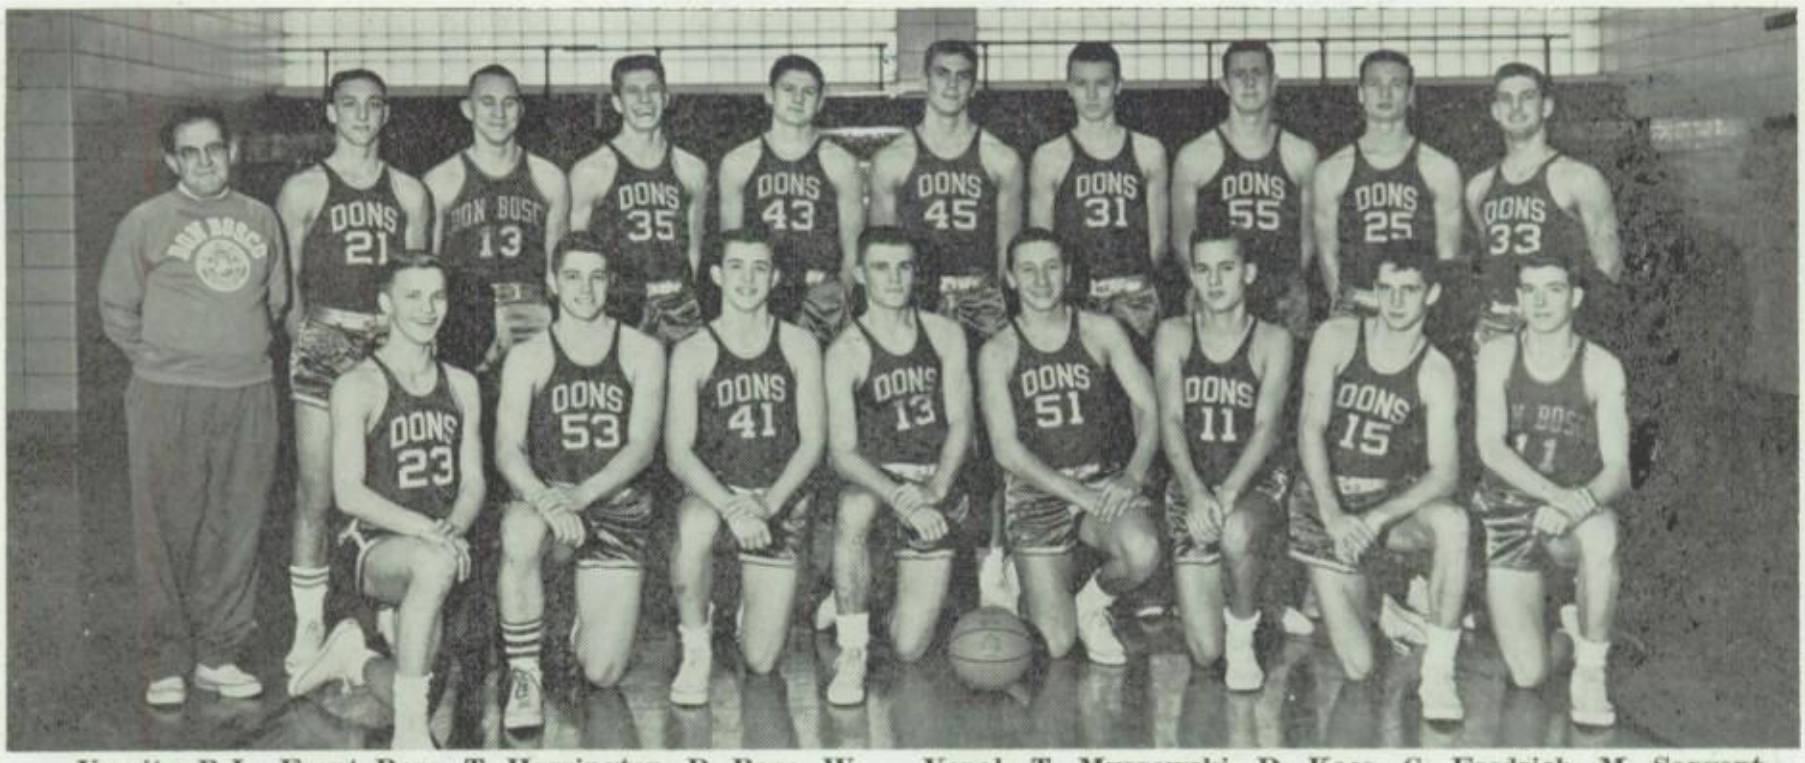
Freshman Victories

Two consecutive wins by the C-team have certainly proved the ability of their coach, Bro. Lester Kaehler. Their first game was played against Tech at Tech. Led by the sharp shooting of guard Gary Schmidt who had fourteen points and forward Anthony Marino who had thirteen, the Ceezers went on to win by a score of 54 to 29.

Inspired by their first victory, the C-team went on to triumph in a second game. Playing Cathedral at Cathedral, the Dons swept the Eagles from the sky. The fine teamwork and well-rounded attack, especially by forward Dick Hosler provided a final score of 36 to 21.

Tom Myszewski jumps high to grab rebound at the Cathedral game.

C-Team R-L: Front Row, R. Katzfey, C. Gerlach, T. Liturski, K. Meisenheimer, R. Baduro, M. Radomski, G. Schmidt, J. Hoth. Second Row, C. Brockmeyer, G. Kitkowski, M. Lazewski, A. Rudnitzki, R. Hosler, A. Marino, M. Kiekow, Coach, Bro. Les Kaehler.



Varsity R-L: Front Row: T. Harrington, D. Race, W. Peters, R. Barczak, D. Andraczyk, R. Kais, J. Peters, G. Schulte. Second Row, J. Zanotti, J. Snieg, R. Winkler, R. Vopal, T. Myszewski, D. Kocs, G. Fredrich, M. Sargent, J. Redman, Coach, Bro. Eugene Sohm.

Varsity Tops Marquette In First Conference Tilt

Marquette vs. Bosco

Shouts of "just like football" shook the rafters of the new Marquette gym. Marquette invited our Dons to play the first game on the dedication night of the new gym.

Bosco led at half-time by one point and during part of the third quarter by six points. Marquette came back in the fourth quarter and took over a nine point lead. In the closing minutes, the Dons came back within three points of tying, but the final buzzer sounded, we had lost 52 to 47.

South vs. Bosco

In the second non-conference tilt our Dons whipped South by an amazing 79 to 29 score. Our Dons were never behind throughout the game. Dennis Kocs took scoring honors with the help of Peters and Myszewski.

St. John vs. Don Bosco

The Dons beat St. John's by a close score of 43 to 39. The battle was hard-fought, but just when it looked as if the Eagles would take the lead, our Dons pulled it out of the fire. Dennis again led the Dons in scoring with 14 points.

Dons vs. Marquette

The Dons won their first conference game by defeating Marquette 45-42. Although there was an almost constant change of lead, Bosco came out on top.

Chances are that when a trip is made to the moon — heating, cooking, lighting, air conditioning and other vital services will be provided by electricity, just as they are today in a modern home. Space travelers must have heat that will not consume oxygen or add impurities to the air. They must have light and air conditioning to do their jobs efficiently. In each case electricity fills the bill. Whether in a space ship of the future or in a present day home, the *electric* way is the *modern* way.

S.C. Elections Held

Peters Re-elected, Barczak, Mei and Schulte Gain Votes

Unusual, eye-catching signs have decorated the halls. The walls of each homeroom were fraught with multi-color posters "plugging" certain candidates. The campaigners made valiant

J. Peters

B. Barczak

D. Mei

G. Schulte

attempts to secure pledges of votes. The semi-annual query was once again curiously whispered from the lips of many students, "Who are you gonna vote for?"

Yes, Thursday, January 11, saw the mid-year student council election come and go, leaving Bosco a harmonious quartet of student leaders.

First perparations for the election began more than three weeks ago and consisted in securing a nominating committee composed of 24 students: three from each senior homeroom, two from each junior homeroom, and one from each sophomore homeroom. Each representative was chosen by his own homeroom, Freshmen do not participate in the mid-year election for their knowledge of the qualities of the senior candidates is diminutive and because they may be easily influenced by ingenious posters or slogans. Since a junior is always chosen as the chairman of the nominating committee in order to maintain impartiality, competent Fred Tessler received the honor among the eight junior representatives.

After careful consideration, the following seniors were nominated: Jim Peters, 112; Greg Schulte, 111; Dennis Kocs, 113; Bob Barczak, 111; Dennis Mei, 113; Chuck Bartels, 109; Tim Singleton, 109; Tom Brewster, 111.

The night of the voting saw the junior representatives on the nominating committee, along with certain faculty members, counting the votes.

Congratulations to the newly-elected student council officers.

—Ken Kujawa

Chaminade Day To Be Celebrated on Jan. 22

On January 22 the students of Don Bosco will pay tribute to the venerable founder of the Society of Mary. That day is marked as the death and heavenly birth of Father William Joseph Chaminade S.M.

Father Chaminade was born in France in 1761. At the age of 12, he attended the College of Mussidan where he received his vocation. After his ordination, he taught at Mussidan until the French Revolution.

The Revolution, spearheaded by rabid anticlericals, forced the French Church to return to the catacombs. Father Chaminade worked among the people, often narrowly escaping death. When the Revolutionaries finally caught him, they sent him and other priests to Saragossa, Spain, the location of the shrine of Our Lady of the Pillar. Praying before Our Lady's image, he was inspired to found a religious order dedeciated to Her in a special way.

When he returned to France shortly after the Revolution, he revived the Sodality and founded the Society of Mary in Bordeaux. The Marianists are unique in two ways. First, the teaching brothers, working brothers, and priests are all equal; aside from the fact that the priests are higher because of their ordination. Secondly, the brothers wear clothes according to the custom of the country in which they reside, usually a black suit.

The Marianists came to the United States in 1850 in answer to a plea from the Bishop of Dayton. They have grown to a point where now there are four provinces and over 2,000 Marianists in the United States.

—Tom Olszyk

B & L Certificate Presented to Senior

Senior Mike Cesarz has won the Bausch and Lomb Honorary Science Award. This award is presented annually to promising students in over 7,500 schools in the U. S. on the basis

Mike Cesarz

of superior science aptitude and interest. The award consists of a bronze medal and a certificate. Winners become eligible to compete for Bausch and Lomb scholarships, which total $22,000 in the entire fund. Congratulations to Mike Cesarz for a worthwhile achievement.

Plan To Attend Annual W.C.A.C.

The 16th annual Wisconsin Catholic Action convention will be held at the Milwaukee auditorium and arena on Feb. 2, 3, and 4, 1962. The general theme chosen by the planning committee is "A World to Win for Christ."

About 14,000 high school students, adults, priests and religious are expected to attend the convention, which is recognized as the largest annual event of its type in the country.

Speakers scheduled for the close to 30 separate sessions include many outstanding priests and lay speakers who are well known for their popular appeal among young people. Included in this list is Mr. William Mooring, noted Hollywood and television columnist whose weekly column appears in the Herald Citizen. In addition to these talks the three-day program will include a variety show Friday evening and a dance Saturday night.

Don Bosco has been selected to arrange ceremonies for the annual convention.

Editor's Corner

While ambling through the passageways of Don Bosco High, one can sense that the "family spirit" is diminishing. This is evident at our basketball games where our cheering has been terrible and our attendance is embarrassing. Our attendance at other school functions and the number of people participating in extra-curriculars has been appalling. What has happened to the "great school spirit" we once had? Are we a bunch of dead-beats? Has everyone turned lazy and indifferent? What can we do about this? For one thing, we can start attending our basketball games and dances. This will give the team a big boost. Next, we can talk to our friends about the games. Then, we should join some school organization whether it be Photography, Ski Club, Sodality, **Beacon,** or any other of the many activties available here at Bosco.

Will You Attend?

Thursday, January 25 after last minute changes are made, the big white lights will blink out casting the gym into velvety darkness. Then the glow of the red and blue lights will blend the stone and wood into smooth satin. At eight o'clock a half a dozen girls will be waiting to get in. By 8:30 the last boy will have climbed the stairs, and will have given up his fifty cent ticket to enter the segregated gym. The varied tunes of the band will surround the group until eleven o'clock when the last girl will have left this special world of music an colored lights called the Midway Melodies.

Beacon Spots . . . MEN OF ACTION

The Beacon spotlight now shines on Mike Lazewski, freshman, from room 202.

Mike, who is an all-around athlete, played end on the football team and was one of the passers' best receivers. Mike now does a fine job playing center on the freshmen basketball team.

Outside of sports Mike is student council representative and president of his homeroom besides belonging to Sodality. He is also a member of his parish C. Y. O.

In the future Mike intends to enter college.

The Beacon Spot falls this month on Alex Sklenarz, a sophomore of homeroom 201. He has been a member of the Sodality, Band, and *Beacon* Staff, for two years. In the band Alex is assistane librarian of music. Alex's name has consistently appeared on the honor roll. He also holds the position of assistant apprentice bell ringer. His favorite hobbies are baseball, swimming, reading, and listening to jazz. He is a member of St. Gerard's CYO. Alex's ambition is to become a doctor. The *Beacon* wishes to congratulate Al on his fine work and wish him success in the future.

Out of the junior class comes another outstanding member: Jack Van Heesch. As a Freshman Jack was C-team football manager and as a Sophomore varsity football and basketball manager and again as a Junior Jack maintains the same position. Besides managing sports Jack manifests his talents as a member of the Glee Club. Giving full support to all school activities is only part of Jack's accomplishments. He is also an ardent backer of Blessed Sacrament's Parish and CYO.

For the future Jack plans on attending college and will major in pharmacy.

This issue of the Beacon spot shines on senior Mike Slawnik of homeroom 113. At the present, he is a member of the homeroom spiritual committee. Mike is active in the Student Council, in which he has previously been a homeroom representative. He is a member of the transportation and safety committee, and this year he did a fine job reorganizing and rerouting the homecoming parade. Mike also works in the cafeteria where he is always eager to help out. Mike hails from Blessed Sacrament parish where he is a member of the CYO and plays CYO basketball. Despite these activities Mike consistently makes the honor roll.

Yearbook Theme— City of Milwaukee

This year as in the past the **Don** will be put out by a group of proficient young men eager to produce the best conceivable yearbook.

The men responsible for this endeavor are: Rod Pribbanow—editor, Roger Sikorski and Mike Radtke—associate editors, Larry Florek—copy editor, Dave Gauthier—picture editor, Jim Hempel—business editor, Steve Penn and Tom Kochanski—typists, and Paul Schmidt of room 109, Tom Knitter or room 111, Leon Decker of room 112, and Marty Mueller of room 113.

The city of Milwaukee was chosen as the theme for the 1962 **Don.** The staff and with the competent advise of Brother Zarr, the moderator, the **Don** cannot help but be a success.

Four Students Rank In NMSQT Test

Last spring the juniors at Don Bosco took the National Merit Scholarship Qualifying Test.

Four students have received formal letters of commendation: Bruce Chandler, John Chaplock, Jim Hempel, and Larry Krajewski.

These four students are among the 25,000 students throughout the U. S. who have received letters of commendation in recognition of their excellent performance.

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores in the NMSQT. These semi-finalists and commended students together constitute less than two per cent of all high school seniors.

Ceezers Have Record of Three Wins, One Loss

The third game of the freshmen season was played against Marquette. Although trailing through most of the game, the freshmen made a great effort in the fourth quarter, but found themselves on the losing side of a 44 to 34 score.

The next game was against Pius. Unable to sustain a constant offense, the freshmen found themselves down ten points at the half. During the second half, the Ceezers showed the value of teamwork by putting on a determined effort which found the score 34 to 34 with three seconds to play. Then the freshman used a semi stall and worked for the last good shot, with Tony Marino making the basket just before the final gun. The freshmen won the game 36 to 34, thus boosting their record to three wins and one loss.

—Michael Lazewski

Wrestling Team Holds 6-1 Dual Meet Record

The highly successful wrestling team has a 6-1 dual meet record as of Jan. 10, 1962.

The team had won three in a row until West Division edged them out 23-19. The team bounced back, however, in edging Pulaski "B" 24-22 and Nicolet 28-27, which was the most exciting meet Bosco has taken part in. Losing 27-18 with only two more matches, Krzewinski and Bartels pinned their opponents giving Bosco the victory.

Next, Bosco smothered Greenfield 40-8, with Bosco sweeping 9 of 11 matches. At the half-season point records stand as follows: Dick Flayter 7-0, Fred Tessler 5-0, Mike Krzewinski 6-1, Mike Wingert 5-1, John LaFleur 6-0, Chuck Bartels 4-3, Jerry Katzfy 3-4, Jerry Gradiznick 3-3, Bob Leese 3-1, and Scott Copeland 1-2.

SMA To Present Annual Stage Play

Once again the time is nearing for St. Mary's annual dramatic offering. This year the academy Players are presenting a comedy entitled "Tammy Tell Me True." Joan Natrop, sister of Bosco senior Jerry Natrop, stars as Tammy while several Dons: Tom Ketting, John Jerry and Peter Katzfey, Tom Kaczmarek, Tom Brewster, Marty Mueller and Bob Padol have supporting roles.

The story is about a county girl (Tammy) who goes to college and falls in love with a classmate who doesn't love her.

Performances are scheduled for the second, third, and fourth of March. Tickets will be available at Bosco.

Bosco Takes 3 of 5 In Current Stand

Our varsity has played five games in the past few weeks winning three. The Dons have met Pius, St. Kates, Jordan, Dominican, and St. Joe's. The Dons lost to Pius, in a conference game, by a score of 49 to 43. Our Dons had the lead at half but lost it late in the third period. The varsity lost its second game to St. Kates by the score of 62 to 51 with Kocs as the standout for Bosco.

Bosco breezed by St. Joe's with a score of 62 to 45. All the Dons got a chance to play. In two non-conference games Bosco beat Dominican and Jordan. St. Francis Jordan put up the biggest fight against the Dons by putting their full court presses on late in the fourth period, but lost 58 to 50. Dominican was shooting fairly well throughout the game. During the fourth quarter our Dons put in a total of 20 points. Greg Schulte scored a total of seven points for our Dons in the last period. The final score of the Dominican-Bosco game was 57 to 50.

—Mike Krzewinski

Beezers Record— One Win, One Loss

B-Team Overpowers Dominican

The Beezers played an outstanding game, shooting 45 per cent from the floor. They controlled the ball well and at one time had a 13 point lead. Dominican twice pulled to within three points in the second period but trailed at half time. The Dons slowly increased their lead in the second half and won, 39 to 34.

Beezers Lose to St. Joseph

Looking for their first conference victory of the season and their second victory of the year the Dons lost a heartbreaker to St. Joe's. Their poor shooting and bad ball handling accounted for the loss. The poor shooting made the half time score only 11 to 10. St. Joseph slowly increased their lead and won the game, 26 to 16.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, February 21, 1962 Volume XVI—No. 6

Sodality Council officers L-R: seated, J. Hoth, T. Niemann, C. Bartels, J. Starck, J. Bohmann, standing, P. Schmall, K. Barczak, R. Bull, T. Eberhardy, J. Myszewski, B. Katzfey.

Beacon Interviews Mr. Mooring, Noted Columnist, WCAC Speaker

On February 3 at the Wisconsin Catholic Action Convention, the writer interviewed Mr. William Mooring, a noted Hollywood and television columnist, whose weekly column appears in the Herald Citizen.

What is the general trend in movies today?

The trend is toward the adult theme; but we must define our terms. To a Hollywood producer the adult theme is one which is shocking, even pornographic. To us an adult theme is one which wouldn't appeal to a young person and probably shouldn't be seen by a younger person.

What is the reason for this trend?

The main reason is for competition against television. The trend was started by independent, irresponsible producers as a money making venture.

Mr. Mooring

Is the adult theme a passing phase or not?

It is definitely here to stay. There will be a growth; but before it will develop into anything decent, there will be many very bad pictures produced.

Should we be alarmed? No, but it will call for a greater emphasis on the Legion of Decency ratings. We must consider pornographic movies not only morally harmful, but also as an insult to our intelligence. We should devote ourselves to pointing out the wrong parts in movies.

What can we as teenagers do?

We must take a constructive approach toward movies. The most effective way of accomplishing this is through study clubs which meet to discuss movies and exchange ideas. There will not, of course, always be complete agreement, but there will be at least a basic understanding of the reasons for objection or approval of a movie.

—Tom Olszyk

Second Semester Starts; Time for Improvement

The first semester is history. The first three terms are dead, and the mid-year exams have met their doom, all never to return, their grades never to be changed. How did you cope with the challenges of the first semester?

Brooding over low grades and mental inactivity is utterly inane. Now is the time for a complete revamping of old study habits. The next three terms of the second semester can yield numerous scholastic and mental rewards only if you correctly utilize your abilities to their capacity. An extra hour of study each evening is good, but all 60 minutes are in vain if you fail to apply yourself properly. Profitable study does not consist of a nonplused concoction of rockin' records, crisp potato chips, cold soda, and television's blazing guns. Rewarding study must be applied, vigilant, reflective, and organized study. Truly, the fate of the second semester lies in your hands. Choose: heeding the many loreleis of failure, or heeding the harmonious echos of success.

Sodality Council Recently Formed

The year 1962 will go down in the pages of our school history as the year the Sodality Council was initiated.

Until now, each division's sodality was divided into individual cells. These cells, however, often did not know what each other was doing This lack of unity kept the sodality from working at peak efficiency and retarded the sodality in carrying out its purpose—the salvation of souls through the intercession of Mary.

Sodality Council, through the use of unification, will outlaw the above deficiencies and foster the further development of Sodality. The prefect of each individual cell will be a member of the council and attend meetings similar to those of the Student Council. These meetings, with Bro. Hugh Charleson as moderator, will take place every Tuesday morning at eight o'clock.

Organizing activities and projects to serve the spiritual needs of our school will be the main purpose of the council. Included in these projects are the making and distribution of posters, various drives throughout the year, and attendance at religious functions.

The officers of the Sodality Council are as follows: Charles Bartels—Prefect, James Peters—Zeal, Robert Barczak—Education, and Dennis Mei—Temporalities.

Joseph Starck and Thomas Niemann are the Junior Representatives; James Bohmann, Robert Bull, and Kenneth Barczak are the Sophomore Representatives; and Peter Schmall, Jerry Myszewski, Robert Katzfey, and James Hoth are the Freshmen Representatives.

16th Annual Lourdes Ball; A Night Enjoyed By All

February 9 was the night for the annual Lourdes Ball at George Devine's Million Dollar Ballroom. The gala affair was sponsored by SUMA. The king was Richard Horak from Marquette and the queen was Marty Toshner from St. Joan Antida. Bosco was represented by Chuck Bartles and Jim Peters and their dates Barbara Jazwiecki of Mercy and Mary Sommers of Messmer. The Lourdes Ball is sponsored annually by SUMA and the profits go to students at St. Francis Seminary.

Editor's Corner

Those hours spent studying to get good grades in high school and college can pay off in dollars and cents when it comes to automobile insurance.

The world's largest automobile insurer, State Farm Mutual, has just introduced in California an insurance plan that allows good students a discount of 20 per cent in auto insurance rates. The company will offer the plan in other states in the near future.

The plan is designed for unmarried male students under 25 years of age who have attained good grades. Women drivers in this age group are not included in the plan because they already pay less for automobile insurance than young men.

State Farm's "Good Student" discount plan is based on the fact that superior students spend more time at their homework, less at wheel of a car—and thus aren't as likely to be involved in traffic accidents.

Zablocki Names Academy Alternate

Alternate nominees selected by Representative Clement J. Zablocki, on the recommendation of the Selection Board, to the United States Military Academies are Ronald A. Komas, a former graduate, who is first alternate to West Point, and Thomas Boyle, senior, who is fourth alternate to the Air Force Academy.

Representative Zablocki also announced that he is now accepting applications for appointments to the United States Merchant Marine Academy, located at Kings Point, Long Island.

Zablocki urged all qualified young men who are interested in a worthwhile profession to write to him for details as soon as possible. Letters for application should be addressed to: Congressman Clement J. Zablocki, 1512 New House Office Building, Washington 25, D.C.

Library workers assemble at their base of operations.

Assistants' Guild Helps Librarian

The Library Assistants' Guild has one main purpose; to help in the service of the library. The assistant aids the librarian in his work and tries to be of help to the students whenever possible. He either volunteers or is assigned a period at the charging desk, which is one of his main duties. Here books are checked out and returned, cards and books are stamped and dated, and fines are collected when books are overdue.

Everyone is expected to do some shelving, but most of the guild members are responsible for a certain section of shelves allotted to them. This means keeping books in place and in order. Several assistants also help with the processing of new books, which consists of classifying and stamping books, and then covering them with plastic jackets. Cards and pockets must also be typed and inserted. These new books are then displayed and circulated.

Other specific and occasional jobs prove the assistants invaluable. One boy counts and tabulates the book circulation of each day. Another boy types out over-due slips and delivers them to the homerooms. Several of them help with the bulletin board or display case, and still others help with periodicals or magazines.

At present, the assistants number 12. Since five of the assistants are seniors, Brother Frank is seeking new members. He is interested in juniors and sophomores in particular. Although library workers receive no awards or letters for services, they do obtain valuable experience and knowledge about books and libraries. This kind of experience not only helps one now, but also will be of great benefit to anyone planning on attending college.

Many Famous Collections Seen at the Art Center

The Milwaukee Art Center, one of the most prominent cultural associations of Milwaukee, is currently exhibiting the Bradley Collection. The collection, consisting of 38 paintings, donated over the past decade to the Art Center by Mr. and Mrs. Harry Lynde Bradley, is representative of the works of the better 20th century artists of France, Germany, Italy, and the United States. The collection is considered one of the finest assemblages in the Middle West.

Famous collections are exhibited intermittently at the Art Center throughout the year. Some of the exhibits which are on display or soon will be are the Bradley Collection, February 1 to March 4, and the John Colt Collection, February 8 to March 11.

The Art Center is open to the public Monday through Saturday, 10 a.m. to 5 p.m., and Sunday, an especially fine day for family visiting, 1 to 5 p.m. Tours, guided by staff members, can be arranged by phoning the Art Center, BRoadway 1-9508.

Ah! Valentine's Day

When you sent your girl a Valentine, did you stop to wonder why on February 14? After all it's just another day in the cold winter.

But back in the year 271, February 14 marked the death of an imprisoned priest — St. Valentine. Many of the young lovers of his time thought he was a great guy. After all, hadn't he secretly invited them to come to him and be married, violating an edict issued by Emperor Claudius?

For this reason St. Valentine became the patron of lovers, and ever since young people have been sending special greetings to special friends on his feast—February 14.

Beacon Spots . . . MEN OF ACTION

The freshmen spotlite shines on Tom Marola from room 103. Tom, who came to Bosco from Blessed Sacrament, spends most of his time playing the saxaphone for the band.

But besides the band Tom has also been an active sodalist and has always maintained his spot on the Honor Roll. Despite his extracurriculars Tom's semester average was 88.2. He also played football until a freak accident sidelined him for the rest of the year.

Out of school Tom belongs to the parish C.Y.O. As for the future Tom's only hope is to become a sophomore, junior, and then graduate.

The Beacon spot shines this issue on Tim Koetting, a sophomore from homeroom 201. In his room he holds the office of Spiritual Committee Head. He has been in the Sodality for two years and has displayed his baritone voice in the Glee Club for an equal time. He is also on the Speech team under the heading of dramatic interpretation. His acting ability will really be given reign this March in St. Mary's annual drama, in which he has the male lead. Each term Tim is an inevitable member of the honor roll, where he maintains a semester average of 94. His favorite subjects are English and Latin; his hobbies include sports, reading, and music. He is a member of St. Wenceslaus Parish. His future ambition is to be a teacher.

The Beacon spotlight now focuses itself on Jon Simons, junior from homeroom 200. A member of St. Augustine's C.Y.O., Jon maintains a position as an officer in the junior Sodality. Last year, Jon was an usher at the National Marianist Sodality Convention held at Bosco. Jon, truly one of Bosco's outstanding students in chemistry and science, contributes some of his mental talents to the science club as both participant and officer. Jon also adds his voice to the freshman glee club. Last year, due to a broken finger received during practice, Jon failed to play B-team football. For his three years at Bosco, Jon has attained a respectable 91 scholastic average. Considering the future, Jon looks to a field in either science or chemistry.

The Beacon spotlight now flashes on senior Larry Krajewski, homeroom 113. A member of St. Ignatius Loyola Parish, Larry participates in both C.Y.O. basketball and baseball, as well as in intramural basketball at Bosco. Larry heads the poster committee of our student council. His over-all scholastic average while at Bosco dwells in the realm of 93, while his first semester average of this year hit 94.2. Larry's vocation lies either in teaching or in engineering. The Beacon wishes continued success to Larry in all his endeavors.

News Notes

Tim Koch, Senior 109, has been selected to participate in the International Air Cadet Exchange Program, representing the Milwaukee chapter of the Civil Air Patrol on a tour in Europe. Tim, an active member of the CAP for the past 3½ years, holds the title of 2nd lieutenant of squadron 5, based at Mitchell Field.

* * *

Lt. General Hershey, Director of the Selective Service system in Washington, D. C. will discuss future plans for that program at 8 p.m. Wednesday, February 21, at the Northwestern Mutual Life Insurance Co. Auditorium, 720 East Wisconsin Ave.

Problems connected with the defense mobilization of our manpower is the outlook for General Hershey's talk, which will be followed by a question and answer period.

* * *

Once again, this year, the very talented Allen-Bradley Group performed at Don Bosco. The show presented in the gym on Tuesday, January 30, proved to be an evening of real entertainment and enjoyment for all.

Graphic Arts Workshop Attended by Boscoites

January was "Advertising and Printing Month," and various agencies engaged in this field sponsored the Graphic Arts Workshop for Milwaukee high school students. This workshop was held on January 20 at the Milwaukee Vocational School.

Attending from Don Bosco were Joe Graebner, Tom Niemann, and Dan Schweitzer

The students attending learned how to improve their school paper, and yet cut down on the cost. They also attended an exposition relating the history of printing, from the hand-set type and crude printing presses of the medieval period, and linotype machines and complex presses of the twentieth century. Beyond the clatter of the presses, they saw modern machines assemble and bind booklets and cut the booklet edges square. Other machines folded letters and inserted them into envelopes, which were stamped and sealed on another machine

After this busy morning, the guests were treated to a free dinner, and thus refreshed, they watched commercial artists on actual assignments. Later they heard talks on opportunities in graphic art vocations. At the close of the workshop, everyone received a freshly printed paper containing pictures and a brief review of a very interesting day.

—Dan Schweitzer

Engineers' Society Plans Career Night

As in past years, the Engineers' Society of Milwaukee is planning an annual Engineering Careers Night. This program is intended to give the high school student interested in Engineering an opportunity to talk informally with engineers practicing in major fields.

The program will be held on Friday evening, February 23, at the ESM Building, 3112 W. Highland Blvd., Milwaukee, Wisconsin. At 7:30 p.m., an informal talk by Mr. Arthur Schanley, Training Director at Nordberg Manufacturing Company, will be held with the whole group.

Following this, at about 8:00 p.m., panels will be set up on the major branches of engineering. These will be very informal and the students will have an opportunity to visit any or all that may be of interest to them. They will have an opportunity to ask questions either here or during the refreshment period which will follow at approximately 9:30 p.m. Also included in the program will be a panel on scholarships, where students will be able to get information with regard to availability and application.

What's Your Opinion?

What Do You Think of the Twist?

Marcia McLaughlin—Holy Angels Academy

Everyone is doing the twist: parents, debutantes and the old folks as well as the teenagers.

This new rhythmic dance sensation has been featured in practically every newspaper and magazine in the nation. The Charleston of the '60's offers the public a physical challenge, fun to conquer. Currently, its rhythmic beat and brisk pace have been captured in vogue.

Twist music is heard at almost every party, and twisting often proves itself an excellent feature of a most enjoyable evening. But like the majority of fads, it can become extreme. Some people declare that the twist is an immodest and immoral dance. Oothers say that the twist can injure health; broken bones and strained muscles have been reported.

If the twist is kept within limits of common sense, the new fad is a vigorous dance, twisting its way up the ladder of popularity.

Carol Sendik—Holy Angels Academy

Looking remarkably like a person trying to spin an invisible hula-hoop, the twist has captured American dance life.

This new fad surpasses rock and roll and the most recent cha cha in popularity. Already it has circled the globe. Lately even international society's 67 year-old Duke of Windsor essayed the twist at a Paris ball. His reaction? "It was amusing, but a bit strenuous."

As in all fads, moderation must be used in this fast-moving dance. The twist can be great fun at a party or a get-together not only for teens but for dancers of all ages. Of course, when people go overboard, the twist—like any other dance step —may become vulgar and crude.

Take a look in the mirror while you are performing the modern gyration, and decide for yourself whether or not your twist is within the bonds of reason and morality.

Should the Voting Age of 21 Be Lowered?

Meribeth Petry—Mercy High School

Voting is one of the most serious steps in our lives. By voting we elect public officials, the leaders of our country. The people we elect are our voice in government. I feel that to do true justice to the privilege and duty that is bestowed on us we must be concerned about the parties, positions, and the people we are to put into office. The years between 18 and 21 are apt to be too filled with social life and not enough time is set aside to consider the candidates running for office; so just to excerise our right to vote we might be voting for the most unqualified, thus doing more harm then good. At 21 we are more mature and we will take time to consider our candidates. Therefore, I believe the voting age should remain at 21.

Romaine Barczak—Mercy High School

I feel the voting age of 21 is fine. At a younger age most people are not sufficiently mature to vote in an adult manner. Although in high school we do get a background in government and politics, life is considered the best teacher.

After graduation we, as prospective voters will want to study and read up on the candidates, their policies and background in order to participate in any discussion that may arise on the subject. These years until we become of age will aid us to develop ourselves in making sound judgments of candidates in years to come.

Beacon staff L-R: seated, Steve Penn, John Chaplock, Ken Kujawa, Tom Olszyk, Rod Pribbanow, standing, Mike Lukasik, Tom Kilian, Bob Reusch, Bob Bartels, Dan Schweitzer, John Plewa, Jim Daly.

Senior Beacon editors L-R: Dennis Mei, sports; Gary Nadolski, business; Joe Graebner, editor; Bruce Chandler, associate editor; Mike Cesarz, assistant editor.

Cafeteria worker L-R: F. Kletczka, J. Katzfey, R. Stencel, A. Kaspar, J. Judziewicz, M. Slawnik, R. Bartels, J. Katzfey, K. Multhauf, D. Florek, T. Schneider, W. Graf, J. Bilot.

The Bosco Beacon–Student's Paper

For over 16 years the **Bosco Beacon** has been the student's newspaper, informing them of events in and around the school. This great task of bringing the news of the school to the students involves many jobs.

A far-ranging network of jobs begins a month before each issue. First, the amount of advertising is determined and topics for news, features, and sports are listed. These articles are then assigned to the **Beacon's** roving reporters, who are granted about a week to cover the story. During this time, the Photography Department is active supplying the necessary pictures.

When the articles have been turned in, revised, and typed, the paper begins to take a definite form. Still layouts have to be drawn up, articles headlined and proofread, before the final OK is given to start rolling the presses.

The great task however, still goes on. The printed papers yet have to be folded, counted out, and approximately 300 are mailed to different schools, teachers, and advertisers.

At present, the **Beacon** has a large enough staff so that with everybody putting in much work the paper does come out the third Wednesday of every month, but this is not as it should be; many people putting in hours would prove much more lucrative. The few writers who do contribute regularly are pressed for time and could use assistance from new writers. The **Beacon** claims to be based on the democratic principle of a paper **of** the students, **by** the students, and **for** the students. To achieve this aim the **Beacon** needs a larger staff.

Cafe Crew—Men of Action

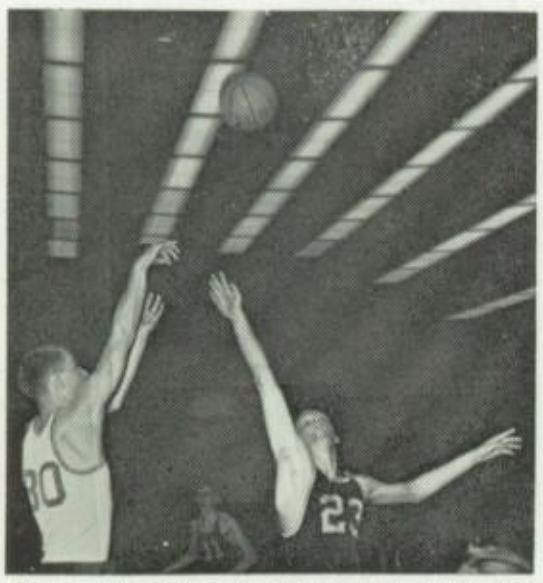
The cafeteria workers are a group of student volunteers who give up a large part of their lunch period for the service of their fellow Bosco students.

Action starts as cafeteria workers assemble in the cafe. Some workers go behind the counter to distribute food. The rest of the workers line up to get their meals first. Then, after hastily consuming their food, they station themselves at their jobs and start working. One member of the crew handles the dish cart and transports the dirty dishes from the plate scraper to the kitchen. Once in the kitchen the plates are sorted and sent through the dish washing machine by the man in charge of that job. Finally, a group of students dry, stack, and put the dishes away. Thus another cafeteria shift ends quietly.

Dons Clip Popes, Whip Lancers, But Flip To Angels; Conference Log 5-4

In the past six games our Dons have scored 5 victories, which include St. Thomas, St. Bonaventure, Pius, Dominican, and St. Joe's. Our only loss came at the hands of St. Kate's.

Our Dons managed to keep up with St. Kate's throughout the first half, but



Greg Schulte jumps, but not high enough to block his opponent's shot.

at the start of the 3rd quarter the Angels just seemed to be a new team. They later went ahead to beat our Dons 67 to 48.

In the 3 non-conference tilts with St. Thomas, St. Bonaventure and Dominican, our Dons proved to be far superior in shooting and rebounding. During the Dominican game, Bro. Sohm put in our probable first string of next year which consisted of five Juniors who did a swell job.

Bosco also defeated St. Thomas and St. Bonaventure 63 to 47 and 65 to 54, respectively. The most exciting game of the year was the Pius-Bosco game which Bosco won in three overtimes. The game was nip and tuck all the way until the 3rd overtime when Jeff Redman let loose a barrage of free throws which won the game for us. Bosco had been down by two points with 16 seconds of regulation time left when Rog Vopal tied the score with a nifty layup. Pius immediately called a time out. The play Coach MacMahon supposedly planned did not work and at the sound of the buzzer, Rick Theisen swished a 40-foot desperation attempt. The officials said it was too late. Therefore we were thrown into our first overtime. Theisen swished another long shot with about five seconds left in the 2nd overtime, tying the score and caused another overtime. Finally Bosco, aided by Jeff Redman's 10 points in the overtime sagas, came out on the right end of a 64 to 59 verdict.

The latest romp took place against St. Joe's of Kenosha as Bosco tallied for 84 points, the highest this season, to only 42 for the Lancers. Kocs was high man with 19 points while the rest of the scoring was evenly spread out among 10 other Bosco tallymen.

With two games left, Bosco's conference record is 5-4 while our overall record is 12-6.

Beezers Hold Their Own; Show 8-8 Record to Date

On January 26th the Beezers invaded Sturtevant to play the St. Bonaventure Cardinals. From the start to the finish, the Junior Dons were in complete control. Led by a balanced scoring attack and aggressive defense, the Dons won handily, 36-15.

The next opponent for the Dons was Pius. At the start of the game the Popes took a commanding 16-2 lead, but the Beezers didn't quit. They fought Pius to the end, but the Popes, with their overwhelming height and excellent shooting, were too much for the Dons. The final score was Pius 59, Bosco 43.

On February 4th the Beezers were invaded by the White Knights of Dominican. The game was nip and tuck all through the first half with Dominican leading by one point at the intermission. At the beginning of the second half, Dominican quickly took a nine point lead, which they held until there were three minutes left in the game. It was at this point that the Dons came bouncing back, cutting the lead to one point with four seconds left in the contest, but when a desperation shot failed, the Dons had suffered their second straight defeat, this time to Dominican by a score of 47-36.

The latest opponent for the Dons was St. Joseph. All through the game the Dons were plagued with poor shooting and lack of good ball handling. Thus the Dons met their third straight defeat; the score was St. Joe's 42, Bosco 32.

The Junior Dons conference record is two wins and five losses while their over-all record is eight wins and eight defeats.

—Dan Goodmann

Ceezers Hold 7-6 Record

The third game of the freshman basketball season was played at Don Bosco against Marquette. In the fourth quarter with Tony Marino leading the scoring attack, the Ceezers tried to come from behind but time ran out after a valiant try. The final score was 44 to 34 and Tony Marino was high with ten points.

Pius next challenged the C-team in Don Bosco's gym. The score was tied with three seconds left when Tony Marino broke the tie and put in the winning basket. Tony again was high with 14 points and lead the team to a 36 to 34 victory.

December 15 placed the team in Racine to play St. Catherine. Once again an attempt was made to come from behind but the Dons couldn't make it, and the final score was 52 to 36 in favor of St. Catherine. Scoring was led by Tony Marino and Mike Kiekow.

Next, the Ceezers met the challenge of Francis Jordan at Bosco. Through superior ball handling and the high scoring of Gary Schmidt and Tony Marino, the Ceezers came out on top 38 to 27.

With a record of four and two, and looking for another win, the C-team traveled to Messmer. Behind the high scoring of Tony Marino and Mike Lazewski, the Ceezers whipped Messmer 41 to 30.

The accurate shooting of Tony Marino gave him 20 points and the team a 41 to 37 victory over Notre Dame. Notre Dame's scoring was attempted mainly by Riley.

Marquette avenged their first loss by defeating Don Bosco 46 to 28. Mike Kiekow and Tony Marino led the scoring with Mike Lazewski helping on rebounds

The Ceezers then traveled to Kenosha to beat St. Joe's 33 to 23. Tony Marino scored 20 points and Ron Grzesk scored eight. This gave the freshman team a record of seven wins and six losses.

Knight Light

This issue , the Knight Light features Mike Krzewinski, the tall, masculine president of junior homeroom 215. Wrestling is currently heading the list of Mike's many activities. "Anamal," as Mike is known on the mats, has won nine of his eleven meets, losing only to St. Joe and East.

In the homeroom, Mike has been a class officer for three years. Mike holds his own in the baritone section of the Glee Club and participated in Bosco's WCAC Talent Show Entry. Writing for the Beacon is another one of Mike's responsibilties.

Outside of school activities, Mike is active in Explorer Scout activities in the Milwaukee area and could earn a trip to Washington D.C. if all goes well. Besides all of these activities, Mike still gives all girls a fighting chance and enjoys eating pizza.

—Fred Tessler

Wrestlers Tromp Pius, Marquette, Memorial

Since the last **Beacon** issue, the wrestlers of Don Bosco have swamped Marquette, Pius, King, and Memorial. Against Marquette only one Don was defeated while Gradiznick, Kolodzinski, Patti, Liddle, Flayter, Tessler, Wingert, Katzfey, Gautheir, Krzewinski, and Datka racked their men for a 49-3 triumph. As for Memorial Gradiznick, Kolodzinski, Patti, Gauthier, Krzewinski, and Bartels all turned in victories. Then came King where Greg, Scheff, and Mike Szmaczak made their debut. Scheff lost a tough 4-2 match, but Mike pinned his man in the second period. Against Pius, the Don matmen had little trouble. Copeland, Bolman, Kolodzinski, Patti, Liddle, Flayter, Tessler, Wingert, Katzfey, Krzewinski, and Datka all smashed their opponents giving Bosco a whopping 49-3 victory.

Bowling Teams Formed

Intramural bowling has been in progress for two weeks, and already, several high series have been rolled, the highest being a 602 by Doug Sturomski.

This year, the tournament embraces three separate leagues: Freshmen and Sophomore leagues which bowl at Mitchell Recreation, and a Junior-Senior league which bowls at Pinky's Lanes.

The Freshman league is composed of seven teams: the 102 Strike-Outs, 102 Pin Busters, 103 Mizers, 202 Pinheads, 202 Alley-Kings, 203 Holy Rollers, and the 203 Frosh Five. So far, the Frosh Five, Strike-Outs, and Alley Kings have set the pace by compiling perfect records.

The Sophomore league consists of six teams: the 201 Gutter Dusters, 201 Ramrods, 207 Alley Aces, 207 Alley Cats, 209 Playboys, and the 209 Alley Dusters. All six teams are bowling fairly consistently, and there should be a hard-fought battle for the championship.

In the Junior-Senior league there are nine teams: the 200 Infamous Five, 200 Lucky Strikes, 212 One-Eyed Jacks, 213 Magnificent 7-2, 109 Nomads, 111 King Pins, and the 112 Rinky Dinks.

Happy Easter From The Beacon Staff

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, April 18, 1962 Volume XVI—No. 7

Mayor Meier delivers his speech at the annual All-Activities Banquet. On his right toastmaster Eugene Grobschmidt looks on.

Mayor H. W. Maier Featured Speaker at Activities Banquet

Fine forensic manifestations highlighted this year's all-activities banquet at Don Bosco, Sunday, March 25. Mr. E. Grobschmidt, the qualitative toastmaster, informally launched the banquet with a spray of humor, along with a light badinage of South 6th Street road construction. A prayer by Father Hackenwerth formally opened the dinner. The annual impatience for the choosing of the various tasty foods subsided with Brother Towers' direction for an orderly buffet dinner.

After the dinner, Mr. Grobschmidt introduced the special guest of the evening, Hon. Henry Maier, Mayor of Milwaukee. The mayor stated how high school students should make plans for Milwaukee and for the future as good citizens. As our plans expand Milwaukee, so too must we grow with the city. The mayor's appearance marked the initial attendance of a Milwaukee mayor at the Activities Banquet.

Following the mayor's inspiring speech, the moderators of the various activities introduced the honored guests of the evening, totaling more than 100 students — a great tribute to Bosco's family spirit. After several closing words by Brother Dan Sharpe, Father Hackenwerth ended the 1962 Activities Banquet with a prayer.

Remember students of Don Bosco: there are Bosco activities which need you; don't let your school down, or yourself down. Utilize your talents, join a activity now, or make it a must for next year.

Kocs Elected King, Barczak Prince

The 1962 Don Bosco Prom will be held Friday, Mayy 11 at the Pfister Hotel from 8:00-11:15 p.m. The reigning royalty will be Dennis Kocs as king and Bob Barczak as prince, with their dates.

"Moments to Remember," the theme and other appropriate selections will be played by Obert Anthony and his band.

Dennis Kocs

Robert Barczak

Spring Concert

One of sure signs of spring at Don Bosco is the preparation made by the glee club and the band for the annual Spring Concert. The concert, sponsored by the Band Parents Association in conjunction with the parents of the glee club members, will be presented on May 12 and 13 at 8:15 p.m. in the gymnasium.

Opening the program, the band will play some traditional marches, novelty numbers, and competition numbers. There will also be a musical salute to the 100th anniversary of the Civil War. Plans are being made to feature different soloists at each performance.

The theme of this year's concert is "Show Time." As the title indicates the latter part of the performance will be dedicated to musicals made famous on Broadway. The glee club and the band will alternate and present melodies from hit musicals. Selections from "Gypsy," "Wizard of Oz," and "The King and I" will be presented by the band. The glee club will sing highlights from "My Fair Lady" and "Student Prince." Various glee club soloists will be featured.

The glee club under the direction of Miss Nuti and the band under the direction of Mr. Kanaskie have been working very diligently to present a truly entertaining evening, for the enjoyment of the school.

—Alex Sklenarz

The prom is semi-formal. The dress of the porticipating couples must conform to the Archdiocesan standards.

Tickets may be purchased for $4.50 or $1.75 if you purchased a bid before April 4.

* * *

Date Recipe

INGREDIENTS — Sugar and Spice (supplied by St. Mary's, Mercy, Holy Angels, and St. Joan Antida's girls); Bosco freshmen and sophomores; and a few brothers.

DIRECTIONS—To one half gym of girls sift in an equal amount of boys and add brothers ((catalyst). Stir with one band for about three hours (8:00-11:30).

CAUTION—Do not allow ingredients to stick to the sides. Do not expose to bright lights.

Try this recipe April 27, at the Frosh-Soph mixer. Very little dough is needed (50c).

Editor's Corner

He Died; We Are Saved

Nearly 2,000 years ago, somewhere in the remote reaches of a cold world, there hung from rough wooden timber a limp, haggard hulk, fading slowly, mutilated and ravaged by horror. This was our redemption. One body was crucified—the body of Christ. But not only His physical body was crucified, so was His Mystical body of which we are all members. It was not the Plan of Redemption that Christ died for us, it was rather that He died **with** us as one. But how could we have died with Christ 2,000 years ago when we are very much alive now? This is a good question, but one to which we have no sufficient answer. This is because it is a mystery—the mystery of Redemption. We can say, however, that we were a part of that one perfect in the history of the world, mystically, because we are members of the Mystical Body.

But even then the death of Christ was the perfect act of salvation, almost as a contradiction, we say that this was not enough. For this one perfect historical event lives on in us. At the moment long past Christ flipped the bill, so to speak. But each of us must repay the compliment. We suffered and died then mystically; we must suffer and die now physically. At first this may seem frightening, but with some thought it becomes beautiful beyond imagination. Suffering is the result of sacrifice; sacrifice is the result of LOVE

No truer words are there than those of the Cure of Ars: "The Cross is the gift God gives his friends."

Scott Weyda Elected to Soloist Hall of Fame

Mr. E. T. Kanaskie, Director of Music at Don Bosco, received a letter March 22, from Mr. Forrest McAllister publisher of **The School Musician,** an international music publication, notifying him that Scott Weyda a Senior at Don Bosco High School, and a member of the high school band has been elected to "America's High School Soloist Hall of Fame." He will be honored in the April issue of **The School Musician,** sponsor of the Hall of Fame. This issue will go into the mails March 28th.

Scott Weyda soloist and 1st choir trombonist of the band started his musical training at the age of 9 while a student in the Burdick Grade School. Scott started his musical training on the clarinet, however, after several months he changed to trombone. While in high school besides continuing the study of trombone he started to study the baritone horn.

He has been entering Wisconsin School Music Competitions both District and State since his sophomore year in high school, he has played in A-division.

As a freshman he was awarded the Summer Band Camp scholarship to the National Catholic Bandmasters' Camp held at Notre Dame University. He has attended each Summer Camp since then playing 1st chair 2nd trombone his first year, moving into the 1st trombone section his second year and playing solo 1st chair in 1961, when the summer camp was held at Quincy College, Quincy, Illinois.

He was elected the best musician in camp by a unanimous vote of the camp faculty and received the trophy given by the camp. He is the holder of many medals from his various competitions.

Scott is the son of Mr. and Mrs. William Weyda, 4323 S. Lenox St., Milwaukee. He plans to attend college next year, majoring in music education.

Mr. E. T. Kanaskie

Bosco Senior To Be On "Countdown"

10-9-8-7-6 . . . This is the age of countdowns; the newest kind of is CAMPUS COUNTDOWN. It's a fast-moving competitive quiz program designed to stimulate high school student interest in the areas of math, physics, chemistry, and engineering.

5-4-3-2-1 . . . Blastoff is scheduled for Saturday at 5:00 p.m. on CHANNEL 12, WISN-TV.

Bruce Chandler, senior of Homeroom 113, has been selected to participate on the April 21st program of this exciting series.

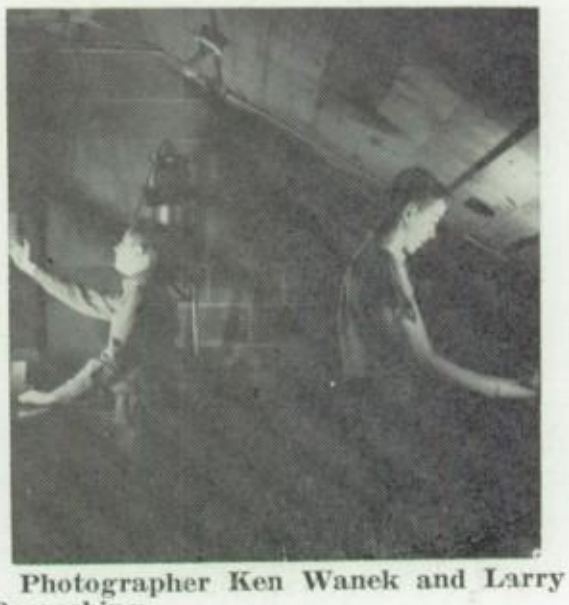
Produced in association with the Milwaukee School of Engineering, CAMPUS COUNTDOWN matches the scientific wits of four different high school students each week, with a trophy going to the weekly winner. The four contestants recording the highest scores during the course of the first 12 programs will be invited to participate in the finals on Saturday, July 7. At stake will be a four year scholarship to the School of Engineering.

Flash! Photography Club

One of the most important among the numerous activities at Don Bosco is the Photography Club.

The main purpose of the club is to instruct those interested in acquiring photographic skills, thereby benefiting both the photographer and the school.

Our photography club is managed by Larry Doersching and his assistant Ken Wanek. Brother Michael Zarr, the club moderator, instructs the members in new aspects of photography.



Photographer Ken Wanek and Larry Doersching.

The work of the photography club is very helpful to the football team. Each football game was filmed. These films proved invaluable to both coaches and the players. Team weaknesses that are revealed by the films can be corrected more easily.

Another importont job of the photography club is the coverage of important social events; such as the very competent job accomplished by the club at the Military Ball. Most pictures appearing in the Beacon and the Don are processed by the photography club.

In the very near fluture the club will be undertaking frosh and junior class pictures and color photography.

Pictures for any event covered by the photography club may be purchased at the following rates: 5x7, one 40c, two, 75c, 8x10, one 75c.

The competent service rendered by the photography club is most appreciated by the students and by the school.

Bob Ahlmeier

Bosco Band Provides Instruction, Enjoyment

The Don Bosco Band was organized to provide musical entertainment at various school functions and to develop musical ability in the individual band member. In 1952 Mr. E. T. Kanaskie became the first permanent band director and has remained at that position.

The band is both a marching and concert unit, and performs equally well at each. The band plays at football games, pep rallies, and civic parades. An annual Christmas program and the Spring concert is also presented by the band in conjunction with the Glee club. This year the band and choral members participated in the WCAC Talent Show.

The members compete individually in state muisc competition. The band also participates as a unit in state competition. The band truly achieves its purpose in providing good music for the appreciation of the students.

Dons Claim New Basketball Coach

The 1963 varsity basketball squad will be coached by Mr. Richard Knar, who will take over the position formerly held by Brother Eugene Sohm. Mr. Knar was formerly coach of the B-team basketball squad.

Mr. Knar was born in Stanley, Wisconsin, where he attended high school. He won letters in football ,basketball, and baseball. After graduation from high school he attendel St. John's college, where he also lettered in baseball and football. Later he transferred to Eau Claire college, and graduated from that institution with a major in mathematics. He played semi-pro baseball for five years. From this he went to teach and coach at Marquette high school.

Mr. Knar

However, while teaching at Marquette tragedy struck. Mr. Knar was involved in an automobile accident. He sustained forty-seven fractures and innumerable lacerations. He lay unconscious for another three months. His entire body was put into a cast, in which he had to stay for nine months. When he was finally released from the hospital, Mr. Knar had to learn to walk again.

At the start of the 1960 school year, Mr. Knar came to Don Bosco and that year coached freshman football and B-team basketball.

In addition to excellence in coaching, Mr. Knar is tremendous as a teacher. He teaches plane geometry, solid geometry, algebra I, and advanced algebra.

The Beacon staff congratulates Mr. Knar, his wife, and his two fine little girls, and wishes them best of luck.

Student Artist Displays Work

Italy had Michelangelo, and Bosco has junior Michael Gapinski, homeroom 212. A member of St. Mary's parish, Hales Corners, and one of the finest, if not the best, artists at Bosco, Mike has astonished teachers and students alike with the versatility of his creative ability.

This ability was candidly exposed last month during the display of eight of his finest paintings and an exact replica of the Shakespearean stage of the

Mike Gapinski

Globe Theatre. The stage, with hand-carved railings, balcony, shingled roof, and stained glass windows, took Mike more than 100 solid hours over a two-month span.

Since his freshman year, when he first took an interest in art, Mike has proudly produced over 20 paintings on canvas. Much of the scenery of last year's Spring Concert is accredited to Mike. For several hours each Saturday Mike attends the Layton School of Art. The **Beacon** expresses good fortune to Michael Gapinski in successfully canvasing his future.

—Ken Jujawa

Janitors: L-R: Mr. Muehlbouer, Mr. Kasprzak, and Mr. Klein.

Beacon Spots . . . MEN OF ACTION

The Beacon spotlight is now focused on Bruce Chandler, a well-known senior from homeroom 113. Bruce, who represented Bosco at the Journalism Workshop at the University of Wisconsin last summer, has been on the **Beacon** staff for three years, and is now doing excellent work as the associate editor of the **Beacon**. Bruce's other activities extend from his three year membership in Don Bosco's Science Club to the editing of the 1962 Activities Banquet booklet. Despite this heavy schedule, Bruce has succeeded in keeping his name on the honor roll constantly.

Outside of school, you can usually find him filling his spare time with his hobbies, electronics and "ham" radio, or participating in the activities of St. Florian's CYO.

Bruce plans to enter the field of electrical engineering. The **Beacon** wishes the best of luck to Bruce Chandler in both his remaining time here at Bosco and in his future life.

The **Beacon** spotlight shines on Mike Cesarz, a senior in homeroom 109. Mike hails from St. Hyacinth's and is a member of the CYO. At Bosco, Mike is involved with several extracurricular activities; among them, Sodality, of which he has been a member for 3 years, **Beacon** staff writer, and chairman of the Student Council's printing committee. Scholastically, Mike consistently scores highest in the senior division. Because of his interest and ability in science, he won the Bausch and Lomb Honorary Science Award this year. His hobbies include reading and sports. As for the future, Mike plans to attend Marquette University and major in engineering.

The Beacon Light shines in our darkroom, where Larry Doersching spends most of the evenings of the school year. He is a junior of 213 and is one of the men responsible for all the pictures taken here at school. Besides his work in the darkroom, Larry has been an active Sodalist for three years, and he is a member of the glee club. He has also appeared in operettas at St. Mary's Academy, since that school is a little short of male actors. This year Larry is a member of Pre-SUMA. Besides all these activities Larry still finds time for study, as evidenced by his almost regular appearance on the honor roll. Regarding future developments, Larry pictures himself as a math teacher.

The prominent sophomore of the month is Richard Surges of room 211.

During his years at Bosco, Dick has consistently attained the Honor Roll. This year he especially enjoys Latin and Geometry. Dick has also been a member of our Sodality and St. Rita's CYO for two years. In his homeroom Dick is a mission collector and is also in charge of religious displays.

Outside of school, our man with the powerful legs skates with the West Allis Speed Skating Club and races with the Milwaukee Wheelmen, a local bicycle racing organization.

After high school, Dick plans to attend Marquette University and major in dentistry or pharmacy.

'Silent Service' Keeps Bosco Clean

Every school has its own "silent service," the men seldom seen, and Bosco is no exception. I'm talking about Bosco's trio of maintenance men: Val Kasprzak, the head janitor, and his assistants, John Klein, and Joseph Muehlbauer. The job of maintenance is no push-over. It takes know-how in many operations, and this know-how comes with experience.

Bosco's maintenance men certainly have experience: V. Kasprzak, 16 years; J. Klien, 14 years; J. Muehlbauer, 8 years. All these years of service have been at Bosco. Val takes care of the gym and general repairs, while John handles the second and third floors of the school edifice. Joseph manages the first floor and basement.

The **Beacon** gives tribute to Bosco's maintenance task force for their long service at Bosco, and, most of all, for their continuous fine work in those large and small, unnoticed tasks that add to a school's harmony.

—Ken Kujawa

Wrestlers Net 2 Individual Crowns

Despite a fourth place finish Bosco matmen captured two individual championships. In 183 pound class Mike Krzewinski defeated, in the first round, Chuck Zarletti of St. Joe's 3-0. Zarletti beat Joe DeVita for championship last year at 183 pounds. In the 141 pound class Fred Tessler, after breezing through two earlier matches, met 3-time champ Dave Frischman of Memorial and beat him 4-1.

Mike Wingert, Jim Bohman and Jerry Gradiznick captured second place Jerry losing in an overtime match. Larry Patti took home a bronze, third place medal. Other Bosco wrestlers, Jerry Katzfey, Dave Gauthier, Bob Leese, Greg Scheff, Bob Flayter and Chuck Bartels were eliminated in the first round. Dick Flayter last year's champ at Don Bosco was unable to wrestle because of a broken right arm sustained at practice. John LaFleur last year's champ at 115 was out because of a cracked pelvis.

Bosco finished with a 10-4 dual meet record, the best in several years. Two of the losses were by 1 or 2 points.

Kocs on All-Conference

Dennis Kocs

The students of Don Bosco wish to congratulate Dennis Kocs for being selected the all-conference forward for the Milwaukee Sentinal. Dennis deserved this award very much for his great basketball ability and his all around effort to put Don Bosco on top. Dennis along with Tom Myszewski represented Bosco in the City-Catholic All Star Benefit game at Pius on Friday, March 23.

Sympathy

The faculty and students of Don Bosco High School would like to express their deepest sympathies to the families of Mrs. Robert E. Osborne, Mr. Nick Marino, Mr. James Hosler, Mrs. Edwin Kruszka, and Mrs. Louis Stanecke.

They also proved to be one of the better athletic teams at Bosco. The coaches, Mr. Ron Fieber and Mr. John La Fleur certainly deserve a good share of the glory gained by their fine team of Bosco men.

Dons at Tourney

On Friday night of the Regional Tournament, Bosco's opponent was St. John's Cathedral. It was a low scoring game which was the result of frequent errors by both teams. Cathedral managed to keep up with the Dons for the first quarter and then slowly fall behind. One of the reasons for Bosco's low scoring was the absence of Dennis Kocs, the teams leading scorer. His spot was handled by Roger Vopal who did a fine job. The entire squad, save Kocs, saw action in this game; the final score being Don Bosco 54, Cathedral 29.

—Tom Harrington

* * *

Dons Vs. Marquette

The Dons returned Sunday to face a much improved Marquette squad. The Dons were again hampered by frequent errors on which the Hilltopper's capitalized. Marquette got the jump by going out ahead by ten points. Although Bosco settled down and played fairly good ball for most of the game, they could not make up the ten point deficit. Then in the fourth quarter, Marquette became really hot and went ahead by twenty the final score in this game was Marquette 72, Bosco 53.

THE BOSCO BEACON

Don Bosco High School, Milwaukee, Wisconsin

Wednesday, May 16, 1962 Volume XVI—No. 8

"Show Time"

On Saturday and Sunday, May 12 and 13, Don Bosco's Music Department presented the annual Spring Concert.

The theme of this year's presentation was "Show Time." Songs taken from such famous productions as: "Camelot," "My Fair Lady," "The King and I," and "The Music Man."

The band under Mr. Kanaskie, and the glee club under Miss Nuti worked laboriously preparing our spring musical to make it a success.

The appreciation by the large audience showed that this work was not in vain. We can hope for many more excellent concerts in the future.

Did You See It?

During the past few months, a number of Don Bosco students, some with their friends, who weren't always boy friends, and some who obtained tickets for their parents but sat, shall we say, far away, were entertained at the Fred Miller Theatre. They undoubtedly enjoyed what they saw, for no one has made any bitted criticism to their evening out to the dramatic theatre. Though I cannot speak for all and speak so justifiably, I can say that a majority did like what they saw.

What did they see? Oh yes, but of course, I can't forget to mention what they saw. The first play was entitled "The Taming of the Shrew," and as you may have already guessed, it was written by that renowned author William Shakespeore. Next our students were able to see "The Crucible," written by Arthur Miller, and based on the Puritan customs and fears surrounding the world of mysterious phantasma and the witches with foul-dealing curses. Next on the card was hilarious, if you don't mind being a little discreet, the hilarious "Charley's Aunt." It was a fun-loving play about two boys in love. Their love, and another boy's impersonation of the other's aunt, tends to make everyone in love.

The play ends with each player falling in love with the one he loves most and the audience in love with the whole kit and kaboddle.

Sodality Day of Recollection Held

The second Sodality day of recollection was held on Sunday, May 6. The ceremonies were opened by Father Hackenewerth who introduced the speaker of the day, Mr. Fieber. After his fine talk on the importance of taking the Sodality seriously, the audience broke into small discussion groups. In these individual groups the Better World Meditation was read and then all present took exceptionally active participation in the discussions. Next were the advancements in which twenty-three freshmen and three sophomores were promoted to the ranks of aspirant, and five sophomores and two juniors were advanced to the rank of probationer. Also eight seniors—Chuck Bartels, Bob Barczak, Jim Peters, Jeff Schrank, Jim Hempel, Rod Pribbanow, Denny Mei, and Bill Graf—made promises to meet next year in discussion groups at regular intervals. Then after Mass and Communion, the assembly was dismissed.

What Are You Doing This Coming Summer

For the eighth summer, Marquette University will conduct a nationally recognized college skills program for high school students beginning June 25.

Designed to aid in the development of skills necessary for college level work, the program is open to June graduates or students who will enter their senior year in high school next term.

Courses are offered to improve competency in reading, writing, art of thinking, vocabulary-spelling and study skills. With a few exceptions, classes meet evenings for six weeks and are taught by Marquette for faculty members.

Completion of the program is not a guarantee of admittance to the college or university of the student's choice.

Applications are now being accepted by the Marquette University summer school office, Carpenter Hall, 617 N. 13th St., Milwaukee 3, Wisconsin.

Tessler Elected S.C. President

That time of the year, when posters decorate the walls, "plug" cards and novelties are given out, hands are shaken, and promises are made, has come and gone.

Student council elections began in earnest a few weeks ago when a nominating committee of twenty-four studens: three from each junior homeroom, two from each sophomore homeroom, and one from each freshman homeroom, chose the following juniors as candi-

dates: Phil Datka, Tom Harrington, Rick Kais, Mike Krzewinski, Tom Niemann, Jeff Redman, Joe Starck, and Fred Tessler. These men then began the strenuous and perplexing task of campaigning. Countless students backed their condidates and by the time May 2 rolled around the most prevalent topic concerned the subject of support. On this day sixteen chosen sophomores and a few faculty members counted the votes.

It was found that 96 per cent of the student body voted and chose Fred Tessler as President, Phil Datka, Mike Krzewsinski, and Tom Harrington as Vice-President. This stellar foursome will take office when we return to school in September. They undoubtedly will continue to perform as tremendous a job as our past officers have done in making Don Bosco's Student Council the best in the city.

IS YOUR NAME AMONG THESE STUDENTS?

May Month of Mary

The Blessed Mother, our Patroness, was honored Monday, April 30, at one of our infrequent special assemblies. The assembly officially opened May, the month dedicated by the Church to Mary, at Don Bosco. The glee club sang the Ave Maria from the Marianist hymnal. Father Hackenwerth spoke to the student body about honoring Mary. He told the Boscoites to go "all out" for Mary, and accomplish great things for her. We were encouraged to be good and faithful sons of Our Blessed Mother. The program closed with Benediction.

Library Meeting

Seven Bosco Library Assistants were part of the caravan of the Milwauee area that attended the Spring Meeting of CSLAG at Oshkosh on April 14. Tom Schneider, who has been the State Treasurer of the Guild, reports that there are 22 paid member schools at this time.

Besides Brother Frank and T. Schneider the following made the trip: Wayne Kaye; Elmer Olsen, Robert Gramins, Calvin Nowak, Dennis Gostomski, and Kenneth Wantuch.

Next year's annual meeting will be at Pius High or at Kenosha, depending on the outcome of the May elections.

Four Obtain Fifth Term Highest Honors

Don Bosco Parents Elect New Officers

The Home and School elections were held at Bosco on Tuesday, April 24th. The results were as follows:

President—Mr. Frank Matulis

Vice President—(religious activities)—Mrs. Walter Sprangers

Vice President (social and cultural activities)—Mrs. Anthony Niggemann

Secretary—Mrs. John Myszewski

Treasurer—Mr. Roger Fredrich

Congratulations to these new officers who will, we are confident, provide the requisite leadership to maintain the invaluable functions of their organizations.

Sympathy

The faculty and students of Don Bosco express their sympathy to Brother Matthais Kessel on the death of his father.

Sodality Leadership Conference August 26-30

Plans were recently announced for the forthcoming Leadership Conference to be held from August 26 to 30. The Conference will service Sodalists from schools taught by Marianists in the Greater St. Louis area, Chicago, Milwaukee, and Texas.

The objectives of the Conference are: to give the Sodalists to fulfill leadership roles in a controlled environment, to instruct the Sodalists in the principles of the Sodality and finally to plan Sodality programs in the various participating schools for the 1962-63 school year.

Although the conference is new to the St. Louis area, successful conferences have been conducted by Marianists in the Cincinnati, Cleveland, Pittsburgh, and New Yor areas. The Conference is an important part of the formational program of the Sodalist.

The staff for the Conference will be teaching brothers and priests of the Society of Mary who are presently active in Sodality work in the participating schools.

The camp site chosen for the conference is the excellent and beautiful Camp May on Beaumont Reservation in Southwest St. Louis County.

It is planned that the conference will be an annual event and will take its place along side other Sodality formational means such as the meeting, retreats, study days and conventions.

The students from Don Bosco participating in the Conference are: Joe Starck, Larry Doersching, Tom Niemann, and Jim Bohmann.

Don's Unbeaten

Don Bosco's baseball team has jumped off to a great start.

In the first game, Jeff Redman and Jim Peters combined their pitching talents to beat Messmer 6-1. The next game proved to be a tough one for the fighting Dons. A pitching battle developed between Jim Peters and Mike Dawn from Pius. The game ended in a 1-1 tie, finally being called after ten inning of play because of darkness. Don Bosco next met Waukesha Memorial. Once again Peters pitched a fine game, beating Memorial 8 to 3. All three of Memorials runs were unearned.

Notre Dame proved no problem for Bosco. The Bosco nine, unleased an unmerciful attack on the Redwings four pitchers. While Notre Dame was only able to touch Jeff Redman for one unearned run. Bob Barczak pitched the last two innings in fine style. The final score was Bosco 17, Notre Dame 1.

The unbeaten nine then traveled to Racine to play St. Catherine's Don Koenings, Angel pitcher, proved no mystery to the Bosco hitters. Don Gaynor got three hits, while Ken Bellanti and John Zanotti both got two hits. On the other hand, the Angel's batters could not come near to Jim Peter's blazing fast ball. Peters allowed only three hits and struck out thirteen.

Out on the Green

Fore! Once again the golf team is ready for another season of driving, chipping, putting, and the like. Led by the return of two major letter winners, Bill Peters and Joe Starck, the team should stay in contention with other high-ranked schools as St. Joe's of Kenosha, and St. Kate's of Racine. The first match was lost to St. Joe's, 386-380; the second match was a close one, but in the end Francis Jordan won by one stroke. The next three matches were victories for the Don's They beat Messmer by 20 strokes, Cathedral by 30 strokes and Dominican by 20 strokes.

Dick Flayter has been playing a very good game, and he holds the lowest average on the team. The top four men are looking forward to two big tournaments to be held Friday, May 25 at Whitenall Park, and the State Tournament to be held Ascension Thursday, May 31 at the Kenosha Country Club.

To a Don Knight

This time the knight light shines on Bob Kopecki, senior of homeroom 109.

Bob was the number one guard on our varsity football squad both this year and last. During the previous year, Kopecki played several outstanding games. For this Bob received a football scholarship to a college in the midwest.

During these spring months, Bob spends his time on the diamond playing right field for our Dons and is doing quite well with the bat also. When school is out, Bob plays baseball with several different municipal leagues and also boasts a powerful batting average.

All of the Beacon staff would like to wish the best of luck to Bob in the future.
